To the Board of Directors Gateway Science Academy of Saint Louis Saint Louis, Missouri

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of Gateway Science Academy of Saint Louis (a non-profit organization), which comprise the modified cash basis statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses – modified cash basis for the year then ended and the related notes to the financial statements.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Academy's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the modified cash basis financial position of Gateway Science Academy of Saint Louis, as of June 30, 2021, and the results of its operations and its cash flows — modified cash basis for the year then ended in conformity with the basis of accounting described in Note 1.

### **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The data contained under Supplementary Information is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles,* and *Audit Requirements for Federal Audits,* and is not a required part of the financial statements. Such information is the responsibility of management, and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 5, 2021, on our consideration of Gateway Science Academy of Saint Louis' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Gateway Science Academy of Saint Louis' internal control over financial reporting and compliance.

## 1. Summary of Significant Accounting Policies

Gateway Science Academy of Saint Louis (the "Academy") is a Missouri not-for-profit corporation. The purpose of the Academy is to operate a Charter School established within the boundaries of the Saint Louis, Missouri School District. The Academy is legally separate from the Saint Louis, Missouri School District and is not financially accountable to it.

#### **Basis of Accounting**

The Academy has elected to present its financial statements on the modified cash basis of accounting. This modified cash basis of accounting is a basis of accounting other than accounting principles generally accepted in the United States of America. Basis of accounting is a reference to when financial events are recorded, such as timing of recognizing receipts, disbursements, and their related assets and liabilities. Under the modified cash basis of accounting, receipts and disbursements and the related assets are recorded when they result from cash transactions. The modification to cash basis relates to the presentation of capital assets and related depreciation, payroll liabilities, and long-term debt.

#### **Basis of Presentation**

The Academy is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restriction and net assets with donor restriction.

Net assets without donor restrictions – net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the Academy. These net assets may be used at the discretion of the Academy's management and the board of directors.

Net assets with donor restrictions – net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Academy pursuant to those stipulations, that expire by the passage of time, or that include funds of perpetual donation.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are classified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

## **Property and Equipment**

Depreciation of property and equipment is calculated on the straight-line basis over the estimated useful lives of the assets. These assets have been recorded at historical cost. It is the policy of the Academy to capitalize expenditures for equipment, furniture, and fixtures in excess of \$1,000 per item and useful life of over one year.

Asset Class	Useful Life
Building	10-30 years
Building improvements	10-30 years
Improvements other than building	10 years
Classroom instructional apparatus	3-10 years
Equipment	3-10 years
Equipment Electronics	3-10 years
Vehicles	5 years

Notes to the Financial Statements

June 30, 2021

#### **Compensated Absences**

Vacation time, personal business days, and sick leave are considered as expenses in the year paid.

### **Recognition of Donor Restrictions**

Contributions are recognized when they are unconditionally received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as with donor restriction support that increases those net assets. If a restriction is fulfilled in the same time period in which the contribution is received, the Academy reports the support as without donor restrictions.

#### **Use of Estimates**

The preparation of financial statements in conformity with the modified cash basis of accounting described above requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Cash and Cash Equivalents**

For purposes of the statement of cash flows, the Academy defines its cash and equivalents to include only cash in demand deposits.

## **Revenue and Other Support**

The Academy reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a donor restriction expires, that is, when a stipulated time restrictions end or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

#### **Functional Expense Allocation**

The cost of providing the program and support services have been summarized on the statement of functional expense on a functional basis. Most expenses can be directly allocated to the program or supporting functions. Certain categories of expenses are attributed to both program and supporting functions. Therefore, these expenses require allocation on a reasonable basis that is consistently applied and determined by management.

The expenses that are allocated include the following:

Expense	Method of Allocation
Salaries	Time and effort
Employee benefits	Time and effort
Purchased services	Time and effort
Supplies	Time and effort
Depreciation	Direct
Interest and fees	Direct

Notes to the Financial Statements

#### **Income Taxes**

On June 11, 2012, the Academy was notified by the Internal Revenue Service (IRS) that their exempt status had been revoked due to the failure to file IRS Form 990s for three years. The revocation was retroactive to November 15, 2011. On June 25, 2012, the Academy submitted a request for retroactive reinstatement of exempt status and was granted reinstatement as of that date. As of November 5, 2021, the Academy has not received IRS approval of the retroactive portion of the reinstatement request. Effective June 26, 2012, the Academy was exempted from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a)(1).

#### **Accounting for Uncertainty in Income Taxes**

The Academy does not believe there are any material uncertain tax positions and, accordingly, it will not recognize any liability for unrecognized tax benefits. No interest or penalties were accrued as of June 30, 2021.

If the Academy does not receive approval of its request for retroactive reinstatement, it will be responsible for taxes at the normal corporate rates. At the due date for filing a corporate tax return for a June 30, 2012, year end, the Academy chose to not file a Form 1120 return as a for-profit corporation and pay estimated taxes and no extension request was filed. The Academy has not been notified officially regarding retroactive reinstatement as of November 5, 2021. The Academy has continued efforts to engage with the Internal Revenue Service in an effort to bring closure to this matter.

#### **Subsequent Events**

Management has evaluated subsequent events through November 5, 2021, the date the financial statements were available to be issued.

#### 2. Risks & Uncertainties

During 2020, a strain of Coronavirus (COVID-19) was identified as a global pandemic and began affecting the health of large portions of the global population. The detrimental impact of this virus is not yet fully determinable but will likely continue to be significant for both the Academy and the overall economy. COVID-19 has been identified as a significant risk and uncertainty that could impact future operations and result in changes in estimates and assumptions made in financial statements.

## 3. Retirement Plan

The Academy contributes to The Public School Retirement System of the School District of Saint Louis, Missouri a cost-sharing multiple-employer defined benefit pension plan. Participation is mandatory for employees of the Saint Louis, Missouri Public School District, the Saint Louis Public Library, and the Public School Retirement System. The Retirement System provides service and disability retirement benefits to full-time employees and optional benefits to members' beneficiaries. Positions covered by The Retirement System are also covered by Social Security. The Retirement System is administered by a twelve-member Board of Trustees. The Retirement System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: The Public School Retirement System of the School District of Saint Louis, Missouri, 3641 Olive Street, Suite 300, Saint Louis, Missouri, 63108, or by calling 1-314-534-7444.

Notes to the Financial Statements

June 30, 2021

The Retirement System members are required to contribute 6.00% of their annual covered salary for members with start dates prior to December 31, 2017 and 9.00% for members with start dates on or after January 1, 2018, and the Academy is required to contribute an amount of 16.0%. After January 1, 2019, the Academy is required to contribute 15.5%. The contribution requirements of members and the school are established, and may be amended, by the Board of Trustees. The Academy's contributions to the system for the year ended June 30, 2021, were \$1,366,364, equal to the required contributions.

## 4. Operating Leases

On June 1, 2010, the Academy entered into an original extendable five-year lease with the St. Louis City Catholic Church Real Estate Corporation, a Missouri nonprofit corporation. As part of the original lease agreement, the Academy paid a base rent of \$11,000 to \$13,000 each month plus operating expenses of the leased facility, including all costs associated with the use, maintenance, financing, or repair of the property and all utilities, insurance, periodic capital replacement reserve amounts and management fees through July 31, 2019. A renewal option for August 1, 2019 through June 30, 2030 was exercised on August 1, 2019. The renewal set rates varying from \$12,500 to \$17,500 per month. The amount the Academy recognized in rent expense for the fiscal year ended June 30, 2021, was \$168,500.

On May 14, 2013, the Academy entered into a fifteen-year lease with 6651 Gravois, LLC, and New Plan Learning, Inc. As part of the lease agreement, the Academy pays a base rent each month plus tax, insurance, and operating expenses of the leased facility, including all costs associated with the use, maintenance, financing, or repair of the property and all utilities, insurance, periodic capital replacement reserve amounts and management fees. There is a renewal option for two successive extension periods of five additional years each. The first period base rent is \$32,800 per month with increases annually equaling 103% of the base rent of the immediately preceding lease year, rounded to the nearest whole dollar. This agreement is for the period of August 1, 2013 to July 31, 2027. The amount the Academy recognized in rent expense for this lease for the fiscal year ended June 30, 2021, was \$503,257.

## 5. Education Management Agreement

Effective July 1, 2015, the Academy entered into an agreement with Concept Schools, an Illinois non-profit corporation to provide management and operating services to the Academy at a rate of 10% of School's total annual revenue, including grant funding, to the extent that such grants do not prohibit the transfer of grant funds to a third party in the form of a management fee.

The agreement will continue until the end of the charter agreement and automatically renew for additional, successive terms commensurately with the charter agreement unless one party notifies the other party on or before April 1, prior to the expiration of the then-current term, of its intention not to renew the agreement. During the year, the Academy disbursed \$1,701,311 to Concept Schools.

## 6. Claims & Adjustments

The Academy participates in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Disbursements financed by grants are subject to audit by the appropriate grantor government. As of June 30, 2021, significant amounts of grant disbursements have not been audited by grantor governments, but the Academy believes that disallowed disbursements, if any, based on subsequent audits will not have a material effect on the overall financial position of the Academy.

## 7. Notes Payable

On September 10, 2018, the Academy entered into a ten-year note agreement with Fifth Third Bank in the amount of \$3,300,000 to refinance debt and fund various capital improvements. As part of the note agreement, the Academy pays a monthly principal payment of \$27,500 and an interest rate of LIBOR rate plus 2.25%.

Future base payments for this agreement at June 30, 2021, are as follows:

Depreciation charged to expense for the year ended June 30, 2021, was \$1,056,792. Depreciation is allocated to management and administration in the amount of \$105,679 and to program costs in the amount of \$951,113.

## 9. Significant Concentration of Credit Risk

Accounting principles generally accepted in the United States of America require disclosure of certain significant estimates on current vulnerabilities due to certain concentrations. Those matters include the disclosure that the Academy maintains its cash deposits in local banks. From time to time, the balances of the accounts may exceed FDIC insurance limits. Fifth Third Bank has not pledged additional security for deposits over FDIC insurance coverage amounts.

## 10. Liquidity & Availability

The Academy Financial assets available for general expenditures, that is, without donor restrictions or other restrictions limiting their use, within one year of the statements of financial position date, comprise of the following:

Financial assets at year end	
Cash and cash equivalents	\$ 3,953,772
Total financial assets	\$ 3,953,772
Financial assets available to meet general expenditures over the	
next twelve months	\$ 3,953,772

Notes to the Financial Statements

June 30, 2021

The Academy does not have a policy to maintain a particular number of days of operating expenses as liquid assets. The Academy is substantially supported by grant revenues that are based on formulas enacted by the legislation in the State of Missouri. The Academy also participates in various state and federally funded programs. As such, the future cash needs of the Academy are substantially met by these revenues, which are primarily received during the period in which expenses are incurred.

## 11. Open Tax Years

The Academy's informational and tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of June 30, 2021, the following tax years are subject to examination:

Jurisdiction	Open Years for Filed Returns	Returns to be Filed in 2021

Notes to the Schedule of Expenditures of Federal Awards
Year Ended June 30, 2021

- 1. The accompanying Schedules of Expenditures of Federal Awards (the Schedule) includes the federal award activity of the Gateway Science Academy of St. Louis, Missouri, under programs of the federal government for the year ended June 30, 2021. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the schedule presents only a selected portion of the operations of the Gateway Science Academy, St. Louis, Missouri, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Academy.
- 2. The Schedule of Expenditures of Federal Awards is presented using the modified cash basis of accounting, which is described in Note 1 of the Academy's financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance. Commodities received and expended are valued by the Food Service Section of the Department of Elementary and Secondary Education.
- 3. The Academy did not provide funds to subrecipients in the current year.
- 4. The Academy has not elected to use the 10% de minimis indirect cost rate.

## Independent Accountants' Report on Management's Assertions about Compliance with Specified Requirements of Missouri Laws and Regulations

Board of Directors Gateway Science Academy of Saint Louis Saint Louis, Missouri

We have examined management's assertions that Gateway Science Academy of Saint Louis complied with the requirements of Missouri laws and regulations regarding budgetary and disbursement procedures; accurate disclosure of the Academy's attendance records of average daily attendance, standard day length, resident membership on the last Wednesday of September, pupil transportation records of the average daily transportation of pupils eligible and ineligible for state aid, the number of miles eligible and ineligible for state aid and other statutory requirements as listed in the schedule of selected statistics during the year ended June 30, 2021. Gateway Science Academy of Saint Louis' Management is responsible for its assertions. Our responsibility is to express an opinion on management's assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertions are fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertions. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertions, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

In our opinion, management's assertions referred to above are fairly stated, in all material respects.

This report is intended solely for the information and use of the Board of Education, Academy management, and the Missouri Department of Elementary and Secondary Education and is not intended to be, and should not be, used by anyone other than these specified parties.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors Gateway Science Academy of Saint Louis Saint Louis, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Gateway Science Academy of Saint Louis as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise Gateway Science Academy of Saint Louis' basic financial statements and have issued our report thereon dated November 5, 2021.

### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Gateway Science Academy of Saint Louis' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances, for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be a material weakness. However, material weaknesses may exist that have not been identified.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Gateway Science Academy of Saint Louis' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Auditors' Report on Compliance for Each Major Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors Gateway Science Academy of Saint Louis Saint Louis, Missouri

#### **Report on Compliance for the Major Federal Program**

We have audited Gateway Science Academy of Saint Louis' compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Gateway Science Academy of Saint Louis' major federal program for the year ended June 30, 2021. Gateway Science Academy of Saint Louis' major federal program is identified in the summary of auditor's results section of the accompanying Summary Schedule of Findings and Questioned Costs.

## **Management's Responsibility**

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on compliance on Gateway Science Academy of Saint Louis' major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Audits* (Uniform Guidance). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Gateway Science Academy of Saint Louis' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on Gateway Science Academy of Saint Louis' compliance.

#### **Opinion on the Major Federal Program**

In our opinion, Gateway Science Academy of Saint Louis complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2021.

### **Internal Control over Compliance**

Management of Gateway Science Academy of Saint Louis is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Gateway Science Academy of Saint Louis' internal control over compliance with the types of requirements that could have a direct and material effect on the major federal programs to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal programs and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected and corrected on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Summary Schedule of Prior Audit Findings
Year Ended June 30, 2021

There were no prior year audit findings.

Board of Directors Gateway Science Academy of Saint Louis Saint Louis, Missouri

In planning and performing our audit of the basic financial statements of Gateway Science Academy of Saint Louis, for the year ended June 30, 2021, we considered the Academy's internal control to determine our auditing procedures for the purpose of expressing an opinion on the basic financial statements and not to provide assurance on the internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses.

However, we became aware of matters to bring to your attention. The following paragraphs summarize our comments regarding these matters:

#### 1. Collateralization of Deposits

RSMo 160.405(4)(4) requires charter schools to comply with financial management practices consistent with the Missouri DESE accounting manual. Included within the revised accounting manual, effective July 1, 2021, is a requirement to ensure that deposits of public fund in excess of FDIC coverage be fully insured or collateralized by the financial institution. Charter schools have been notified of this requirement and will be inspected for compliance as of January 31, 2022.

#### We Recommend:

The Academy work with their financial institutions to ensure that all deposits in excess of FDIC coverage are fully collateralized by January 31, 2022 in order to comply with statutory requirements.

#### 2. Basis of Presentation of Financial Statements

RSMo 160.405(4)(4) requires charter schools to comply with financial management practices consistent with the Missouri DESE accounting manual. The revised accounting manual, effective July 1, 2021 seems to require that financial statements be presented in accordance with the accounting model established by the Governmental Accounting Standards Board (GASB). For the Academy, this would mean changing to a regulatory basis of accounting (GASB). The financial impact of this change is not expected to materially affect the Academy.

#### We Recommend:

The Academy review the accounting manual and consider adopting a change to its financial reporting model to ensure ongoing compliance with the requirements outlined in the Missouri DESE Accounting Manual as required by RSMo 160.405(4)(4).

#### 3. Financial Management Practices – Possible New Compliance Requirements

RSMo 160.405(4)(4) requires charter schools to comply with financial management practices consistent with the Missouri DESE accounting manual. Included within the revised accounting manual, effective July 1, 2021, are various other requirements pertaining to salary compliance, revenue placement, expense placement, budgeting practices and presentation that have been previously considered as not applicable to charter schools.

#### We Recommend:

The Academy review the Missouri DESE Accounting Manual to identify compliance elements that might be considered applicable based on the revised accounting manual and make changes as necessary to ensure ongoing compliance with the requirements outlined in the Missouri DESE Accounting Manual as required by RSMo 160.405(4)(4).

#### 4. Periodic Internal Control Review

The Academy's processes have traditionally involved contracted personnel working offsite from the school and has experience in managing internal controls while working in a virtual environment. As the Academy evolves, policies and procedures change. The upcoming year includes the continued challenge of managing during the COVID-19 pandemic and the pandemic continues to create the risk of business and process disruptions that could alter the application of normal procedures and controls. The Academy should periodically conduct a review of its internal control procedures and monitor the ongoing impact of the pandemic on internal controls to determine if any changes are necessary in order to protect the Academy's assets.

#### We Recommend:

The Academy periodically reassess internal control procedures to determine opportunities for strengthening safeguards over the Academy's assets throughout the year and periodically as processes are disrupted. This is also an opportunity to identify ways to increase efficiency in processes. The Academy may want to consider conducting reviews on cash management, computer information systems, mail distribution procedures, purchasing procedures, new vendor procedures, and other areas the Academy considers necessary.

### 5. Cybersecurity

Cybersecurity threats continue to escalate, and nonprofit entities of all sizes are at risk for a breach of their information systems. As a school, the Academy houses a large amount of information that would be considered valuable to a cybercriminal. This situation elevates the risk the Academy faces compared to other nonprofits. With this increase in risk, there is a need to continually evaluating risk and take steps necessary to ensure the security of information systems. Steps include identifying critical information systems and introducing safeguards and modifications when possible, actively training employees to properly identify threats received in emails or by other means and adopting internal communication methods other than email.

It is important that entities develop a recovery plan outlining procedures that personnel should follow once a cybersecurity breach is discovered. Additionally, entities should be aware of any insurance in place to help protect them from liabilities that can occur as the result of a breach.

#### We Recommend:

The Academy continue to evaluate its cybersecurity risks and take the appropriate necessary steps to reduce the risk of cybersecurity threats to their information systems. This evaluation should be performed continuously as technology, information systems and related risks are continually changing.

We appreciate this opportunity to serve as Gateway Science Academy of Saint Louis' independent auditor and the courtesies and assistance extended to us by the Academy's employees.

Board of Directors Gateway Science Academy of Saint Louis Saint Louis, Missouri

We have audited the financial statements of Gateway Science Academy of Saint Louis for the year ended June 30, 2021. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We communicated such information in our letter to you dated April 27, 2021. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Matters**

#### Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Gateway Science Academy of Saint Louis are described in Note 1 to the financial statements. During the year ended June 30, 2021, the Academy did not adopt any new standards and the application of existing standards was unchanged. We noted no transactions entered into by the Academy for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events.

The disclosures in the financial statements are neutral, consistent, and clear.

#### Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

## Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We noted no misstatements regarding assets or net assets.

#### Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 5, 2021.

## Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Academy's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

#### Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Academy's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

#### Other Matters

With respect to the other information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the modified cash basis of accounting, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Directors and management of Gateway Science Academy of Saint Louis and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

KPM CPAs, PC
