**COMMUNITY SCHOOL
SPONSORSHIP
CONTRACT FOR
YOUNGSTOWN
PREPARATORY ACADEMY**

This community school sponsorship contract (“Contract”), effective July 1, 2021, is entered into pursuant to the provisions of Chapter 3314 of the Ohio Revised Code between the Buckeye Community Hope Foundation, (“Sponsor” or “BCHF”) an Ohio non-profit corporation, and the Governing Authority of Youngstown Preparatory Academy (“Governing Authority”), an Ohio non-profit corporation (collectively, the “Parties”).

WHEREAS, Ohio law permits the formation and operation of public community schools; and

WHEREAS, the Sponsor is authorized to sponsor community schools; and

WHEREAS, the School seeks to commence operation as a community school beginning July 1, 2021;

WHEREAS, the School applied to the Sponsor to commence operation as a community school on July 1, 2021; and

WHEREAS, following a rigorous review process, the Sponsor approved the application from the School;

NOW, THEREFORE, in consideration of the mutual benefits provided hereunder and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

I. ESTABLISHMENT AND AUTHORITY

A. Authority to Operate & Term

- 1. Authority to Operate.** The Governing Authority shall operate a start-up community school as permitted by law, subject to applicable federal laws, state laws, and this Contract. The Governing Authority may carry out any act or ensure the performance of any function that is in compliance with the Ohio Community School Law (R.C. Chapter 3314), Ohio Administrative Code, the United States Constitution, the Ohio Constitution, other relevant Federal and/or State law, and this Contract.
- 2. Term.** This Contract shall commence for a term beginning on July 1, 2021 and ending on June 30, 2026.
- 3. Open for Operation.** The School will be open for operation by September 30th of each School Year, unless the mission of the School is solely to serve drop-out students. If the School fails to open by September 30th in its initial

year of operation or within one (1) year after the adoption of a contract pursuant to R.C. 3314.02(D), the Contract shall be void, unless the mission is to serve drop-out students.

4. School Agreements with Third Parties.

- a. The Sponsor is not liable for the debts of the School or the Governing Authority.
- b. The Parties agree that certain agreements represent significant and material transactions that must be provided to the Sponsor in substantial form at least five (5) business days prior to adoption by the Governing Authority. These agreements include:
 - (1) the purchase, sale, lease, or other disposition of any real property; and
 - (2) All agreements in excess of five hundred thousand dollars (\$500,000.00).

5. Bond. To the extent required by R.C. 3314.50 which only applies to schools that initiated operation on or after February 1, 2016, the Governing Authority must post a bond in the amount of Fifty Thousand Dollars (\$50,000). In lieu of a bond, the Governing Authority or the Operator may deposit cash in the amount of Fifty Thousand Dollars (\$50,000). In lieu of a bond or cash deposit, the School's operator may provide a written guarantee of payment obligating the Operator to pay the costs of audits of the School up to an amount of Fifty Thousand Dollars (\$50,000). Unless agreed to otherwise, the Sponsor shall not deposit cash or provide a written guarantee pursuant R.C. 3314.50.

6. Independent Attorney. The School shall comply with R.C. 3314.036, which provides "[t]he governing authority of a community school shall employ an attorney, who shall be independent from the school's sponsor or the operator with which the school has contracted, for any services related to the negotiation of the community school's contract with the sponsor or the school's contract with the operator."

B. Corporate Formalities

1. Establishment. The School shall be established as either: (1) a nonprofit corporation established under R.C. Chapter 1702, if established prior to April 8, 2003; or (2) a non-profit public benefit corporation established under R.C. Chapter 1702, if established after April 8, 2003. The School shall remain in good standing as a non-profit or public benefit corporation pursuant to Chapter 1702 of the Revised Code for the entire term of this Contract.

2. **Tax Exempt Status.** The School may apply to be a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code. Upon obtaining tax exempt status, the School must provide its status determination letter to the Sponsor within ten (10) business days of receipt.
3. **Documentation.** Prior to either party approving this Contract and as a part of the School's Comprehensive Plan, the School shall provide the Sponsor a copy of all current Corporate Documents. Any modification to or renewal of a Corporate Document during the School Year shall be provided to the Sponsor within ten (10) business days of said modification or renewal. Corporate Documents are defined to include:
 - a. The Certificate of Incorporation;
 - b. The Articles of Incorporation;
 - c. Appointment of Statutory Agent;
 - d. The Code of Regulations;
 - e. Taxpayer Employer ID Number; and
 - f. the IRS Tax Determination Letter, if applicable.

C. Location

The School is authorized to operate at 810 Oak Street, Youngstown, OH, 44515, which shall be the School's primary location ("Primary Location"). The Primary Location may not change without modification to this Contract.

1. Prior to the School entering or renewing any lease or purchase agreement for real property ("Property Agreement"), the Sponsor shall have the right to: (i) inspect and approve the property, provided that such approval may not be unreasonably withheld or delayed; (ii) reasonably request and review documentation to assess the adequacy of the property; and (iii) review the terms of the Property Agreement prior to execution consistent with Article I, Section A (4) of this Contract.
2. The School shall perform due diligence prior to entering a Property Agreement and may not agree to or enter into any Property Agreement that is either (a) not reasonably reflective of fair market value or (b) above fair market value. The Governing Authority may not enter into a lease with a Management Company for any parcel of real property until an independent professional in the real estate field verifies that the lease is commercially reasonable at the time of signing. Any lease payments, mortgage payments, or capital improvement costs must be consistent with the yearly budgets given to and accepted by the Sponsor.

3. Each Property Agreement and any modification or renewal thereof shall be provided to the Sponsor upon execution.
4. Consistent with R.C. 3314.03, **Exhibit 1** contains an addendum outlining the facilities the School will use for instructional purposes, including: (a) a detailed description of each facility used for instructional purposes; (b) the annual costs associated with leasing each facility that are paid by or on behalf of the School; (c) the annual mortgage principal and interest payments that are paid by the School; and (d) the name of the lender or landlord, identified as such, along with the lender or landlord's relationship to the Operator, if any.

D. Dispute Resolution

Except for a dispute arising under Article XI, Section B, regarding expiration, probation, non-renewal, suspension, and termination, the Parties shall use the following dispute resolution procedure for any dispute regarding or arising from this Contract or any issue related to the School:

1. The Parties shall attempt to resolve any dispute by holding an informal meeting between a designee of the Sponsor and President or other designee of the Governing Authority.
2. If the Parties cannot resolve the dispute, the matter shall be submitted to a qualified, mutually selected, mediator for mediation. The Parties shall equally split all fees or costs of any third-party mediator. The Parties will make every attempt to resolve such disputes through mediation.

E. Organizational Plan

The Governing Authority must provide the organizational structure and relationships between the management/administration, employees, and Governing Authority in a chart as well as a narrative describing the working relationships of each entity. This shall be submitted as part of the Comprehensive Plan and is subject to Sponsor approval, which shall not be unreasonably withheld. Any modifications to the organizational plan must be submitted to the Sponsor in writing prior to implementation.

F. Operator Agreements

1. The School may enter into a contract with an Operator ("Operator Agreement"). As used in this Contract, the term Operator is consistent with how the term is defined in R.C. 3314.02(A)(8), which as of the execution of this Contract means either (a) an individual or organization that manages the daily operations of the School pursuant to a contract between the Operator and the Governing Authority; or (b) a nonprofit organization that provides programmatic oversight and support to the School under a contract with the

Governing Authority and that retains the right to terminate its affiliation with the School if the School fails to meet the organization's quality standards.

2. Prior to entering into an Operator Agreement, the School shall retain an attorney, who is independent of the Operator with which the School is contracting, for negotiation of the Operator Agreement in accordance with R.C. 3314.036.
3. As of the execution of this Contract, the School represents that it is not contracting with an Operator. If the Governing Authority proposes (a) to enter into another Operator Agreement after execution of this Contract, (b) to change operators or have its Operator Agreement assigned during the Term of this Contract, or (c) to remove the Operator and operate the School without an operator, the Governing Authority shall notify the Sponsor and submit all information necessary to propose a modification to this Contract.
4. Each executed Operator Agreement or any assignment, amendment, modification, or renewal thereof must be provided to the Sponsor within ten (10) days of execution. The Sponsor's receipt of the foregoing does not constitute the Sponsor's approval of or an opinion regarding legality and is not binding upon the Sponsor. The Operator Agreement shall at all times comply with this Contract, State law, and Federal law.
5. Each Operator Agreement must:
 - a. Afford the School adequate resources to pay professional fees to resolve any controversies between the Operator and the Governing Authority;
 - b. Include criteria to be used for early termination of the Operator Agreement and required notification procedures and timeline for early termination of nonrenewal of the Operator Agreement, in accordance with R.C. 3314.032(A); and
 - c. Stipulate which entity owns all community school facilities and property, including, but not limited to, equipment, furniture, fixtures, instructional materials and supplies, computers, printers, and other digital devices purchased by the Governing Authority or Operator, in accordance with R.C. 3314.032 and 3314.0210.
6. All moneys the Operator loans to the School, including facilities loans or cash flow assistance, must be accounted for in the School's annual budget, documented and bear interest at a fair market rate in accordance with R.C. 3314.03(A)(3).

7. If the Operator provides services to the School in excess of twenty percent (20%) of the School's gross annual revenues, then the Operator must provide a detailed accounting of the nature and costs of the services it provides to the School, in accordance with R.C. 3314.024 (A).
8. When an Operator purchases furniture, computers, software, equipment, or other personal property for use in the operation of the School with state funds that were paid to the Operator by the School as payment for services rendered, such property is property of that School and is not property of the Operator.
9. If the School closes and ceases its operation as a community school, any property that was acquired by the Operator shall be distributed in accordance with R.C. 3314.015(E) and R.C. 3314.074.
10. If the Governing Authority does not engage an Operator, the Sponsor may require the Governing Authority to interview, select, and enter into an operator agreement if the Sponsor determines at its sole discretion that an operator is necessary due to the Governing Authority abandoning or breaching its duties in a manner that is likely to cause immediate or irreparable harm to the School and/or its students.

B. Additional Reporting

1. **Sponsor Requests.** Unless specified otherwise, the Governing Authority and/or the School shall provide responses to reasonable requests from the

Sponsor within ten (10) business days. Any deficiency shall be cured within a reasonable period of time acceptable to the Sponsor, except for a health or safety emergency which must be cured immediately and which may be grounds for termination of this Contract.

The Sponsor shall consider the financial position of the School when making such requirements and shall not require actions that cause undue financial hardship on the School.

XII. GOVERNING AUTHORITY ACKNOWLEDGEMENTS AND AGREEMENTS

The Governing Authority and School specifically acknowledge and agree to the following:

- D.** The entering into of this Contract and the oversight of the Sponsor of this Contract shall in no way implicate the Sponsor or render it liable or responsible for the acts or omissions of the Governing Authority or the School. The Governing Authority hereby indemnifies, defends and holds the Sponsor harmless from claims, demands, causes of action, threatened actions, losses, damages or costs related to the duties, services, acts or omissions of the Governing Authority or the School. Educational Plan

In accordance with the requirements of R.C. 3314.03, the School shall provide the following information:

1. Mission of the School. -It is the mission of YPA to educate all students to the highest levels of academic achievement, where they are continuously challenged to think, perform, and grow into lifelong learners.

We consistently revisit the mission in all our practices and evaluate progress toward mission accomplishment through multiple measures including student performance and growth, teacher performance, administrator performance and school performance.

2. Characteristics of the students the School is expected to attract. If the School plans to serve an at-risk population, please include here the definition, agreed upon by the Sponsor and the School, of at-risk.

As a school of choice, Youngstown Preparatory (YPA) will be open for enrollment for all K-8 students in Mahoning County, Ohio and adjacent counties in the Youngstown, Ohio area. Similar schools in the area are almost entirely composed of economically disadvantaged students. YPA will serve the same anticipated demographic, which is comprised of the following racial breakdown: 55% African American students 15% Caucasian and 30% Latino.

3. Ages and grades of the students. - **Ages 5-14 serving grades K-8**

4. Focus of the curriculum. - The following design elements and guiding principles will make YPA a high performing school of the 21st Century, while providing the tools necessary to improve student learning and achievement.

1. **AMBITIOUS PEDAGOGY** Ambitious pedagogy is "teaching and learning that moves beyond the straightforward communication or transfer of facts and skills to instruction that has teachers and students engaged in deep learning by making meaning of rich academic content. Co-engaging in authentic, practical, and intellectual puzzles and creating new knowledge and capabilities in themselves and in others" (Moje, 2017). Ambitious instruction includes rich tasks through which students learn content, concepts, and skills. In order for students to collaborate, communicate, and think critically and creatively, they must be doing so about rich content.

By engaging students in deep learning and having them think critically about rich content, teachers will increase student achievement. In addition, the development and fostering of a growth-mindset is equally imperative.

2. **EQUITABLE PEDAGOGY** Teaching practices that strive for equity within the classroom consider the identity, efficacy, and agency of each learner. Learning experiences and materials consider the cultural heritage and identities of the learners in the classroom. Teachers are responsive to students, their backgrounds, and life experiences. Teachers build on the assets or “funds of knowledge” (Gonzalez, et al., 2009) that students bring with them.
3. **SEL INTEGRATIVE PEDAGOGY** positions relationships as the central ingredient to learning. Inherent within SEL integrative instruction is the growth mindset necessary to achieve established high expectations. High levels of academic press coupled with proper social and emotional supports and the shared belief that students will achieve at the level of expectation promote high levels of student learning.

A supportive and equitable environment in all classrooms serves as a platform for all academic, social and emotional learning. At the core of a supportive classroom is a caring, engaging teacher who establishes authentic trusting relationships with each student.

4. **Description of Classroom Based and Non-Classroom-Based Learning Opportunities.** Please provide a summary of the learning opportunities that will be offered to students (both classroom and non-classroom-based opportunities) that are in compliance with criteria for student participation established by the Ohio Department of Education under (H)(2) of Section 3314.08 of the Ohio Revised Code.

Universal Design for Learning (UDL) will be the framework for instruction at the YPA. In order to accomplish our mission and align teaching and learning with our guiding principles, teachers will need to plan and implement instruction to meet the needs of all students. Within the framework of instruction, teachers will implement an Inquiry-Based Instruction-method that places students’ questions, ideas, and observations at the center of the learning experience. The 5E model sequences learning experiences so that students have the opportunity to construct their understanding of a concept over time. The model leads students through five phases of learning that are easily described using words that begin with the letter E: Engage, Explore, Explain, Elaborate, and Evaluate.

Teachers will also differentiate their instruction through the use of small groups and implementation of a Direct Instruction. Direct instruction is a model for teaching that emphasizes well-developed and carefully planned lessons designed around small learning increments and clearly defined and prescribed teaching tasks. Direct instruction

is the use of straightforward, explicit teaching techniques, combined with student practice and feedback to teach concepts, skills, and application.

The guiding principles and instructional framework identified have been selected due to the effectiveness and ability to meet the needs of diverse learners. By incorporating varying instructional methodologies, teachers will be able to differentiate instruction to meet the needs of all learners including students with disabilities and students who are English Language Learners.

Core instruction will be provided to the Ohio Learning Standards for grades K through 8. All aspects of English Language Arts (Reading Foundations, Reading Literature, Reading Informational Text, Writing, Speaking and Listening, and Language), Mathematics, Science, Social Studies and Physical Education. Fine Arts will be taught by classroom teachers or specialists when schedule permits.

YPA will also have a daily intervention block built into the schedule. This intervention time will allow all students to receive research-based, targeted instruction to address any skill deficits. Additionally, the intervention block will allow YPA staff to meet the needs of students who may need to be challenged. This will include students who qualify as gifted.

YPA will utilize technology tools and resources to provide our students with meaningful and engaging learning experiences. At YPA, technology will be a vital tool that will be used to foster student engagement through active learning tasks. Teachers will use technology based instructional methods that encourage students to actively engage with curriculum to increase students' overall academic engagement.

Learning experiences and materials at YPA will consider and incorporate the cultural heritage and identities of the learners in the classroom.

Additionally, YPA students will engage in virtual and in-person field trips. Learning experiences outside of the classroom will enrich the educational experiences for YPA students by showing them real-life applications of theories that they are learning at school.

Performance Frameworks – Metrics, Measures, & Targets

OVERVIEW

The Performance Frameworks provide the Buckeye Community Hope Foundation (BCHF) a mechanism of: (1) strong accountability for the students and families who choose to attend one of our sponsored schools, (2) clear decision making by our Board of Trustees regarding our portfolio of schools, and in the longer term, (3) a higher-quality community school portfolio.

The purpose of the Performance Frameworks is to set annual targets that BCHF will use to consider a school for recognition, intervention, renewal, non-renewal, or termination.

We subscribe to the National Association of Charter School Authorizer’s Principles & Standards that state: “A Quality Sponsor implements an accountability system that effectively streamlines federal, state and local...compliance requirements while protecting schools’ legally entitled autonomy and minimizing schools’ administrative and reporting burdens.”

BCHF ultimately maintains discretion in making final decisions to consider a school for recognition, intervention, renewal, non-renewal, or termination. To this end, we strive to sponsor high performing community schools that have an incubation period of five (5) years and to protect the innovative and entrepreneurial spirit of the intent behind school choice. We maintain the discretion to utilize additional data collected through our ongoing monitoring in order to elevate a school in the overall renewal decision based upon the expertise, evaluation, and recommendation(s) by our Education Division team.

PERFORMANCE FRAMEWORK SCORING SCALE

Each section of the Performance Framework has a target score in each major category as highlighted in the scale – Academics, Compliance (legal and operations), and Fiscal. Some indicators are weighted more than others. For example, the Overall Grade metric from the Local Report Card is made up of multiple components – Achievement, Progress, Gap Closing, Improving At-Risk K-3 Readers, Graduation Rate, and Prepared for Success – of which all or some may apply to a school. This measure is a significant indicator of a school’s performance and carries of weight of (3x) on the performance framework.

The Academic total score is weighted at 50% of the overall performance score on the framework for a school. Compliance and Fiscal both are weighted at 25% each of the overall performance score. Although a score could exceed the number of possible points based upon a school exceeding the target, the maximum a school can achieve on the framework is 100% of the points. This information is used to annually evaluate the performance of a school for strengths, weaknesses, and intervention; and to make renewal decisions.

Plan of Action for Financial Difficulties or Closure

Community School: School Suspension and/or School Closing Procedures

Effective date: July 1, 2010

Updated: May 2018

Community school sponsors primarily are responsible for ensuring an orderly process is followed when a school closes or operations are suspended.

Closure Statute

Under state law ([Ohio Revised Code 3314.023](#)), community school sponsors must monitor and oversee their schools' compliance with law, administrative rules and contract provisions, including requirements related to school closure. Specifically, ORC 3314.023 requires:

- *A sponsor shall provide monitoring, oversight, and technical assistance to each school that it sponsors. In order to provide monitoring, oversight, and technical assistance . . .*
- *[Sponsors] Having in place a plan of action to be undertaken in the event the community school experiences financial difficulties or closes prior to the end of a school year.*

Suspension Statute

[ORC 3314.072](#) establishes the conditions under which a school may be suspended, along with a school's procedural rights. Provisions include:

- *For any of the reasons prescribed in division (B)(1)(a) to (d) of section 3314.07 of the Revised Code, the sponsor of a community school established under this chapter may suspend the operation of the school only if it first issues to the governing authority notice of the sponsor's intent to suspend the operation of the contract. Such notice shall explain the reasons for the sponsor's intent to suspend operation of the contract and shall provide the school's governing authority with five business days to submit to the sponsor a proposal to remedy the conditions cited as reasons for the suspension.*
- *The sponsor shall promptly review any proposed remedy timely submitted by the governing authority and either approve or disapprove the remedy. If the sponsor disapproves the remedy proposed by the governing authority, if the governing authority fails to submit a proposed remedy in the manner prescribed by the sponsor, or if the governing authority fails to implement the remedy as approved by the sponsor, the sponsor may suspend operation of the school pursuant to procedures set forth in division (D) of this section.*
- *If division (B) of this section applies or if the sponsor of a community school established under this chapter decides to suspend the operation of a school as permitted in division (C)(2) of this section, the sponsor shall promptly send written notice to the governing authority stating that the operation of the school is immediately suspended, and explaining the specific reasons for the suspension. The notice shall state that the governing authority has five business days to submit a proposed remedy to the conditions cited as reasons for the suspension or face potential contract termination.*
- *Upon receipt of the notice of suspension prescribed under division (D)(1) of this section, the governing authority shall immediately notify the employees of the school and the parents of the students enrolled in the school of the suspension and the reasons therefore, and shall cease all school operations on the next business day.*

Overview

Sponsors provide and execute a plan for an orderly conclusion of a community school's affairs when a community school is closed or suspended for any reasons permitted by law and/or the contract between the sponsor and the school. A school is considered closed or suspended when instruction has ceased and the governing authority or sponsor has issued an official notice that includes the reason for and date of the school's closure or suspension. A community school also is considered closed if the Department issued a notice to a school under the state's automatic closure law, [ORC 3314.35](#). In the case of both suspension and closure, the sponsor and an authorized representative of the governing authority complete and sign the Suspension and Closing Assurance Template. Community school sponsors make sure a community school's governing authority takes all reasonable and required actions to fully address suspension or closing issues. If a school's governing authority is no longer able or willing to fulfill obligations with respect to orderly closure, the school's sponsor assumes responsibility for all closure activities. A plan for school closure is a required part of the school's contract with the sponsor. Final preparations, as outlined in the plan, should be in place prior to the last day students are in attendance.

Note:

- Closing procedures detailed in this guidance or the accompanying template are not applicable to school mergers.
- Procedures for school closures that are the result of settlement agreements may differ based on the provisions of the settlement. Schools and sponsors are advised to consult their legal counsel.

Sponsors must submit a Suspension and Closing Assurance Template for each closed community school. By completing this assurance, sponsors attest that all necessary notifications and actions are completed.

When possible, the final FTE review should be completed within seven business days of the school ceasing operations or within seven business days of the area coordinator's notification of the school's suspension or closing by the Department. Final FTE reviews should be completed prior to transfer of original student records to the district(s). Sponsors must monitor the school's actions to assure both the FTE review and fiscal audit are scheduled in a timely fashion. If the school fails to schedule these activities, the sponsor must step in and make the necessary arrangements.

Sponsors should begin completing the Suspension and Closing Assurance Template as soon as possible after the suspension/closure of the school.

For mid-year closure or suspension, an estimated timeline for closure activities must be submitted to the Office of Community Schools within 10 days of notification. In the case of closure at the end of the school year, sponsors shall submit an estimated timeline for closure activities to the Office of Community Schools, via Epicenter, no later than May 31. Sponsors shall use the Suspension and Closing Assurance Template for the estimated timeline.

The updated Suspension and Closing Assurance Template shall be submitted to the Office of Community Schools, via Epicenter, quarterly (July 1, Oct. 1, Jan. 1 and April 1), noting which activities are complete and which are not yet complete until the process is finished and closing assurances are submitted. The quarterly submissions shall include a narrative explaining any delays and the sponsor's target date for submitting the final closing assurances.

If refunds are generated at a later date, the sponsor shall follow the instructions in the Preparation of Itemized Financials section of the template and complete the Final Payments and Adjustments section.

The Suspension and Closing Assurance Template provides step-by-step guidance to assist sponsors in meeting their responsibilities when one of their schools suspends operations or closes.

Records

Sponsors assure that all school records needed by the Ohio Department of Education, Ohio Auditor of State, U.S. Department of Education and other interested entities are secured and available as needed during the closeout process. Records generally describe an account in permanent form, preserving knowledge or information about facts, transactions or events maintained and kept for the proper administration of the school, including student, staff and administrative/financial information. Please note, the following categories and types of records should not be considered as the entire list of documents that might be examined during a closing

procedure. Additional records may be requested during an FTE review or final audit. (Additional information is available in the Department's FTE Review Manual.)

Student Records

Student records include all educational, special education and other documents in the school's possession that relate to a particular student. Student records include, but are not limited to: documents normally found in permanent record folders that are necessary for reviews and audits; attendance records that detail enrollment and attendance history; grades and grade levels achieved; transcripts, courses completed and grades for each course, particularly for students enrolled in grades 9-12 and for graduates of the school; proof of residency documents that identify a student's home district; FTE Detail reports, with names and SSID numbers that can be used to match names to the FTE Detail report with randomly selected SSIDs obtained by the area coordinator; special education information and folders; and other such information that may be maintained and kept in a student permanent record folder.

Schools must retain copies of all student records necessary to complete the final FTE review and financial audit.

Staff Records

Staff records include, but are not limited to: employment agreements or contracts; salary and benefits information; attendance and leave information; employee licenses; Local Professional Development Committee (LPDC) status and record of continuing education; payroll and withholding documents; and other such information that may be maintained in an employee record folder.

Administrative/Financial Records

Administrative/financial records include, but are not limited to: lease or rental agreement; deed if property is owned; inventories of furniture and equipment, including purchase price, source of funds for payment, date purchased and property tag number; bank and financial reports, including all financial statements created by the fiscal officer; bank statements and checks; schedule of unpaid debt detailing amount, vendor and date of obligation; invoices, receipts, vouchers and purchase orders that detail expenditures; grant records, including detail of federal and state grant awards and final expenditure reports and contracts; and other such information that may be maintained to serve as the administrative/financial records for the school.

Record Retention

Sponsors shall secure all school records (student, personnel, fiscal, etc.) prior to closing. All such records shall be maintained according to applicable records retention schedules. Records retention is governed by state and federal law and governing authority policy. Additional information regarding state requirements is available [here](#). Federal records retention schedules are available [here](#). Additional information is available in the Student Records section of the Suspension and Closing Assurance Template.

Community school sponsors are responsible for securing all records prior to closing and maintaining records in accordance with all applicable retention schedules.

Should you have any questions, please contact the Office of Community Schools at Community.Schools@education.ohio.gov or your lead consultant.

**BCHF STANDARD OPERATING PROCEDURE:
FINANCIAL DIFFICULTY OR CLOSURE PRIOR TO END OF SCHOOL YEAR**

By authority of the community school contract executed between Buckeye Community Hope Foundation ("BCHF" or "Sponsor") and the Governing Authority ("School") as amended (the "Contract"), and provisions of Chapter 3314 of the Ohio Revised Code, including but not limited to, ORC 3314.03(D)(6) and 3314.015(E), and OAC 3301.102-05(A)(7), Buckeye Community Hope Foundation's plan of action for responding to critical financial difficulties or closure experienced by the School prior to the end of the school year is as follows:

1. Pursuant to the community school contract, the School must cooperate fully with the Sponsor in all activities as required by Ohio Department of Education (ODE) regulations for oversight of the School, including but not limited to:

- Annual file updates as requested by BCHF;
- Annual Review of Auditor reports;
- Timely submission of both the October and May 5-year forecasts;
- Timely submission of the board approved annual School Budget;
- Monthly reviews of the school's financial position; and
- Other appropriate requests for information from BCHF or ODE.

Further, pursuant to the community school Contract, the School shall comply with all reasonable requests of the Sponsor. Failure to do so may constitute grounds for Sponsor to place the School on probation, suspension, and/or termination of the Contract. In Article VIII. of the Contract, the School specifically recognizes BCHF's authority to intervene in, correct, declare probationary status of, suspend, terminate, or non-renew the school's Contract and correct problems in school performance.

In the event the School experiences financial difficulties, BCHF will utilize its authority under Ohio Revised Code, Ohio Administrative Code, and Article VIII. of the Contract to obtain necessary information from the School to identify causes, develop potential remedies, and prepare contingency plans, if necessary.

The Sponsor shall require the School to develop and implement a remedial plan to address the school's financial difficulties in a timely manner. Such remedial plan may include, but is not limited to:

- School providing more frequent or enhanced financial reporting to Sponsor; arrangements for on-site financial inspections and/or audits of the School by Sponsor or sponsor's representatives.
- Providing supplemental reports to the Sponsor confirming the implementation of remedial steps in accordance with an agreed upon timetable.
- School's attainment of specified financial benchmarks according to an agreed upon timetable. Sponsor may compel the School to provide such a remedial plan through the use of probation or notice of intent to suspend.

In the event the School fails to provide an acceptable remedial plan, or fails to implement a remedial plan approved by the Sponsor, the Sponsor reserves the authority to require changes to the management of the School, to the extent permitted by Ohio Revised Code Chapter 1702, or other applicable law. Pursuant to the community school Contract, as permitted by law, the School grants

BCHF power of attorney to carry out provisions of applicable law and the Contract on behalf of the School, should it become necessary to do so by the sponsor's sole discretion, and to appoint a new Board of Directors for the School for cause or breach of the Contract.

If the School is not able to remedy its financial difficulties in a manner satisfactory to BCHF, then BCHF reserves the right to terminate the school's Contract in accordance with provisions of Ohio Revised Code 3314.07.

2. BCHF's plan of action in the event the School is suspended, terminated, or otherwise closes such that the School ceases operation prior to the end of the school year, is as follows:

BCHF will take every possible reasonable step to avoid a mid-year closure. Prior to any decision to suspend or close school operations mid-year, BCHF may take steps including but not limited to:

- At the BCHF Board's discretion, waive school sponsorship fees for a specified period of time.
- BCHF staff may assist in the renegotiation of Contracts to gain more favorable terms for the school.
- BCHF staff may meet directly with the school Treasurer and Director to evaluate spending in all areas and develop a plan to reduce expenses while maintaining required minimum staffing levels.
- BCHF may provide direct support to the school in identified areas to reduce costs.

In the event every possible step towards a solution has been taken and the school must be closed, BCHF shall comply with the provisions of ORC 3314.07, 3314.072, and 3314.073 regarding the procedures and notices for placing the School on probationary status, suspension, and/or termination.

In the event it becomes necessary for the Sponsor to suspend or terminate the school's Contract, BCHF will adhere to the **Community School Suspension and Closing Procedures** and forms prescribed by the Ohio Department of Education.

The following steps are strong areas of focus for BCHF to ensure the best possible transition for students and staff affected by the closure.

- Immediate communication of closure with ODE, parents, and school staff.
- Direct communication with the local public school district to arrange delivery of records and to ensure parents receive support as they transition to a new school.
- Coordination with the closure school to host an enrollment fair for all school options available in the area so parents are fully aware of choices and can be assisted in the transition to a new school.
- Coordination with the closure school to ensure both student records and staff files are completely organized and ready for delivery to prevent any delays during the transition.
