DeLaSalle Charter High School Academic Committee Meeting Notes

March 13, 2024

In attendance: Steve Gering Sean Stalling Bill Patterson

The group met to discuss the Missouri Charter Public School Commission's 2022-23 Annual Report, which was delivered to the Board of Directors via e-mail on March 12.

All three stated seeing no real surprises in the report but noted several areas where the DeLaSalle should focus its attention when crafting our Charter Renewal application.

Sean indicated he would be contacting Martha McGeehon to seek clarity on areas where DLS received "meets (or exceeds) expectations" on most criteria but only a "partially meets" rating for the category (specifically Section V – Operational Compliance).

The group agreed the most important measures in the report were found on Page 9 of the report (Section I – Academic Peformance) beginning with metrics measuring Freshman On-Track performance. DLS should lead with this information in our application.

Additionally, the group noted improvement in all academic areas (with a few exceptions). Sean stated the Commission had awarded DLS a \$22,000 grant based on our academic progress. Steve recommended this information be shared and celebrated at the next Board meeting.

Sean also noted a stat not shown on the report: In some academic performance categories, DLS ranked first or second when compared to the Kansas City peer group schools.

Additionally, DLS has made changes (e.g., moving Algebra and its EOC exam to Sophomore year) to improve academic performance.

The group expressed caution about how DESE tracks performance, noting that their measurement methods show DLS in a less favorable light. We recommend directing focus toward the performance of student cohorts who come to DLS as freshmen and advance to graduation.

Sean noted our MVA numbers for Flipside students is and will be viewed as a weakness, but that many students in the program seek employment and do not complete the MVA work. He further noted that our MVA score is not on the report.

Next steps: Sean will ask Dr. Adams to present the DESE data at the next board meeting and that he and Sean will discuss plans to improve testing results, including an enhanced Block 37 program.
