Bond Update:

For the first time since 1967, voters in the Kansas City, Missouri, Public School District approved a 474 million dollar GO Bond, with 50 million dollars going to nine charter schools!

What does this mean for KCIA? We will receive just under 7 million dollars to be used specifically for capital improvement/renovation projects.

Actions Taken/Next Steps Since the Bond Passed:

- Worked with Leadership team to affirm renovation priorities:
 - Expansion with flexible spaces
 - Updated/additional staff and student restrooms
 - Touch all spaces through paint, carpet, additional storage, etc.
 - Rework second floor coaches area (secondary)
 - Cafeteria remodel
- Held two meetings with Hollis Miller to discuss design/cost opportunities as well as affirming the KCPS approval and cash distribution process.
- Bond Kick Off meeting with KCPS and 9 charter representatives to review bond approval process.

Future Next Steps:

- Organizational meeting with charter schools to coordinate funding distribution.
- Presentation to the board of exact plan structure for BOD approval.
