BOOKMOBILE VISITS KCIA!

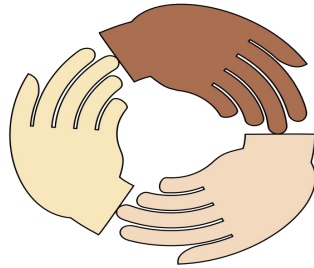

TWO BIG WINS!

- *\$50,000 Private donation to support social needs of KCIA families and educational enhancements
- *2 Activity buses to help transport our kids to/from school activities (\$124k)

If you could say anything to the donor that provided funds for this grant what would you want to say?

- My daughter will feel less stressed and be able to enjoy being at school.
- I would say thank you so much. Without the assistance, I don't know what I would have done. I am a single mother of 4 trying to make ends meet. The assistance is greatly appreciated. I hope that I can get to a point in my life that I am able to pay it forward. I can't say thank you enough.
- My children go to school and are able to concentrate and aren't hungry.
- I am so thankful to receive the assistance to help with paying my bills. I really need my cell phone in order to schedule doctor appointments for my son. Thank you for helping me.
- The family really appreciates this help. They are very grateful to the donor so that their children can continue to have water and lights available.

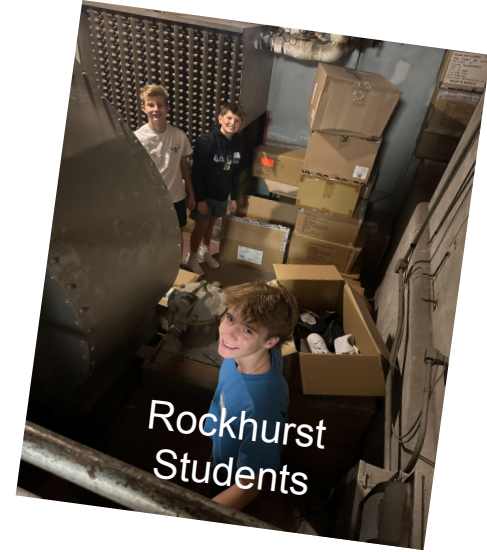

Soles 4 Souls- Donated 550 NEW pairs of shoes to KCIA!

Hall Family Foundation Grant- \$25,000!

HALL FAMILY FOUNDATION

- *Submitted grant to support SEL and Literacy and Numeracy.
- *Rewarded \$25,000 to support Conscious Discipline
- *Conscious Discipline is a trauma-informed, evidence-based Social Emotional Learning Tool for all ages
- *KCIA began implementing Conscious Discipline in the 2019-2020 school year. Every year as a school, we help guide our educators through the Conscious Discipline philosophy through professional development opportunities.
- *Our goal is to keep all students safe at school, but first, we have to help our educators gain the skills they need to meet the social and emotional needs of all our students.
