Family Engagement Updates / Data review from February conferences

- Family Engagement Goal 1: Over 80% of AFIA families will participate in family teacher conferences (held in October and February)
- Family Engagement Goal 2: Scores on the family satisfaction survey will average a 4 out of 5-point Likert scale.
Family participation rates on the survey will exceed 50%.
 - Measurement Tool: Advanced Questionnaire Survey

Rationale and Context for Family Engagement Goals:

AFIA believes it is our responsibility to engage with families positively and productively. We believe that it is important that we foster two-way meaningful communication with families to address student achievement and ensure:

- that families have an opportunity to play an integral role in assisting their child's learning.
- that families are encouraged to be actively involved in their child's education.
- that families are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
