## The Next Education Workforce™

Arizona State University's Mary Lou Fulton Teachers College works with schools and other partners to:

1. provide all students with deeper and personalized learning by **building teams of educators with distributed expertise**, and
2. empower educators by developing better ways to **enter the profession, specialize and advance**.

## Next Education Workforce Cohort School Visits

What if we don't just have a teacher shortage problem, but also, a **workforce design problem**?

# LETRS Training

Why are **only 35%** of U.S. students reading proficiently or better?\*

- All elementary staff:  
Unit two
- 2 years of teacher learning

Elementary Principals- completed the admin training and are completing the teacher training with teachers
