

## **Science Coach Stipend for the Remainder of the 23-24 SY Only**

**To support the work of the Teaming Pilot in 4-5 grade, this recommendation is intended to provide Science support to the 4 and 5 grade teachers teaching the daily Science block. This stipend will be for the remainder of the 23-24 school year only.**

### **Coaching Responsibilities:**

- Two hours of planning per week (one with 4th, one with 5th)
- One hour of modeling/observation per week (alternate between 4th and 5th grade)
- Two hours of prep/ content internalization per week to prepare for planning meetings
- One hour of planning each week to prepare for model lessons and/or plan feedback meetings.
