INDEPENDENT AUDITOR'S REPORT

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Opinion

We have audited the accompanying financial statements of the Momentum Academy (a nonprofit organization) (the "Academy"), which comprise the statement of assets, liabilities, and net assets-modified cash basis as of June 30, 2022, and the related statements of support, revenue, and expenses-modified cash basis, functional expenses-modified cash basis, and cash flows-modified cash basis for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the assets, liabilities, and net assets of Momentum Academy as of June 30, 2022, and its support, revenue, and expenses and its cash flows for the year then ended in accordance with the modified cash basis of accounting as described in Note 2.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

• Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, no such opinion is expressed.

• Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

• Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information and schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, as listed in the table of contents from pages 17-23, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary schedules and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 19 2022, on our consideration of the Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control over financial reporting and compliance.

NOTE 1: ORGANIZATION

Momentum Academy, Inc. (the "Academy") is a not-for-profit public benefit corporation organized under Chapter 355, RSMo and governed by Senate Bill No. 781 of the 89th General Assembly of the Missouri legislature. The corporation operates a charter school, which is sponsored by University of Missouri – Colombia. The Academy is exempt from most Missouri laws and statutes governing educational institutions. The aforementioned Senate Bill No. 781 governs it. Effective November 2011, the Academy received exemption from federal income taxes under Internal Revenue Code Section 501(c)(3).

The Academy's charter provides for the education of students from diverse social and economic backgrounds in the target area surrounding the academy in kindergarten and first through eighth grade.

The mission of Momentum Academy is to develop serving leaders by providing a rigorous college prep learning community where we work together toward the pursuit of academic excellence and positive character development in a safe, supportive, and loving learning environment.

The Academy under current Missouri statutes is considered to be a local education agency (LEA). A summary of the significant accounting policies is listed below.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Financial Statement Presentation

Financial Accounting Standards Board's (FASB) Accounting Standards Codification ("ASC") 958-205, *Not-for-Profit Entities: Presentation of Financial Statements*, requires disclosing the amounts of expenses by both their natural classification and their functional classification. The Academy is required to report information regarding its financial position and activities according to two classes of net assets, which is as follows.

<u>Net Assets With Donor Restrictions</u> – Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other program or events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that the resources be maintained in perpetuity. The Academy reports contributions restricted by donors as increases in net assets without donor restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions are reclassified to net assets without donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. As of June 30, 2022, the Academy had \$0 in net assets with donor restrictions.

<u>Net Assets Without Donor Restrictions</u> – Net assets available for use in general operations and not subject to donor-imposed (or certain grantor) restrictions or law.

NOTES TO FINANCIAL STATEMENTS June 30, 2022

NOTE 2: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)</u>

B. Basis of Accounting

The financial statements are presented on the modified cash basis of accounting. This basis recognizes assets, liabilities, net assets, revenues and expenses when they result from cash transactions with a provision for recording property and equipment, depreciation, payroll withholdings, and long-term liabilities, such as promissory notes, which are recognized when incurred. Accordingly, the accompanying financial statements are not intended to present financial position or results of operations in accordance with accounting principles generally accepted in the United States of America.

C. Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Academy considers all highly-liquid investments without donor restrictions with an initial maturity of three months or less to be cash equivalents.

D. Concentrations of Credit and Market Risk

Financial instruments that potentially expose the Academy to concentrations of credit and market risk consist primarily of cash and cash equivalents. Cash and cash equivalents are maintained at a highquality financial institution and accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2022, the Academy's cash balances were all insured at the institution. The Academy has not experienced any losses on its cash held at the financial banking institutions. In addition, the Academy participates in a Insured Cash Sweep (ICS) program where funds in excess of FDIC limits are automatically swept to participating financial institutions to utilize additional FDIC coverage.

E. Capital Assets

All property and equipment are valued at historical cost. A capitalization threshold of \$1,000 is used to report capital assets. Depreciation is provided over the assets' estimated useful lives, which range from 5 to 10 years using the strait-line method of depreciation.

F. Revenue Recognition

All contributions are considered available for use within the Academy's general programs unless specifically restricted by the donor. In accordance with the modified cash basis of accounting, the Academy immediately recognizes all revenue at the time of receipt.

NOTES TO FINANCIAL STATEMENTS June 30, 2022

NOTE 2: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)</u>

G. Income Taxes

The Academy is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and comparable state law as charitable organizations whereby only unrelated business income, as defined by Section 509(a)(2) of the Code, is subject to federal income tax. The Academy currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded. The Academy has adopted provisions of FASB standard on Accounting for Uncertainty in Income Taxes (ASC 740-10-25). The Academy does not believe there are any material uncertain tax provisions and, accordingly, they will not recognize any liability for unrecorded tax benefits. For the year ended June 30, 2022, there was no interest or penalties recorded in the financial statements

H. Functional Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the Statement of Support, Revenue, and Expenses. The Statement of Functional Expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited and, in some cases, to one or more program or supporting functions. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include purchased services and depreciation. Depreciation is allocated based on estimated square footage, and purchased services are allocated based on estimated project and purpose usage.

I. Use of Estimates

The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

J. Subsequent Events

The Academy has evaluated subsequent events through December 19, 2022, the date which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS June 30, 2022

NOTE 3: <u>CAPITAL ASSETS</u>

Capital assets consisted of the following as of June 30, 2022:

Building and improvements	\$ 739,314

NOTES TO FINANCIAL STATEMENTS June 30, 2022

NOTE 6: <u>RETIREMENT PLAN</u>

The Academy contributes to the Public School Retirement System of the City of St. Louis, a cost-sharing, multiple-employer defined benefit pension plan. Participation is mandatory under Missouri Revised Statues, Chapter 105 and 169. The Retirement System members hired before January 1, 2018 are required to contribute 7.0% of their annual covered salary from July 1, 2021 through December 31, 2021 and 7.5% of their annual covered salary from January 1, 2022 through June 30, 2022. Members hired on or after January 1, 2018 are required to contribute 9.00% of their annual covered salary. The Academy was required to contribute 14.5% of covered academy compensation for July 1, 2021 to December 31, 2021 and 14.0% for the remainder of the school year ended June 30, 2022. The employer rates are determined annually as part of the Annual Valuation Report made by the Plan's actuary and the employee contribution rate is determined by the statute.

The total employer contributions for the years ended June 30, 2022 was \$791,873, respectively.

The retirement system issues a publicly available financial report that includes financial statements and other required information. That report may be obtained by writing to: The Public School Retirement System of the City of St. Louis, 3641 Olive Street Suite 300, St. Louis, Missouri, 63108, or by calling 1-314-534-7444.

NOTE 7: <u>RISK AND UNCERTAINTIES</u>

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; injuries to employees; and natural disasters. The Academy maintains commercial insurance to protect itself from such risks.

During the year ended June 30, 2022, the Academy maintained a self-funded health insurance program with claims processed by a third-party administrator on behalf of the Academy. The total cost of employee health insurance was \$650,451. The Academy has stop-loss insurance for monthly claims in excess of approximately \$200,000; the threshold fluctuates based on monthly enrollment. The Academy also has stop-loss insurance for claims in excess of \$50,000 made by a single employee.

Amounts received from grants or contracts may be subject to audit by the funding sources. Such audits might result in disallowances of costs submitted for reimbursement. Management is of the opinion that such cost disallowances, if any, will not have a material effect on the accompanying financial statements. Accordingly, no amounts have been provided in the accompanying financial statements for such potential claims.

NOTE 8: <u>RELATED PARTY TRANSACTIONS</u>

The School contracts Open Sky Education, Inc. (a nonprofit organization) for various management services. Many of the School's key personnel, including Executive Directors and accountants, are employees of Open Sky Education, Inc. Payments made to Open Sky Education, Inc. totaled \$1,472,728 for the year ended June 30, 2022, respectively.

NOTES TO FINANCIAL STATEMENTS June 30, 2022

NOTE 9: <u>LIQUIDITY RESOURCE MANAGEMENT</u>

The Academy regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Academy considers all expenditures related to its ongoing program activities as well as the conduct of services undertaken to support those activities to be general expenditures.

As of June 30, 2022, the following financial assets could readily be made available within one year of the statement of financial position date to meet general expenditures:

 Cash and cash equivalents
 \$ 1,569,003

 Total
 \$ 1,569,003

NOTE 10: SUBSEQUENT EVENT

In July of 2022, the Academy entered into three one-year agreements for lines of credit totaling \$1,250,000 with interest-only payments at Wall Street prime plus 5%, with a floor of 9.75%.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the Year Ended June 30, 2022

NOTE 1: <u>GENERAL</u>

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of Momentum Academy, Inc. (the "Academy") under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Academy, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Academy.

NOTE 2: <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES</u>

Expenditures reported on the Schedule are reported on the modified cash basis of accounting, which is described in Note 2 to the Academy's financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Schedule presents both Type A and Type B federal assistance programs administered by the Academy. The Uniform Guidance establishes the formula for determining the level of expenditures of disbursements to be used in defining Type A and Type B federal financial assistance programs. For the Academy, Type A programs are those which exceed \$750,000 in disbursements, expenditures, or distributions. The determination of major and nonmajor programs is based on the risk-based approach outlined in Uniform Guidance.

The Academy elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 3: <u>SUBRECIPIENTS</u>

The Academy did not provide funds to subrecipients in the current fiscal year.

NOTE 4: <u>NONCASH ASSISTANCE</u>

Of the federal expenditures presented in the Schedule, the Academy expended \$14,916 of federal awards in the form of noncash assistance from food distribution commodities.

INTERNAL CONTROL AND COMPLIANCE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Momentum Academy, Inc. (the "Academy") (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets-modified cash basis as of June 30, 2022, and the related statements of support, revenue, and expenses-modified cash basis, functional expenses-modified cash basis, and cash flows-modified cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 19, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Academy's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Academy's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Momentum Academy, Inc. (the "Academy") (a nonprofit organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Academy's major federal programs for the year ended June 30, 2022. The Academy's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Academy's federal programs.

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Academy's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance is a deficiency of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'S ASSERTIONS ABOUT COMPLIANCE WITH SPECIFIED REQUIREMENTS OF MISSOURI LAWS AND REGULATIONS

Board of Directors Momentum Academy, Inc. St. Louis, Missouri

We have examined management's assertion, included in its representation letter dated December 19, 2022, that the Momentum Academy, Inc. (the "Academy") complied with the requirements of Missouri laws and regulations regarding accurate disclosure of the Academy's records of average daily attendance and average daily transportation of pupils, and other statutory requirements as listed in the Schedule of Selected Statistics for the year ended June 30, 2022. Management is responsible for its assertion that the Academy complied with the aforementioned requirements. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on the Academy's compliance with specified requirements.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, management's assertion that Momentum Academy, Inc. complied with the aforementioned requirements included in the Schedule of Selected Statistics for the year ended June 30, 2022, are fairly stated, in all material respects.
