Rationale and Context for Family Engagement Goals:

AFIA believes it is our responsibility to engage with families positively and productively. We believe that it is important that we foster two-way meaningful communication with families to address student achievement and ensure:

- that families have an opportunity to play an integral role in assisting their child's learning.
- that families are encouraged to be actively involved in their child's education.
- that families are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.

Amendment to AFIA's Performance Contract: Family Engagement

- Need to update the performance contract goal to align with the current survey tool
