Community School: School Suspension and/or School Closing Procedures

Effective date: July 1, 2010

Updated: July 2021

Community school sponsors primarily are responsible for ensuring an orderly process is followed when a school closes, or operations are suspended.

Statutory Requirement for Closure

Under state law ([Ohio Revised Code 3314.023](#)), community school sponsors must monitor and oversee their schools' compliance with law, administrative rules and contract provisions, including requirements related to school closure. Specifically, ORC 3314.023 requires:

- *A sponsor shall provide monitoring, oversight, and technical assistance to each school that it sponsors. In order to provide monitoring, oversight, and technical assistance . . .*
- *[Sponsors] Having in place a plan of action to be undertaken in the event the community school experiences financial difficulties or closes prior to the end of a school year.*

Suspension Statute

[ORC 3314.072](#) establishes the conditions under which a school may be suspended, along with a school's procedural rights. Provisions include:

- *For any of the reasons prescribed in division (B)(1)(a) to (d) of section 3314.07 of the Revised Code, the sponsor of a community school established under this chapter may suspend the operation of the school only if it first issues to the governing authority notice of the sponsor's intent to suspend the operation of the contract. Such notice shall explain the reasons for the sponsor's intent to suspend operation of the contract and shall provide the school's governing authority with five business days to submit to the sponsor a proposal to remedy the conditions cited as reasons for the suspension.*
- *The sponsor shall promptly review any proposed remedy timely submitted by the governing authority and either approve or disapprove the remedy. If the sponsor disapproves the remedy proposed by the governing authority, if the governing authority fails to submit a proposed remedy in the manner prescribed by the sponsor, or if the governing authority fails to implement the remedy as approved by the sponsor, the sponsor may suspend operation of the school pursuant to procedures set forth in division (D) of this section.*
- *If division (B) of this section applies or if the sponsor of a community school established under this chapter decides to suspend the operation of a school as permitted in division (C)(2) of this section, the sponsor shall promptly send written notice to the governing authority stating that the operation of the school is immediately suspended, and explaining the specific reasons for the suspension. The notice shall state that the governing authority has five business days to submit a proposed remedy to the conditions cited as reasons for the suspension or face potential contract termination.*
- *Upon receipt of the notice of suspension prescribed under division (D)(1) of this section, the governing authority shall immediately notify the employees of the school and the parents of the students enrolled in the school of the suspension and the reasons therefore, and shall cease all school operations on the next business day.*

Overview

Sponsors provide and execute a plan for an orderly conclusion of a community school's operations when a community school is closed or suspended for any reasons permitted by law and/or the contract between the sponsor and the school. A school is considered closed or suspended when instruction has ceased, and the governing authority or sponsor has issued an official notice that includes the reason for and date of the school's closure or suspension. A community school also is considered closed if the Department issued a notice to a school under the state's automatic closure law, [ORC 3314.35](#). In the case of both suspension and closure, the sponsor and an authorized representative of the governing authority complete and sign the Suspension and Closing Assurance Form. Community school sponsors make sure a community school's governing authority takes all reasonable and required actions to fully address suspension or closing responsibilities. **If a school's governing authority is no longer able or willing to fulfill its obligations to orderly closure, the school's sponsor assumes responsibility for all closure activities.** A plan for school closure is a required part of the school's contract with the sponsor. Final preparations, as outlined in the plan, should be in place prior to the last day students are in attendance.

Note:

- Suspension and closing procedures detailed in this document or the accompanying are not applicable to school mergers.
- Procedures for school closures that are the result of settlement agreements may differ based on the provisions of the settlement. Schools and sponsors should consult their legal counsel.

Sponsors must submit a Suspension and Closing Assurance Form for each suspended or closed community school. By completing this assurance, sponsors attest that all necessary notifications and actions are completed.

When possible, the final FTE review should be completed within seven business days of the school ceasing operations or within seven business days of the area coordinator's notification of the school's suspension or closing by the Department. Final FTE reviews should be completed prior to transfer of original student records to the district(s). Sponsors must monitor the school's actions to assure both the FTE review and fiscal audit are scheduled in a timely fashion. If the school fails to schedule these activities, the sponsor must step in and make the necessary arrangements.

Sponsors should begin completing the Suspension and Closing Assurance Form as soon as possible after the suspension or closure of the school.

For all suspensions and closures, an estimated timeline for suspension and closure activities must be submitted to the Office of Community Schools. For mid-year suspension or closure, the estimated timeline must be submitted to the Office of Community Schools within 10 days of notification. In the case of suspension or closure at the end of the school year, sponsors shall submit an estimated timeline for suspension or closure activities to the Office of Community Schools, via Epicenter. When submitting the first quarterly suspension and closing assurances report, please ensure Column I is filled out with estimated dates of completion. Also when submitting future quarterly suspension and closing reports, update Column I as needed.

The updated Suspension and Closing Assurance Form shall be submitted to the Office of Community Schools, quarterly, (July 1, or July 15 for newly closed schools, Oct. 1, Jan. 1 and April 1) via the Epicenter "Quarterly suspension and closing assurance reports" submission type while noting which activities are complete and identifying the date of completion for each item. Sponsors should continue to submit quarterly closing assurance reports until all items on the form is complete and the

suspension and closing assurances form is submitted via Epicenter. The quarterly submissions shall include, in the “Notes” column, a narrative explaining any delays. For items in which the sponsor believes is “non-applicable” to the school, the sponsor must provide a justification in Column H of the Suspension and Closing Assurance Form.

If refunds are generated at a later date, the sponsor shall follow the instructions in the Preparation of Itemized Financials section of the report and complete the Final Payments and Adjustments section.

**The Suspension and Closing Assurance Form
is updated quarterly until all activities are complete.
The narrative and step-by-step technical assistance document is
provided to assist sponsors in meeting their responsibilities
when one of their schools suspends operations or closes is
provided below on pages 5-15.**

Records retention is governed by state and federal law and governing authority policy. Additional information regarding state requirements is [here](#). Federal records retention schedules are [here](#). Additional information is available in the Student Records section of the Suspension and Closing Assurance Template.
