"Our school has committed to be a part of SchoolAppKC which is a common application platform. We believe that making applying to schools more equitable and

accessible for all families is an important part of making sure all families in Kansas City have the greatest access to high quality education for their children."

SchoolAppKC streamlines the school application process for families in the Kansas City Public School boundaries. It is a special project of Show Me KC Schools, a nonprofit with a mission to help parents understand their school options, in partnership with a number of local Kansas City organizations committed to educational equity.
