Subject: PIAC Request No. 411059-District 5, District 6-Other

Dear Tricia DeGraff:

On behalf of the Public Improvements Advisory Committee (PIAC), I want to thank you for submitting a project request form. It is only with input and support such as yours that effective recommendations can be made to our City Council on the use of the sales tax for public improvements. PIAC reviewed each one of the 1080 requests received from across the city. The dollar value of all requests totaled \$692,559,594 which made the task of putting the projects in priority order difficult.
