Guidelines & Procedures

Our Mission:

To provide a safe, healthy, collaborative community of engaged learners who are inspired academically while fostering a supportive network for its families.

Scuola Vita Nuova Charter School

COVID- 19 PROTOCOL

SVN Charter School follows the Kansas City Health Department guidelines when determining action to take for positive tests and COVID- 19 exposures.

If you test **POSITIVE**:

Everyone who tests positive should stay home and away from others

End isolation on day 6 or later if you never had symptoms or are fever-free for 24 hours and other symptoms have improved

Everyone through day 10: Wear a mask or use 2 negative antigen tests to decide when to stop wearing a mask

If you are **EXPOSED**:

Watch for symptoms for 10 days

Wear a mask around others indoors for 10 days

Test 5 days after exposure, or sooner if you have symptoms

2022-2023 School Year

Protocol is subject to change with updated local, state, and federal mandates.

Missouri
DEPARTMENT OF ELEMENTARY & SECONDARY
EDUCATION™

The Grade-Level assessment is a yearly standards-based test that measures specific skills defined for each grade by the state of Missouri.
The Missouri State Board of Education identified the following purposes for the MAP Grade-Level Assessments:

- Measuring and reflecting student mastery toward post-secondary readiness
- Identifying students' strengths and weaknesses
- Communicating expectations for all students
- Serving as the basis for state and national accountability plans
- Evaluating programs
- Providing professional development for teachers

Participation

All students in grades 3-8 in Missouri public and charter schools take the Grade-Level assessment.

- English language arts (ELA) is administered in grades 3-8.
- Mathematics is administered in grades 3-8.
- Science is administered in grades 5 and 8.

A few groups of students may be exempt from certain portions or all of the assessment. Those include:

- Students whose IEP teams have determined that the MAP-A is the appropriate assessment, do not take the Grade-Level assessment.
- English Learners (ELs) who have been in the United States for 12 cumulative months or fewer as of April 1, may be exempted from taking the English Language Arts portion. All other content areas must be assessed.
- Foreign exchange students are allowed, but are not required, to take the assessment. This is a district decision.
- Homeschooled students may take part in the assessment at the local district's discretion.
- Private school students are not required to take the Grade-Level assessment.
