- 11.1 **Charter Authorization.** Before executing this Charter, the **School Governing Authority** shall employ an attorney, who shall be independent from the **Sponsor** or operator, to review and negotiate the agreement per R.C. 3314.036. The **School Governing Authority** must pass a resolution in a properly noticed and held public meeting, authorizing execution of this Charter and authorizing one or more individuals to execute this Charter for and on behalf of the party, with full authority to bind the party. For all new schools, this resolution must be passed by March 15th of the year in which the **School** intends to open. For renewal schools, this resolution must be passed by June 1st of the year in which the charter ends.
- 11.2 **Termination and Cancellation of Contracts.** Except as otherwise permitted by this Charter, or by the **Sponsor**, contracts entered into by the **School Governing Authority** with third parties shall provide for a right to cancel, terminate or non-renew effective each June 30th, or upon termination of this Charter.

11.3 **General Acknowledgements.** The **School Governing Authority** specifically recognizes and acknowledges the following:

- (a) The authority of public health and safety officials to inspect and order **School** facilities closed if not in compliance with health and safety laws and regulations in accordance with R.C. 3314.03(A)(22)(a).
- (b) The authority of the Ohio Department of Education to suspend the operations of the **School** under R.C. 3314.072 due to the circumstances enumerated therein.
- (c) The **Sponsor** is not liable for the acts or omissions, or the debts of the **School** and/or **School Governing Authority** pursuant to R.C. 3314.07(D) and 3314.08(J) (2), and any other applicable law limiting the liability of the **Sponsor**.
- (d) The **Sponsor** may take steps to intervene in, correct, declare probationary status of, suspend, terminate or non-renew the status of the **School** as an Ohio Community School, and correct problems in the **School's** performance.
- (e) The Ohio Department of Education may take over sponsorship of the **School** in accordance with R.C. 3314.015(C).
- (f) The authority of the Auditor of State to cause legal action against or the cessation of payments to the **School** pursuant to Section 269.60.60 of the uncodified law under H.B. 119 of the 127th General Assembly for the period of that law's duration.
- (g) The mandate of permanent closure under R.C. 3314.35 under the circumstances enumerated therein.
- (h) The **Sponsor** or **Sponsor's designee** has a legitimate educational interest in the educational records of the **School** and grants to the **Sponsor** and the **Sponsor's designee** access to educational records under 20 U.S.C. § 1232g, the Family Rights and Privacy Act ("FERPA").
- (i) If the **School** closes, the chief administrative officer shall collect and assemble in an orderly manner the educational records of each student who is or has been enrolled in the **School** and transmit these records to each student's district of residence within seven (7) business days of the **School** closing pursuant to R.C. 3314.44 (Collection and transmittal of school records after closing; Compliance; Penalty).

- 11.4 **Dispute Resolution.** The **Sponsor** and **School Governing Authority** agree to informal mediation of any dispute not otherwise governed by mandatory administrative procedures pursuant to this Charter or the law. Such mediation shall be non-binding and the parties, if failing to agree on one mediator, shall obtain a list of three (3) mediators from the Columbus Bar Association and each eliminate one, using the one (1) mediator left after eliminations. All mediation will take place in Franklin County and all costs of the mediator shall be split equally between the parties.
- 11.5 **Term.** This Charter shall be for a term of five (5) years commencing on July 1, 2018 and will automatically renew for one (1) year terms through June 30, 2023 due to the status of the sponsorship agreement between the Ohio Department of Education and St. Aloysius. During the 2022-2023 school year, the **School Governing Authority** shall undergo the high stakes review conducted by the **Sponsor** as outlined in 11.6.
- 11.6 **Contract Performance Measures.** Each school will be given an initial term of six (6) years to provide the opportunity for review of a full five (5) years of data. If St. Aloysius is not permitted under its agreement with ODE to grant an initial six (6) year term to any new school, this school's term shall be automatically renewed to fulfill an initial six (6) year term to provide the opportunity for review of a full five (5) years of data. Even though schools may be granted safe harbor from closure under R.C. 3314.35, this does not preclude the Sponsor from evaluating and closing the School for non-performance under these measures.
- (a) Within the term of this charter, the school may be permanently closed if the Ohio Department of Education determines that the condition(s) outlined in ORC 3314.35 have been met;
 - (b) If the school receives Meets or Exceeds rating in at least one (1) applicable report card component for the most recent school year or meets the criteria in (x) below, the school shall be eligible to be considered for renewal. After consideration, if the Sponsor renews the school, the term of the new contract shall not exceed three (3) years.
 - (c) If the school receives a Meets or Exceeds rating in multiple report card measures for the most recent school year or meets the criteria in (x) below, the school shall be eligible to be considered for renewal. After consideration, if the Sponsor renews the school, the term of the new contract shall not exceed five (5) years.

Once a school is eligible for renewal based on the measures listed above, the Sponsor shall consider the following metrics in determining whether or not to renew the school and the number of years of the new charter agreement.

- (a) The School's academic performance as measured by:
 - i) The school report card High School Test Passage Rate; and

- ii) The school report card Progress component grade collected from NWEA MAP test and value-added data; and

11.7 **Non-renewal of this Charter.**

 - (i) Failure to meet student performance requirements stated in this Charter;

- (ii) Failure to meet generally accepted standards fiscal management;
- (iii) Violation of any provision of this Charter or applicable state or federal law;
- (iv) Other good cause.

By January 15th of the termination year of this Charter, the **Sponsor** shall notify the **School Governing Authority** of the proposed action in writing. The notice shall include the reasons for the proposed action in detail, the effective date of the non-renewal, and a statement that the **School Governing Authority** may, within fourteen (14) days of receiving the notice, request in writing, an informal hearing before the **Sponsor**. The informal hearing shall be held within fourteen (14) days of the receipt of a request for the hearing. Within fourteen (14) days following the informal hearing, the **Sponsor** shall issue a written decision either affirming or rescinding the decision to not renew this Charter.

- (b) If the **School Governing Authority** does not intend to renew this Charter with the **Sponsor**, the **School Governing Authority** shall notify the **Sponsor** in writing of that fact at least one hundred eighty (180) days prior to the expiration of this Charter. In such a case, the **School Governing Authority** may enter into a Charter with a new **Sponsor** in accordance with R.C. 3314.03, upon the expiration of this Charter or at the sole discretion of the **Sponsor**, by an assignment of this Charter before its expiration date.

If this Charter is non-renewed for failure to meet student performance requirements stated in the contract or for failure to meet generally accepted standards of fiscal management (provisions i and ii above), then the **School Governing Authority** shall not enter into a charter with any other **Sponsor**.

- 11.8 **Probation.** The **Sponsor** may, in lieu of suspension or termination, declare in writing that the **School Governing Authority** is in a probationary status, after consulting with the **School Governing Authority** or authorized parties thereof, and specifying the conditions that warrant probation and after receiving the **School Governing Authority's** written assurances (satisfactory to **Sponsor**) of the actions and time frames necessary to remedy those conditions. Such probationary status shall not extend beyond the current school year. The **Sponsor** may proceed to suspension, termination or take-over of operations if the **Sponsor** finds at any time, that the **School Governing Authority** is no longer able or willing to remedy the conditions to the satisfaction of **Sponsor**. For purposes of this Charter, the **Sponsor** agrees to attempt to declare probationary status with the **Governing Board**, before proceeding to suspension, except in extraordinary circumstances such as those involving the health and safety of students, or waste or illegal use of state or federal funds.

- 11.9 **Intent to Suspend/Suspension.** The **Sponsor** may suspend operations of the **School** for (1) failure to meet student performance requirements stated in this Charter, or (2) failure to meet generally accepted standards of fiscal management, or (3) violation of any provision of this Charter or applicable state or federal law, (4) other good cause or if funding to the School Governing Authority should cease under R.C. 263.420, if the **Sponsor** sends a written notice of intent to suspend explaining the reasons and provides the **School Governing Authority** with five (5) business days to submit a remedy, and promptly reviews and disapproves the proposed remedy, or if the **School Governing Authority** fails to submit a remedy or fails to implement the remedy.

Once the **School Governing Authority** is suspended it must cease operations on the next business day, immediately send notice to all **School** employees and parents stating that the **School** is suspended and the reasons therefore, and the **School** again has an opportunity to submit a proposed remedy within five (5) business days. At all times during suspension, the **School Governing Authority** remains subject to non-renewal or termination proceedings in accordance with the law.

Under R.C. 3314.03, if the School Governing Authority fails to remedy the conditions cited by the Sponsor as reasons for the suspension by the thirtieth (30th) day of September of the school year immediately following the school year in which the operation of the School was suspended, this Charter shall become void.

- 11.10 **Termination of the Charter.** The **Sponsor** may choose to terminate this Charter for any of the following reasons: (1) failure to meet student performance requirements stated in this Charter, (2) failure to meet generally accepted standards fiscal management, (3) violation of any provision of this Charter or applicable state or federal law, or (4) other good cause.

Additionally, if the **Sponsor** has suspended the operation of this Charter under R.C. 3314.072, the **Sponsor** may choose to terminate this Charter prior to its expiration.

By January 15th of the termination year of this Charter, the **Sponsor** shall notify the **School Governing Authority** of the proposed action in writing. The notice shall include the reasons for the proposed action in detail, the effective date of the termination, and a statement that the **School Governing Authority** may, within fourteen (14) days of receiving the notice, request, in writing, an informal hearing before the **Sponsor**. The informal hearing shall be held within fourteen (14) days of the receipt of a request for the hearing. Within fourteen (14) days following the informal hearing, the **Sponsor** shall issue a written decision either affirming or rescinding the decision to terminate this Charter.

The termination of this Charter shall be effective upon the occurrence of the later of the following events:

- (a) the date the **Sponsor** notifies the **School Governing Authority** of its decision to terminate this Charter as provided for above; or
- (b) if an informal hearing is requested and as a result of that hearing the **Sponsor** affirms its decision to terminate this Charter, the effective date of the termination specified in the notice.

- 11.11 **Compliance with Requests of Sponsor**. The **School Governing Authority** and the **School** shall timely comply with all reasonable requests of the **Sponsor**, and allow the **Sponsor** to monitor the **School** operations. Failure to do so is grounds for suspension and termination or non-renewal of this Charter. Timeliness is defined as an answer in writing within five (5) business days (unless a shorter time is otherwise required pursuant to this Charter) and adequate assurances of cure or actual cure within a period of time acceptable to the **Sponsor**.
- 11.12 **Headings**. Headings are for the convenience of the parties only. Headings have no substantive meaning.
- 11.13 **Assignments**. This Charter and its terms shall not be assigned or delegated without the express written approval of the other party.

- 11.16 **Changes or Modifications**. This Charter constitutes the entire agreement among the parties and any changes or modifications of this Charter shall be made and agreed to in

Rent shall be payable monthly in the amount Eight Thousand Five-Hundred Dollars (\$8,500.00) on the first of each month during the Term and Renewal Term. Base Rent shall be paid on the first day of each calendar month during the Term.
5. **Additional Rent.** All Improvement Costs, taxes, charges, costs and expenses that Tenant assumes or agrees to pay hereunder, together with all interest and penalties that may accrue thereon in the event of the failure of Tenant to pay those items, shall be deemed to be additional rent, and, in the event of nonpayment, Landlord shall have all the rights and remedies as herein provided

for failure to pay rent. Base rent and additional rent are sometimes collectively referred to as "rent" or "Rent".

6. **Accord and Satisfaction.** No payment by Tenant or receipt by Landlord of an amount less than is due hereunder shall be deemed to be other than payment towards or on account of the earliest portion of the amount then due by Tenant nor shall any endorsement or statement on any check or payment (or in any letter accompanying any check or payment) be deemed an accord and satisfaction (or payment in full), and Landlord may accept such check or payment without prejudice to Landlord's right to recover the balance of such amount or pursue any other remedy provided herein or otherwise available at law or in equity.

7. **Use.** The Tenant may use the Premises for the operation of a charter school or for any other lawful use.

8. **Waste, Nuisance, or Unlawful Activity.** Tenant shall not allow any waste or nuisance on the Premises. Tenant shall neither use nor occupy the Premises or any part thereof for any unlawful, disreputable, or hazardous business purpose. Tenant shall immediately, on discovery of any unlawful, disreputable, or hazardous use, take action to halt such activity.

9. **Compliance With Laws.** The Tenant shall promptly and fully comply with all Applicable Laws of any and all duly constituted authorities having jurisdiction, concerning or affecting the Premises and the operations of the Tenant's business thereon and shall maintain the Premises in accordance with all Applicable Laws. Landlord, at its sole expense, shall deliver possession of the Premises in compliance with all Applicable Laws of any governmental entity or agency having jurisdiction, which shall include, without limitation, undertaking any modifications as are necessary during the Term of the Lease to comply with the Americans With Disabilities Act of 1990, as amended.

10. **Utilities.** All applications and connections for necessary utility services on the Premises shall be made in the name of Tenant only, and Tenant shall be solely liable for utility charges as they become due, including those for sewer, water, gas, electricity, trash removal service, fire and security alarm service, and telephone services. The Tenant shall assume responsibility for payment of all utilities upon taking possession of the Premises.

11. **Taxes.** Tenant shall pay all taxes, assessments, or other governmental charges that shall or may during the Term and any Renewal Term be imposed on, or arise in connection with the use of, the Premises or any part thereof. In the event this Lease is for any period which does not coincide with a full calendar year, the taxes to be paid by Tenant for such period shall be prorated on a daily basis corresponding to the period of the Term and any Renewal Term of the Lease. Notwithstanding anything contained in this Lease to the contrary, provided the Property is exempt from real estate taxes and Tenant maintains tax exempt status under Applicable Law and is not otherwise, under Applicable Law required to pay sales or property taxes pursuant to Applicable Law, then Tenant shall not be obligated to pay the same during the Term or any Renewal Term under this Lease for which the exemption of real estate taxes are applicable. However, in the event Tenant fails to maintain its tax exempt status under Applicable Law or is otherwise required to pay either sales or property taxes pursuant to Applicable Law, or the Property is not exempt from real estate taxes, then Tenant shall timely pay such taxes. Notwithstanding anything in this Lease to the contrary, if Tenant

loses any tax exemption due to Landlord's failure to timely file any required tax exemption applications or related work required to secure such exemptions, then Landlord shall be liable for such taxes for the period to which the exemption would have applied. Tenant shall assist Landlord as possible with required filings for tax exemption. In addition to any other obligations set forth in this Lease, unless Tenant is exempt under applicable law, any sales, gross income, rental, single business tax or other duly imposed tax, charge or tariff required to be paid by Landlord or Tenant which is measured by or imposed upon the Rent (or any parts thereof) or other charges herein, shall be paid directly by Tenant or, if paid by Landlord, shall be reimbursed to Landlord by Tenant within ten (10) days from receipt of an invoice by Tenant.

12. **Fire Insurance.**

- (A) The Landlord shall, at its own cost and expense, procure, and at all times during the Term of this Lease and any Renewal Term, pay for and maintain fire and extended coverage insurance on the buildings and improvements located upon the Property, in a company or companies reasonably acceptable to Landlord licensed and authorized to do insurance business in the State of Ohio. Both Landlord and Tenant shall be named as insured parties. The Landlord shall furnish Tenant with a certificate of such insurance, which certificate shall provide that such insurance shall not be cancellable without thirty (30) days prior written notice to Tenant, as additional insured.

- (B) To the extent permitted by Applicable Law and provided it does not invalidate either Landlord's or Tenant's insurance, Landlord and Tenant each hereby waive all right of recovery against the other party in connection with any loss or damage to the Premises (including, without limitation, improvements in and to the Premises made by either Landlord or Tenant and/or to Tenant's personal property therein) caused by any of the perils covered or required to be covered by insurance hereunder (including any election to self-insure by Tenant as to which Tenant shall be deemed to be the "insurer" and have waived all right of recovery by way of subrogation against Landlord), whether due to negligence of such other party, its agents, contractors or employees, or otherwise, but only to the extent of the amount of insurance proceeds that the releasing party receives under the insurance policy that the releasing party maintains under this Lease. Each insurance policy carried by Landlord or Tenant and insuring all or any part of the Premises (including, without limitation, improvements in and to the Premises made by either Landlord or Tenant and Tenant's personal property therein) shall be written in a manner to provide that the insurance company waives all right of recovery by way of subrogation against Landlord or Tenant, as the case may be, in connection with any loss or damage to the Premises caused by any of perils covered by such insurance.

13. **Tenant's Property.** Any property brought onto or kept on the Premises by the Tenant shall be at the sole risk of the Tenant. The Tenant agrees that upon surrender or abandonment of the Premises, the Landlord shall not be liable or responsible for the storage or disposition of the Tenant's personal property or any damage or destruction to such personal property no matter what the cause.

14. **Force Majeure.** In the event Landlord or Tenant is prevented or delayed in the performance of any improvement or repair or fulfilling any other obligation required under this Lease due to delays caused by fire, catastrophe, strikes or labor trouble, civil commotion, acts of God, governmental prohibitions or regulation, inability or difficulty to obtain materials, governmental delay, or other causes beyond the performing party's reasonable control, and any Tenant Delay (applicable to Landlord only), as defined herein, the performing party shall, within ten (10) days of the event causing such delay, provide written notice to the other party of the event causing the delay and the anticipated period of delay, and the period of such delay shall be added to the time for performance thereof. The performing party shall have no liability by reason of such permitted delays. In the event the performing party fails to provide notice to the other party of the force majeure delay within such ten (10) day period, the performing party shall not be excused from the timely performance of such obligation regardless of the cause. "Tenant Delay" shall mean Landlord is inhibited, prohibited, prevented or delayed in performance of any obligation under this Lease as a result of an act or omission of Tenant, its employees, agents, contractors, officers or directors of Tenant, including failure to timely respond to Landlord in connection with construction and installation of Landlord's Work, approval of drawings and specifications.

15. **Brokerage.** Landlord and Tenant each warrant to the other that there are no claims for broker's commissions or finder's fees in connection with its execution of this Lease, and Landlord and Tenant agree to indemnify and save the other harmless from any liability that may arise from such claims, including reasonable attorneys' fees.

16. **Licenses and Permits.** The Tenant shall pay for and maintain in good standing at all times during the Term and any Renewal Term, all licenses and permits required by Applicable Law for the operation by the Tenant of its business on the Premises during the continuance of the Term of this Lease or any renewal or extension thereof. Landlord shall pay for all licenses and permits required by Applicable Law for any Landlord improvements.

17. **Alterations, Additions, and Improvements.**

- (A) Tenant may at any time during the Term and any Renewal Term, subject to the conditions set forth below and at its own expense, make any non-structural alterations, additions or improvements in and to the Premises. Alterations shall be performed in a workmanlike manner and shall not weaken or impair the structural integrity or strength, or lessen the value, of the Premises, or change the purpose for which the Building, or any part thereof, may be used.
- (B) Before commencement of any work, all plans and specifications shall be approved by Landlord in its sole discretion and, after approval by Landlord, filed with and approved by all governmental departments or authorities having jurisdiction and any public utility company having an interest

therein, and all work shall be done in accordance with requirements of local regulations. All alterations constructed or installed by Tenant shall be constructed in accordance with Applicable Law and Tenant shall comply with mechanic's lien law and Section 24 of this Lease.

- (C) All alterations, additions and improvements on or in the Premises at the commencement of the Term and that may be erected or installed during the Term or Renewal Term, shall become part of the Premises and the sole property of the Landlord, except that all movable trade fixtures shall be and remain the property of Tenant.

18. **Repairs and Maintenance.** Landlord, at its sole expense, shall keep the roof, the foundation and the Building structural components, the exterior walls of the Building in good condition and repair, and shall be responsible for the underground plumbing and the sewer on the Property to the Building. Tenant, at Tenant's expense, shall ensure that the Premises, Building and Property comply with all Applicable Laws, which shall include, without limitation, undertaking any modifications as are necessary during the term of the Lease to ensure compliance with the Americans With Disabilities Act of 1990, as amended. Tenant shall keep the heating, ventilating, air conditioning, electrical and plumbing systems for the Building, whether located inside or outside the Premises or Building, in good condition and shall repair and shall replace any portion of such system as required from time to time. Except as set forth above, Tenant shall, at all times during the Lease and at its own cost and expense, maintain the interior of the Premises and keep them in good condition and repair and shall use all reasonable precautions to prevent waste, damage, or injury to the Premises. The Tenant shall provide for its own janitorial, lawn maintenance, snow removal and pest control services. Tenant shall obtain, and keep in place with a licensed HVAC contractor, reasonably acceptable to Landlord during the Term and any Renewal Term, a preventative maintenance and service agreement for the routine inspection, repair and maintenance of the HVAC system servicing the Premises ("HVAC Maintenance Agreement") no less often than one time every six (6) months, which agreement shall conform to the requirements of any warranty covering said HVAC system, and Tenant shall provide Landlord with a copy of such agreement within thirty (30) days following the beginning of the Term, and shall thereafter provide Landlord with a copy of any notice of renewal or termination thereof. Notwithstanding anything herein to the contrary in this Section 18, the Landlord shall be responsible for and will pay for the portion of each cost of repair and replacement of HVAC system, electrical system and plumbing system that are in excess of One Thousand Dollars (\$1,000.00). To avoid doubt, Tenant shall pay the first One Thousand Dollars (\$1,000.00) for each repair and replacement. If a plumbing, electrical or HVAC fixture or system must be replaced, Tenant will pay the first One Thousand Dollars (\$1,000.00) of the cost of such replacement. For all repairs and replacements in excess of One Thousand Dollars (\$1,000.00), Tenant shall obtain at least three (3) estimates from contractors approved by Landlord, and Tenant and Landlord shall mutually choose the contractor and agree on the scope of the work to be performed. Tenant shall cause all such repairs and replacements to be performed and completed in accordance with Applicable Law and Section 24 of this Lease. Notwithstanding anything in this Section 18 to the contrary, if any repair or replacement is the result of the act or omission of Tenant, or any Tenant employee, invitee, student, contractor, agent, excluding ordinary wear and tear, then Tenant shall be responsible for the total cost of such repair or replacement.

19. **Quiet Enjoyment.** The Landlord covenants and agrees that it has the full and unrestricted right and lawful authority to make and enter into this Lease. Tenant, upon paying said rent and other charges herein and otherwise fully and punctually performing all the other terms and conditions imposed on Tenant, shall and may peaceably and quietly have, hold and enjoy the Premises hereby demised for the Term aforesaid free from disturbance by the Landlord or anyone claiming by, through or under the Landlord.

20. **Access to Premises.** Tenant shall permit Landlord or his agents to enter the Premises at all reasonable hours (at any time in case of emergency) upon reasonably prior notice to inspect the Premises or make repairs and replacements that Tenant may neglect or refuse to make in accordance with the provisions of this Lease subject to Tenant's notice and cure periods set forth herein. Landlord shall have the right to come onto the Premises at any time without notice in the case of an emergency.

21. **Indemnity and Liability Insurance.** The Tenant shall indemnify, save and hold harmless the Landlord from and against any and all claims, suits, actions, damages and causes of action, accruing during the Term of this Lease, for any personal injury, loss of life and damage to property sustained in or upon the Premises by reason of or as a result of the Tenant's occupancy or use of the Premises, and from and against any orders, judgments and decrees which may be entered thereon, and from and against all costs and liabilities incurred in and about the defense of any such claim; provided, however, nothing herein shall obligate Tenant to indemnify, save and hold harmless Landlord to the extent of Landlord's negligent or intentional act. The Tenant will, at its own expense, procure, and at all times during the Term and any Renewal Term of this Lease continue in force and effect, commercial general liability insurance on said Premises, protecting the Landlord and Tenant against any and all claims for injuries, including death, to persons and/or damages to property occurring in, upon or about the Premises and every part thereof, such liability insurance to be in an amount determined by the Tenant, but not less than One Million Dollars (\$1,000,000.00). Landlord shall be named an additional insured on Tenant's liability insurance policy. The Tenant shall provide Landlord with a certificate of insurance evidencing such coverage which shall provide that such policy may not be cancelled without providing the Landlord with 30 days prior written notice. The Landlord will maintain property insurance on the Premises at Landlord's sole cost and expense.

22. **Destruction of Premises.** In the event the Premises shall be destroyed or damaged by fire or other casualty during the Term and any Renewal Term of this Lease, to the extent so that said Premises shall be unfit, in whole or in part, for the occupancy thereof by Tenant, the Landlord shall have the right to rebuild and repair the Premises to substantially conform to the Premises as were in existence prior to the damage or destruction, and to apply the proceeds of insurance provided by Tenant against the costs thereof; provided that in the event Landlord elects not to restore or rebuild said Premises, then this Lease shall terminate and Tenant shall vacate the Premises within thirty (30) days from date of such termination and the insurance proceeds shall be the Landlord's.

In the event such restoration or rebuilding shall be performed by Landlord, such work shall be commenced not later than ninety (90) days after the event of such damage or destruction and Landlord shall thereafter prosecute the work with diligence to completion, the same in any event to be completed within a reasonable time.

In the event of total destruction of the building improvements or such damage thereto as shall render the same unfit for the carrying on of Tenant's business on the Premises, the

payment of rent shall cease until the building is rebuilt or until Landlord elects not to rebuild. Rental shall again commence in full if and when the Premises shall have been substantially completed.

In the event of partial destruction or such damage that the business of Tenant may continue to be carried on without substantial interruption, and with or without temporary repair, the rent shall continue and not be abated. In the event of the partial destruction or damage to the Premises so that the business of Tenant may be carried on but with substantial impairment, the rent shall be adjusted pro rata to abate that part of the Rent attributable to the unfit portion for that period of time.

23. **Condemnation.** If the whole of the Premises shall be taken for any public or quasi public use under any statute by right of eminent domain, or if any part of the Premises is so taken and the part not so taken is insufficient for the operation of Tenant's business, this Lease and the term granted by it shall cease and expire as respects the entire Premises on the date when possession shall be given by Tenant. All rents and other charges shall be prorated and paid to that date, and Landlord shall refund to Tenant all rents and other charges paid by Tenant in respect of any periods subsequent to such date. The Landlord shall be entitled to all proceeds of any condemnation; and, provided that Landlord's award is not reduced, this provision shall not prohibit Tenant to seek a separate award and obtain relocation moving expenses. Tenant shall have no right to any value or claim to any value of the leasehold created by this Lease.

24. **Construction Liens.**

- (A) The Tenant shall not do or suffer anything to be done whereby the Premises are a part may be encumbered by any lien of mechanics, laborers, contractors or materialmen, chattel mortgages or any other lien, and shall, whenever and as often as any lien is filed against the Premises, discharge the same of record within ten (10) days after the date of Tenant's notice of the filing. Notice is hereby given that the Landlord shall not be liable for any labor or materials furnished or to be furnished to the Tenant upon credit, and that no construction or other lien for any such labor or materials shall attach to or affect the reversionary or other estate or interest of the Landlord in and to the land and building of which the Premises herein demised are a part. Tenant shall comply with all mechanic's lien laws under Ohio law including filing of a notice of commencement prior to commencing any repairs, replacement or other work on the Premises. Tenant, upon reasonable notice and request in writing from Landlord, shall also defend for Landlord (and Landlord's mortgage and agents), at Tenant's sole cost and expense, any action, suit or proceeding which may be brought on or for the enforcement of any such lien and will pay any damages and satisfy and discharge any judgments entered in such action, suit or proceeding and save harmless Landlord (and Landlord's mortgage and agents) from any liability, claim or damages resulting therefrom. In default of Tenant procuring the discharge, as aforesaid, of any such lien, Landlord may, without further notice, procure the discharge thereof by bonding or payment or otherwise, and all costs and expenses to which Landlord may be put in obtaining such discharge shall be paid by Tenant as additional rent within ten (10) days after notice from Landlord of the amount due.

- (B) Notwithstanding anything to the contrary contained in applicable law or in this Lease, Tenant shall not be deemed to be a partner, joint venturer or agent of Landlord; and in no event shall any lien resulting from Tenant's improvements to the Premises encumber Landlord's underlying fee simple estate. Tenant agrees that it shall not enter into any contract for any improvements to the Premises unless the following language is included in such contract:

"Notwithstanding anything herein contained to the contrary, the contractor acknowledges that Tenant holds only a leasehold interest in the property which is the subject of this contract. Tenant is not the agent or the owner of the property, and no lien resulting from work performed under this contract shall attach to the interest of such owner."

Tenant shall provide Landlord with copies of each contract to evidence compliance with this provision.

- (C) Tenant shall not permit any work to be commenced until such time as Tenant has provided Landlord with a fully executed copy of the construction contract evidencing incorporation of the aforesaid language. In addition, prior to the commencement of work, Tenant shall post the following notice in a conspicuous place on the Premises, and shall assure that such notice is maintained throughout the entire course of construction.

**"NOTICE TO CONTRACTORS, SUBCONTRACTORS,
MATERIALMEN AND LABORERS**

Notice is hereby given that work on 3969 Lee Road, Cleveland, Ohio is being performed for Tenant. Tenant is not the agent or the owner of this property, and any lien rights shall be limited to the Leasehold estate of Tenant and shall in no event attach to the interest of the owner."

25. **Waiver of Landlord's Lien.** Landlord hereby waives any lien it may have, statutory or otherwise, on any of Tenant's property, furniture, fixtures and equipment on the Property during the entire Term of this Lease.

26. **Subordination.**

- (A) This Lease shall be subject and subordinate at all times to any and all mortgages that now or may encumber the Premises and to any renewal, modification, consolidation, replacement, and extension of any such mortgage; provided that the holder of any such mortgage shall enter into a written agreement with Tenant to the effect that in the event of foreclosure or other action taken under the mortgage by the holder of the mortgage, this Lease and the rights of the Tenant under it shall not be disturbed but shall continue in full force and effect so long as Tenant shall not be in default. Provided, further, that such agreement between the mortgage holder and Tenant shall provide that the mortgage holder shall provide Tenant with notice

of noncompliance with the mortgage agreement. If Landlord shall default in the payment of any installment of interest or principal payable under such mortgage, Tenant may pay such installment of interest or principal and deduct such payment together with interest at the rate of twelve percent (12%) per annum from the installment or installments of rent next coming due under this Lease.

- (B) Within twenty (20) days after request by Landlord, and/or by any proposed mortgagee or purchaser of the Premises, Tenant shall execute and deliver to Landlord (and/or to such mortgagee or purchaser) such estoppel certificates as may be required by Landlord (or by such mortgagee or purchaser), which estoppel certificate shall certify the date of this Lease and any amendments thereto, that Landlord is not in default under this Lease (or specifying any defaults of Landlord which Tenant claims), the date to which rent has been paid, and such other matters that Landlord (and/or such mortgagee or purchaser) may reasonably request with respect to this Lease, the Premises, any/or any lease guaranty.

27. **Assignment, Sublease, or License.** Tenant shall not assign, sublease or otherwise transfer Tenant's interest in the Premises, or any right, privilege, liability or obligation under this Lease, or allow any other person except agents and employees of Tenant to occupy the Premises or any part thereof without first obtaining the written consent of Landlord which shall not be unreasonably withheld, conditioned or delayed. A consent by Landlord shall not be a consent to a subsequent assignment, sublease, or occupation by other persons. An unauthorized assignment, sublease, or license to occupy by Tenant shall be void and shall terminate the Lease at the option of Landlord. Notwithstanding other provisions in this Section, the Tenant may sublease or assign the lease to a similar charter school affiliated with the Tenant's governing board or management company without prior approval of the Landlord, however, Tenant shall remain liable and obligated on the Lease.

28. **Default or Breach.** Each of the following events shall constitute a default or breach of this Lease by Tenant:

- (A) If Tenant shall file a petition in bankruptcy or insolvency or for reorganization under any bankruptcy act, or shall voluntarily take advantage of any such act by answer or otherwise, or shall make an assignment for the benefit of creditors.
- (B) If involuntary proceedings under any bankruptcy law or insolvency act shall be instituted against Tenant, or if a receiver or trustee shall be appointed for all or substantially all of the property of Tenant, and such proceedings shall not be dismissed or the receivership or trusteeship vacated within sixty (60) days after the institution or appointment.
- (C) If Tenant shall fail to pay Landlord any Rent including without limitation Additional Rent within ten (10) days after such Rent shall become due. In such case of default under this Section 29(C), if Tenant has not reimbursed Landlord within thirty (30) days after the original day that Rent was due, Landlord may proceed with any remedy available under Section 30 below

and further charge the reasonable cost of any expense associated with the default, plus interest as defined in Section 32.

- (D) If Tenant shall fail to perform or comply with any of the conditions of this Lease other than the nonpayment of rent and if the nonperformance shall continue for a period of thirty (30) days after notice thereof by Landlord to Tenant, or, if the performance cannot be reasonably had within the thirty (30) day period, Tenant shall not in good faith have commenced performance within the thirty (30) day period and shall not diligently proceed to completion of performance.

29. **Effect of Default.** If the Tenant shall make any default hereunder which has not been cured within the applicable time frame, in addition to all other rights and remedies at law and equity available to Landlord, the Landlord shall have the right to any of the following remedies in its sole discretion:

- (A) Declare the entire rental for the balance of the Term of this Lease due and payable provided the same shall be discounted to present value using six percent (6%) as a present value factor.
- (B) Reenter the Premises without being liable for damage therefor, and relet the Premises, or any part thereof, or operate the same, with or without the Tenant's furnishings, for the balance of the term and receive rents therefor and apply the same first to the payment of expenses of reasonable redecorating and making necessary repairs to the Premises, reasonable attorneys' and paraprofessionals' fees, brokers' commissions, advertising and all other reasonable expenses of the Landlord in reentering the Premises and reletting the Premises; and second, late fees and interest; and third, to the payment of the rent hereunder.
- (C) Terminate this Lease by giving the Tenant written notice of termination which shall not excuse breaches of this Lease which have already occurred. Termination may occur only by written notice.

30. **Landlord's Right to Perform.** Except as otherwise provided herein, if the Tenant fails to perform any of the covenants required to be performed by Tenant, and such failure continues after written notice as provided in Section 28 herein, then Landlord may, but shall not be required to perform such act or thing with respect to which Tenant is in default, at the expense of Tenant. Tenant shall repay such expense to Landlord. Any act or thing done by Landlord pursuant to the provisions hereof shall not be construed a waiver of any such default by Tenant or waiver of any covenant, term, or condition of this Lease, or of any other right or remedy of Landlord.

31. **Landlord's Default and Tenant Remedies.** If Landlord shall violate, neglect or fail to perform or observe any of the representations, covenants, provisions, or conditions contained in this Lease on its part to be performed or observed, which default continues for a period of more than thirty (30) days after receipt of written notice from Tenant specifying such default (ten (10) days after notice in the case of a monetary default), or if such default is of a nature to require more than thirty

(30) days for remedy and continues beyond the time reasonably necessary to cure (provided Landlord must have undertaken procedures to cure the default within such thirty (30) day period and thereafter diligently pursues such efforts to cure to completion), Tenant may, at its option (in addition to all other rights and remedies provided Tenant at law, in equity or hereunder) incur any reasonable expense necessary to perform the obligation of Landlord specified in such notice and bill Landlord for the costs thereof. If Landlord has not reimbursed Tenant within thirty (30) days after receipt of Tenant's bill, Tenant may deduct the reasonable cost of such expense, plus interest thereon at the prime rate (as set forth in the Wall Street Journal, or if such rate is not posted in the Wall Street Journal then a comparable national publication), from the rent and other payments next becoming due after the expiration of said thirty (30) day period.

32. **Security Deposit and Other Security.** Provided Tenant is not in default and rent has been paid when due (including the 10 day grace period) for the previous 12 months, the Lease does not require the Tenant to pay a Security Deposit equal to one month's rent to the Landlord.

33. **Interest on Overdue Rent.** All rent overdue shall bear interest at the rate of eight percent (8%) per annum, after it has been due and payable for ten (10) days.

34. **Tenant's Charter.** In the event Tenant's charter to operate a school is revoked by the State of Ohio or non-renewed by the School Sponsor at any time during the Term of this Lease, Tenant shall have the right to terminate this Lease upon sixty (60) days prior written notice to Landlord. The termination date shall be the date Tenant is required to cease operating as a community school and Tenant shall be obligated to pay rent through the end of the month in which the termination date occurs. Tenant shall use good faith commercial best efforts to maintain a valid charter.

35. **Memorandum of Lease.** Tenant shall have the right to record a Memorandum of Lease in the public records upon the execution of this Lease evidencing Tenant's leasehold interest.

36. **Tenant Ability to Perform.** Tenant is authorizing Landlord to perform a credit check and will provide information satisfactory to Landlord's lender that Tenant or assigns has the ability to meet Lease obligations. As a condition of this Lease, Tenant shall provide Landlord its current financial statements upon written request by the Landlord.

37. **Hazardous Materials.** Tenant represents and warrants to Landlord that the activities to be conducted upon the Premises by Tenant shall not pose any significant hazard to human health or the environment or violate any Environmental Laws (as hereafter defined) pertaining to Hazardous Materials (as hereinafter defined). Tenant shall not cause or permit the Premises to be used for the generation, handling, storage, transportation, disposal or release of any hazardous materials except as exempted or permitted under applicable Environmental Laws, and Tenant shall not cause or permit the Premises or any activities conducted thereon to be in violation of any applicable Environmental Laws. Tenant agrees to indemnify and defend Landlord and hold Landlord and its directors, officers, employees, partners, successors and assigns harmless from and against any and all claims, losses, damages (including all foreseeable and unforeseeable consequential damages), liabilities, fines, penalties, charges, interest, administrative or judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including without limitation attorneys' and paraprofessionals' fees and expenses), directly or indirectly resulting in whole or in part from Tenant's violation of any

Environmental Laws applicable to the Premises or any activity of Tenant conducted thereon. Landlord shall be reimbursed by Tenant immediately upon demand for any and all sums paid and costs incurred by Landlord with respect to the foregoing matters. Said sums paid and costs incurred shall bear interest at the highest rate permitted by Applicable Law and same shall be paid to Landlord from Tenant immediately upon demand. This indemnity shall survive the full performance and expiration of this Lease and shall inure to the benefit of any transferee of title to the Property through foreclosure of any mortgage granted by Landlord encumbering the Property or through deed in lieu of foreclosure.

Landlord agrees to indemnify Tenant and hold Tenant and its directors, officers, employees, partners, successors and assigns harmless from and against any and all claims, losses, damages (including all foreseeable and unforeseeable consequential damages), liabilities, fines, penalties, charges, interest, administrative or judicial proceedings and orders, judgments, remedial action requirements, enforcement actions of any kind, and all costs and expenses incurred in connection therewith (including without limitation attorneys' and paraprofessionals' fees and expenses), directly or indirectly resulting in whole or in part from the Property being in violation of any Environmental Laws applicable to the Property to the extent the same is a result of the actions of Landlord. Tenant shall be reimbursed by Landlord immediately upon demand for any and all sums paid and costs incurred by Tenant with respect to the foregoing matters. Said sums paid and costs incurred shall bear interest at the highest rate permitted by law and same shall be paid to Tenant from Landlord immediately upon demand. This indemnity shall survive the full performance and expiration of this Lease and shall inure to the benefit of any transferee of Tenant's interest in the Property.

The term "Hazardous Materials" shall include any substances defined as or included in the definition of "hazardous substances," hazardous wastes," hazardous materials," toxic substances," "contaminants" or other pollution, hazard or toxic under any applicable federal or state or local laws, ordinances, rules or regulations now or hereafter in effect. The term Environmental Laws shall mean any applicable federal or state or local laws, ordinances, rules or regulations now or hereafter in effect pertaining to Hazardous Materials or industrial hygiene or environmental conditions. The term Environmental Report means a written environmental report from a reputable environmental engineering firm of Landlord's choice identifying environmental contamination, or violations of any Environmental Laws.

38. **Attorneys' Fees.** In the case of the failure of either party hereto to perform and comply with any of the covenants and conditions hereof within the time herein specified, and the said rent, or damages for the breach of any covenant or condition, is collected by suit or through an attorney at law, whether suit be brought or not, the party so failing to perform and comply hereby agrees to pay to the other party hereto a reasonable sum of money for attorneys' and paraprofessionals' fees, together with the costs, charges, and expenses of such collection or other enforcement of rights in any suit, or otherwise. The prevailing party in any such litigation shall be entitled to reasonable attorneys' and paraprofessionals' fees and costs.

39. **Waiver.** The failure of either of the parties hereto in one or more instances to insist upon strict performance or observance of one or more of the covenants or conditions hereof, or to exercise any remedy, privilege, or option herein conferred upon or reserved to such party, shall not operate and not be construed as a relinquishment or waiver for the future of such covenant or

condition or of the right to enforce the same or to exercise such privilege, option, or remedy, but the same shall continue in full force and effect.

40. **Surrender of Possession.** Tenant shall, on the last day of the term, or on earlier termination and forfeiture of the Lease, peaceably and quietly surrender and deliver the Premises to Landlord free of sub-tenancies, including all buildings, additions, and improvements constructed or placed thereon by Tenant, except movable trade fixtures, all in good condition and repair. Tenant shall, if not in default hereunder, remove its equipment, goods, trade fixtures and effects and those of all persons claiming by, through or under it, provided that such removal does not cause irreparable damage to the Premises. Any trade fixtures or personal property not used in connection with the operation of the Premises and belonging to Tenant, if not removed at the termination or default, and if Landlord shall so elect, shall be deemed abandoned (without notice to Tenant) and become the property of Landlord without any payment or offset therefor. Landlord may remove such fixtures or property from the Premises and store them at the risk and expense of Tenant if Landlord shall not so elect. Tenant shall, at Tenant's sole cost, repair and restore all damage to the Premises caused by the removal of equipment, trade fixtures, and personal property. Tenant, if requested by Landlord, shall remove all business signs placed on the Premises by Tenant and restore the portion of the Premises on which they were placed in the same condition as when received.

41. **Holding Over.** The failure of Tenant to surrender the Premises on the termination of the Lease term, or any renewals thereof, and the subsequent holding over by Tenant, without the consent of Landlord, shall result in the creation of a month-to-month tenancy at a monthly rental equal to one hundred fifty percent (150%) of the rental immediately prior to such hold over which shall be payable on the first day of each month in which the Tenant holds over. Should a tenancy at will be created under the provisions of this section, the tenancy may subsequently be terminated by either party hereto by that party giving thirty (30) days' written notice of the intention to terminate the tenancy to the other party to this Lease. This provision does not give Tenant any right to hold over at the expiration of this term, and all other terms and conditions of this Lease shall remain in force during any tenancy at will created by any holding over by Tenant.

Within ten (10) days after receipt of the Sale Notice, Tenant shall notify Landlord, in writing, of Tenant's election to purchase of the Premises upon the terms set forth in the Sale Notice ("Tenant's Sale Notice"). If Tenant's Sale Notice is not received within said ten (10) day period, Tenant's first right to offer shall be deemed waived as to such offer to sell the Premises and Landlord shall have the right to sell the Premises, subject to this Lease to any third party. If Tenant does not elect to purchase the Premises or waives its first right to offer, and the Premises is not sold and is taken off the market and is not offered to third parties for six (6) consecutive months and thereafter, Tenant shall have the first right to offer as provided herein. If Tenant elects to purchase the Premises pursuant to this Section and fails to enter into a purchase and sale agreement within ten (10) days after electing to purchase the

Premises or enters into a purchase agreement and fails to purchase the Premises, pursuant to the terms of the Sale Notice and purchase and sale agreement, then Tenant's first right to offer shall terminate and shall be void and Tenant shall have no further first right to offer herein.

8. **Lessor's Default.** The following shall be added to Paragraph 26 of the Lease:

Notwithstanding anything to the contrary in this Lease, it is specifically understood and agreed that if Lessor shall fail to perform any covenant, term or condition of this Lease upon Lessor's part to be performed and, as a consequence of such default, Lessee shall

recover a money judgment against Lessor, such judgment shall be satisfied only out of the proceeds of sale received upon execution of such judgment and levy thereon against the right, title, and interest of Lessor in the Building, as the same may then be encumbered, and neither Lessor nor any of its members, managers, officers, depositors, directors, partners, or shareholders shall be liable for any deficiency. It is understood that in no event shall Lessee have any right to levy execution against any property of Lessor other than its interest in the Building as hereinbefore expressly provided. In the event of the sale or other transfer of Lessor's right, title and interest in the real property, the Building or the Premises, Lessor shall be released from all liability and obligations under this Lease accruing after the date thereof.

11. **Miscellaneous.**

- a. This Amendment constitutes the entire Amendment between Lessor and Lessee with respect to the matters contained herein. There have been no additional oral or written representations or Amendments. To the extent such oral or written representations or Amendments were made, this Amendment supersedes any and all prior oral or written representations or Amendments.
- b. The capitalized terms used herein shall have the same definitions as set forth in the Lease to the extent that such capitalized terms are defined therein and not redefined herein.
- c. Each signatory represents hereby that he has the authority to execute and deliver the same on behalf of the party hereto for which such signatory is acting;
- d. Any headings preceding the text of the Paragraphs hereof are inserted solely for convenience of reference and not constitute a part of this Amendment.
- e. In the event that any provision of this Amendment shall be unenforceable for any reason, the remaining provisions shall remain in full force and effect. The failure of either party to insist upon a strict performance of any of the covenants or conditions of this Amendment shall not be construed as waiving or relinquishing for the future any such covenants or conditions, but the same shall continue and remain in full force and effect;

f. This Amendment may be executed in multiple counterparts, each of which shall be deemed an original and all of which, collectively, shall be one and the same instrument.

WHEREAS, the Landlord and Tenant desire to amend the terms of the Original Lease.

NOW, THEREFORE, in consideration of the premises, the terms, covenants and conditions set forth below and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant hereby agree as follows:

2. Ratification; Effect of Amendment. Landlord and Tenant hereby ratify, confirm and restate all of the terms and provisions of the Original Lease. The terms and conditions of the Lease shall be unchanged and shall remain in full force and effect except as set forth in this Amendment.

3. Term. Landlord and Tenant amend Section 3 of the Original Lease as follows:

June 30, 2018 is deleted and June 30, 2019, is inserted in lieu and replacement thereof. To avoid any misunderstanding the Term shall be from October 15, 2013, and terminates June 30, 2019.

4. Rent. Section 4 of the Original Lease is amended by adding the following:

Notwithstanding anything in Section 4 to the contrary, Tenant shall pay no Base Rent from April 1, 2014, to August 31, 2014. 6.3a Mission, Vision, Philosophy

The mission should answer the question *why do we exist?* The vision should answer the question *what do we hope to become?* Likewise, a school's philosophy should answer the question *what do we value and believe about educating students?*

 Mission	6.3a	1) MISSION (Why do we exist?): State the school's clear, <i>concise</i>, and compelling mission statement that describes its specific intent/purpose.
<p>Invictus High School is a student-centered high school that focused on delivering each student a personalized education. Our team strives to provide the personalized attention that each student needs to succeed in the classroom and in their future career. We believe in redemption and second chances. Our commitment providing personalized education and real-world career experiences that provide students a foundation for life makes us unique. At Invictus High School we support, educate, and empower young adults. This mission will be served by providing the school's students with an individualized and self-paced program set in a flexible scheduling environment that is responsive to its students' needs, and by providing an education experience that leads to a high school diploma and post-secondary success. The School will strive to motivate, teach, and guide each student through his/her educational growth and development. This will be accomplished by emphasizing the development of both academic and real-world career training. Invictus High School offers a safe, secure, clean environment, and researched based educational programs which have proven very successful in educating at-risk students. We focus on educating the whole child by involving support services, parents, and the local community. Broadly, this process we define as providing students wrap-around support.</p>		
 Vision	6.3a	2) VISION (What we hope to become?): State the school's clear, <i>concise</i>, and compelling vision statement that describes the anticipated operation, function and success of the school over time.
<p>Below are the core beliefs that in combination form the vision that provides the basis for the philosophical foundation of Invictus High School program. We believe:</p> <ul style="list-style-type: none"> • We believe in redemption and second chances. • We believe in individualized, flexible, and differentiated instruction. • We believe in helping students overcome their challenges. • We believe in innovative, data-driven, and collaborative education. • We believe in building bridges to opportunities for postsecondary success. • We believe that every student deserves to be Undefeated <p>We strive to provide an outstanding personalized educational experience for at-risk youth who need a second chance. Over time we hope to build more pathways for success that provide students economic opportunities that help them long into the future. As a school we intent to increase our graduation rate and enrollment so that we may provide these quality opportinities to more students each year.</p>		

 Philosophy	6.3a	3) PHILOSOPHY (What do we value and believe about educating students?) State the school's clear, <i>concise</i>, and compelling philosophy that describes the values and beliefs by which the school will operate.
<p>Our philosophy is guided by the principles and ideals that we have as an organization, which not only incorporate our mission and vision, but also the following beliefs.</p> <p>We believe that the primary purpose of education is to improve economic opportunity by providing career choices and post-secondary opportunities. Taken broadly, this can be to improve the quality of life, provide personal and professional fulfillment, economic opportunities, and setting goals for future success in life. The academic knowledge and post-secondary skills that students will take with them after leaving Invictus High School will give them the foundation for success in post-secondary education, future careers, and as productive and contributing members of their families and the community.</p> <p>Invictus High School is designed for students who will be more successful in a self-paced, personalized school setting and are committed to achieving their goals for life. We understand that all our students face challenges unique to their environment and need wrap-around support, behavioral, and academic interventions based on their environment, academic, social, and emotional needs. We work to provide each student the level of support they need based on their current economic situation, emotional awareness, and academic ability level. This will be evident through personalized daily academic goal setting and implementation of positive behavior intervention and support that focuses on providing a safe and nurturing environment that provides the support needed for students who reach their goals. Students who their basic needs met and feel safe are able to then focus on their academic work and set their future goals. Goal setting, post-secondary outcomes, and economic opportunities from education will be topics discussed regularly and emphasized with the staff and the students.</p> <p>An important element of nurturing the academic, social, and emotional development of our students will be our relationship with their parents. Relationships with the parents will be encouraged by setting systems and processes in place to emphasize the importance of home-school communication. We hope to ensure that students are wrapped in a nurturing environment at school that is an extension of their homes. We believe that success comes in many forms. We intend to meet the goals, benchmarks, and standards outlined in this application, and also help each student meet his or her personal goals. Hard work and a strong work ethic will serve each student well and help them to achieve their individual successes throughout the rest of their lives.</p> <p>The job market in today's society is changing rapidly based on technological development and worldwide competition. Students must make choices about their future to prepare them for future economic opportunities and 21st century careers. Students must know how to critically analyze their decisions and synthesize information about the future into meaningful realistic future goals. Invictus High School will help student prepare to make these important decisions and provide them the tools and resources necessary to track their progress in meeting their goals. The Board participates in setting high-level goals with the school that can be reported against annual statistics in alignment with the School's mission statement. The School and Board adheres to the measures of academic performance and accountability provisions for community schools as specified in the Ohio Revised Code, as indicated on the annual Local Report Card.</p>		

6.3b Curriculum

The primary function of a school is to provide for the education of students. The curriculum describes all planned learning of students and should describe the learning experiences through which a student will progress. Responses should address the following questions: *What are the learning goals for students at your school and what research support the curriculum choice and its effectiveness for the student population served?* Each of the items below should be addressed with strong evidence and detail.

 Curriculum – Learning Standards	6.3b	1) Provide the specific learning standards students are to achieve in <u>all</u> core content areas and a detailed description of the non-core content (i.e., physical education, music, art, technology, etc.) areas offered by the school.
---	------	--

Core Academic Curriculum

The base of the core academic curriculum is based on Ohio's Learning Standards prescribed by the Ohio Department of Education. All students who enroll at Invictus High School will work towards completing their core academic curriculum using both online coursework and offline standards-based curriculum developed by licensed subject area teachers. The main online curriculum used at Invictus High School is Apex Learning. Courses are developed in multiple course pathways with varying levels of support to meet students at their individual level of academic readiness. The curriculum makes it possible to differentiate instruction to address diverse student needs. Students become more engaged because they can progress at their own pace, taking as much — or as little — time as necessary to master the material. Teachers spend time in content teams monthly - working toward alignment with the Ohio Learning Standards (<http://education.ohio.gov/Topics/Learning-in-Ohio/OLS-Graphic-Sections/Learning-Standards>)

Ongoing practice is also a core component to the curriculum, as unpracticed skills atrophy quickly, particularly core skills such as computation and writing. Lastly, classroom learning is both augmented and reinforced by multiple opportunities to apply what is learned including, but not limited to, formative assessments, summative assessments, practices, journals, discussions, and labs. The ongoing practice is teacher directed using either the online curriculum or standards-based lessons directed by the content area teachers.

All instruction is directed by subject area teachers. The curriculum incorporates multimedia along with instructional text to provide students with multiple representations of concepts as well as address their different learning styles. Before starting each course, students are administered a diagnostic assessment which allows teachers to adequately inform instruction for that student. These formative assessments help students gauge their understanding and improve performance, while summative assessments at the end of each until allow teachers to chart progress and skill development. Apex Learning digital curriculum is designed to support academic success for all students. Foundations courses meet the needs of students who are not prepared for grade-level academic challenges. Literacy Advantage courses integrate literacy supports and scaffolding to support below-proficient readers in mastering rigorous content and earn credits toward graduation. Core courses meet the needs of a range of students as they endeavor to master rigorous content and earn credits toward graduation. Advanced Placement (AP) courses are available for students who have mastered the core content or who are gifted.

Detailed description of curriculum:**Math**

The Math courses support all students as they develop computational fluency, deepen conceptual understanding, and applying Ohio's Learning Standards eight mathematical practice skills. Students begin each lesson by discovering new concepts through guided instruction, and then confirm their understanding in an interactive, feedback-rich environment. Modeling activities equip students with tools for analyzing a variety of real-world scenarios and mathematical ideas. Journaling activities allow students to reason abstractly and quantitatively, construct arguments, critique reasoning, and communicate precisely. Performance tasks prepare students to synthesize their knowledge in novel, real-world scenarios and require that they make sense of multifaceted problems and persevere in solving them. Throughout the course students are evaluated through a diversity of assessments specifically designed to prepare them for the content, form, and depth of the Ohio's Learning Standards assessments.

English

English courses support all students in developing the depth of understanding and higher order skills required by the Ohio's Learning Standards. Students break down increasingly complex readings with close reading tools, guided instruction and robust scaffolding as they apply each of the lesson's concepts back to its anchor text. Students build their writing and speaking skills in journal responses, discussions, frequent free response exercises, and essays or presentations, learning to communicate clearly and credibly in narrative, argumentative, and explanatory styles. Throughout the course students are evaluated through a diversity of assessments specifically designed to prepare them for the content, form, and depth of the Ohio's Learning Standards assessments.

Social Studies

Students build and practice historical thinking skills, learning to connect specific people, places, events and ideas to the larger trends of world history. In critical reading activities, feedback-rich instruction, and application-oriented assignments, students develop their capacity to reason chronologically, interpret and synthesize sources, identify connections between ideas, and develop well-supported historical arguments. Students write throughout the course, responding to primary sources and historical narratives through journal entries, essays and visual presentations of social studies content. In discussion activities, students respond to the position of others while staking and defending their own claim. The course's rigorous instruction is supported with relevant materials and active learning opportunities to ensure students at all levels can master the key historical thinking skills.

Science

Physical Science offers a focused curriculum designed around the understanding of critical physical science concepts, including the nature and structure of matter, the characteristics of energy, and the mastery of critical scientific skills. Course topics include an introduction to kinematics, including gravity and two-dimensional motion; force; momentum; waves; electricity; atoms; the periodic table of elements; molecular bonding; chemical reactivity; gases; and an introduction to nuclear energy. Teacher-scored labs encourage students to apply the scientific method. Earth Science offers a focused curriculum that explores Earth's composition, structure, processes, and history; its atmosphere, freshwater, and oceans; and its environment in space. Course topics include an exploration of the major cycles that affect every aspect of life, including weather, climate, air movement, tectonics, volcanic

eruptions, rocks, minerals, geologic history, Earth's environment, sustainability, and energy resources. Optional teacher-scored labs encourage students to apply the scientific method. Biology focuses on the mastery of basic biological concepts and models while building scientific inquiry skills and exploring the connections between living things and their environment. The course begins with an introduction to the nature of science and biology, including the major themes of structure and function, matter and energy flow, systems, and the interconnectedness of life. Students then apply those themes to the structure and function of the cell, cellular metabolism, and biogeochemical cycles. Building on this foundation, students explore the connections and interactions between living things by studying genetics, ecosystems and natural selection, and evolution. The course ends with an applied look at human biology. Scientific inquiry skills are embedded in the direct instruction, wherein students learn to ask scientific questions, form and test hypotheses, and use logic and evidence to draw conclusions about the concepts. Lab activities reinforce critical thinking, writing, and communication skills and help students develop a deeper understanding of the nature of science. The content is based on the National Science Teachers Association (NSTA) standards and is aligned with state standards.

Post-secondary Curriculum

The Invictus High School Career Advising Policy creates the framework for each component of the post-secondary curriculum. Broadly speaking, the policy states that Invictus High School will provide students different opportunities for post-secondary successes based on their future goals in life. We believe every student who enrolls at Invictus deserves the ability to have a future career that provides them economic independence. To accomplish their goals students will need to develop a wide range of skills required by colleges and industries. Invictus High School must prepare students for 21st century high demand careers. The connection between education and employment is constantly increasing. Employers are seeking highly educated and skilled individuals to fill positions. An individual's chance of obtaining job security increases with his or her education level. A higher level of education also increases the likelihood that the individual secures a job with a high salary. Each student will work with the school's post-secondary coordinator (Vocational Specialist) to develop a plan for their future and make choices about the colleges and careers they wish to pursue. The traditional workplace is changing from centralized to decentralized control and needs workers who can think, make decisions, and learn new skills. (Clark, 1999). Advancement is based on knowledge and skills, rather than seniority.

Post-secondary planning

At Invictus High School each student will utilize Ohio Means Jobs to engage in post-secondary planning with support from the post-secondary coordinator. Ohio Means jobs is as comprehensive system that offers students career exploration tools, online training and resources specifically for students. OhioMeansJobs.com allows students to learn more about their career interests and in-demand jobs, build résumés, search for college and training programs, create a budget based on future expenses, and develop meaningful academic and career plans for high school and beyond. The schools post-secondary coordinator will utilize Ohio Means Jobs to help each student at Invictus High School develop an individualized post-secondary plan.

Career Based Intervention

Invictus High School offers students Career-Based Intervention (CBI), to any student identified as disadvantaged (academically, economically or both) and having barriers to achieving academic and career success. The CBI programs adhere to seven key principles: Higher Expectations, Common

Curriculum, Authentic Learning, Supportive Structures, Sense of Belonging, Continuous Improvement and Student Identification. The CBI program supports students by providing high-quality instruction aligned to the state's academic content standards (technical content standards for Ohio's 16 career fields programs). Invictus High School offers students programs designed to help them earn Industry Credentials in high demand careers in Business, Law and Public Safety, and Health Care. Student complete their core academic coursework but also engage in training both on-site and off-site to prepare for credentialing exams.

Invictus follows the learning standards in each subject area found below:

Describe the research supporting the model.</p>
<p>The digital and offline courses fully incorporate the instructional intent of the Ohio's Learning Standards, including rigorous teacher led instruction, active learning experiences, and meaningful formative and summative assessment. Ensuring rigor for academic success: These courses are created implemented by licensed subject area teachers at each campus team who focus on implementing research-based best practices that adhere to Ohio's Learning Standards.</p> <p>The curriculum helps students develop critical thinking skills through challenging but achievable tasks, with opt-in scaffolding and supports to meet students at their particular level of academic readiness. Providing active learning experiences: Students engage in active learning experiences through a balance of tasks involving reading, observing, inquiring, creating, connecting, and confirming. With both digital and offline coursework students build students’ critical thinking skills and deepen their understanding of each academic standard. Invictus High School assesses student knowledge in a variety of way. The school uses formative, summative, and diagnostic assessments that are integrated throughout each course. Frequent formative assessments reveal student understanding and inform instruction and intervention, while summative assessments measure and report learning outcomes. Unit-level diagnostic assessments generate individualized study plans that direct students to appropriate instructional content based on their strengths and weaknesses.</p> <p>Invictus High School holds monthly cross-campus PLC meetings by content area. Curriculum – Maps and Pacing Guides	6.3b	3) Provide a detailed description of the development process for curriculum maps and pacing guides used in your school.
<p>As mentioned in the schools Mission, our school is a self-paced program set in a flexible scheduling environment. Curriculum maps and pacing guides are developed through close examination of Ohio’s graduation requirements. A curriculum map and pacing guide is written for each set of graduation requirements, including all required classes and required testing. An Individualized Learning Plan is developed for each student that includes a course plan is filled out for each student upon enrollment, outlining for the student which credits he earned, and which credits are still needed for successful completion of their particular graduation requirements. From this course plan, we can determine which classes to enroll a student in, whether or not he qualifies for credit recovery, and estimate a graduation date based upon which credits he still needs to complete. Invictus also keeps a record how many assignments are in each half credit class. With this information, we can set short-term and long-term goals for students, making them acutely aware of what they need to complete within a given time frame in order to make adequate progress toward graduation. All of this information is available to staff, students, and parents, which creates a clear and cooperative pathway to student success. Apex Digital Learning provides a course activity report for every course which outlines the assignments and objectives which the teachers are able to adapt to meet student’s needs.</p> <p>During monthly PLC meetings teaching staff review each digital course, looked at the standard and identified where in the student's learning progression the standard would have been to identify learning gaps to allow for individualized instruction to take place beyond the APEX curriculum. The staff then developed specific standards based offline lessons to fill in those gaps to ensure a course progression that aligns with Ohio’s Learning Standards. Teachers also look at the digital curriculum to determine areas were groups of students may not make sufficient progress. Using a curriculum crosswalk teachers develop offline or alternative lessons that are aligned to Ohio’s learning standards and build on a student’s knowledge of content standards that have been mastered.</p>		
Curriculum – Lesson Template	6.3b	4) Explain what specific components is to be included in model lesson plan template and rationale.
<p>The school’s mission focuses on providing each student an individualized education based in their specific needs. Teaching staff develop individual student graduation plans for each student upon enrollment. Staff hold regular student success meetings create and monitor individualized and differentiated pathways to graduation, including differentiated courses, units, and lessons. Individual student lesson plans are developed specifically for each student after analyzing their course history, academic performance, and assessment scores. Teachers combine both APEX coursework and teacher created lessons to ensure each lesson is aligned to Ohio’s Learning Standard and hit each student’s specific skills gaps. At monthly cross-campus PLC teachers review graduation plan templates and their alignment to the Ohio’s Learning Standards. Content area teachers then use the Gap Analysis tool addresses any gaps within the APEX curriculum using teacher created course units and lessons.</p>		

Curriculum Alignment with Ohio Learning Standards	6.3b	5) Provide evidence of alignment of the school's curriculum model to the Ohio Learning Standards and the mission, vision, and philosophy of the school.
<p>The school's mission will be served by providing the school's students with an individualized and self-paced program with a flexible schedule set in an environment that is responsive to its student's needs, and by providing an educational experience that leads to a high school diploma and post-secondary success. All courses were aligned to Ohio's Learning Standards August 2017.</p> <p>Invictus High School holds monthly cross-campus PLC meetings by content area. 6.3c Instructional Delivery Methods and Resources/Materials

Instructional methods and resources are the ways and tools used to deliver the curriculum. *What strategies or techniques will be used to engage students in learning? What instructional resources and materials will the teachers and students be using, including technology? With strong evidence and great detail, each of the following items should be addressed.*

 Instructional Delivery Methods	6.3c	1) Explain in detail the primary instructional delivery methods, strategies, and/or techniques (i.e., high yield instructional practices, project based learning, computer-based, etc.) that will be used to provide daily instruction in your school.
<p>The new Apex Learning courses in math and English language arts fully incorporate the instructional intent of the Ohio's Learning Standards, including rigorous instruction, active learning experiences, and meaningful assessment. These courses are created in-house by a team of education experts with the same focus on research-based best practices in learning as the Ohio's Learning Standards. Students develop critical thinking skills through challenging but achievable tasks, with opt-in scaffolding and supports to meet students at their particular level of academic readiness. Students engage in active learning experiences through a balance of tasks involving reading, observing, inquiring, creating, connecting, and confirming. These build students' critical thinking skills and deepen their understanding of course content. Formative, summative, and diagnostic assessments are integrated throughout each course. Frequent formative assessments reveal student understanding and inform instruction and intervention, while summative assessments measure and report learning outcomes. Unit-level diagnostic assessments generate individualized study plans that direct students to appropriate instructional content based on their strengths and weaknesses.</p> <p>The English language arts courses effectively address each standard as well as the instructional intent of the four key areas outlined by the Ohio's Learning Standards: reading, writing, speaking and listening, and language. Reading: Students read a range of texts that reflect diverse authors and genres with an emphasis on informational texts. Writing: Instruction emphasizes how to write a persuasive argument and how to use evidence to prove a thesis; students use different written and presentation formats to show their work. Speaking and listening: Students use various kinds of media to analyze and synthesize information. Language: Students have opportunities to develop and practice language skills throughout each unit.</p> <p>The newly designed math courses effectively address the standards in mathematics and instructional intent of the Ohio's Learning Standards. Students demonstrate conceptual understanding, show and explain their work, and apply this knowledge to everyday life. Focus and progression: Standards are organized by strand, with fewer concepts covered in greater depth. Build abstract reasoning: Students use analysis and reasoning skills to help develop independent critical thinking. Model with mathematics: Students learn to apply mathematics to analyze situations and improve their decision-making skills.</p> <p>For all Social Studies courses, students build and practice historical thinking skills, learning to connect specific people, places, events and ideas to the larger trends of world history. In critical reading activities, feedback-rich instruction, and application-oriented assignments, students develop their capacity to reason chronologically, interpret and synthesize sources, identify connections between ideas, and develop well-supported historical</p>		

arguments. Students write throughout the course, responding to primary sources and historical narratives through journal entries, essays and visual presentations of social studies content. In discussion activities, students respond to the position of others while staking and defending their own claim. The course's rigorous instruction is supported with relevant materials and active learning opportunities to ensure students at all levels can master the key historical thinking skills.

The School will continue to look for methods to support struggling readers in this demographic. Most research in supporting literacy focuses on younger students. The School has piloted several programs each of the past several years to find programming that will make a difference for our learners (Wilson Reading, Focused Reading, and a few online solutions).

 Resources and Materials	6.3c	3) Identify the resources and materials that will be in place at the school's opening in all core and non-core content areas, including technology.
<p>Invictus High School will utilize APEX learning as its core digital curriculum employing a 1:1 student to computer ratio. The school has developed an RTI Framework that will be used to identify struggling readers and implement specific interventions. The school will also use off-line teacher created standards-based lessons to supplement the core curriculum and provide students' academic interventions. The school has developed an academic intervention guide for all teachers that includes reading comprehension strategies such as assessing prior knowledge before reading and engaging students in text lookback or written retells of high interest materials.</p> <p>The school will order additional supplemental curriculum for students either digital or offline as needed based on a student's needs. The RTI Framework will be used to identify struggling readers and implement specific interventions such as repeated reading using high-interest materials made possible by a partnership with the Cleveland Kids Book Bank. We will measure success by evaluating NWEA MAP gains of students who have completed reading program material versus students who have not completed supplemental materials.</p>		
	6.3c	4) Explain the selection, approval (including board) and change process for instructional resources and materials to be used by teachers and students, including technology.
<p>Invictus High School Directors will work directly with Teacher Based Teams to determine the most suitable resources for students. They will then work with the Board of Directors for approval of purchases over \$5,000.</p> <p>The Directors and Business manager have developed a 5 year technology plan to refresh all student and staff devices at a minimum of every 5 years. The school will work with the a contracted vendor (MobileTech) Sponsor, ODE, and the Board of Directors to ensure all technology meets the needs of required state testing.</p>		

6.3d Continuous Improvement and Professional Growth

Schools must improve instructional practices and student performance on a continual basis. With strong evidence and great detail, each of the following items should be addressed.

 Continuous Improvement	6.3d	1) How will the school develop, monitor, and evaluate the school improvement plan using the Ohio 5-step process?
<p>The first stage of the continuous improvement plan is the decision framework. In this stage, the BLT looks at data to identify critical needs of the school. This allows the team to make informed decisions of where to spend time/energy and resources to make improvements in student performance. Stage 2 is the development of a Focused Plan. This includes goals for Reading, Math and school climate. The team is required to identify adult and student implementation, timelines, action steps and strategies for achieving the goal. During stage 3 and 4, the plan is implemented and monitored throughout the course of the school year. The school is currently in the process of revising OIP. Current OIP attached.</p>		
 Ohio Teacher Evaluation System (OTES)	6.3d	2) Confirm implementation of the Ohio Teacher Evaluation System (OTES) or an alternative aligned to Ohio Standards for Educators. <input type="checkbox"/> Yes, the school will implement the Ohio Teacher Evaluation System. Please identify what credentialed individuals (job title) will be conducting the evaluations? <input type="checkbox"/> The school will implement an alternative evaluation system as described below. 3) If an alternative evaluation system is used, provide evidence of alignment to Ohio Standards for Educators and connection to accountability for student performance. What credentialed individuals (job title) will be conducting the evaluations?
<p>The school continues to participate in the Ohio Teacher Evaluation System. The certified OTES evaluators are the school directors. See attached documents on implementation of OTES as well as credentials.</p>

 Local Professional Development Committee and Resident Educator	6.3d	<p>6) Discuss development and implementation of Local Professional Development Committee, including bylaws, committee membership, roles and responsibilities, processes and procedures, Individual Professional Development Plan (IPDP) template, etc.</p>
<p>Invictus High School's LPDC is chaired by a classroom teacher who attends regular scheduled meeting within our cohort. It is the responsibility of the chair of the building LPDC to update all staff on pertinent licensure matters and ensure all IPDP's and licenses remain up to date and compliant. LPDC documents are attached.</p> <p>Invictus High School implements Ohio's Resident Educator Program. The school currently has one teacher in the program. 6.3e Prevention and Intervention Policy

A *Comprehensive System of Learning Support Guidelines*, an Ohio State Board of Education approved document (link provided below), provides direction for foundation and intervention services to students to assist with the development of necessary systems to meet the unique needs of students. <https://education.ohio.gov/getattachment/Topics/Other-Resources/School-Safety/School-Safety-Resources/Comprehensive-System-of-Learning-Supports-Guidelin/Brochure-fulfillingthepromise.pdf.aspx>

Appropriate implementation of the guidelines will result in school meeting or exceeding RC 3313.6012 requirements to (1) provide diagnostic assessment procedures, (2) provide intervention services based on the results of the diagnostics, (3) collect data regularly, and (4) use the data to evaluate the effectiveness of the interventions. Please provide strong evidence and specific details to address the items below.

 Prevention and Intervention Plan	6.3.2	<p>1) Describe the school's multi-tiered educational services policy, plan and procedures to provide early detection and intervention for your at-risk (NOT identified special education students) experiencing learning, behavior and other problems, and address the needs of <u>ALL</u> students (i.e., limited English proficient, gifted, Third Grade Reading Guarantee, homeless, lowest achieving 20%).</p>
<p>The School will provide prevention/intervention services in pertinent subject areas to students who score below the proficient level on any achievement test Ohio Graduation Test, Ohio's State Tests (End-of-Course Exams) and/or who do not demonstrate academic performance at their grade level based on results of a diagnostic test. The School collects data on student performance and designs plans of classroom based intervention services to meet the instructional needs of individual students.</p> <p>Please see attached Academic Prevention/Intervention Policy</p>		
 Prevention and Intervention Plan	6.3.2	<p>2) Describe the school's intervention plan for all students not found proficient or "Not on Track" for all of the following assessments that are applicable for your school's student population:</p> <ul style="list-style-type: none"> a) Ohio's State Tests; b) Third Grade Reading Guarantee Diagnostic Assessments; c) Kindergarten Readiness Assessment (KRA); d) Ohio English Language Proficiency Assessment (OELPA); e) or the current assessment system required by ODE.

<p>Invictus High School will implement strategies to ensure that all students participating in the administration of the NWEA assessment and Ohio State Assessments either score proficient or will improve their scores by 10% each testing cycle.</p>		

Each student will have an individualized learning plan which identifies areas of deficiency in specific areas such as Reading Process and Informational Text. The Director's will use will testing data to selected students for intervention and test preparation periods. Content area teachers will use the ILP's and track both attendance and participation in intervention and test preparation periods and students. Reading preparation classes with a focus on Reading Process and Informational Text will be offered weekly to all testing eligible students at least eight weeks prior to the testing period. One hundred percent of students not already proficient in reading will participate in all reading prep classes that are offered.

Data used will include NWEA/MAP reports, DASL, performance portfolios, and practice tests. The data will be collected before, during, and after each test administration. Data will be monitored and analyzed at monthly OIP meetings by the Community School Leadership Team. All OIP minutes will be submitted to the Board of Directors and Sponsor for monitoring, review and feedback.

6.4a Goals and Performance Indicators

The school will be required to show progress toward meeting the goals established in its Ohio Improvement Process plan.

Schools newly chartered with Charter School Specialists will establish an OIP plan by September 30th.

The OIP will be available and reviewed at a yearly onsite assistance review.

The sponsor will provide accountability standards, which include but are not limited to, all applicable report card measures set forth in R.C. 3302.03 or R.C. 3314.017.

6.5 Assessment Plan

The Assessment Plan should enable the school to make an accurate reference as to what students should know and be able to do. It should align to the desired learning outcomes of the curriculum.

 Nationally Normed Assessment	6.5	<p>1) St. Aloysius requires its sponsored schools to identify and utilize at least one nationally normed, ODE approved standardized testing tool. It is mandatory that the assessment be administered a minimum of twice per year and the administration should be identified on the school calendar. Which Nationally Normed Assessment will be used? Discuss rationale for assessment selection and the relationship to Student Growth Measures (OTES and OPES). Nationally normed assessment data and a comprehensive written analysis will be due to the sponsor by June 30th of each year.</p>
---	-----	---

The School utilizes NWEA/MAP Assessment for reading, math and science. NWEA/MAP is nationally normed and aligned with state standards to measure student performance. This test is administered a minimum of twice per school year and testing windows are identified on attached school calendar.

This assessment is required by the state of Ohio for Drop Out Prevention and Recovery schools, and the Fall and Spring Testing windows are prescribed by the state.

NWEA/MAP is used to establish baseline data, identify students' strengths and needs and compare student's academic progress. NWEA/MAP will enable educators make data-driven decisions. It will also be a strong source of data for the CSLT to be able to parse growth in aggregate, per child, and per classroom.

 Ohio's State Assessments	6.5	<p>2) All required state assessments must be included in the school's assessment blueprint and calendar. Confirm use of specific state tests, how the data will be collected and distributed to Board of Directors, staff, students, parents, and how the results will impact professional development and Ohio Improvement Process (OIP) goals and strategies. These may include required grade level state assessments, End of Course Exams, Industry Credentialing, ACT/SAT, WorkKeys, OELPA, and Kindergarten Readiness Assessment.</p>
---	-----	--

Invictus High School will be administering all of Ohio's required state assessments including NWEA and End-of-Course Exams in English/Language Arts, Math, science and social studies. Information from yearly summative data assessments (Ohio's State Assessments and NWEA assessments), while not locally developed, drives our school's development of local student learning outcomes and the school's improvement plan. End of Course tests will be given in all subject areas to the appropriate students. Teacher Based Teams will examine student data and recommend eligibility to test for each child during each assessment window. The Directors will assess the timing of overall testing windows determined by the Ohio Department of Education, and choose a local testing window within those confines that best fits our school calendar to achieve maximum testing potential. Staff received proper training of how to administer tests and test security. All testing dates are on the school calendar (see attachment). The School will use Value-Added and locally determined measures in order to calculate Student Growth Measures.

The school will also offer Industry Credentialing Exams in Business, Health Care, and Law and Public Safety in testing windows that offer students a pathway to either the December or June each school year. Students will also be offered the ability to take the ACT Workkey assessment at least twice per school year. Both options will allow students to achieve the prerequisite skills for graduation and their chosen career path. The timing of these assessments will be determined by each students ILP.

ESL students will be offered the OELPA assessment which will be administered by an outsourced provider (Partners for School and Innovation). Data from all assessments will be provided to the board within 30 days of the school receiving the results through monthly State of School reports given by the school Director's. Using this information the Directors will work with the Board of Directors to make modifications to the schools OIP goals that will impact the schools grade on the Ohio DOPR report card.

 Local Assessments	6.5	3) Identify any local assessments that will be used. Discuss rationale for test selection, purpose, and the timelines for implementation.
<p>Invictus High School uses a variety of formative assessments during instruction to adjust instructional practices and maximize individual students' learning. Once formative assessments are conducted and analyzed, educators use the data collected to determine students' skill level, their concept mastery, and their progress toward curriculum goals. Teachers can then adapt their teaching methods to deliver meaningful instruction that will meet the students' needs.</p> <p>Types of formative assessments used include observations during in-class activities, reflections in journals that are reviewed periodically during the semester, question and answer sessions, both formal and informal, conferences between the instructor and student at various points in the semester, in-class activities where students informally present their results, and student feedback collected by periodically answering specific question about the instruction and their self-evaluation of performance and progress. Each content teacher documents the results of these formative assessments in the shared drive, allowing the rest of the staff to familiarize themselves with formative student data across the curriculum. This sharing of information benefits both the teachers and the student by creating a sense of community and shared responsibility for student learning.</p> <p>Invictus High School also uses summative data assessments to produce valuable information that is used to make curriculum decisions, direct future instruction, and improve instructional practices. Summative assessment data that is collected at the end of a chapter, unit, or course is obtained through tests, projects, term papers, and student portfolios. The data collected from these types of summative assessments is used to guide our efforts in developing alternative assessments, differentiating instruction, and providing additional academic support in the areas in which students show weakness.</p>		
 Formative Assessments		4) Describe the process for developing formative assessments, sharing data across grade levels and with students and parents, and how results will impact instructional strategies, practices, materials selection and professional development.

Types of formative assessments used include observations during in-class activities, reflections in journals that are reviewed periodically during the semester, question and answer sessions, both formal and informal, conferences between the instructor and student at various points in the semester, in-class activities where students informally present their results, and student feedback collected by periodically answering specific question about the instruction and their self-evaluation of performance and progress. Each content teacher documents the results of these formative assessments in the shared drive, allowing the rest of the staff to familiarize themselves with formative student data across the curriculum. This sharing of information benefits both the teachers and the student by creating a sense of community and shared responsibility for student learning.

 Non-Academic Measures	6.5	5) Describe non-academic measures such as parent and student satisfaction surveys, student interest surveys, etc. that might inform school practices and program effectiveness.
<p>Invictus High will provide both student, staff, and parent school satisfaction survey's semi annually through an online SurveyMonkey tool and paper survey's that will be mailed home. The Directors will provide the information from these survey's to the board of directors to make modications to programing, facalities, safety, and school operations.</p> <p>The school also administers a student needs assessment via our family advocate to incoming students to assess their needs and to enable facilitation of connections to the wrap-around support model.</p> <p>In addition, the school administers several career and post-secondary assessments to measure student interest and aptitude for various careers, credentials, and post-secondary institutions. This will facilitate connection of each student to tools and resources which will enable them to learn more powerfully and connect their learning to the real world.</p>

---	------------	---

The school will create a safe, technology rich environment that provides authentic learning opportunities for all students. To accomplish our mission, our budget priorities are staffing, facilities, and technology. The school will employ 100% Highly Qualified teaching staff at ratios that meet or exceed

the requirements set by both ODE and the management agreement. Root Cause Analysis by the Community School Leadership team determined that lower pay as compared to local districts, and the stresses associated with working with traumatized children have led to greater turnover, and a less experienced staff than is ideal. The CSLT has worked to realign budget priorities to move toward a more competitive wage scale, and as a result, greater retention and experience on our staff. Throughout the school year, instructional staff will be engaged in High Quality Professional Development activities focused around our instructional methods, formative and summative assessment, and response to intervention.

The school's equity plan will drive the recruitment and retention of high quality experienced educators who are fully licensed in their field and have experience with a high need population of students.

 Student/Teacher Ratios	8.1	4) State the student/teacher ratios for the school. <i>Ratios can be no more than 29 students to 1 teacher (29:1).</i>

Current professional development and staffing budgets have the necessary resources allocated to ensure school leadership can hire and train a high quality staff. The 5-year forecast projects increased staffing and professional development allocations as enrollment increases.

Invictus High School/Dohn School 22+ Program

Program Overview

Invictus High School serves its mission to educate, support, and empower students in the state of Ohio. Although we serve as an educational institution and education is our first and primary focus, our efforts to support and empower students include the provision of as many external supports as possible to help our students succeed both outside of the classroom as well as in the classroom. Commonly called *wraparound* supports in the educational and mental health services, these efforts focus on removing barriers to success that may exist in our students' home lives.

In providing student and family services, Invictus High School faculty and staff identified that many of our promise to be among the first high school graduates in their families, with older siblings and parents who have not earned their high school diplomas. We believe that education provides opportunities for individuals and families to access opportunities for social and economic advancement that may not have been previously accessible. As a part of our effort to provide holistic supports to our students aged 16-21, we determined that further support for these students and their families existed in meeting the educational needs for all members of our community. A program serving students aged 22 and up would allow us to meet this need, as well as service former students who had stalled or dropped out who wish to return to Invictus High School but were previously unable to do so due to our age restrictions.

In collaboration with the Dohn School of Cincinnati, Invictus High School formed a 22+ program for adult learners. Guided by the Dohn School, with their expertise in adult high school education, Invictus offers a program for learners over 22 years of age that offers online instruction and academic supports, OGT testing, workforce support, credit recovery, and which culminates in the student earning a high school diploma from Invictus High School.

Program Admission

Students wishing to participate in the Invictus High School 22+ Adult Learning Program must coordinate with an enrollment specialist on campus. The application process may be completed in person or online. Students must provide proof of identity, proof of residency, and any transcripts from former educational institutions. Students are then assessed in reading and math, and any former work history is also collected and shared with Dohn.

Academic Instruction and Support

Students who have completed the enrollment process are admitted into the 22+ program. Enrollment documents are shared with Dohn's central office, where their instructors assess and create a credit recovery plan. The student's plan of study is based upon the graduation requirements from the year that the student initially entered high school as a first time high school student. A Dohn instructor contacts and coordinates all academic instruction with the student. Instruction is offered online with the support of the Dohn School instructor. Students

receive study guides and academic support from Dohn instructors and do not receive any educational instructor in any of the Invictus High School buildings. Because instruction is online, students of the Adult Education Program are entirely separated from Invictus High School's 16-21 year old high school students in both location and instruction.

Students must progress through their digital plan of study with assistance from Dohn Instructors, and upon completion of their plan of study are submitted to Invictus High School for OGT testing services.

Testing Services

Invictus High School is responsible for offering on-site testing services when students have completed their plan of study. OGT tests are administered and proctored by Invictus High School faculty and staff in a session that is pre-scheduled and separate from Invictus High School 16-21 students.

Ed Plan/Process for Awarding Credits to Students

As prior transcripts are received, they are reviewed by the Dohn School's 22+ administrative team and compared to the 22+ graduation standards chart from ODE. Credits are awarded based on the transcripts. In addition, life, work, and other training experiences are discussed with the student. If applicable and necessary for program completion. These experiences are documented through certifications, supervisor verification, affirmations, and other detailed documents. The Dohn School's program guidance counselor reviews all materials upon enrollment, entry into the 22+ database, and a third time as a graduation review.

Student credits are earned through an independent process of demonstrating competency for each subject requirement. Teachers meet individually with students to review their course/success plan. Each course content package is presented and reviewed in detail with the students before an end of course exam can be administered. Exams are proctored under standard procedures protecting academic integrity. Students receiving at least a 70% receive the designated credit for the course.

This credit-awarding process was approved by ODE and submitted as a part of the Dohn School's FY20 22+ provider application.

Graduation

Students who have completed their plan of study and OGT testing have met the requirements for graduation based upon the year that the student initially entered high school as a first time high school student. These students graduate from Invictus High School with an Invictus High School Diploma.

Enrollment and Participation

Beginning with our first enrollee in October of 2019, Invictus High School has 4 students currently enrolled in the 22+ Adult Education Program, with an additional 4 students in the application and admission process as of 26 February, 2020.

Our first graduate completed their high school journey in January 2020.

Introduction

Invictus High School's 22+ Program Team recognizes and strives to meet the individual needs of each learner through programs which promote personal development, cooperation, and vision. This expanded view of our program will result in well-educated, productive and socially responsible citizens. With that said, we believe our program should reflect the desires and expectations held by our learners and our offering must provide an environment that ensures the safety and well-being of students. For this reason, it is important that our program provides a formalized code of conduct.

Obscene Language, Gesture, and Content

Students must not use vulgar, obscene, abusive, or demeaning language, writing, pictures, signs, or acts in written or oral communications, including email, discussion board, student websites, or in photographs. Students are prohibited from posting content from or links to suggestive, lewd, or otherwise inappropriate websites.

Harassment and Bullying

Our program has a zero tolerance policy towards intimidation, harassment, bullying, and/or fighting. Intimidation, harassment, bullying, fighting and racial and/or sexual harassment are violent acts against others.

Academic Integrity

Our program does not tolerate academic dishonesty. Cheating (giving or receiving information) and plagiarism on class work will result in the immediate failure of an assignment. At the teacher's discretion, students may have the opportunity to

complete an additional assignment at a later date.

Discipline Methodology

Discipline should be thought of as a learning experience with re-routing behavior as its objective. Behaviors that require disciplinary action will be handled carefully on a case-by-case basis.

Discipline Administration

The most effective discipline is proactive engagement with students. It is a learning process that should be instructor led. Discipline will be used on a case by case basis by the IHS administrative team in accordance with the IHS student handbook policies on suspension, expulsion, and emergency removal of students from school grounds.

Special Education/Modified Testing Plan for Invictus 22+

Special Education Policy

- a. It is a requirement for all programs within the Ohio Department of Education to have a written plan for serving the needs of individuals with a variety of learning needs. This policy or guide will guide or direct the Invictus High School's 22 Plus Program through the development of such a plan with policies and procedures which address how individuals identified with a specific learning need or disability will be serviced. The term "specific learning need" refers to adult students with significant learning challenges or

disabilities whom require modified, adaptable and varied services so that these adult students are able to achieve educational, personal and/or work-related goals.

- b. Individuals must make a request for accommodations in writing and present themselves as an individual with significant learning challenges to be considered for a modified, adaptable and varied learning approach/assistance so that they are given an equal opportunity to meet their potential. The Dohn School and IHS Administrative team will attempt to satisfy a request for reasonable accommodations in order for these adults with learning needs to have an equal access to services. Students must still earn the necessary credits and meet the necessary qualifications needed to pass the core academic courses which are aligned with the state of Ohio standard and must pass the required assessments which are aligned with the Ohio state standard and the ability to obtain a high school diploma.

- d. The students' entrance assessment results are at or below the sixth grade level
- e. The Student enters the program with an Individualized Education Program (IEP)
- f. The Student has a "specific learning need" which is documented and identified/diagnosed as a medical, cognitive or behavioral issue which would hinder the ability to demonstrate competency through traditional credit recovery processes.
- g. Students that do not have a disability diagnosed by a professional, as not all students with special needs have been diagnosed by a qualified, licensed professional will be considered on a case-by-case basis by the Dohn School and IHS Administrative teams.

6. Strategic Post-Diploma Resources Review

F. Dohn Community High School will perform all duties related to 22+ student transcript evaluation, student course planning, student data tracking, Ohio Department of Education data submission, and the Ohio Department of Education mandatory reporting. Invictus will provide in-person student enrollment support, in-person academic

support, and In-Person OGT Proctoring. Both Dohn and Invictus will collaboratively work towards developing post-diploma resources that will help adult learners further their education and career.

G. Invictus High School and Dohn Community High School will enter into a revenue sharing agreement as a method of compensation for Dohn Community High School 22+ Adult Diploma Program consulting and training services. The revenue sharing agreement will only pertain to revenue generated by Invictus High School's 22+ Adult Diploma Program. Any and all revenue generated by Invictus High School that is not related to their 22+ Adult Diploma Program is the sole possession of Invictus High School and will not be subject to the terms and conditions of this agreement. Conversely, Invictus High School will be obligated to share 50% of the gross revenue generated by their 22+ program each month for services starting September, 1st 2019 and concluding June, 30th 2020. Dohn Community High School reserves the right to collect their revenue sharing percentage on services rendered within the agreed-upon time period set forth in this document, even when funding for those services is issued after the end date stated in the agreement. Compensation for those services will be subject to the terms agreed upon at the delivery of the service. Please see the example scenario below for details:

1. If Invictus High School's 22+ Adult Diploma Program theoretically generates \$14,000 in gross monthly revenue from September 1st, 2019 until September 30th, 2019, Dohn Community School will receive 50% of the gross revenue for the month of September. Invictus High School would be obligated to compensate Dohn Community High School \$7,000 in this theoretical example. This would continue on a monthly basis, based on the gross monthly revenue generated for that particular month for all months between September 1st, 2019 and June 30th, 2020. If state funding is exhausted or the \$5,000 per fiscal year, per student invoice threshold is exceeded before Dohn can be fully compensated for their services rendered between September 1st, 2019 and June 30th, 2020, compensation will be issued at the agreed-upon level when it becomes available, even if it exceeds the end date of this agreement.

G. Dohn Community High School will have full access to detailed student course invoice information and student course payment records related to Invictus High School's 22+ Adult Diploma Program. A summary of all ODE payments received by Invictus High School's 22+ Adult Diploma Program will be emailed to the leadership and board before the last school day of each month by Dohn Community High School.

H. When Dohn Community High School is entitled to receive payment according to the terms set forth in this agreement, Invictus High School will be given an invoice and brief summary regarding the invoice amount. The invoice shall be paid in full to Dohn Community School within 15 school days of reception.

The terms and conditions in this agreement will be honored by both Dohn Community School and Invictus High School from September 1st, 2019 and June 30th, 2020. This agreement cannot be modified in any way without the written consent of a qualified representative from Dohn Community School and Invictus High School. Furthermore, Dohn and Invictus's relationship will be inclusive during the duration of the agreement. Dohn will not partner with any other 22+ providers in the Cleveland or Akron, Ohio area while this agreement is active. By signing this agreement, the qualified representative from Dohn Community School and Invictus High School acknowledges that they have fully read and understand the terms and conditions set forth in this agreement.

- I. Dohn Community High School shall indemnify and hold harmless Invictus High School and its directors, officers, employees, agents, board members, affiliates, subcontractors and students, from and against all allegations, claims, actions, suits, demands, damages, liabilities, obligations, losses, settlements, judgments, costs and expenses (including without limitation attorneys' fees and costs) which arise out of, relate to or result from any act or omission of Dohn Community High School's consulting and management of Invictus High School's 22+ Adult Diploma Program.

Invictus High School Prevention and Intervention Policy

2017-2018

Invictus High School utilizes the Response to Intervention process to identify students who are not making adequate progress. The Response to Intervention process divides students into 3 tiers based on their academic progress and data collected from universal screeners. Invictus High School uses the NWEA and Curriculum Based Diagnostic Assessments the main methods of conducting universal screening. Students are administered the NWEA test upon enrollment and twice per school year. Students are administered a Curriculum Based Diagnostic Assessment prior to starting each new class.

Most students will fall into the primary prevention tier that involves the delivery of high quality instruction that meets their needs. However, if a student is not making adequate progress in the general education curriculum they can be placed in tier 2 or 3 in which they would receive more intensive services. Students who fall into tier 2 or 3 will receive pull out interventions in their area of weakness, in addition to specifically designed test preparation courses focused around the Ohio State Tests. Students who do not achieve the minimum passing score on the Ohio State Tests (End-of course exams) are immediately placed into tier 2 or tier 3 in their area of need.

After being placed in the Response to Intervention process, teachers will then systematically assess student academic progress using a system of classroom based performance assessments and short cycle assessments to determine the responsiveness to supplemental intervention. Students not making adequate progress with supplemental interventions are placed into tier 3 which involves the delivery of individualized interventions for extended periods of time during the school day. Students who fail to make progress after undergoing all three steps of this process are then placed into the Intervention Assistance Team process in which testing for special education services may take place.

Our three tier intervention system represents a continuum of instructional supports. It provides for the early identification of learning and behavioral challenges and timely intervention for students who are at-risk for learning problems and have difficulty passing the Ohio State Tests or making adequate growth on the NWEA assessment.
