Demographics

Countries of Birth

KCIA students come from 31 countries. Currently 16% of our students are immigrants or refugees. Refugee students may belong to a nationality that is not the same as his/her birth country. Refugee families are often forced to flee their countries of nationality to the safety of a nearby refugee camp or evacuation point. Many of our students are born in refugee camps before arriving in the United States. For example, a student may have been born in Slovakia but his/her nationality is Somali.
