ADA ADM Report – September 2023**

Please note that the student count number includes all students who attended AFIA at any time during the 23-24 school year. This number also includes students who ended the year at AFIA in May 2023, but did not return in August 2023. For state reporting purposes, these students must remain in our SIS after they are withdrawn and will appear in this report during the 23-24 school year.

ADM: Average Daily Membership

ADA: Average Daily Attendance

WADA: Weighted Average Daily Attendance

Currently, AFIA does not have data in the Weighted Average Daily Attendance (WADA) Report available in the School Finance Section Reports on DESE's website. I anticipate that this should be updated soon.
