Our History

Joe Joe's Catering started in 1997 in a small Italian deli at 42nd and Main Street in Kansas City, and has now grown into our current state. Every year we grew little by little and started catering different schools/businesses. In 2006, we acquired the Westport Flea Market and our footprint grew even more in Kansas City. We started catering several charter schools in 1998. As of today, we currently cater 17 charter schools, over 20 sites with over 10,000 meals prepped for KC kids per day. We take great pride in our mission and that's reflected in our employees and our service capability.

Our motto is

“We’re only as good as our last sandwich”

Which keeps us on point and focused.

Our attitude of working for each school for their success is the reason why we’ve had schools with us 8 to 12 years.

Our HEART is in Kansas City!

We were founded in KC, 27 years ago and have a 2nd generation of family that will continue to build Joe Joe's Catering into Kansas City's School food service leaders.

Our team members average over 18 years working for us! This kind of loyalty to serving Kansas City kids ensures that you get treated like family. This type of commitment has enabled us to provide a consistent service to our schools over the past 25 years.

Pictured on the left

Our Chef Kurt 12 years, started as a captain at one of our schools and now is our head chef.

Barbara has worked for us for 34 years and is our "Mom" to many of our employees.

Marlon has worked for us for 26 years and always has a smile on every day.

When you feed Kansas City kids of course they love theme days like “KC Chiefs Burgers” (1st PIC)

Our homemade enchiladas are always a hit like any of our Mexican dishes. Omar and Judy have worked for us for 27 years and they have used family recipes for all our Mexican dishes. (2nd Pic)

Our Joe Joe’s famous chicken parmigiano featured on our (3rd pic) has our secret tomato sauce from southern Italy with fresh pasta and is served with chicken breast dusted in breadcrumbs with a Caesar salad.

KCIA has kids from over 27 countries! We can make sure that they get something that they like and even will do special days to showcase different parts of the world where the KCIA kids are from.

We will bring the “Burger Car” over for field days or outside events!
