**INDEPENDENT AUDITOR'S REPORT**

To the Members of the Board of Directors  
Scuola Vita Nuova

**Report on the Audit of Financial Statements**

**Opinion**

We have audited the modified cash-basis financial statements of Scuola Vita Nuova (a nonprofit organization) (School), which comprise the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis as of June 30, 2022, and the related statements of Support, Revenue, Reclassifications, Expenses and Changes in Net Assets, Functional Expenses and Cash Flows – Modified Cash Basis for the year then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Scuola Vita Nuova as of June 30, 2022, and the respective changes in support, revenue, expenses and net assets and cash flows for the year then ended in accordance with the modified cash basis of accounting described in Note B.

**Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Emphasis of Matter - Basis of Accounting**

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information: Statement of Assets, Liabilities and Fund Balances – Modified Cash Basis – Governmental Funds, Statement of Revenues, Expenditures and Changes in Fund Balances – Modified Cash Basis – Governmental Funds, Schedule of Revenues Collected by Source – Modified Cash Basis – Governmental Funds, Comparison of Revenues by Source – Modified Cash Basis, Schedule of Expenditures Paid by Object – Modified Cash Basis and Selected Trends and the accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole on the basis of accounting described in Note B.

## Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 30, 2022, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control over financial reporting and compliance.

**NOTE A - BUSINESS ACTIVITY**

Scuola Vita Nuova is a not-for-profit public benefit corporation organized on March 8, 1999, under Chapter 355, RSMo and is governed by Senate Bill No. 781 of the 89<sup>th</sup> General Assembly of the Missouri legislature. The corporation operates a charter school, which is sponsored by the University of Central Missouri. The School is exempt from most Missouri laws and statutes governing educational institutions. The aforementioned Senate Bill No. 781 governs it. The School's charter allows for the provision of education for students in kindergarten through eighth grade.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting: The financial statements are presented on the modified cash basis of accounting. This basis recognizes assets, liabilities, revenue, and support, and expenses when they result from cash transactions with a provision for recording property and equipment, depreciation and related debt. This basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Cash: For the purpose of the statement of cash flows, the School considers all unrestricted highly-liquid investments with an initial maturity of three months or less to be cash equivalents.

Property and Equipment: All property and equipment are valued at historical cost. A capitalization threshold of \$1,000 is used to report capital assets. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. The range of useful lives by type of asset is as follows:

Building and improvements	40 years
Equipment	5-7 years
Other miscellaneous items	15-20 years

Restricted and Without Donor Restriction Revenue and Support: The School reports gifts of cash and other assets as without donor restrictions or with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions.

Donor-restricted support is reported as an increase in net assets with donor restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of support, revenue, expenses and changes in net assets – modified cash basis as net assets released from restrictions. When contributions are received in the same period that the corresponding restrictions are met, such amounts are shown as increases in net assets without donor restrictions on the statement of support, revenue, expenses and changes in net assets – modified cash basis.

Estimates: The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Tax Exempt Status: Scuola Vita Nuova is exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code and comparable state law as charitable organizations where by only unrelated business income, as defined by Section 509(a)(2) of the Code is subject to federal income tax. The School currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded. The School has adopted provisions of FASB standard on Accounting for Uncertainty in Income Taxes (ASC 740-10-25). The School does not believe there are any material uncertain tax provisions and accordingly, they will not recognize any liability for unrecorded tax benefits. For the year ended June 30, 2022, there were no interest or penalties recorded in the financial statements.

Scuola Vita Nuova's Forms 990, *Return of Organization Exempt from Income Tax*, for the years ending June 30, 2021, 2020 and 2019 are subject to examination by the IRS, generally for three years after they were filed.

**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2022**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (concluded)**

Sick and Personal Leave: Personal days and sick leave are considered as expenditures in the year paid. Employees are allowed ten sick days and two personal days per year. Twelve month employees also receive ten vacation days. Unused vacation and sick days have no cash value and will be forfeited and not paid upon an employee's termination of employment.

Functional Allocation of Expenses: Expenses consist of costs related to Organization activities and administrative functions. These costs have been summarized on a functional basis in the statements of activities without donor restrictions. Costs are directly charged to the functions they benefit.

Subsequent Events: Management has evaluated subsequent events through December 30, 2022, the date the financial statements were available to be issued.

**NOTE C - CASH AND CASH EQUIVALENTS**

At June 30, 2022, the bank balances of the School deposits totaled \$4,590,010, all of which was covered by FDIC insurance.

**NOTE D - INSURANCE**

The School is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; injuries to employees; and natural disasters. The School maintains commercial insurance to protect itself from such risks.

**NOTE E - RETIREMENT PLAN**

The School contributes to The Public School Retirement System of the School District of Kansas City, Missouri, a cost-sharing multiple-employer defined benefit pension plan. Participation is mandatory for employees of the Kansas City, Missouri Public School District, the Kansas City Public Library, the charter schools within the boundaries of the Kansas City, Missouri School District, and the Retirement System. The Retirement System provides service and disability retirement benefits to full-time employees and optional benefits to members' beneficiaries. Positions covered by The Retirement System are also covered by Social Security. The Retirement System is administered by a twelve-member Board of Trustees. The Retirement System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: The Public School Retirement System of the School District of Kansas City, Missouri, 3100 Broadway Street, Suite 1211, Kansas City, Missouri, 64111, or by calling 1-816-472-5800.

Effective January 1, 2016, employees were required to contribute 9.0% of their annual covered salary. Employers also make contributions to the plan. Effective January 1, 2020, the employer contribution rate increased from 10.5% to 12.0%. The contribution requirements of members and the School are established, and may be amended, by the Board of Trustees. The School's required contributions to the Retirement System for the year ended June 30, 2022, were \$311,606.

**NOTE I - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The School strives to maintain liquid financial assets sufficient to cover general expenditures and maintain financial stability.

The following table reflects the School's financial assets as of June 30, 2022, reduced by amounts not available to meet general expenditures within one year of the statement of assets, liabilities and net assets – modified cash basis date because of donor restrictions.

Cash and cash equivalents	<u>\$ 4,569,209</u>
---------------------------	---------------------

**NOTE J - CONTINGENCIES**

The School is not involved in any pending litigation as of the audit report date.

The continued operation of Scuola Vita Nuova is dependent upon the guidelines set forth by RSMo, Department of Elementary and Secondary Education, and the continued support of the School's sponsor. The School may cease to exist upon infringement of the aforementioned agreements.

**INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'S ASSERTIONS  
ABOUT COMPLIANCE WITH SPECIFIED REQUIREMENTS OF  
MISSOURI STATE LAWS AND REGULATIONS**

To the Members of the Board of Directors  
Scuola Vita Nuova

**Report on Compliance with State Requirements**

We have examined management's assertions that Scuola Vita Nuova ("School") complied with the requirements of Missouri laws and regulations regarding budgetary and disbursement procedures; accurate disclosure by the School's records of pupil attendance and other statutory requirements as listed in the Schedule of Selected Statistics for the year ended June 30, 2022.

**Management's Responsibility**

Management is responsible for the School's compliance with the aforementioned requirements.

**Auditor's Responsibility**

Our responsibility is to express an opinion on management's assertions about the School's compliance based on our examination. Our examination was made in accordance with the attestation standards established by the American Institute of Certified Public Accountants and, accordingly, includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our opinion does not provide a legal determination on the School's compliance with specified requirements.

**Opinion on Compliance with State Requirements**

In our opinion, management's assertions that Scuola Vita Nuova complied with the aforementioned requirements for the year ended June 30, 2022, are fairly stated, in all material respects.

This report is intended solely for the information and use of the Governing Board, administration, University of Central Missouri and the Missouri Department of Elementary and Secondary Education and other audit agencies and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER  
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS  
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Members of the Board of Directors  
Scuola Vita Nuova

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Scuola Vita Nuova School (a nonprofit organization) (School), which comprise the Statement of Assets, Liabilities and Net Assets – Modified Cash Basis as of June 30, 2022, and the related Statements of Support, Revenue, Expenses and Changes in Net Assets, Functional Expenses and Cash Flows – Modified Cash Basis for the year then ended and the related notes to the financial statements, and have issued our report thereon dated December 30, 2022. Our report on the basic financial statements disclosed that, as described in Note B to the financial statements, the School prepares its financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted by the United States of America.

***Report on Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charge with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

***Report on Compliance and Other Matters***

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR  
FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE  
REQUIRED BY THE UNIFORM GUIDANCE**

To the Members of the Board of Directors  
Scuola Vita Nuova

**Report on Compliance for Each Major Federal Program**

**Opinion on Each Major Federal Program**

We have audited Scuola Vita Nuova (School) compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2022. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the School complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

**Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the School and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the School's federal programs.

## **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the School's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the School's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the School's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the School's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control Over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**FOR THE YEAR ENDED JUNE 30, 2022**

---

NOTE 1 – BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal award activity of Scuola Vita Nuova under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Scuola Vita Nuova, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Scuola Vita Nuova.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified cash basis of accounting. Such expenditures are recognized following the cost principles contained in Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 – INDIRECT COST RATE

The School has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 4 - RELATIONSHIP TO ACCOMPANYING FINANCIAL STATEMENTS

Federal awards are reported in the School’s accompanying financial statements as follows:

Federal Sources	
General Fund	\$ 1,612,685.15
Special Revenue Fund	-
Total	<u>\$ 1,612,685.15</u>

NOTE 5 – RELATIONSHIP TO FEDERAL FINANCIAL REPORTS

Amounts reported in the accompanying schedule agree with the amounts reported in the related federal financial reports.

NOTE 6 –MATCHING REVENUES

For those funds that have matching revenues and state funding, federal expenditures were determined by deducting matching revenues from total expenditures.

NOTE 7 – SUBRECIPIENTS

The School provided no federal awards to subrecipients during the year ended June 30, 2022.

NOTE 8 – PERSONAL PROTECTIVE EQUIPMENT (UNAUDITED)

The School was not provided any donated personal protective equipment during the year ended June 30, 2022.
