University Academy is now participating in the [SchoolAppKC](#) application process along with several other charter and private schools in Kansas City. University Academy believes that all schools working together in a joint-effort to support families is the very best way to ensure quality education is attained for all children.

The application can be completed electronically from a smart device, phone or computer, and quickly. To apply, click the Apply Now button below.

Important Dates for the 2021-22 application season:

- November 14, 2020- application opens
- February 22, 2021- application deadline to be included in lottery
- March 1, 2021- offer or wait list notification sent to families
