Dear Sir or Madam,

This is a request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri.

We request that you make available to us all records that have the attached terms (see attached document “MO Prosper list of terms”), including any abbreviation, nicknames, misspellings, or shortened version of those terms for the calendar years 2015-present. This includes records that relate to all documents in their original format and undoctored, electronic or tangible, including but not limited to: emails, memorandums, notes, pamphlets, videos, audio recordings, text messages, social media posts, and any third party messaging application on phone or computer, from all district school board members, administrators, custodian of records, persons employed through the school counseling, psychology, psychiatry office, hired consultants, hired contractors, and any person that has assisted in the development of curriculum and lesson plans for schools within the recipient school district mentioned above.

We request that all fees for locating and copying the records be waived. The information obtained through this request is in the interest of the public. It is information that has not been made readily transparent between the school district and its community.

If portions of the requested records are closed as a result of a personnel matter, please segregate the closed portions and provide me with the rest of the records.

Sincerely,

/s/Jessica Clark
/s/Ashley H. Lawson
/s/Sudhir Rathod
