# Family Engagement Goal Statement

(from AFIA Goals & Objectives Strategic Plan)

Partner with families in meeting the needs of the whole child and ensure that families feel heard and valued in the school community.

# Family Engagement: Board Policy Objectives

- Over 80% of AFIA families will participate in family teacher conferences\*
  - held in October and February
- Scores on the parent satisfaction survey will average a 4 out of 5-point Likert scale\*
  - Measurement Tool: Advanced Questionnaire survey
- AFIA will solicit and analyze family feedback and utilize this data in creating policy and informing decisions related to academics and school climate.
- AFIA is participating in the Equity in Schools cohort with Beloved Community. As a part of this, we will conduct an Equity Audit of our entire campus and develop a multi-year Equity Work Plan. We will potentially add policy objectives based on this work.

\*These goals are based on the performance contract
