

The screenshot shows a web browser window with the URL atlaspublic.org/apps/pages/index.jsp?uREC_ID=1773393&type=d&pREC_ID=2093739. The website header features the ATLAS PUBLIC SCHOOLS logo on the left and navigation links: ABOUT, OUR APPROACH, TEAM, FAMILIES, APPLY, GET INVOLVED, and CONTACT. Social media icons for Facebook and Instagram are on the right. The main content area is titled "Enrollment Process" and includes the following text:

Admissions » Enrollment Process

Enrollment Process

Thank you for considering Atlas Elementary for your child! Atlas is a new tuition-free public charter school opening in the fall of 2021 for curious, creative, and compassionate kids. We instill a love of learning while empowering our kids to build a healthy future for themselves, our community, and the world.

Atlas is growing smart! We will initially serve only kindergarten and first grade students, allowing us to form a close-knit community and ensure that every child gets the personalized education they deserve. Atlas will add one grade each year until we are a K-5 elementary school.

We welcome you and want to make sure that you have all the information you need as you navigate choosing the best school for your child. See below for more information about our application process.

STEP 1: Apply

Atlas is a public charter school, free and open to all students living in the City of St. Louis.

Apply Now: <https://atlaspublic.schoolmint.net/signin>

STEP 2: Lottery

If Atlas receives more applications than there are seats available for any given grade level, we will hold a lottery as required by law. If we do not receive enough applications for a lottery, then applicants will automatically be offered a seat into Atlas on the date the lottery was scheduled to take place. Applicants will be notified of their status via text and email.

Click [HERE](#) for more information on Atlas' Enrollment and Lottery Policy.

STEP 3: Registration Packet

Once you have accepted your seat at Atlas, you can continue the enrollment process by completing Atlas' Enrollment Form. This online form requests information concerning emergency contacts, health information, and more. You can fill the form out on a phone, tablet, or laptop.
