INDEPENDENT AUDITOR'S REPORT

The Governing Board
Lee A. Tolbert Community Academy
Kansas City, Missouri

Opinion

We have audited the accompanying financial statements of Lee A. Tolbert Community Academy, Inc (a nonprofit organization), which comprise the statement of assets, liabilities and net assets, as of June 30, 2022, and the related statements of support, revenue and expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lee A. Tolbert Community Academy as of June 30, 2022 and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are required to be independent of Lee A. Tolbert Community Academy, and meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lee A. Tolbert Academy Community Academy's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement which results from fraud is higher than for one which results from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are

considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism through the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence about the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lee A. Tolbert Community Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lee A. Tolbert Community Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance about, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Other information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirement, Cost Principles, and Audit Requirement for Federal Awards*, (Uniform Guidance) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management, and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information was subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2022, on our consideration of Lee A. Tolbert Community Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing on internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part audit performed in accordance with *Government Auditing Standards* in Considering Lee A. Tolbert Community Academy's internal control over financial reporting and compliance.

Notes to Financial Statements

June 30, 2022

NOTE 1 - ORGANIZATION AND NATURE OF ACTIVITIES

Lee A. Tolbert Community Academy is operated as a division of Tolbert Educational Services (TES), a not-for-profit Corporation, which operates to provide services to at-risk inner city youth of Kansas City, Missouri. The School is governed by Missouri Revised Statutes Chapter 160, and is sponsored by the University of Missouri. The School is exempt from most Missouri laws and statutes which govern educational institutions.

The School's charter provides for the education of low income, disadvantage, at-risk students in Kindergarten through 8th grade.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements were prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial Statement Presentation: The financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) No 958. Under ASC 958, the School is required to report information regarding its financial position and activities according to two classes on net assets: net assets without donor restrictions and net assets with donor restrictions. In addition, the School is required to present a statement of cash flows.

Capital Assets: All property and equipment are valued at historical cost. A capitalization threshold of \$5,000 is used to report capital assets. Depreciation is provided over the assets estimated useful lives by use of the straight-line method of depreciation. The range of useful lives by type of assets is as follows:

Building Improvements	20 years
Equipment	5-7 years

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes: Tolbert Educational Services, the operator, is exempt from Federal Income Tax under 501(c)(3) of the Internal Revenue Code (IRC) and is classified as an organization that is not a private foundation under IRC Section 509(a) (2).

Cash and Cash Equivalents: For the purpose of cash flows, the School considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents unless there is a restriction on the School's use of the cash.

NOTE 3 - CASH AND CASH EQUIVALENTS

At June 30, 2022, the bank balances and cash equivalents of the School totaled \$3,114,087. The bank deposit funds are above the FDIC insurance limit of \$250,000.

NOTE 4 - SUBSEQUENT EVENTS

Subsequent events were evaluated through December 13, 2022 which is the date the financial statements were available to be issued. On March 11, 2020, the World Health Organization declared the COVID-19 virus outbreak a world-wide pandemic. Because of the COVID-19 pandemic, businesses within the entire State of Missouri were subject to a stay at home order. Management is closely monitoring the situation and the impact on its operations. The ultimate effect on the school's financial statements is not currently determinable.

NOTE 5 - RETIREMENT PLAN

The School contributes to the Public School Retirement System of the School District of Kansas City, Missouri a cost-sharing multiple - employer defined pension plan. Participation is mandatory for employees of the Kansas City, Missouri Public School District, the Kansas City Public Library, and the Public School Retirement System. The Retirement System is administered by a twelve-member Board of Trustees. The Retirement System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: The Public School Retirement System of the School District of Kansas City, Missouri, 3100 Broadway St. Suite 1211, Kansas City, Missouri, 6411 or by calling 1-816-472-5800.

The Retirement System members are required to contribute 8.5% of their annual-covered salary, and the School is required to contribute a matching amount. The contribution requirements of members and the School are established, and may be amended, by the Board of Trustees. During the fiscal year ended June 30, 2022, the School remitted all payments in a timely manner.

NOTE 6 - OCCUPANCY LEASE

The School entered into a lease for office space during 2004, with an original term of five years, and two five-year extensions. The lease is cancellable by giving the lessor 180 day written notice to cancel. The lease is for approximately 95,400 square feet of classroom and office space. Future minimum rental commitments under this operating lease for the years ended June 30 are as follows:

2023	\$667,035
2024	\$667,035
2025	\$667,035
2026	\$667,035
2027	\$667,035

Lease expenses for the year ended June 30, 2022 approximated \$ 642,514.

NOTE 7 - UNCERTAIN TAX POSITIONS

Financial accounting standards govern how uncertain tax positions should be recognized, measured, presented, and disclosed in financial statements. These standards require the evaluation of tax positions taken or expected to be taken in the course of preparing an entity's tax returns to determine whether the tax positions are 'more-likely-than-not' to be sustained by the applicable tax authority. Tax benefits of positions not deemed to meet the more-likely-than-not threshold would not be recognized in the financial statements of the current year.

The Federal Income Tax Form 990 for the years ended June 30, 2022, 2021, 2020 and 2019 are subject to examination by the Internal Revenue Service (IRS) and Missouri Department of Revenue, generally, for three years after they were filed. As of December 13, 2022, no returns were selected for examination by the IRS.

NOTE 8 - RELATED PARTIES

The School leases its classroom and office space from Christ Temple Pentecostal Church One, Inc. d/b/a Victorious Life Church (VLC). Victorious Life Church and Tolbert Educational Services each have separate governing boards. During the year ended June 30, 2022 the School paid \$642,514 in lease and general expenses to VLC.

NOTE 9 - INSURANCE

The School is exposed to various risks of loss related to torts; theft, or damage to, and destruction of assets; injuries to employees; and natural disasters. The Academy maintains commercial insurance to protect the it from such risks.

NOTE 10-LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditures, that is, without donor or other restrictions which limit their use, within one year of the statement of financial position date, are comprised of the following:

	Amount
Cash and cash equivalents	\$3,114,087
Financial assets available for general expenditures in the next 12 months	<u>\$3,114,087</u>

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Governing Board
Lee A. Tolbert Community Academy
Kansas City, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Lee A. Tolbert Community Academy (the Academy) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statement of activities cash flows and notes to the financial statements for the year then ended, and have issued our report thereon dated December 13, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Academy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Academy's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our tests of internal control and compliance, and the results of those tests, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

The Governing Board
Lee A. Tolbert Community Academy
Kansas City, Missouri

Report on Compliance for Each Major Program

We audited Lee A. Tolbert Community Academy's (the Academy) compliance with the types of compliance requirements described in the *OMB Uniform Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2022. The Academy's major federal programs are identified in the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirement of laws, regulations, contracts, and grant applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Academy's major federal programs based on our audit of the type of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to federal audits which are contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the requirements of Title 2 U.S. Code of Federal Regulation Part 200, *Uniform Administrative requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether non-compliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Academy's compliance with those requirements, and performing such other procedures which we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School's compliance.

Opinion on Each Major Federal Program

In our opinion, the Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Report on Internal Control Over Compliance

Management of the Academy is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Academy's internal control over compliance with the types of requirements

that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances to express an opinion on compliance for each major federal program, and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose to express an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Academy's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, non-compliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there are reasonable possibilities that material non-compliance with a type of compliance requirements of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with the type of compliance requirements of federal programs that are less severe than a material weakness in internal control over compliance, yet are important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section, and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our tests of internal control over compliance and the results of those tests based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

**REPORT ON THE ADMINISTRATION'S ASSERTIONS
ABOUT COMPLIANCE WITH SPECIFIED
REQUIREMENTS OF MISSOURI LAWS AND REGULATIONS**

**To the Governing Board
Lee A. Tolbert Community Academy
Kansas City, Missouri**

We have audited the administration's assertions included in its representation letter dated December 13, 2022 that Lee A. Tolbert Community Academy complied with the requirements of Missouri Laws and Regulations about operation of a charter school; accurate disclosure by the School's attendance records of average daily attendance, resident membership on the last Wednesday of September 2021 and the number of students eligible to receive free or reduced lunches on the last Wednesday of January 2022; and accurate disclosure by the School's pupil transportation records of the average students scheduled to be transported, eligible and ineligible for State aid, number of miles eligible and ineligible for State aid and the allowable costs for pupil transportation during the year ended June 30, 2022. As discussed in the representation letter, the administration is responsible for the School's compliance with those requirements. Our responsibility is to express an opinion on the administration's assertions about the School's compliance based on our audit.

Our audit was made in accordance with standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our opinion does not provide a legal determination on the School's compliance with specified requirements.

In our opinion, the administration's assertions that the School complied with the aforementioned requirements for the year ended June 30, 2022 are fairly stated in all material respects.

This report is intended solely for the information and use of the Governing Board, Administration, the University of Missouri and the Missouri Department of Elementary and Secondary Education, and is not intended to be, and should not be, used by anyone other than these specified parties.
