

ABOUT THE DISTRICT

TOLBERT ACADEMY 2022-2023 District Profile

WELCOME TO LEE A TOLBERT ACADEMY

Established in 1999, Lee A. Tolbert Community Academy is a public entrepreneur-themed K-8 charter school in a prospering neighborhood in the greater Kansas City area. LATCA is a tuition-free, preparatory school serving all area families. We are also a public school who offers a safe private school atmosphere, high academic standards, student who wear uniforms, smaller class sizes and individualized attention. New enrollments are limited, so we encourage you to apply early.

Lee A. Tolbert Community Academy offers rigorous learning experiences designed to inspire all students to become successful in college or as aspiring business owners. With approximately 400 students in grades K-8, our model emphasizes business leadership and high behavioral expectations.

OUR GOAL

Our goal is to provide your child with a rigorous educational experience through hands-on, meaningful learning opportunities that will provide them with the skills necessary to be successful academically, socially and emotionally.

OUR CHARTER

Lee A. Tolbert Community Academy is designed to prepare students for entrepreneurial leadership in the 21st century by exposing students to business leadership through 4th-8th grade career fairs, business-themed field trips and our YES class which provides experiences for successful competition in a global society.
