Re: Recognition by Saint Louis University for statewide improvement

I am pleased to share with the BOE, as an FYI item, that our school has been recognized for outstanding growth. (SLU Prime Report and email received are included in your document).

Out of over 1600 schools in Missouri, our school ranked:

- 8<sup>th</sup> in Subgroup Math growth
- 13<sup>th</sup> in overall Math growth
- 15<sup>th</sup> in top ELA Subgroup

We are academically headed in the right direction. Thanks to the BOE for your support.
