Service Vignette

Over the last month or so, the Middle School Special Education Team has been planning a new service delivery model for our 5th, 6th, 7th, and 8th-grade students who need additional support in English Language Arts. Two classes have been created and are scheduled to start on Monday, February 24th. We are very excited to be able to better support our students by providing opportunities that allow them to wrestle with grade-level standards all while meeting their individual needs.
