

5.14 Agriculture or Career and Technical Course Policy

The Governing Board of KC International Academy adopts the following policy effective on that date that the policy is adopted by the Board.

Section 5.14.1 Agriculture or Career and Technical Course Substitution

Section 5.14.1.1 In accordance with applicable laws and regulations, the school shall allow a student to fulfill one unit of academic credit with a school approved agriculture or career and technical education course.

Section 5.14.1.1.2 An agriculture or career and technical education course may be substituted for any communication arts, mathematics, science or social studies unit required for high school graduation in any combination up to fulfilling one requirement in each of the four subject areas.

Section 5.14.1.1.3. The substitute may not be made where the course for which the agriculture or career and technical education course is being substituted requires an end-of- course statewide assessment.
