## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

### **Report on the Financial Statements**

We have audited the accompanying financial statements of KIPP Kansas City ("KIPP KC") (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets-modified cash basis as of June 30, 2021, and the related statements of support, revenue and expenses-modified cash basis, functional expenses-modified cash basis, and cash flows-modified cash basis for the year then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 2. This includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of KIPP Kansas City as of June 30, 2021, and its support, revenue and expenses and its cash flows for the year then ended in accordance with the modified cash basis of accounting as described in Note 2.

**Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

***Other Matters***

***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information as listed in the table of contents from pages 15-20 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The supplementary information and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated September 13, 2021 on our consideration of KIPP Kansas City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the KIPP Kansas City's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KIPP Kansas City's internal control over financial reporting and compliance.

### NOTES TO FINANCIAL STATEMENTS

June 30, 2021

#### NOTE 1: ORGANIZATION

KIPP Kansas City (“KIPP KC”) is a not-for-profit public benefit corporation incorporated as KIPP Kansas City in October 2006 and organized under Chapter 355, RSMo and governed by Senate Bill No. 781 of the 89th General Assembly of the Missouri legislature. KIPP Kansas City is a not-for-profit corporation whose purpose is to operate one or more public charter schools in accordance with the KIPP educational model in the State of Missouri. Official operations of KIPP KC began on May 23, 2007. KIPP KC is exempt from most Missouri laws and statutes governing educational institutions. The aforementioned Senate Bill No. 781 governs it. KIPP KC was sponsored by Metropolitan Community Colleges until July 2013 when University of Missouri - Columbia took over as their sponsor. KIPP KC charter school agreement was renewed with the University of Missouri – Columbia effective July 1, 2017 for five additional school years ending June 30, 2022. Effective July 27, 2021, KIPP KC terminated the agreement with University of Missouri – Columbia and entered into an agreement with the Missouri Charter Public School Commission to transfer the sponsorship effective for the 2021-2022 school year.

KIPP KC’s charter provides for the education of low income, disadvantaged, at-risk students in kindergarten through twelfth grades. During the 2021-2022 school year, KIPP KC added a 9<sup>th</sup> grade level and began providing high school services. Approximately 80-90% of the KIPP KC’s funding is provided from State and Federal funds received from the Missouri Department of Elementary and Secondary Education, Other support is provided through contributions and grant award receipts.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### A. Financial Statement Presentation

Financial Accounting Standards Board’s (FASB) Accounting Standards Codification (“ASC”) 958-205, *Not-for-Profit Entities: Presentation of Financial Statements*, requires disclosing the amounts of expenses by both their natural classification and their functional classification. KIPP KC is required to report information regarding its financial position and activities according to two classes of net assets, which is as follows.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed restrictions that can be fulfilled by actions of KIPP KC pursuant to those restrictions or that expire by the passage of time. Contributions restricted by donors whose restrictions are met in the same reporting periods are recorded as unrestricted. Net assets whose use is limited by donor-imposed restrictions that neither expire by the passage of time nor can be fulfilled or otherwise removed by KIPP KC's actions are restricted. Restrictions stipulate that resources must be maintained permanently but permit KIPP KC to expend the income generated in accordance with the provisions of the agreements.

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor-imposed (or certain grantor) restrictions or law.

### NOTES TO FINANCIAL STATEMENTS June 30, 2021

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

##### B. Basis of Accounting

The financial statements are presented on the modified cash basis of accounting. This basis recognizes assets, liabilities, net assets, revenues and expenses when they result from cash transactions with a provision for recording payroll withholdings, which are recognized when incurred. Accordingly, the accompanying financial statements are not intended to present financial position or results of operations in accordance with accounting principles generally accepted in the United States of America.

##### C. Cash and Cash Equivalents

For the purpose of the statement of cash flows, KIPP KC considers all unrestricted highly-liquid investments with an initial maturity of three months or less to be cash equivalents.

##### D. Concentrations of Credit and Market Risk

Financial instruments that potentially expose KIPP KC to concentrations of credit and market risk consist primarily of cash and cash equivalents. Cash and cash equivalents are maintained at a high-quality financial institution and accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. At June 30, 2021, KIPP KC held \$2,330,171 in uninsured balances at the institution. KIPP KC has not experienced any losses on its cash or cash equivalents held with the banking institutions.

##### E. Capital Outlay

Property and equipment are recorded as expenses at the time the goods are purchased.

##### F. Compensated Absences

Vacation time, personal business days and sick leave are considered as expenses in the year paid. Such amounts unused that are vested in the employee are payable upon termination at varying rates depending on length of service.

##### G. Recognition of Donor Restrictions

All contributions are available for use unless specifically restricted by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, these net assets with donor restrictions are reclassified to contributions without donor restrictions and reported in the Statement of Support, Revenue and Expenses as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as support without restrictions.

## KIPP KANSAS CITY

### NOTES TO FINANCIAL STATEMENTS June 30, 2021

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

##### H. Income Taxes

KIPP KC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and comparable state law as charitable organizations whereby only unrelated business income, as defined by Section 509(a)(2) of the Code, is subject to federal income tax. KIPP KC currently has no unrelated business income. Accordingly, no provision for income taxes has been recorded. KIPP KC has adopted provisions of FASB standard on Accounting for Uncertainty in Income Taxes (ASC 740-10-25). KIPP KC does not believe there are any material uncertain tax provisions and, accordingly, they will not recognize any liability for unrecorded tax benefits. For the year ended June 30, 2021, there was no interest or penalties recorded in the financial statements

##### I. Functional Expenses

The costs of providing programs and other activities have been summarized on a functional basis in the Statement of Support, Revenue, and Expenses. The Statement of Functional Expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited and, in some cases, to one or more program or supporting functions. Therefore, these expenses require allocation on a reasonable basis that is consistently applied, which included professional and technical services, insurance, and general supplies. Insurance is allocated based on estimated square footage, and professional and technical services and general supplies are allocated based on estimated project and purpose usage.

##### J. Estimates

The preparation of financial statements in conformity with the modified cash basis requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

##### K. Subsequent Events

KIPP KC has evaluated subsequent events through September 13, 2021, the date which the financial statements were available to be issued.

## KIPP KANSAS CITY

### NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the Year Ended June 30, 2021

#### NOTE 1: GENERAL

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of KIPP Kansas City ("KIPP KC") under programs of the federal government for the year ended June 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of KIPP KC, it is not intended to and does not present the financial position, changes in net assets, or cash flows of KIPP KC.

#### NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified cash basis of accounting, which is described in Note 2 to KIPP KC's financial statements. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

#### NOTE 3: SUBRECIPIENTS

KIPP KC did not provide funds to subrecipients in the current fiscal year.

#### NOTE 4: INDIRECT COST RATE

KIPP KC elected not use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

## **INTERNAL CONTROL AND COMPLIANCE**

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER  
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of KIPP Kansas City (“KIPP KC”) (a nonprofit organization), which comprise the statement of assets and net assets-modified cash basis as of June 30, 2021, and the related statement of support, receipts and disbursements for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 13, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered KIPP KC’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of KIPP KC’s internal control. Accordingly, we do not express an opinion on the effectiveness of KIPP KC’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether KIPP KC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of KIPP KC's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KIPP KC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

### **Report on Compliance for Each Major Federal Program**

We have audited the KIPP Kansas City ("KIPP KC") (a nonprofit organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of KIPP KC's major federal programs for the year ended June 30, 2021. KIPP KC's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### *Management's Responsibility*

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on compliance for each of KIPP KC's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about KIPP KC's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of KIPP KC's compliance.

#### *Opinion on Each Major Federal Program*

In our opinion, KIPP KC, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

### **Report on Internal Control Over Compliance**

Management of KIPP KC is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered KIPP KC's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of KIPP KC's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

## INDEPENDENT ACCOUNTANT'S REPORT ON MANAGEMENT'S ASSERTIONS ABOUT COMPLIANCE WITH SPECIFIED REQUIREMENTS OF MISSOURI LAWS AND REGULATIONS

Board of Directors  
KIPP Kansas City  
Kansas City, Missouri

We have examined management's assertion, included in its representation letter dated September 13, 2021, that the KIPP Kansas City ("KIPP KC") complied with the requirements of Missouri laws and regulations regarding accurate disclosure of KIPP KC's records of average daily attendance and average daily transportation of pupils, and other statutory requirements as listed in the Schedule of Selected Statistics for the year ended June 30, 2021. Management is responsible for its assertion that KIPP KC complied with the aforementioned requirements. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion. Our examination does not provide a legal determination on KIPP KC's compliance with specified requirements.

In our opinion, management's assertion that KIPP Kansas City complied with the aforementioned requirements included in the Schedule of Selected Statistics for the year ended June 30, 2020, are fairly stated, in all material respects.

This report is intended for the information and use of the Board of Directors, KIPP KC's management, the Missouri Department of Elementary and Secondary Education and other audit agencies and is not intended to be and should not be used by anyone other than these specified parties.

## KIPP KANSAS CITY

### SCHEDULE OF STATE FINDINGS

For the Year Ended June 30, 2021

#### FINDING MO-01 – Transportation

During our audit, we noted that the contracted transportation company estimates the number of eligible route miles by taking the actual readings for one day during the month and multiplying them by the number of operating days the students are transported during that month. Although this method provides materially correct information, state transportation regulations require that schools report actual route miles for the year by taking odometer readings. We recommend KIPP KC review the data from the contracted transportation company to ensure accurate reporting and follows state transportation regulations. As a result of our audit, the mileage data has been corrected and resubmitted to Missouri DESE.

#### Auditee's Response:

KIPP KC has reviewed the finding and is working with the contracted transportation company to have odometer readings sent with the vendor invoices. When odometer readings are not sent with the invoices, KIPP KC will work with the transportation company to receive the readings from the company in a timely manner.
