

Purpose

If you don't submit your personal financial disclosure by May 1, you will be **personally** fined by Missouri \$10/day for the first 30 days, then \$100/day.

Process

Time estimate: 10 minutes

1. Go to www.mec.mo.gov
2. Click "Login"

3. Enter your ID

To find your ID

- (A) [Click here](#) and request a reminder email.
- (B) Search your email inbox for "pfdonline@mec.mo.gov." It should be in the subject line from a past email ("Personal Financial Disclosure Filing Confirmation for [Your Name] - [ID #]").
- (C) Check a letter you received in January.

4. Click "Sign In."
5. Review your filing.

The Missouri Ethics Commission saves your information from each filing, so unless your finances changed dramatically from last year, this shouldn't take very long.
