STEP 1: Apply

STEP 2: Lottery

If Atlas receives more applications than there are seats available for any given grade level, we will hold a lottery as required by law. If we do not receive enough applications for a lottery, then applicants will automatically be offered a seat at Atlas on the date the lottery was scheduled to take place. Applicants will be notified of their status via text and email.

Enrollment & Lottery Policy

Atlas will be nonsectarian in its programs, admission policies, and all other operations, and will not charge tuition nor discriminate, for admission or otherwise, on the basis of race, ethnicity, religion, national origin, sexual orientation, disability, gender, income level, or proficiency in the English language. Atlas may limit admission to students within a given age group or grade level, but will not have specific requirements for admission (e.g. minimum grade point average, test scores, discipline records, etc.)

Atlas aims to be an institutional asset to the neighborhoods closest to our school, so our lottery policy gives preference to students in our target zip codes. Seats remaining after the lotteries are open to students in St. Louis City on a first-come, first-serve basis. Pursuant to [RSMo 160.410](#), the enrollment process at Atlas Public Schools will be open to:

- all students who reside within the boundaries of the St. Louis Public School District
- non-resident students who transfer from an unaccredited district
- those eligible under the terms of judicial settlements or through urban voluntary transfer programs as defined by [RSMo 160.410](#)
- children of military personnel per section [160.200, RSMo](#)

Families must submit a complete application for their child prior to the application deadline. Atlas will accept applicants through the Missouri Charter Public School Association's Central Application, on which families can sign up to receive updates via cell phone or computer. Parents can also access this application portal through MCPSA's website, Atlas' website, the school's front office, or their computers & phones. Upon receiving an application, a team member from Atlas will follow up to explain our enrollment process and timeline. Atlas' initial application will meet all the requirements of the McKinney-Vento Act.

If the number of applications exceeds capacity, a lottery will be held.
