Subject: DLS Board Personal Disclosure Compliance

Joyce -

Thanks for your help this morning in clarifying the process for personal financial disclosure.
 We've got this on our calendar for early October.

In communicating with Martha at MCPSC, it appears I need to have you generate a report for the current period which does show us in compliance (except for the previous ED and CFO, as you mentioned). Is that something you could pull and send to me so I can submit?
Thank you!

Jamie
