

5.2 Reading Instruction Policy

The Governing Board of KC International Academy adopts the following policy effective on that date that the policy is adopted by the Board.

The School shall have reading programs in kindergarten through grade three based in scientific research. Such programs shall include the essential components of phonemic awareness, phonics, fluency, vocabulary, and comprehension, and all new teachers who teach reading in kindergarten through grade three shall receive adequate training in these areas.

The program may include "explicit systematic phonics", which, for the purposes of this section, shall mean the methodology of pronouncing and reading words by learning the phonetic sound association of individual letters, letter groups, and syllables, and the principles governing these associations.
