

This **CHARTER** is entered into by and between ST. ALOYSIUS (“**Sponsor**”) and Northwest Ohio Classical Academy (“**School Governing Authority**”), the governing board of a new start-up Ohio public community school established as a public benefit corporation under Ohio Revised Code (R.C.) Chapter 1702.

WHEREAS, R.C. Chapter 3314 permits Ohio public community schools; and

WHEREAS, **St. Aloysius** is an authorized **Sponsor** under R.C. Chapter 3314; and

WHEREAS, the **School Governing Authority** is an Ohio public benefit corporation with its corporate principal place of business located at 5025 Glendale Avenue, Toledo, Ohio 43614 (“**School**”) in Lucas County, Ohio; and

WHEREAS, the **School** is located in the Toledo City School District (school district); and

WHEREAS, the **School Governing Authority** wishes to fully state or restate its agreement to operate an Ohio community school;

NOW THEREFORE, the **School Governing Authority** and the **Sponsor** enter into this Charter pursuant to the following terms and conditions. All Attachments and Recitals to this Charter are incorporated by reference and made a part of this Charter.

ARTICLE I

Purpose

- 1.1 **Purpose.** This Charter authorizes the operation of the **School** pursuant to R.C. Chapter 3314. Such school shall be a public school, independent of any School District and is part of the State of Ohio Program of Education. Pursuant to R.C. Section 3314.01, the **School Governing Authority** may sue and be sued, acquire facilities as needed, and contract for services necessary for the operation of the **School**. The **School Governing Authority** may carry out any act and ensure the performance of any function that is in compliance with the Ohio Constitution, R.C. Chapter 3314, other statutes applicable to community schools and the terms of this Charter. The **School Governing Authority** covenants and agrees to Sections 1.2 through 1.3 below.
- 1.2 **Non-Profit Corporation.** The **School** is established and operated as a non-profit corporation under R.C. Chapter 1702 if established prior to April 8, 2003. The **School Governing Authority** shall maintain in good standing the **School’s** status as a non-profit corporation. The **School Governing Authority** shall hold all rights to the name of the **School** and any trade names or fictitious names.
- 1.3 **Public Benefit Corporation.** The **School Governing Authority** must be an Ohio Public Benefit Corporation under R.C. 1702.01(P), if formed after April of 2003. Attached as Attachment 1.3 are the Certificate of Incorporation, Articles of Incorporation, and Code of Regulations. Any changes or updates in any of these documents must be reported in

writing to the **Sponsor** within seven (7) business days of the effective date of such changes, along with a copy of all documentation and filings.

For schools beginning operation after July 1, 2020, no later than December 31 of the current year, the **School Governing Authority** shall apply to qualify as a federal tax exempt entity under Section 501(c)(3) of the Internal Revenue Code. The **School Governing Authority** shall submit a copy of the application as submitted to the IRS to the **Sponsor** within seven (7) business days of submission. Any change in tax status of the **School** must be reported in writing to the **Sponsor** within seven (7) business days after notice to the **School** or the **School Governing Authority**, with a copy of any documentation and official/governmental notices or letters.

1.4 **Sponsor.** The **Sponsor** shall carry out the responsibilities established by law and provide monitoring, oversight and technical assistance to the Schools in accordance with R.C. 3314.03(D) by completing the following:

- (a) Monitor the **School's** compliance with the laws applicable to the **School** and with this Charter;
 - (i) Conduct site visits to the **School** as necessary; and
- (b) Monitor and evaluate the academic performance and the organization of the **School** as delineated in Attachment 6.4, the state report cards issued for the School under R.C. 3302.03 and R.C. 3314.07 and any other analysis conducted by the Ohio Department of Education on at least an annual basis and provide the **School** and **School Governing Authority** with an annual report;
 - (i) Report on an annual basis the results of the evaluation conducted under R.C. 3314.03(D)(2) to the department of education and to the parents of students enrolled in the community school; and
- (c) Provide reasonable technical assistance to the **School Governing Authority** in complying with this Charter and with applicable laws (provided, however, the **Sponsor** shall not be obligated to give legal advice to the **School Governing Authority** (*See 2.7 below*)); and
- (d) If necessary and appropriate, declare the **School Governing Authority** to be on probation pursuant to R.C. 3314.073. The **Sponsor** shall monitor the actions taken by the **School Governing Authority** to remedy the conditions that have warranted probationary status as specified by the **Sponsor**. Provided prior written notice is delivered to all members of the **School Governing Authority**, the **Sponsor** may take over the operation of the **School**, and also replace the entire **School Governing Authority**, or any member of the **School Governing Authority**, should the **School Governing Authority** or any officer of the **School**, if the **School**

Governing Authority or its officer(s) (a) fully resigns or a majority of its members abandon(s) its/their duties hereunder or at law, or (b) act(s) or omit(s) to act in a manner that is likely to cause immediate or irreparable harm to the **School** and/or its students. The **Sponsor** may also take steps to terminate the charter with the **School Governing Authority** or to suspend operation of the **School** if the **Sponsor** at any time finds that the **School Governing Authority** is no longer able or willing to remedy those conditions to the satisfaction of the **Sponsor**.

- (e) Monitor and evaluate the **School's** fiscal performance and establish and/or require a plan of action to be undertaken if the **School** experiences financial difficulties or losses before the end of the school year;
 - (i) Upon learning of financial difficulties or losses, the **Sponsor** shall provide the **School Governing Authority** with a reasonable time frame to submit a plan of action; and
 - (ii) The **Sponsor** shall review and approve the plan within ten (10) business days of receipt; and
- (f) Provide in writing the annual assurances for the **School's** first year of operation or, if the school is not an internet- or computer-based school and changes the building from which it operates, the opening of the first year it operates from the new building pursuant to R.C. 3314.19; and
- (g) Abiding by the requirements in its contract with the Ohio Department of Education, even should those requirements affect the **School** and/or the **School Governing Authority**; and
- (h) Other activities designed to specifically benefit the **School**; and
- (i) Oversee the **School's** closure.

ARTICLE II

School Governing Authority

- 2.1 **Governing Authority Members.** The **School Governing Authority** (its Board of Directors "Directors" or "Board") must contain at least five (5) Directors, who are not owners, employees, or consultants or immediate relatives of owners, employees or consultants, of the **Sponsor** or any company that operates or manages the **School**. Further, **School Governing Authority** members shall comply with R.C. 102.03, 2921.42 and 2921.43. Current resumes which shall include full name, home and/or work address, a valid telephone number and electronic mail address for each **School Governing Authority** member will be provided to the **Sponsor** prior to the member being appointed to the **School Governing Authority**.

The **School Governing Authority** agrees to comply with the procedures by which the members of the **School Governing Authority** of the **School** will be selected in the future as set forth in the by-laws or code of regulations. The **Sponsor** shall be notified of any changes in members in writing (members, Directors or trustees of the Board) including names, notices of new names, addresses, e-mail, resumes and telephone numbers, within seven (7) business days of such change. **School Governing Authority** members may be compensated per R.C. 3314.02(E)(5) based on the School Governing Authority's approved policy.

Each **School Governing Authority** member agrees to execute a conflict of interest statement on an annual basis and provide a copy to the **Sponsor** prior to May 31st.

The **School Governing Authority** must meet at least six (6) times per year and must send notice of all regular meetings to the **Sponsor** at least three (3) business days prior to the meeting. If the **School Governing Authority** calls a special meeting, notice must be sent twenty-four (24) hours prior to the meeting. If the **School Governing Authority** calls an emergency meeting, notice must be sent immediately. The **School Governing Authority** must maintain a policy regarding how it will notify the public of all meetings. The **School Governing Authority** shall submit a meeting schedule to the **Sponsor** no later than July 1st of each school year. Any changes to the meeting schedule must be communicated within ten (10) business days of the change being approved.

All names of **School Governing Authority** members shall be posted on the **School's** website and updated timely as necessary.

2.2 **Training of Governing Authority Members.** All new **School Governing Authority** members are required to attend Board training. If the member chooses to complete the training offered by the **Sponsor**, which training shall be free of charge and offered in such a manner that the member may participate remotely, the member shall begin the training within thirty (30) days of appointment and complete the training within six (6) months. If the member chooses to complete training not offered by the **Sponsor**, this training must be at least four (4) hours in length and be completed within ninety (90) days of appointment to the Board. Additionally, the training must be approved by the **Sponsor** prior to completion. Existing Board members are encouraged to participate in Board training on an annual basis to remain current regarding their responsibilities as a member of the **School Governing Authority**. The **Sponsor** reserves the right to require additional training of any **School Governing Authority** member(s) at the **Sponsor's** discretion (provided training is offered by the Sponsor free of charge). If additional training is required, the training will be presented at the board meetings or by web-ex with advance notice provided to all **School Governing Authority** members. If the training is provided by web-ex, the **School Governing Authority** members will have thirty (30) days to view the training.

2.3 **Criminal Background Checks of Governing Authority Members.** Under R.C. 3314.19(I), all **School Governing Authority** members are required to obtain a criminal background check free of disqualifying offenses, including both a BCI and a FBI. The BCI and FBI background checks must have been completed within one (1) year prior to the **School Governing Authority** member being appointed to the **School Governing Authority**. A potential **School Governing Authority** member shall not serve on the **School Governing Authority** unless and until that person has submitted to a criminal records check in the manner prescribed by R.C. 3319.39 and a copy of the BCI and FBI

check has been submitted to the **Sponsor**. The **Sponsor** shall approve the potential **School Governing Authority** member pursuant to R.C. 3314.02(E)(2)(a) and communicate the approval to the **School Governing Authority**. Each Board Member shall sign consent to release their background check to the **Sponsor**. Background checks will not be accepted if submitted by the **School Governing Authority** member or sent to the **School Governing Authority** member's address. Sponsor agrees to maintain the confidentiality of background checks of current or prospective Governing Authority members that are provided to the Sponsor.

2.4 **Material Adverse Effect.** The **School Governing Authority** shall deliver written notice to the **Sponsor** promptly upon obtaining knowledge of any event or circumstance that could reasonably be expected to have a material adverse effect on the operation, properties, assets, condition (financial or otherwise), prospects or reputation of the **School** including, but not limited to:

- (a) Any material breach of any covenant or agreement contained in this Charter, or
- (b) Any notice given to the **School Governing Authority** or any other action taken with respect to a claimed default under any financing obtained by the **School Governing Authority**, or
- (c) The failure of the **School Governing Authority** to comply with the terms and conditions of any certificates, permits, licenses, governmental regulations, a report in reasonable detail of the nature and date, if applicable of such event or circumstance and the **School Governing Authorities'** intended actions with respect thereto; or
- (d) The institution of or threat of any action, suit, proceeding, governmental investigation or arbitration against or directly affecting the **School Governing Authority** or any property thereof (collectively "Proceedings") not previously disclosed in writing by the **School Governing Authority**; or
- (e) Any material development in any Proceedings to which the **School Governing Authority** is a party or the **School Governing Authority's** property is subject.

Written notice of any of the above must be submitted to the **Sponsor** no later than seven (7) business days after receipt of notice provided to the **School Governing Authority**, a schedule of all Proceedings involving an alleged liability of, or claims against or affecting the **School Governing Authority** or, if there has been no change since the last such report, a statement to that effect, shall promptly be sent to the **Sponsor**. Other such information as may be reasonably requested by the **Sponsor** to enable the **Sponsor** and its counsel to evaluate any of such Proceedings shall be sent promptly upon request by the **Sponsor**.

2.5 **Sponsor Oversight.** The **School Governing Authority** and the **School's** administration covenant and agree to cooperate fully with the **Sponsor** in all activities as required by regulations of the Ohio Department of Education for oversight of the **School**. This includes, but is not limited to:

- (a) Compliance site visits as determined necessary by the **Sponsor**. The **School Governing Authority** or designee must maintain documentation of all verification of compliance which shall be readily accessible at all times.
- (b) Monthly reviews of financials. All financials, operating budgets, assets, liabilities, enrollment records or similar information must be submitted by the Fiscal Officer of the **School** to the **Sponsor** by email to financials@charterschoolspec.com no later than the 15th of every month for the previous month's financial activity. The **Sponsor** shall provide a written report concerning the review of the financials to the **Governing Authority** and the fiscal officer within ten (10) days after receipt of the documents. The reports submitted may be in a format determined by the **School Governing Authority**, but must include:
 - (i) Cash Fund Report – a listing of all funds used showing the month's and year's activity and balances; and
 - (ii) Revenue Summary – a listing of all revenue received for the month and for the year; and
 - (iii) Statement of Net Position or Balance Sheet – statement showing assets, liabilities and net assets, in balance sheet form; and
 - (iv) Statement of Revenues, Expenses and Changes in Net Position or Income Statement – Statement showing monthly and year-to-date Revenue and Expenses comparative to corresponding budgeted amounts; and
 - (v) Check Register – a listing of all checks for the month; and
 - (vi) Cash Reconciliation – a book to bank reconciliation of all cash accounts with copies of bank statements; and
 - (vii) Aged Accounts Payable Detail – a listing of all outstanding accounts payable aged in 30 day increments; and
 - (viii) Enrollment Records – in the form of monthly FTEs; and
 - (viii) Copy of the monthly State Community School Statement of Settlement Report, and Detail Funding Report.

Fiscal Officers and the **School Governing Authority** will be notified if a deadline is not met and/or if reports submitted do not contain all of the data required. Both the Fiscal Officer and School Governing Authority will be notified if the Sponsor does not receive the required data within seven (7)

calendar days of the deadline. Additionally, failure to provide the Sponsor with required data within fifteen (15) days of the deadline may result in a Corrective Action Plan; and

- (c) Signature on this document shall be evidence of granting “read only” access to the **Sponsor** to all data and data systems related to the academic, fiscal, and compliance performance of the **School**.
- (d) Other appropriate and reasonable requests for information from the **Sponsor**, the Ohio Department of Education, or other required governmental agencies.
- (e) **Sponsor** representatives can act as non-voting ex-officio Board Members and shall be included in executive sessions unless explicitly excused by the **School Governing Authority** so that the **Sponsor** may be discussed or to avoid inadvertent waiver of attorney client privilege. When any **Sponsor** representative is included in an executive session, he/she will abide by all applicable confidentiality rules.
- (f) If the **School** receives comments or findings in its annual audit, **the School Governing Authority** shall have a post-audit conference. The **School Governing Authority** shall consult with the **Sponsor** prior to waiving the post-audit conference. The **Sponsor** shall participate in the post-audit conference even if the **School Governing Authority** chooses to waive the conference.

2.6 **Technical Assistance and Training by Sponsor.** The **Sponsor** may provide technical assistance and training to the **School** and its staff at such times and to the extent that the **Sponsor** deems appropriate or as the then current law requires. As required by law, the **School, School Employees** and **School Governing Authority** shall attend training and receive technical assistance at the direction of the **Sponsor**. The **School Governing Authority** has the right to request and the **Sponsor** shall provide reasonable technical assistance or additional training in areas in which the **Sponsor** has knowledge provided the technical assistance is not the responsibility of the **School Governing Authority’s** third party vendors.

2.7 **Governing Authority Contracts.** If the **School Governing Authority** contracts with an attorney, accountant, or entity specializing in audits, the attorney, accountant, or entity shall be independent from the operator with which the school has contracted.

2.8 **Internal Financial Controls.** The **School Governing Authority** shall submit copies of all policies and procedures regarding internal financial controls, including the **School’s** credit card policy, adopted and include them as [Attachment 2.8](#) in this charter agreement.

2.9 **Public Records and Open Meetings Training.** The **School Governing Authority** members, the designated fiscal officer of the **School**, the chief administrative officer and

other administrative employees of the **School**, and all persons contracted by the **School's** operator for supervisory or administrative services shall complete training on an annual basis on the public records and open meetings laws.

ARTICLE III

Operations

- 3.1 **Student Transportation.** The **School Governing Authority** will work to assure that transportation of students is provided to the extent that such transportation is required by law and shall maintain a transportation plan at all times in accordance with R.C. 3327.016. Under R.C. 3314.091 and 3327.02, the **School Governing Authority** must notify the local traditional public school district if the **School Governing Authority** will be accepting responsibility for student transportation. If the **School Governing Authority** has entered into an agreement with the local school district that designates the **School Governing Authority** as responsible for providing or arranging for the transportation of the district's native students to and from the community school pursuant to R.C. 3314.091(A), the agreement shall be submitted to the **Sponsor** for approval. If the **School Governing Authority** assumes the responsibility for the transportation of the local district's native students by notifying the local district pursuant to R.C. 3314.091(B)(2), then it shall notify the **Sponsor** of that decision and provide a transportation plan.
- 3.2 **Management by Third Parties.** Should the **School Governing Authority** enter into any contract for management or operation of the **School** or its curriculum or operations, or any portion thereof, such fully executed contract must be reviewed and negotiated by an attorney, independent of the **Sponsor** or the operator with which the **School** has contracted. The final contract shall be attached as **Attachment 3.2.**

If the **School Governing Authority** desires to enter into a contract with an operator after execution of this Charter, change operators during the term of this Charter, or remove an operator and operate the **School** independently, the **School Governing Authority** shall submit information using the application provided by the **Sponsor**.

The **Sponsor** shall evaluate the proposed operator or independent operation and shall provide the **School Governing Authority** with a written response within a reasonable amount of time. The **Sponsor** shall approve the proposed operator or the **School's** independent operation prior to execution of a contract with the proposed operator or termination of the contract with the current operator. If the proposed operator is approved, the **School Governing Authority** shall provide the **Sponsor** with the fully executed contract within three (3) business days of execution. This contract shall be incorporated as **Attachment 3.2.**

If the management company provides services to the **School** in excess of twenty percent (20%) of the **School's** gross annual revenues, then the management company must provide a detailed accounting of the nature and costs of the services it provides to the **School**, acceptable to the Auditor of the State of Ohio. This information shall be included in the

footnotes of the financial statements of the **School** and be subject to audit during the course of the regular financial audit of the community school.

If the management company or operator loans money to the **School** or **School Governing Authority**, all moneys loaned, including facilities loans or cash flow assistance, must be accounted for, documented, and bear interest at a fair market rate.

If the **School** permanently closes and ceases its operation as a community school, any property that was acquired by the operator or management company of the **School** in the manner prescribed in R.C. 3314.0210 shall be distributed in accordance with R.C. 3314.015(E) and R.C. 3314.074.

The **School Governing Authority** shall evaluate the performance of its management company. This evaluation shall occur annually and a report of the evaluation shall be submitted to the **Sponsor** by October 30th of each year excluding the first year of operation or within forty-five days after the release of the local report card by the Ohio Department of Education, whichever is later.

- 3.3 **Non-Sectarian.** The **School** shall be nonsectarian in its programs, admission policies, employment practices, and all other operations, and will not be operated by a sectarian school or religious institution.
- 3.4 **Disposition of Assets.** To the extent permitted under Chapter 1702 of the Ohio Revised Code and the Internal Revenue Code with respect to a **School** which is a 501(c)(3) tax exempt organization, if the **School** permanently closes, the **School** and **School Governing Authority** agree to distribute all assets in accordance with Section 3314.074 of the Ohio Revised Code. The **School** shall comply with the closing procedures as agreed to in [Attachment 3.4](#).
- 3.5 **Commencement of School Operations.** The **School** shall open for operation not later than September 30th of each school year, unless the mission of the **School** is solely to serve dropouts. In its initial year of operation, if the **School** fails to open by the thirtieth (30th) day of September, or within one (1) year after the adoption of the charter if the mission of the **School** is solely to serve dropouts pursuant to division (D) of section 3314.02 of the Revised Code, the charter shall be void.
- 3.6 **Safety Plan.** Under R.C. 3313.669, 3313.6610 and 5502.263, the **School Governing Authority or designee** shall submit to the director of public safety an electronic copy of its emergency management plan not less than once every three years, whenever a major modification to the building requires changes in the procedures outlined in the plan, and whenever information on the emergency contact information sheet changes. The **School Governing Authority or designee** shall also file a copy of the plan with each law enforcement agency that has jurisdiction over the school building.
- 3.7 **Racial and Ethnic Balance.** The **School** will attempt to achieve or continue, as the case may be, racial and ethnic balance reflective of the community it serves by doing each of

the items recited in [Attachment 3.7](#). Notwithstanding the admissions procedures of the **School**, in the event that the racial composition of the enrollment of the **School** is in violation of a federal desegregation order, the **School** shall take any and all corrective measures to comply with desegregation order. The **School Governing Authority** must assess the Racial and Ethnic Balance of the **School** each year in order to make necessary adjustments to any marketing plans currently used by the **School** in order to attempt to be reflective of either the community it serves or the local traditional public school district in which the **School** resides.

3.8 **Tuition.** Subject only to any applicable exception pursuant to R.C. 3314.26, tuition in any form shall not be charged for the enrollment of any student. Additionally, the **School Governing Authority** shall not require parents to volunteer in lieu of a tuition charge. Nothing in this section prevents reasonable activity or class fees as allowed by law, or the **School Governing Authority** engaging in voluntary fund-raising activities.

3.9 **Admissions Policy.** The admissions and enrollment procedures of the **School** are attached hereto as [Attachment 3.9](#) and shall be followed and may not be changed without the prior written notice to the **Sponsor**. At a minimum, the admission procedures at all times must comply with R.C. 3314.06 and R.C. 3314.061 if applicable and must:

- (a) specify that the **School** will not discriminate in its admission of students to the **School** on the basis of race, religion, color, national origin, handicap, intellectual ability, athletic ability or measurement of achievement or aptitude;
- (b) be open to any individual entitled to attend school in the State of Ohio pursuant to section 3313.64 or section 3313.65 of the Ohio Revised Code, except that admission to the **School** may be limited to (i) students who have obtained a specific grade level or are within a specific age group, (ii) students that meet a definition of “at-risk,” as defined within this Charter, (iii) residents of a specific geographic area within the district, as defined in this Charter, (iv) separate groups of autistic students and nondisabled students under R.C. 3314.061 and as defined in this Charter, and/or (v) single-gender students of either sex.

If the number of applicants meeting admission criteria exceeds the capacity of the **School’s** programs, classes, grade levels or facilities, students shall be admitted by lot from all eligible applicants, except preference shall be given to students attending the **School** the previous year and to students who reside in the district in which the **School** is located. Preference may also be given to eligible siblings of students attending the **School** the previous year and children of full-time staff members employed by the **School**, provided the total number of children of staff members receiving this preference is less than five percent of the **School’s** total enrollment. The lottery may be conducted by the **Sponsor**.

- (c) The **School Governing Authority** shall adopt a policy regarding the admission of students residing outside the district in which the **School** is located. That policy shall comply with the admissions procedures specified in sections 3314.06 and

3314.061 of the Revised Code and at the sole discretion of the authority, shall do one of the following:

- (i) Prohibit the enrollment of students who reside outside the district in which the **School** is located; or
 - (ii) Permit the enrollment of students who reside in districts adjacent to the district in which the **School** is located; or
 - (iii) Permit the enrollment of students who reside in any other district in the state.
- (d) If the **School** serves kindergarten and first grade students, it may admit students early into kindergarten and first grade based on the **School's** local policy for early entrance. If it is the intent of the **School** to admit students who do not meet the statutory deadline for regular admission, the **School Governing Authority** must adopt its own local policy for early entrance and/or the Early Entrance Student Acceleration Policy for Advanced Learners as applicable.

3.9.1 The **School Governing Authority** agrees to provide notices to students, parents, employees and the general public indicating that all of the **School's** educational programs are available to its students without regard to race, creed, color, national origin, sex and disability. Further, the **School** shall provide a non-discrimination notice in all newsletters, annual reports, admissions materials, handbooks, application forms and promotional materials other than radio advertisements.

3.9.2 The **School Governing Authority** agrees to provide a copy of the most recent Local Report Card to parents during the admissions process under R.C. 3313.6411(B).

3.10 **Attendance Policy.** The **School Governing Authority** must adopt an attendance policy that includes a procedure for automatically withdrawing a student from the **School** if the student, without a legitimate excuse, fails to participate in seventy-two (72) consecutive hours of the learning opportunities offered to the student. The **School** and **School Governing Authority** shall ensure all attendance and participation policies will be available for public inspection and that all policies comply with rule and law applicable to truancy and excessive absences. The **School's** attendance and participation records shall be made available to the Ohio Department of Education, auditor of state and the **Sponsor** to the extent permitted under and in accordance with the "Family Educational Rights and Privacy Act of 1974," 88 Stat. 571, 20 U.S.C. 1232g, as amended, and any regulations promulgated under that act, and R.C. 3319.321.

3.11 **Suspension and Expulsion Policies.** The **School Governing Authority** shall maintain a policy regarding suspension, expulsion, removal and permanent exclusion of a student that specifies among other things the types of misconduct for which a student may be suspended, expelled or removed and the due process related thereto. The **School's** practices pursuant to the policy shall comply with the requirements of sections 3313.66, 3313.661 and 3313.662 of the Ohio Revised Code. Those policies and practices shall not infringe

upon the rights of handicapped students as provided by state and federal law and the **School** must also maintain a policy for the discipline of students receiving special education services. Additionally, the **School** shall not suspend, expel or remove a student from the **School** under section 3313.66 of the Revised Code solely on the basis of the student's absences from school without legitimate excuse.

- 3.12 **Students with Disabilities.** Upon admission or identification of any disabled student, the **School** will comply with all federal and state laws regarding the education of students with disabilities. The **School** shall provide all necessary related services or the **School Governing Authority** may contract for related services. The **School Governing Authority's** plan to provide these services is included in [Attachment 3.12](#).
- 3.13 **School Closure or Reconstruction.** The **School** agrees to remain open for students to attend until the end of the school year in which it is determined that the **School** must close. The programs provided to students in the final year of the **School** must continue without interruption or reduction unless program changes are approved in writing by the **Sponsor**. The **Sponsor** may, at its sole discretion, operate the **School** in the event the **School Governing Authority** fails to continue until the end of the approved school year or is otherwise suspended or terminated. Provided prior written notice is delivered to all members of the **School Governing Authority**, the **Sponsor** may also replace the **School Governing Authority** or any officer of the **School**, if the **School Governing Authority** or its officer(s) (a) fully resigns or a majority of its members abandon(s) its/their duties hereunder or at law, or (b) act(s) or omit(s) to act in a manner that is likely to cause immediate or irreparable harm to the **School** and/or its students. Provided however, the **Sponsor** may suspend the operations or terminate the charter as otherwise indicated by law.
- 3.14 **Internet or Computer-Based Community Schools.** The **School Governing Authority** and **School**, if an internet or computer-based community school, shall comply with the requirements in R.C. 3314.013 (Limits on start-up schools) and R.C. 3314.033 (Standards governing operation of internet – or computer – based community schools).
- 3.15 **Community School Bond.** No **School** shall initiate operation after February 1, 2016, unless the **School Governing Authority** has posted a bond in the amount of fifty thousand dollars with the auditor of state. In lieu of the bond, the **School Governing Authority**, the **Sponsor** or the operator may deposit, with the auditor of state, cash in the amount of fifty thousand dollars as guarantee of payment under R.C. 3314.50. In lieu of a bond or a cash deposit, the **Sponsor** or the operator may provide a written guarantee of payment, which shall obligate the **Sponsor** or operator to pay the cost of audits of the **School** up to the amount of fifty thousand dollars. Any such written guarantee shall be binding upon any successor entity that enters into a contract to **Sponsor** or to operate the **School**, and any such entity, as a condition of its undertaking shall acknowledge and accept such obligation.
- 3.16 **Enrollment and Residency Policy.** The **School Governing Authority** must adopt an Enrollment and Residency Policy in accordance with sections 3313.672, 3313.64, 3313.65, 3314.03 and 3314.11 of the Ohio Revised Code. The **School** shall annually submit to the

Ohio Department of Education and auditor of state a report of each instance under which a student who is enrolled in the **School** resides in a children's residential center as defined under R.C. [5103.05](#).

ARTICLE IV

Compliance With Laws

- 4.1 **Compliance with State Laws**. The **School** will comply with these sections and chapters of the Ohio Revised Code now in effect and as hereafter amended. Certain laws listed above which are not specified therein as mandatory, are permissive, unless otherwise specifically required under this Charter. Laws listed above which are mandatory, are also mandatory under this Charter.

The **School** shall comply with Chapter 102 (Public Officers – Ethics), section 2921.42 (Having an unlawful interest in a public contract) and section 2921.43 (Soliciting or accepting improper compensation) of the Ohio Revised Code. The **School Governing Authority** must maintain a general conflict of interest policy.

The **School** shall also comply with R.C. 3302.04 (Three year continuous improvement plan – intervention by department – site evaluations) and R.C. 3302.041 (Failure to make adequate progress – corrective actions), including division (E) of R.C. 3302.04 to the extent possible, except that any action required by a school district under R.C. 3302.04 shall be taken by the **Sponsor**. The **Sponsor**, however, shall not be required to take any action under R.C. 3302.04(F).

The **School** will comply with sections 3313.6021 and 3313.6023 of the Revised Code (Requirements to provide instruction in CPR and use of AED) as if it were a school district unless it is either of the following: (i) An internet- or computer-based community school; (ii) A community school in which a majority of the enrolled students are children with disabilities as described in division (A)(4)(b) of section 3314.35 of the Revised Code.

The **School** will comply with section 3321.191 of the Revised Code (Adoption of policy regarding student absences; intervention strategies), unless it is an internet- or computer-based community school that is subject to section 3314.261 of the Revised Code.

The **School**, unless it is an internet- or computer-based community school, shall comply with 3313.801 (Display of national and Ohio Mottos) as if it were a school district.

The **School** shall comply with Ohio Administrative Code Section 901:5-11-15 governing pesticide policies.

The **School** shall comply with all provisions of Title IX that apply to K-12 community schools.

- 4.2 **Compliance with Other Laws.** The **School** and the **School Governing Authority** may not carry out any act or insure the performance of any function that is not in compliance with the United States Constitution, the Ohio Constitution, federal law, Ohio law and this Charter. The **School** and the **School Governing Authority** are not exempt from federal laws, rules and regulations, or other Ohio laws granting rights to parents as provided under R.C. 3314.04.

ARTICLE V

Facilities

- 5.1 **Location of Facility.** The facility to be used for the **School** will be maintained at **5025 Glendale Avenue, Toledo, Ohio 43614**. If multiple facilities are used, the **School Governing Authority** shall comply with R.C. 3314.05. If the facility has been or will be leased, a copy of the fully executed lease and any lease renewals or amendments must be provided to the **Sponsor** within seven (7) business days of its execution and shall be incorporated into this charter as **Attachment 5.1(a)**. If the facility has been or will be purchased by the **School Governing Authority**, a copy of the contract of sale and related documents must be provided to the **Sponsor** within seven (7) business days of execution, and after purchase, a copy of the recorded conveyance documents shall immediately be provided to the **Sponsor**. Any lease or sub-lease of the facility by any party, including the management company, must be documented in writing.

The **School Governing Authority** shall provide the following information in **Attachment 5.1(b)**:

- (a) a detailed description of each facility used for instructional purposes; and
- (b) the annual costs associated with leasing each facility that are paid by or on behalf of the school; and
- (c) the annual mortgage principal and interest payments that are paid by the school; and
- (d) the name of the lender or landlord, identified as such, and the lender's or landlord's relationship to the operator, if any.

The facility will not be changed and the number of square feet used will not be reduced without prior notification to the **Sponsor**. Any lease, mortgage payments, or capital improvement costs must be consistent with the yearly budgets given to and assessed by the **Sponsor**. In any material change of facility, the **Sponsor**, at its sole discretion, but without obligation to do so, may request maps, plans and/or revised budgets showing adequate service of the debt and reserves for maintenance or repairs. The **Sponsor** shall not be liable

for the debts, obligations or business of the **School** or the **School Governing Authority**, but may request any information the **Sponsor** deems necessary to assess adequate planning for facilities.

- 5.2 **Tax Exempt Status.** Under R.C. 5709.07, real property used by a **School** for primary or secondary educational purposes, including only so much of the land as is necessary for the proper occupancy, use and enjoyment of such real property by the **School** for primary or secondary educational purposes shall be exempt from taxation. This exemption does not apply to any portion of the real property not used for primary or secondary educational purposes.
- 5.3 **Compliance with Health and Safety Standards.** Any facility used by the **School Governing Authority** for or by the **School** shall meet all health and safety standards established by law for community school buildings. The **School** shall not begin operations either at start up or after any structural change requiring permits until such time as the **Sponsor** has viewed all health and safety permits and permission to open has been granted as required by law. **Sponsor** shall have seven (7) business days to review the health and safety permits from the date the **School Governing Authority** notifies the **Sponsor** that such permits are available for review. Facilities will be maintained in a clean, healthy manner to the satisfaction of the proper authorities. Copies of all current permits, inspections and/or certificates must be filed with the **Sponsor**. The **School** must keep all permits, inspections and/or certifications current and compliant.
- 5.4 **Closure of School.** If the **School** should close for any reason, the **School Governing Authority**, to the extent that the **School Governing Authority** owns the facility, is solely responsible for the sale, lease or other distribution of the facility.

ARTICLE VI

Educational Program

- 6.1 **Number of Students.** The **School** will provide learning opportunities to the minimum number of students as required by R.C. 3314.03(A)(11)(a) and as applicable, for a minimum of nine hundred twenty (920) hours per school year or in accordance with any applicable changes of law. **The School shall serve grades K-12 and ages 5-21.** The **School** shall provide the education plan template as provided by the **Sponsor** as [Attachment 6.3](#) for all grades listed in this charter. The education plan shall include the characteristics and ages of the students to be served, including grade configuration and enrollment projections for the next five (5) years. If the **School Governing Authority** desires to add additional grades to the **School**, it shall submit a resolution requesting a charter modification to add grades. The **Sponsor** shall evaluate the request for a modification and respond accordingly. The number of students attending the **School** at any one time shall not exceed the number allowed by the occupancy permit (including staff).
- 6.1.1 If the **School** does not have at least one-hundred (100) students enrolled thirty (30) days prior to the first day of school, the **Sponsor** shall review the

number of students enrolled, the financial and organizational position of the **School** and all other opening assurances requirements as prescribed by the Ohio Department of Education. If the **Sponsor** determines that the number of students enrolled and the financial position of the **School** are not sufficient for the **School** to remain open for the entire school year, the **Sponsor** will require a guarantee of funding from the management company or other sources to keep the **School** in operation for the entire school year. The **School** will provide the guarantee and all necessary financial data relative to the funding sources for approval prior to the due date for opening assurances documents to be submitted to the Ohio Department of Education.

6.1.2 If the **School** does not maintain one-hundred (100) students during the school year, the **Sponsor** may place the **School Governing Authority** on a corrective action plan, probation or suspend the **School's** operations.

6.2 **Continuing Operation.** The **School** agrees to continue operation by teaching the minimum number of students permitted by law. Time is of the essence in continuing operation. Failure to continue operation without interruption is grounds for termination of this Charter.

6.3 **Curriculum.** For purposes of this Charter, in [Attachment 6.3](#), the vision, mission, philosophy, goals, focus of the curriculum and objectives shall be separated from the methods used to achieve those goals. The **School Governing Authority** shall provide a clear mission statement which shall be incorporated into [Attachment 6.3](#). Any change in vision, mission, philosophy, goals, focus of the curriculum and objectives methods would constitute a material change in the Charter and must be requested through a charter modification process. Any Charter modification must be submitted to the **Sponsor** in writing for approval. Upon approval by the **Sponsor**, if necessary, the **School Governing Authority** shall pass a resolution outlining in detail the changes made. The **School's** curriculum must be aligned to Ohio's Learning Standards including English, Language Arts and Mathematics, Science and Social Studies content standards and any additional content areas for which standards have been established and/or revised per R.C. 3301.079. The **School** must demonstrate at any given time, and to the **Sponsor's** satisfaction, the implementation of the aligned curriculum as stated in this section. [Attachment 6.3](#) encompasses a description of the learning opportunities that will be offered to students including both class-room based and non-classroom-based learning opportunities that is in compliance with criteria for student participation established by the department under R.C. 3314.08(H)(2). [Attachment 6.3](#) shall also include an explanation of how the educational program will be implemented within the **School's** facility.

6.3.1 The **School Governing Authority** shall provide the **Sponsor** with a school calendar that includes testing/assessment dates [state, diagnostics, nationally normed and local] and professional development days and bell schedule that includes collaborative teacher planning time each year for approval by a date prescribed by the Ohio Department of Education. The **School Governing**

Authority may not change the school calendar or bell schedule without prior approval from the **Sponsor** and the Ohio Department of Education and if applicable, after consulting with each local traditional school district that transports students to the **School**, provided the same is required by law or the Ohio Department of Education. Any changes made without this approval may result in a corrective action plan.

6.3.2 The **School** shall develop a prevention/intervention plan not related to the special education non-discriminatory evaluation process for all students not found proficient on the Ohio system of assessments and/or the current tests being required by the Ohio Department of Education. Each year, the **School** shall update the plan and develop additional plans relative to individual student performance.

6.4 **Accountability Standards.** The **School's** academic(s) and non-academic goals shall be reflected in the **School's** School Improvement Plan approved by the **School Governing Authority**. During the first year a **School** enters into sponsorship with St. Aloysius, the **School** shall establish two academic and one non-academic goal that are intended to impact grade card performance and align to grade card components by October 15th. The **School** and **School Governing Authority** are subject to interventions as detailed in the accountability **Attachment 6.4.** The **School Governing Authority** and **Sponsor** acknowledge that some performance measures may not be available for a given school, a particular contract year, or instances when state testing or report cards are not available. In the absence of data from state testing or report cards, the School will be evaluated, to the extent possible, on available indicators from the performance framework, and the **Sponsor** may consider qualitative data from other methods of data collection.

6.5 **Assessments and Performance Standards.** The performance standards (requirements) and assessments shall include the Ohio system of assessments according to R.C. 3301.0710 and R.C. 3301.0712, college and work ready assessments, ACT/SAT WorkKeys, industry credentialing examinations, OELPA, Kindergarten Readiness Assessment (KRA), nationally normed standardized assessments recognized by the Ohio Department of Education as a student growth measure and any other standards and/or assessments required by law or recommended by the **Sponsor**. All assessments must be timely and properly administered. The nationally normed standardized assessment approved by the Ohio Department of Education as a student growth measure chosen by the **School** must be administered at a minimum of twice annually to all grade levels, excluding Kindergarten, with the vendor generated reports for measures of academic progress and analysis in reading and math being provided to the **Sponsor** upon request and no later than June 30th of each school year. In addition to the required testing, the **School** must assess and keep benchmarks related to interim progress if required by the Ohio Department of Education. The **School** must report the benchmarks required by ODE to the **Sponsor**. All assessments required by the **Sponsor** are identified in **Attachment 6.5.** The **School** and **School Governing Authority** shall also comply with all applicable provisions of ESSA.

- 6.6 **High School Diplomas.** If the **School** is a high school awarding a diploma, the **School** shall comply with sections 3313.603, 3313.6013, 3313.61,3313.611, 3313.6113, 3313.6114, 3313.614, 3313.615, 3313.617, 3313.618, 3313.619, 3301.0710, 3301.0711, 3301.0712, 3301.0714, 3314.003, 3326.11 and 3328.34 of the Ohio Revised Code as applicable. At least thirty (30) days before any graduation, the **School** shall make available to the **Sponsor** upon request a list of graduates and proof of meeting all Ohio Department of Education graduation requirements and any other **School Governing Authority** requirements. Within ten (10) days of any graduation, the **School** shall provide electronically to the **Sponsor** a list of all graduates and copies of each graduate’s diploma and transcripts

ARTICLE VII

Reporting

- 7.1 **Annual Report.** The **School Governing Authority** shall submit not later than October 31st (or any subsequent statutorily prescribed date) of each year to the **Sponsor** and to the parents of all students enrolled in the **School**, or any other statutorily required parties, its financial status, and the annual report of its activities and progress in meeting the goals and standards of this Charter, local report card rating and value added rating. The Annual Report shall include a statement from the **Sponsor**, its activities and standards.
- 7.2 **Reports to Sponsor.** The **School Governing Authority** shall timely comply with all reasonable requests for information from the **Sponsor**, including the **School** financial reports required in Section 2.5 of this Charter.
- 7.3 **Site Visits.** The **Sponsor** shall be allowed to observe the **School** in operation at site visits at the **Sponsor’s** request and shall be allowed access for such other site visits or other impromptu visits as the **Sponsor** reasonably deems advisable or necessary.

ARTICLE VIII

Employees

- 8.1 **Employment of Teachers.** At least one (1) full-time classroom teacher or two (2) part-time classroom teachers each working more than twelve (12) hours per week must be employed by the **School**. The full-time classroom teachers and part-time classroom teachers teaching more than twelve (12) hours per week shall be certified or licensed in accordance with R.C. 3319.22 to 3319.31, or other applicable sections of the Ohio Revised Code. Upon request, the **School** shall forward teacher qualifications, including but not limited to, the grade level and content area being taught and the teacher’s licensure or certification granted by the Ohio Department of Education, to the **Sponsor**. The **School** may employ non-licensed persons to teach up to twelve (12) or forty (40) hours per week pursuant to R.C. 3319.301, to the extent permitted by ESSA or any subsequent legislation. There shall be no more than twenty-nine (29) students per classroom. If the **School** uses

federal funds for the purpose of class size reduction by using Title I or Title II-A funds, the school wide students to full-time equivalent classroom teacher ratio shall be no more than 25 to 1. The **School** may also employ non-teaching employees. Prior to opening day, the **School** will provide the **Sponsor** with proof of Ohio licensure/certification for a sufficient number of teachers to support the stated teacher/student ratio, as well as the credentials and background checks for all staff of the **School**. In addition, persons with only long-term substitute licenses may be employed only if their license is in the grade level and content area they are teaching. The **School Governing Authority** shall provide an organizational chart and a list of roles and responsibilities of all **School** staff as [Attachment 8.1](#).

- 8.1.1 Each person employed by the **School** as a nurse, teacher, counselor, school psychologist or administrator shall complete at least four (4) hours of in-service training in the prevention of child abuse, violence and substance abuse and the promotion of positive youth development within two (2) years of commencing employment with the **School**, and every five (5) years thereafter. Prior to opening day, the **School** will provide the **Sponsor** with: 1) proof of Ohio licensure/certification in represented field, 2) reasonable number of personnel to support the anticipated enrollment on the first day of school, and 3) credentials and proof of background checks completed for all certified staff including nurse, counselor, school psychologist or administrator.
- 8.1.2 Each classroom teacher initially hired by the **School** on or after July 1, 2013 and employed to provide instruction in physical education will hold a valid license issued pursuant to R.C. 3319.22 for teaching physical education.
- 8.1.3 Per R.C. 3319.58(C), beginning with the 2015-2016 school year, if the **School** is ranked in the lowest ten percent of all public school buildings according to performance index score, the **School Governing Authority** shall require each classroom teacher currently teaching in a core subject area in the building to demonstrate expertise by examination.
- 8.2 **Staff Evaluation.** Each **School** must use the OTES or OPES process, or similar valid model, for evaluating teachers and principals/superintendents that includes goal setting based on the Ohio Standards for the Teacher Profession or the Ohio Principal Standards or the Ohio Superintendent Standards, student performance measures (as defined by Ohio Department of Education), and an annual review that includes not less than two (2) formal observations and written evaluation reports. Any person conducting reviews must be credentialed by the Ohio Department of Education, hold a current credential at the time of the evaluations, and follow rubrics aligned to the OTES and OPES models. A **School Governing Authority** member or designee and/or regional manager of the management company shall undergo appropriate training/credentialing by the Ohio Department of Education and be responsible for evaluating the principal/superintendent.
- 8.3 **Dismissal of Employees.** Subject to 11.2 below, the **School Governing Authority** may employ administrators, teachers and non-teaching employees necessary to carry out its mission and fulfill this Charter, so long as no contract of employment extends beyond the

term of this Charter. The dismissal procedures for staff and the plan for disposition of employees of the **School** in the event this Charter is terminated or not renewed under R.C. 3314.07 are set out in [Attachment 8.3](#).

8.4 **Employee Benefits**. The **School** will provide to all full-time employees health and other benefits as set out in [Attachment 8.4](#). In the event certain employees have bargained collectively pursuant to Chapter 4117 of the Ohio Revised Code, the collective bargaining agreement supersedes [Attachment 8.4](#) to the extent that the collective bargaining agreement provides for health and other benefits. The collective bargaining agreement shall not, under any circumstances, be a part of this Charter. The **School** or its designee shall establish and/or update an employee handbook prior to the first day of school each year.

8.5 **Criminal Background Check**. The **School Governing Authority** must request that the superintendent of the Bureau of Criminal Identification & Investigation conduct a criminal background records check for any applicant who has applied to the **School** for employment, in any position as may be required by R.C. 3319.39. The **School Governing Authority** hereby appoints the **Sponsor** as a representative pursuant to R.C. 3319.39(D) for purposes of receiving and reviewing the results of the criminal records checks performed under R.C. 3319.39(A)(1) for employees working at the **School** and authorizes its agent(s) (including educational management organizations) to communicate this information directly to the **Sponsor**. The **Sponsor** agrees that it is responsible for any and all reasonable costs or damages that result from the **Sponsor's** failure to comply with other state and federal laws regarding the privacy of the results of criminal records checks. An applicant may be employed conditionally for up to sixty (60) days until the criminal records check is completed and the results of the criminal records check are received. If the results of the criminal records check indicate that the applicant does not qualify for employment the applicant shall be released from employment.

All vendors and contractors of any kind shall show proof, which may be provided through their employer, that they have been the subject of a criminal records check in accordance with R.C. 3319.392(D) and 3314.41.

All employees, staff, volunteers, vendors or contractors undergoing a criminal background check must sign consent to release the results to the **Sponsor**.

The **School** must comply with the teacher misconduct reporting laws and updated background check requirements found in R.C. 3319.31, 3319.313, 3319.314, and OAC 3301-20.

ARTICLE IX

Finance

9.1 **Financial Records**. The **School's** financial records will be maintained in the same manner as are financial records of school districts, pursuant to rules of the Auditor of the State, R.C. 3314.042 and R.C. 3301.07, and audits shall be conducted in accordance with section

117.10 of the Ohio Revised Code. The **Sponsor** shall receive a copy of the draft audit and shall be notified, by the Auditor of State, any independent contracted auditor or the **School Governing Authority**, of all post audit conferences in order to review the school's annual audit prior to the document being finalized and released.

- 9.2 **Fiscal Officer.** The **School Governing Authority** shall maintain a designated fiscal officer. Unless an appropriate and timely resolution has been passed by the **School Governing Authority** under R.C. 3314.011(D)(1), the fiscal officer shall be employed or engaged under a contract directly with the **School Governing Authority**. This resolution must be passed by the **School Governing Authority** each and every year. The **School Governing Authority** must submit the resolution to the **Sponsor** for approval within seven (7) business days after approval. Under 3314.011, prior to assuming the duties of fiscal officer, agent and/or fiscal servicer of the **School**, the fiscal officer, agent or service provider shall be licensed as provided for in Ohio Revised Code 3301.074.
- 9.2.1 R.C. 9.24 prohibits any state agency or political subdivision from awarding a contract for goods, services, or construction to any person against whom a finding for recovery has been issued by the Auditor of State, if that finding is unresolved. Before entering into a public contract described above, the **School Governing Authority** is required to verify that the person does not appear in this database.
- 9.2.2 By the end of the first year of the Charter, the **School Governing Authority** must maintain funds equal to three (3) months of treasurer fees in the event the **School** closes.
- 9.3 **Fiscal Bond.** Fiscal agent, officer and/or service provider shall execute a bond in an amount and with surety to be approved by the **School Governing Authority**, payable to the State of Ohio, conditioned on the faithful performance of all of the official duties required of the **School** fiscal agent, officer or service provider. The bond shall be in an amount of not less than twenty-five thousand dollars (\$25,000). The bond shall be deposited with the **School Governing Authority**, and a copy thereof, certified by the **School Governing Authority**, shall be filed with the county auditor and the **Sponsor**.
- 9.4 **Budget.** A financial plan detailing an estimated school budget for the first year of the period of this Charter and specifying the total estimated per pupil expenditure amount for each such year and at least five (5) fiscal years thereafter is attached as [Attachment 9.4](#). Each year, the **School Governing Authority**, with the assistance of the **School's** designated fiscal officer, shall adopt an annual budget by the thirty-first day of October using the format and following the guidelines prescribed by the Ohio Department of Education. The **Sponsor** shall assess the yearly budget to ensure the **School Governing Authority** maintains financial viability. Should the **Sponsor** request further breakdown of revenue or expenses, or line items for expenses or revenue not projected, the **School** agrees to comply with such requests. Should the **School** be managed by a third party operator, the **School Governing Authority** must procure from such operator, sufficient data, at the **Sponsor's** discretion, to allow the **Sponsor** to review revenue and expenses as required and/or permitted by law.

- 9.5 **Borrowing Money.** The **School Governing Authority** may borrow money to pay necessary and actual expenses of the **School** in anticipation of receipt of any portion of the payments to be received by the **School**. The **School Governing Authority** may issue notes to evidence such a borrowing. A copy of all notes must be provided to the **Sponsor** within seven (7) business days of signing. The proceeds from the notes shall be used only for the purpose for which the anticipated receipts may be lawfully expended by the **School**. The **School** may borrow money for a term not to exceed fifteen (15) years for the purpose of acquiring facilities.
- 9.6 **Payment to Sponsor for Oversight.** For and in consideration of Three percent (3%) of all funds received by the **School** from the State of Ohio, the **Sponsor** shall provide the monitoring, oversight and technical assistance as required by law. Payments to the **Sponsor** are to be made monthly by automatic ACH debit from the School's checking account, and the School Governing Authority agrees to sign a Recurring ACH Payment Authorization form. Automatic ACH debits for sponsorship fees will be initiated five (5) business days after the state foundation payments are received by the School, allowing treasurers time to review and/or dispute the amount to be debited. If the **School Governing Authority** is required to repay funds received by the **School** from the State of Ohio due to an FTE adjustment or other obligation, then the **Sponsor** shall repay the **School Governing Authority** the three percent (3%) fee it received with respect to such funds upon mutual agreement of the parties within an agreed upon timeframe or such time as may be required by the Ohio Department of Education or the Auditor of State.
- 9.7 **Fiscal Year.** The fiscal year for the **School** shall be July 1 to June 30.

ARTICLE X

Insurance/Indemnification

- 10.1 **Liability Insurance.** Commercial general liability insurance at all times will be maintained by the **School Governing Authority** in amounts not less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) in the aggregate, plus an excess or umbrella policy extending coverage as broad as primary commercial general liability coverage in an amount no less than five million dollars (\$5,000,000). The **School Governing Authority** shall also maintain directors and officers liability (D&O) and errors and omissions insurance (E&O) coverage in the amount of one million dollars (\$1,000,000) per occurrence and one million dollars (\$1,000,000) aggregate. The insurance coverage shall be not only for the **School** and the **School Governing Authority**, its Directors, officers and its employees but also provide additional insured status for the **Sponsor, its Board, Executive Director, employees, and Charter School Specialists as additional insureds, not just certificate holders.** The **School Governing Authority** must obtain policies that notify the **Sponsor** in writing at least thirty (30) days in advance of any material adverse change to, or cancellation of, such coverage. All insurers shall be licensed by the State of Ohio and have an AM Best rating of A or better.

- 10.2 **Indemnification.** The **School Governing Authority** and **School** shall defend, indemnify, save and hold harmless the **Sponsor** and its Board, Superintendent, officers, employees and agents, including Charter School Specialists from any and all claims, debts, actions, causes of actions, proceedings, judgments, mitigation costs, fees, liabilities, obligations, damages, losses, costs or expenses (including, without limitation, attorneys', expert, accounting, auditors or other professionals' fees and court costs) of whatever kind or nature in law, equity or otherwise (collectively "Liabilities") arising from any of the following:
- (a) A failure of the **School Governing Authority** and/or **School** or any of its officers, directors, employees, agents or contractors to perform any duty, responsibility or obligation imposed by law or this Charter;
 - (b) An action or omission by the **School Governing Authority** and/or **School** or any of its officers, directors, employees or contractors that results in injury, death or loss to person or property, breach of contract or violation of statutory law or common law (state and federal), or Liabilities;
 - (c) Any sum that the **Sponsor** may pay or become obligated to pay on account of: (1) any inaccuracy or breach of any representation under this Charter by the **School Governing Authority**; (2) any breach or any failure of the **School Governing Authority** to duly perform, comply with, or observe any term, provision, covenant, agreement, obligation or condition under this Charter or under the law, and all agreements delivered in any way connected herewith, on the part of the **School Governing Authority**, to be performed, complied with, or observed; or (3) Liabilities to lenders, vendors, the State of Ohio, receivers, parents, students, the **School Governing Authority** or to third parties on account of the **School** and/or **School Governing Authority**; and
 - (d) As to the indemnification and hold harmless, but not the duty to defend, any Liabilities incurred by the **Sponsor** or any of its officers, directors, employees, agents or contractors as a result of an action or legal proceeding at law or equity brought against the **Sponsor** by the **School** or the **School Governing Authority** if the legal proceeding or action is found to be without merit, or is dismissed, and the right to appeal such judgment or order has been exhausted or has expired.
- 10.3 **Indemnification if Employee Leave of Absence.** If the **Sponsor** provides a leave of absence to a person who is thereafter employed by the **School**, the **School Governing Authority** and the **School** shall indemnify and hold harmless the **Sponsor** and its board members, Superintendent, employees and agents from liability arising out of any action or omission of that person while that person is on such leave and employed by the **School Governing Authority**.

ARTICLE XI

General Provisions

- 11.1 **Charter Authorization.** Before executing this Charter, the **School Governing Authority** shall employ an attorney, who shall be independent from the **Sponsor** or operator, to review and negotiate the agreement per R.C. 3314.036. The **School Governing Authority** must pass a resolution in a properly noticed and held public meeting, authorizing execution of this Charter and authorizing one or more individuals to execute this Charter for and on behalf of the party, with full authority to bind the party. For all new schools, this resolution must be passed by March 15th of the year in which the **School** intends to open. For renewal schools, this resolution must be passed by June 1st of the year in which the charter ends.
- 11.2 **Termination and Cancellation of Contracts.** Except as otherwise permitted by this Charter, or by the **Sponsor**, contracts entered into by the **School Governing Authority** with third parties shall provide for a right to cancel, terminate or non-renew effective each June 30th, or upon termination of this Charter.
- 11.3 **Access to Records.** The **School** and **Sponsor** agree and state that pursuant to 20 U.S.C. Section 1232g, the Family Rights and Privacy Act ("FERPA") and 34 *CFR* Part 99 the **Sponsor** is an authorized representative of a state educational authority and that the **School** is permitted to disclose to the **Sponsor** personally identifiable information from an education record of a student without parental consent (or student consent where applicable) and that the **Sponsor** is authorized by Federal, State, and local law to conduct audit, evaluation, compliance, and enforcement activities of Federal and State supported education programs. Accordingly, the **School** agrees to grant to **Sponsor's** employees Full and Complete Access as defined hereinafter to "education records" as defined by FERPA and all documents, records, reports, databases, and other information made available to or maintained by the **School** or its agent(s) (including educational management companies) that is reportable to the Ohio Department of Education or its agencies, or to the Ohio Auditor of State. Such information shall include, but is not limited to, the School Options Enrollment System, and the Education Management Information System. "Full and Complete Access" shall include the ability to inspect and copy paper and electronic documents at the **School** and the **School** or its agent(s) including (education management companies) shall provide usernames and passwords where applicable to enable the **Sponsor** to have remote self-service access in read-only format.

The **Sponsor** agrees to comply with FERPA and the regulations promulgated thereunder and warrants that it uses reasonable methods to limit Sponsor employee(s) access to only those records in which they have legitimate educational interests and that as required by law the **Sponsor** will destroy the educational records when no longer needed for the purposes outlined in this Contract, or otherwise needed under state or federal law or any applicable Court Order.

The **Sponsor** agrees that it is responsible for any and all reasonable costs or damages that result from the **Sponsor's** failure to comply with FERPA, or the **Sponsor's** failure to comply with other state and federal laws regarding the privacy of education records and the results of criminal records checks. **Sponsor** shall also be responsible for any liability or adverse consequence(s) resulting from an accidental or other deletion, release, or

alteration of information or data systems of the **School** or Ohio Department of Education as a result of such access.

11.4 **General Acknowledgements.** The **School Governing Authority** specifically recognizes and acknowledges the following:

- (a) The authority of public health and safety officials to inspect and order **School** facilities closed if not in compliance with health and safety laws and regulations in accordance with R.C. 3314.03(A)(22)(a).
- (b) The authority of the Ohio Department of Education to suspend the operations of the **School** under R.C. 3314.072 due to the circumstances enumerated therein.
- (c) The **Sponsor** is not liable for the acts or omissions, or the debts of the **School** and/or **School Governing Authority** pursuant to R.C. 3314.07(D) and 3314.08(J) (2), and any other applicable law limiting the liability of the **Sponsor**.
- (d) The **Sponsor** may take steps to intervene in, correct, declare probationary status of, suspend, terminate or non-renew the status of the **School** as an Ohio Community School, and correct problems in the **School's** performance.
- (e) The Ohio Department of Education may take over sponsorship of the **School** in accordance with R.C. 3314.015(C).
- (f) The authority of the Auditor of State to cause legal action against or the cessation of payments to the **School** pursuant to Section 269.60.60 of the uncodified law under H.B. 119 of the 127th General Assembly for the period of that law's duration.
- (g) The mandate of permanent closure under R.C. 3314.35 under the circumstances enumerated therein.
- (h) The **Sponsor** or Sponsor's designee has a legitimate educational interest in the educational records of the **School** and grants to the **Sponsor** and the Sponsor's designee access to educational records under 20 U.S.C. § 1232g, the Family Rights and Privacy Act ("FERPA").
- (i) If the **School** closes, the operator or chief administrative officer shall collect and assemble in an orderly manner the educational records of each student who is or has been enrolled in the **School** and transmit these records to each student's district of residence within seven (7) business days of the **School** closing pursuant to R.C. 3314.44 (Collection and transmittal of school records after closing; Compliance; Penalty).

- 11.5 **Dispute Resolution.** The **Sponsor** and **School Governing Authority** agree to informal mediation of any dispute not otherwise governed by mandatory administrative procedures pursuant to this Charter or the law. Such mediation shall be non-binding and the parties, if failing to agree on one mediator, shall obtain a list of three (3) mediators from the Columbus Bar Association and each eliminate one, using the one (1) mediator left after eliminations. All mediation will take place in Franklin County and all costs of the mediator shall be split equally between the parties.
- 11.6 **Term.** This Charter shall be for an initial term of five (5) years commencing on July 1, 2019 and ending on June 30, 2024. This contract shall then automatically renew for one-year terms until June 30, 2026. During the **2025-2026** school year, the **School Governing Authority** shall undergo the high stakes review conducted by the **Sponsor**.
- 11.7 **Contract Performance Measures.** Each **School** will be given an initial term of six (6) years to provide the opportunity for review of a full five (5) years of data. If St. Aloysius is not permitted under its agreement with ODE to grant an initial six (6) year term to any new **School**, this school's term shall be automatically renewed to fulfill an initial six (6) year term to provide the opportunity for review of a full five (5) years of data. Even though schools may be granted safe harbor from closure under R.C. 3314.35, this does not preclude the **Sponsor** from evaluating and closing the **School** for non-performance under these measures.

(a) Within the term of this charter, the **School** may be permanently closed if the Ohio Department of Education determine that the condition(s) outlined in ORC 3314.35 have been met;

(b) If, after the initial term of six (6) years, the **School** receives ratings less than 2 Stars in all applicable grade card components for the most recent school year, i.e., the end of year five (5) data, the **School** shall be eligible to be considered for renewal for a maximum term of one (1) year.

(c) If the **School** receives a rating of at least 2 Stars in at least one (1) applicable grade card component for the most recent school year or its overall report card score as calculated on the local report card is greater than three (3) of the five (5) comparison schools listed below, the **School** shall be eligible to be considered for renewal. If an overall report card score is not available, the schools will be compared using the index value as calculated for the progress component on the local report card or equivalent. After consideration of the metrics prescribed in the Performance Framework of Attachment 6.4 and the renewal application, if the **Sponsor** renews the **School**, the term of the new contract shall not exceed three (3) years.

- i) **Reynolds Elementary School**
- ii) **McKinley Elementary School**
- iii) **Horizon Science Academy**
- iv) **Pickett Elementary School**

v) Academy of Educational Excellence

(d) If the **School** is renewed and received a rating of 2 Stars in multiple LRC graded components and out performs at least three (3) of its five (5) comparison schools, it is eligible for a contract term between three (3) to five (5) years.

(e) If the **School** received a rating of at least 3 Stars in multiple LRC graded components for the most recent school year, the **Sponsor** may offer a new contract between five (5) to seven (7) years.

(f) If the **School** received at least 4 Stars in multiple LRC graded components for the most recent school year, it is eligible for a contract term between seven (7) to ten (10) years.

11.8 Non-renewal of this Charter.

- (a) After the high stakes review, the **Sponsor** may choose not to renew this Charter at its Expiration Date for any of the following reasons:
- (i) Failure to meet student performance requirements stated in this Charter;
 - (ii) Failure to meet generally accepted standards fiscal management;
 - (iii) Violation of any provision of this Charter or applicable state or federal law;
 - (iv) Other good cause.

By January 15th of the termination year of this Charter, the **Sponsor** shall notify the **School Governing Authority** of the proposed action in writing. The notice shall include the reasons for the proposed action in detail, the effective date of the non-renewal, and a statement that the **School Governing Authority** may, within fourteen (14) days of receiving the notice, request in writing, an informal hearing before the **Sponsor**. The informal hearing shall be held within fourteen (14) days of the receipt of a request for the hearing. Within fourteen (14) days following the informal hearing, the **Sponsor** shall issue a written decision either affirming or rescinding the decision to not renew this Charter.

- (b) If the **School Governing Authority** does not intend to renew this Charter with the **Sponsor**, the **School Governing Authority** shall notify the **Sponsor** in writing of that fact at least one hundred eighty (180) days prior to the expiration of this Charter. In such a case, the **School Governing Authority** may enter into a Charter with a new **Sponsor** in accordance

with R.C. 3314.03, upon the expiration of this Charter or at the sole discretion of the **Sponsor**, by an assignment of this Charter before its expiration date.

- 11.9 **Probation.** The **Sponsor** may, in lieu of suspension or termination, declare in writing that the **School Governing Authority** is in a probationary status, after consulting with the **School Governing Authority** or authorized parties thereof, and specifying the conditions that warrant probation and after receiving the **School Governing Authority's** written assurances (satisfactory to Sponsor) of the actions and time frames necessary to remedy those conditions. Such probationary status shall not extend beyond the then current school year. The **Sponsor** may proceed to suspension, termination or take-over of operations if the **Sponsor** finds at any time, that the **School Governing Authority** is no longer able or willing to remedy the conditions to the satisfaction of **Sponsor**. For purposes of this Charter, the **Sponsor** agrees to attempt to declare probationary status with the **School Governing Authority**, before proceeding to suspension, except in extraordinary circumstances such as those involving the health and safety of students, or waste or illegal use of state or federal funds.
- 11.10 **Intent to Suspend/Suspension.** The **Sponsor** may suspend operations of the **School** for (1) failure to meet student performance requirements stated in this Charter, or (2) failure to meet generally accepted standards of fiscal management, or (3) violation of any provision of this Charter or applicable state or federal law, or (4) other good cause or if funding to the **School Governing Authority** should cease under R.C. 263.420, if the **Sponsor** sends a written notice of intent to suspend explaining the reasons and provides the **School Governing Authority** with seven (7) business days to submit a remedy, and promptly reviews and disapproves the proposed remedy, or if the **School Governing Authority** fails to submit a remedy or fails to implement the remedy.

Once the **School Governing Authority** is suspended it must cease operations on the next business day, immediately send notice to all **School** employees and parents stating that the **School** is suspended and the reasons therefore, and the **School** again has an opportunity to submit a proposed remedy within seven (7) business days. At all times during suspension, the **School Governing Authority** remains subject to non-renewal or termination proceedings in accordance with the law.

Under R.C. 3314.072(E)(1), if the **School Governing Authority** fails to provide a proposal to remedy the conditions cited by the **Sponsor** as reasons for the suspension by the thirtieth (30th) day of September of the school year immediately following the school year in which the operation of the **School** was suspended, this Charter shall become void.

- 11.11 **Termination of the Charter.** The **Sponsor** may choose to terminate this Charter for any of the following reasons: (1) failure to meet student performance requirements stated in this Charter, (2) failure to meet generally accepted standards fiscal management, (3) violation of any provision of this Charter or applicable state or federal law, or (4) other good cause.

Additionally, if the **Sponsor** has suspended the operation of this Charter under R.C. 3314.072, the **Sponsor** may choose to terminate this Charter prior to its expiration.

By January 15th of the termination year of this Charter, the **Sponsor** shall notify the **School Governing Authority** of the proposed action in writing. The notice shall include the reasons for the proposed action in detail, the effective date of the termination, and a statement that the **School Governing Authority** may, within fourteen (14) days of receiving the notice, request, in writing, an informal hearing before the **Sponsor**. The informal hearing shall be held within fourteen (14) days of the receipt of a request for the hearing. Within fourteen (14) days following the informal hearing, the **Sponsor** shall issue a written decision either affirming or rescinding the decision to terminate this Charter.

The termination of this Charter shall be effective upon the occurrence of the later of the following events:

- (a) ninety (90) days following the date the **Sponsor** notifies the **School Governing Authority** of its decision to terminate this Charter as provided for above; or
- (b) if an informal hearing is requested and as a result of that hearing the **Sponsor** affirms its decision to terminate this Charter, the effective date of the termination specified in the notice.

If this Charter is terminated for failure to meet student performance requirements stated in the contract or for failure to meet generally accepted standards of fiscal management, then the **School Governing Authority** shall not enter into a charter with any other **Sponsor**.

- 11.12 **Compliance with Requests of Sponsor.** The **School Governing Authority** and the **School** shall timely comply with all reasonable requests of the **Sponsor**, and allow the **Sponsor** to monitor the **School** operations. Failure to do so is grounds for suspension and termination or non-renewal of this Charter, provided Notice is completed in accordance with Section 11.15. Timeliness is defined as an answer in writing within seven (7) business days (unless another time is otherwise required pursuant to this Charter) and adequate assurances of cure or actual cure within a period of time acceptable to the **Sponsor**.
- 11.13 **Headings.** Headings are for the convenience of the parties only. Headings have no substantive meaning.
- 11.14 **Assignments.** This Charter and its terms shall not be assigned or delegated without the express written approval of the other party.
- 11.15 **Notice.** Any notice to one party by the other shall be in writing and effective upon receipt and may be satisfied by personal delivery or by any other means by which receipt can be documented, to; in the case of the **Sponsor** or **Sponsor's Designee**, the President; or, in the case of the **School Governing Authority**, the President, and to the attorney for the **School Governing Authority**, at the last known business address of the **Sponsor**, and the

last known business or home address of the **School Governing Authority** President and the attorney for the **School Governing Authority**. If such notice is provided by fax or email, and is received after 5 p.m. local time, it shall be considered to have been received the next business day. Notice shall not be provided by any electronic means other than by fax or by email to a recipient's valid business (not personal) email address; written notice shall not be made using other electronic means such as text message or social media.

Should the **School** be abandoned by or not have in place, an administrator or an authorized Director of the Board, the **Sponsor** may give notice to the Ohio Department of Education.

The **Sponsor** agrees that to the extent that the **School** or **School Governing Authority** is required to provide notice regarding or copies of updated policies or attachments not otherwise requiring a charter modification and the same is disseminated and approved at an open meeting of the **School Governing Authority** at which a **Sponsor** representative is present, **Sponsor** will consider any notice required to be provided to it by the **School** or **School Governing Authority** to have been satisfactorily provided by the **School** or **School Governing Authority**.

- 11.16 **Severability**. Should any term, clause or provision of this charter be deemed invalid or unenforceable by a court of competent jurisdiction, all remaining terms, clauses or provisions shall remain valid and enforceable and in full force and effect, and the invalid or unenforceable provision shall be stricken or replaced with a provision as near as possible to the original intent.
- 11.17 **Changes or Modifications**. This Charter constitutes the entire agreement among the parties and any changes or modifications of this Charter shall be made and agreed to in writing, authorized and executed by both parties. Mutually agreed-to changes that are not mid-contract term changes shall be based on a goal to improve the academic, financial and operational performance of the **School** in a commitment to mutual growth and progress. The **School Governing Authority** acknowledges that the **Sponsor** is expected to update this Contract mid-term annually to account for changes in law or duly adopted rule, or changes in the Ohio Accountability System. Therefore, the **School** agrees that a mid-contract term modification may be necessary annually. Notifications required by this Charter shall not be considered changes or modifications of this Charter.
- 11.18 **Changes in Rule or Law**. The **School**, **Sponsor** and **School Governing Authority** shall not carry out any act or perform any function that is not in compliance with current Ohio Community School Law located in Ohio Revised Code Chapter 3314 or other applicable laws in the Ohio Revised Code, the United States Constitution, the Ohio Constitution, or Federal law (including but not limited to ESSA or successor legislation and IDEA), and that they are each individually subject to all applicable changes in rule and/or law regardless of whether or not this Charter is modified to specifically reflect those changes

- 11.19 **Attachments.** All **Attachments (1.3-9.4)** to this Charter are attached hereto and incorporated by reference into the Charter.
- 11.20 **Sponsor Authority.** **Sponsor** warrants and represents that it is an authorized **Sponsor** as defined in Chapter 3314 of the R.C. and that it is in good standing with the Ohio Department of Education (ODE). **Sponsor** agrees to provide the **School** with a copy of any formal actions issued by the State Board of Education that adversely affect the ability of the **Sponsor** to sponsor community schools.

TRUSTEES AS MEMBERS

- 1.5 There shall be no members of the Corporation. The Board of Trustees shall, for purposes of any statute or rule of law relating to Ohio non-profit corporations, act as the members of the Corporation, and shall have all the rights and privileges of members as permitted by the Ohio Non-Profit Corporation Code Chapter 1702, as amended; provided, however, that the provisions governing meetings of Trustees set forth herein shall also apply to the meetings of Trustees when acting as members of the Corporation. The Board of Trustees is self-perpetuating.

VOTING

- a. Each Trustee of the corporation shall be entitled to one vote on each matter properly submitted to the BOARD for its vote, consent, waiver, release or other action. Voting at elections and votes on other matters must be in person. No Trustee may vote or act by proxy.

NO BENEFICIAL INTEREST

- b. Trustees of the corporation shall have no right, title, or interest whatsoever in its income, property, or assets, nor shall any portion of such income, property, or assets be distributed to any Trustee on the dissolution or winding up of the corporation.

NO PERSONAL LIABILITY

- c. Trustees of the corporation shall not be personally liable for the debts, liabilities, or obligations of the corporation, and shall not be subject to any assessments.

TAX STATUS

- 1.6 Notwithstanding any other provision of the Articles of Incorporation ("ARTICLES") or the Code of Regulations ("REGULATIONS"), the corporation shall not carry on any other activities not permitted to be carried on:

BY EXEMPT ORGANIZATIONS

- a. by a corporation exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code of 1986, or the corresponding section of any future federal tax code, or

FOR DEDUCTIBLE CONTRIBUTIONS

- b. by a corporation, contributions to which are deductible under Section 170(c)(2) of the Internal Revenue Code of 1986, or the corresponding section of any future federal tax code.

DUTIES OF TRUSTEES AND OFFICERS

- 1.7 A Trustee or officer shall perform all duties as such in good faith, in a manner reasonably believed to be in or not opposed to the best interests of the corporation, and with the care that an ordinarily prudent person in a like position would use under similar circumstances.

RELIANCE ON INFORMATION

- a. A Trustee or officer may rely on information, opinions, and reports prepared by others reasonably believed to be reliable and competent in the matters prepared or presented.

LIMITATION OF LIABILITY

- b. To the fullest extent permitted by law a Trustee or officer shall not be liable for any judgments, decrees, fines, penalties, amounts paid in settlement, and other liabilities for any act Trustee takes or fails to take as a Trustee or officer of the corporation, unless it is proved, by clear and convincing evidence, in a court with jurisdiction, that the act or omission of the Trustee or officer was one undertaken with a deliberate intent to cause injury to the corporation or was one undertaken with reckless disregard for the best interests of the corporation.

INDEMNIFICATION

- c. To the fullest extent permitted by law, each Trustee and officer of the corporation shall be indemnified and held harmless by the corporation from and against any and all losses, claims, damage, liabilities, expenses (including attorney's fees), judgements, fines, settlements and other amounts reasonably incurred by Trustee arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative in which Trustee may be involved or threatened to be involved by reason of Trustee's management of the affairs of the corporation or his or her status as an officer or Trustee of the corporation or a similar capacity in another entity at the request of the corporation whether or not he or she is a Trustee or officer of the corporation or continues in a similar capacity in such other entity at the time of incurring such loss, cost and expense.

PAYMENT OF COSTS

- d. To the fullest extent permitted by law, all costs and expense incurred by a Trustee or officer in defending any claim, demand, action, suit or proceeding shall be paid by the corporation as they are incurred prior to the final disposition of the action, suit or proceeding subject to repayment of such amount if it is proved by clear and convincing evidence in a court of competent jurisdiction that Trustee's action or failure to act involved an act or omission undertaken with deliberate intent to cause injury to the corporation or undertaken with reckless disregard for the best interests of the corporation.

OTHER RIGHTS

- e. The corporation shall purchase directors and officers liability insurance sufficient to ensure indemnification and payment of costs.

This indemnification shall not be exclusive of any other rights which any Trustee or officer may be entitled to as a matter of law.

The termination of any claim, action, suit, or proceeding by judgment, order, settlement, conviction, or plea of guilty or nolo contendere shall not create a presumption that such person did not meet the standards of conduct set forth in this Article.

The indemnification provided by this Article shall not be deemed exclusive of, or in any way to limit, any other rights to which any person eligible for indemnification may be or may become entitled as a matter of law, or pursuant to the Articles of

Incorporation, the Code of Regulations, agreements, insurance coverage, or otherwise. The indemnification provided by this Article shall continue as to a person who has ceased to be a Trustee or officer and shall inure to the benefit of the heirs, executors, and administrators of such person.

Irrespective of the provisions of this Article, the Board of Trustees at any time or from time to time, may approve the indemnification of Trustees and officers or other persons to the full extent permitted by the provisions of the Ohio General Non-Profit Corporation law at the time in effect, whether on account of past or future transactions.

The extension of rights of indemnification hereunder by liberalization of any existing law of the State of Ohio shall not be construed as limiting any right of indemnification of any Trustee or officer which has accrued under an existing law. It is the intention of this provision that any liberalization of the law of the State of Ohio shall inure to the benefit of Trustees and officers entitled to indemnification. No change in the law of Ohio decreasing the rights of indemnification shall be deemed to derogate from or decrease any right of indemnification which shall have accrued or vested prior to the change in such law.

If any part of this Article shall be found in any action, suit or proceeding to be invalid or ineffective, the validity and the effect of the remaining provisions of this Article shall not be affected.

DISSOLUTION OF CORPORATION

- 1.8 On the dissolution of the corporation, all assets shall be distributed for one or more exempt purposes within the meaning of Section 501(c)(3) of the Internal Revenue Code of 1986, or the corresponding section of any future federal tax code. No part of the net earnings of the corporation shall inure to the benefit of, or be distributable to its Trustees, officers or other private persons.

ARTICLE II

BOARD OF TRUSTEES

MANAGEMENT

- 2.1 To the fullest extent permitted by law, the ARTICLES and the REGULATIONS, the BOARD shall constitute the governing body of the corporation and except as otherwise required by law, the ARTICLES or the REGULATIONS, all of the authority of the corporation in its affairs shall be managed by the BOARD.

QUALIFICATION

- 2.2 Natural persons and other entities may be approved as trustees by a majority of the BOARD.

NUMBER FIXED BY BOARD

- 2.3 Until changed in accordance with the provisions of the REGULATIONS, the number of Trustees shall not be less than five (5) nor more than eleven (11) with the exact number to be determined from time to time by the BOARD. The Board shall endeavor (but is not required) to have an odd number of Trustees.

ELECTION OF TRUSTEES

- 2.4 Trustees shall be elected at the annual meeting of BOARD, and when the annual meeting is not held or Trustees are not elected thereat, they may be elected at a special meeting called and held for that purpose.

TERM OF TRUSTEES

- 2.5 The normal term of a Trustee shall be for three (3) years commencing in June of a given year. In order to provide continuity in the membership of the BOARD, the policy shall be to elect Trustees for staggered terms with initial terms and vacancies to be filled for unexpired terms in order to accomplish this purpose. Trustees whose terms have expired but whose successors have not been elected and qualified shall continue to hold office beyond the expiration date of their term until their successors are elected and qualified. The Board of Trustees shall at its inaugural meeting designate each initial Trustee's term as either one (1), two (2) or three (3) years so that there is an approximately equal number of Trustees whose term expires in each year. Subsequent to the initial election all Trustee terms shall be for three (3) years.

VACANCIES

- 2.6 In the event of the death, removal, or resignation of a Trustee, the remaining Trustees by the vote of a majority of their number may fill the vacancy created in the BOARD for the unexpired term. In the event the BOARD increases the number of Trustees but fails at the meeting at which such increase is authorized or at an adjournment thereof to elect the additional Trustees provided for, or in the event the Trustees fail at any time to elect the whole authorized number of Trustees a vacancy shall exist until the BOARD fills the vacancy. A Trustee may be removed by a two-thirds majority of all remaining attending Trustees, at which a quorum is present, when in the BOARD'S judgement such removal is in the best interest of the corporation.

BY-LAWS

- 2.7 For the governance of its action, the BOARD may amend or adopt amended By-laws consistent with the ARTICLES and REGULATIONS.

APPOINTMENT OF OFFICERS

- 2.8 Without limitation upon the generality of the powers conferred on the BOARD, the BOARD shall have the power to fix, define, and limit the powers and duties of all officers of the corporation, to appoint and at their discretion with or without cause to remove or suspend such officers, and to fix and determine all salaries or compensation of all officers.

COMMITTEES

- 2.9 The BOARD may provide for such standing or special committees as they deem desirable and may discontinue any of them at their pleasure. At the BOARD'S discretion, any standing or select committee may include individuals who are not Trustees. Each such committee shall have such powers and perform such duties, not inconsistent with law, the ARTICLES or the REGULATIONS, as may be delegated to it by the BOARD. Vacancies in such committees shall be filled by the BOARD or as the BOARD may otherwise provide.

ARTICLE III

MEETINGS OF THE TRUSTEES

ANNUAL MEETING

- 3.1 The annual meeting of the BOARD of this corporation shall be held as provided by resolution of the BOARD. Until changed such meeting shall be held on a date fixed by the BOARD. The purpose of the annual meeting shall be (among other things) to elect Trustee(s) or re-elect current Trustee(s) whose term expired or is expiring in the current calendar year.

SPECIAL AND REGULAR MEETINGS

- 3.2 Special meetings of the Trustees may be called at any time by the President of the BOARD, or in his absence a Vice-President, the Trustees by action at a meeting, or a majority of all Trustees acting without a meeting. The corporation shall endeavor to hold ten (10) regular meetings a year (including its annual meeting). Either at the discretion of the President or by majority resolution of the BOARD, the corporation may hold less than ten (10) meetings per year. All meetings shall comply with applicable notice requirements of this CODE OF REGULATIONS and Ohio's Open Meetings Law, Ohio Rev. Code 121.22. Notwithstanding anything to the contrary in this CODE OF REGULATIONS, no group of Trustees which consist of a majority of the BOARD, including committees, shall meet in a prearranged manner to discuss public school business, without proper notice to the public of a regular or special meeting.

The rules contained in the current edition of Robert's Rules of Order Newly Revised, shall govern the applicable procedure at meetings, as long as such rules are not inconsistent with this CODE OF REGULATIONS, Ohio law, or any special rules the BOARD may adopt.

AGENDA FOR MEETINGS

- 3.3 The policy shall be to furnish an agenda for all meetings, in advance, whenever possible but failure to state the purpose of the meeting shall not invalidate the notice.

LOCATION OF MEETINGS

- 3.4 Meetings of the BOARD shall be held at the principal office of the corporation or at such other place within or without the State of Ohio as the BOARD may determine from time to time and as shall be designated in the notice of the meeting. While Board Members must be physically present to vote, communication equipment may be used at the meeting to constitute participation in the meeting if all persons participating can communicate with each other.

NOTICE OF MEETING(S)

- 3.5 Unless waived, a written notice or electronic notice of any regular meeting, stating the day, hour and place, and the purpose or purposes thereof, shall be served, mailed or emailed to each Trustee of record entitled to vote or entitled to notice, not more than sixty (60) days nor less than five (5) days before the date of the meeting. Notice of any Special Meeting may be made other than by written notice when circumstances dictate and must be given at least twenty-four (24) hours in advance stating the purpose. If notice is mailed or emailed, it shall be directed to a Trustee at his/her address or email address as the same appears on the records of the corporation, respectively. Notice of meetings shall be posted and provided to the public as required by Ohio law.

RECORD DATE FOR NOTICE

- 3.6 The record date for determining who are entitled to receive notice of a meeting shall be the date next preceding the day on which notice is given unless the BOARD fixes some other record date but shall not be a date earlier than the date on which the BOARD fixes such record date and shall not be more than 60 days preceding the date of the meeting.

WAIVER OF NOTICE

- 3.7 Any Trustee, either before or after any meeting, may waive any notice required to be given by law, the ARTICLES, or REGULATIONS. Attendance by any Trustee whether in person or telephonically and consents to hold a meeting shall be valid for all purposes without call or notice, and at such meeting any action may be taken permitted by law, the ARTICLES or the REGULATIONS.

QUORUM

- 3.8 Any number greater than half (1/2) of all Trustees of record (either in person or telephonically) attending any meeting called for any purpose, shall constitute a quorum. At any meeting at which a quorum is present, all questions and business which shall come before the meeting shall be determined by the vote of a majority of those attending.

MAJORITY VOTE

- 3.9 A majority of the Trustees present at a meeting at which a quorum is present is the act of the BOARD unless the act of a greater number is required by the ARTICLES or REGULATIONS provided however, a majority of the BOARD shall be required to fill a vacancy for an unexpired term in the BOARD.

ADJOURNED MEETINGS

- 3.10 At any meeting, a majority of the Trustees present in person or telephonically may adjourn, from time to time, and from place to place, without notice other than by announcement at the meeting. At any such adjourned meeting, any business may be transacted which might be transacted at the meeting as originally notified or held.

RECORD DATE FOR VOTING

- 3.11 The record date for determining the Trustees who are entitled to vote at a meeting shall be five days prior to the date on which the meeting is fixed to be held unless the BOARD fixes some other record date which shall not be a date earlier than the date on which the BOARD fixes such record date and shall not be more than 60 days prior to the date fixed for the meeting.

ACTION WITHOUT MEETING

- 3.12 Unless otherwise prohibited by law, any action which may be taken at any meeting of Trustees may be authorized or taken without a meeting with the affirmative vote or approval, in writing, signed by at least a majority of Trustees.

EXPENSE OF MEETINGS

- 3.13 By resolution of the BOARD expense of attendance, if any, may be allowed for attendance at each regular or special meeting of the BOARD.

ARTICLE IV

OFFICERS

- 4.1 Officers shall be elected by a majority vote of the BOARD and are: President, one or more Vice-Presidents, a Secretary, a Treasurer, and such other officers as the BOARD may from time to time select. Other than the President and Vice President, any two (2) or more of such offices may be held by the same person.
- 4.2 Officers of the corporation shall hold office at the pleasure of the BOARD. The BOARD may remove any officer at any time with or without cause with a majority vote of Trustees attending a meeting in which a quorum is present. A vacancy in any office however created shall be filled by the BOARD.
- 4.3 The President shall preside at all meetings of the BOARD and shall perform duties usually attached to that office and those duties assigned to him by the BOARD.
- 4.4 The Vice-President, Secretary, and Treasurer, shall generally perform all the duties usually performed by such officers of like corporations and such further duties as may from time to time be required of them by the BOARD.
- 4.5 Starting in June 2017, all office positions shall be two-year terms.

ARTICLE V

INDEMNIFICATION AND INSURANCE

- 5.1 The corporation may indemnify and hold harmless each employee, volunteer and agent of the corporation, as the BOARD from time to time determines, to the same extent permissible with respect to Trustees and officers by the ARTICLES and REGULATIONS, against all cost and expense reasonably incurred by him, in connection with any action, suit or proceeding, to which he is made a party by reason of his status as such, or having a similar status within the other entity at the request of the corporation, whether or not he is acting in such capacity at the time of incurring such cost and expense.
- 5.2 The corporation may purchase and maintain insurance in such amounts as the BOARD from time to time determine to insure each person acting as Trustee, officer, employee, agent or volunteer, in such capacity against any liability asserted against him, arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under Section 1702.12(E)(1) and (E)(2) of the Revised Code of Ohio.

ARTICLE VI

AMENDMENTS

- 6.1 Neither the ARTICLES, nor the REGULATIONS, shall be amended in such a manner that the corporation will cease to be a charitable corporation.
- 6.2 Amendment of the ARTICLES or REGULATIONS shall require the affirmative vote of two-thirds (2/3) majority of the Trustees present at a meeting at which a quorum is present.

- 6.3 Dissolution of the corporation shall require the affirmative vote of two-thirds majority of the Trustees present at a meeting at which a quorum is present.

Unanimously approved by all initial trustees (see above for definition on 1/9/2016).

Amendment approved by all trustees on 5/4/2019.

Accounting Policies and Procedures Manual
Description of Internal Control Procedures

Rev. April 30, 2019

Accounting Policies and Procedures

FISCAL MANAGEMENT OVERVIEW

The Fiscal Officer/Finance Department strives to reflect sound economic and accounting policies in the operation of the Schools. The Schools believe that having established procedures and strong internal controls are integral parts of delivering their educational models and achieving their mission of serving the youth.

The following specifically addresses the policies, procedures, and internal control practices the Schools will follow.

FISCAL MANAGEMENT PROCEDURES

I. Purchasing

The Fiscal Officer is responsible for assuring that all purchases against the assigned budget are appropriate and necessary.

The purchasing process is initiated when a School Administrator presents a proposal to the Board for approval of a purchase. Once approved by the Board, the order is placed by the School Administrator in collaboration with the Fiscal Officer. This collaborative effort ensures that the Board's requirements regarding that purchase are being met.

II. Accounts Payable

All vendor invoices are received and retained by the Finance Department. Once an invoice is received, it is coded within the accounting system, and placed aside to be paid. Once per week, checks are issued for all invoices received that week.

A weekly check run is approved by the School Treasurer via email. The email includes a listing of the bills to be paid. After approval, bills are then paid via Bill.Com.

No manual checks are issued without the authorization of the Fiscal Officer.

All bank accounts are reconciled on a monthly basis by the Fiscal Officer. The Fiscal Officer then reviews, approves, and signs the completed reconciliation. Any necessary adjustments to the general ledger are made at the time of reconciliation.

III. Travel

Employees and Board Members of the School are entitled to reimbursement of business-related expenses associated with their performance of official school business.

Where applicable, all reimbursements are processed in accordance with U.S. GSA (General Services Administration) guidelines with respect to per diem and mileage rates.

Reimbursement requests must be submitted on a standard form (provided by Finance Department) and completed with all required information (dates, places, business purpose, and amount). All requests, with the exception of mileage, shall be accompanied by an original receipt to confirm the occurrence of the expense.

IV. Cash Receipts

All checks received by the School are submitted to the Fiscal Officer (or his designee) at the time of receipt. The checks are then marked “for deposit only” and secured in a locked drawer until the deposit is made.

Checking accounts are reconciled monthly in order to keep an accurate record of bank activity.

All cash collections are deposited into the appropriate bank account on a regular basis. The Fiscal Officer then records all deposits to the general ledger.

The majority of cash collections will be received electronically by the School’s bank via EFT/ACH. Such deposits will be recorded to the general ledger at the time of receipt.

V. Accounts Receivable

To the extent required, the Finance Department will provide general invoices to outside entities/agencies. Such invoices will be generated through the accounting system, reviewed by the Fiscal Officer and sent to the appropriate party for collection.

Upon collection of monies due on a particular invoice, the Finance Department will follow the cash receipt procedures previously described and close the outstanding amount in the accounting system.

VI. Investments

The School will maintain monies and cash balances in an interest-bearing checking account. Interest generated on balances maintained is credited by the financial institution on a monthly basis. The amount of interest earned is receipted and recorded to the general ledger when the credit is received.

Note: Initially, the School will not maintain any investments beyond interest-bearing instruments available through its financial institution. At such a time that the school is able to consider a more diverse investment strategy, a Board-Approved Investment Policy will be put in place to specifically address the types of instruments the School will be invested in as permitted by law.

VII. Fixed Assets

The School will follow a policy of capitalizing individual assets costing greater than \$5,000.

The School, through the direction of the Fiscal Officer, will use a fixed asset database to maintain a record of all assets meeting the criteria for capitalization and owned by the school.

The database shall include the following information:

- Asset tag number
- Description
- Serial number (if available)
- Check number
- Acquisition date
- Location
- Estimated life

All depreciation related to the maintaining of these assets will be calculated by the database.

VIII. Grant Programs

All applications for supplemental grant funding through State and/or Federal sources requires approval of the Board.

At the Board's annual meeting, they will authorize the designated administrator to apply for and manage all federal and state grant awards for the year. New awards throughout the fiscal year require additional Board approval before the applications are submitted. Budgets are presented to the School's governing board and then forwarded to the State Department of Education for approval.

The designated CCIP administrator monitors grant award budgets, acts as a control agent, and is responsible for monitoring any specific compliance issues related to the grant.

IX. Month End Procedures

On a monthly basis, the Fiscal Officer will produce a set of standard financial statements that will consist of no less than the following components:

- Statement of Net Assets (Balance Sheet)
- State of Changes in Net Assets (Income Statement)
- Budget versus Actual Comparison
- Check Register
- Bank Reconciliation

These documents are presented to the Board for approval at the regularly scheduled meetings.

Internal Control Policies and Procedures

The Finance Department has established the following additional procedures to maintain internal control over the following two areas:

I. AUDIT

The School will receive an annual independent financial audit by a qualified auditing firm. The auditor will perform their audit in accordance with Generally Accepted Accounting Principles (GAAP), General Accepted Auditing Standards (GAAS). And Government Auditing Standards to determine whether the financial statements fairly present the financial position of the School, whether internal controls over financial reporting have been properly designed and implemented, and whether the School has complied with all applicable laws and regulations.

II. BUDGET

The School will prepare and adopt an annual budget. The operating budget is prepared under the direction of the Board and the Fiscal Officer. The final decision-making authority with regard to budget issues rests with the Board, with input from the Fiscal Officer.

Increases, decreases and adjustments to the final operating budget throughout the year are presented to the Board for approval. Once approved, the change is recorded in the budget and the financial records of the School by the Fiscal Officer. A revised budget is then issued and becomes the operating budget for the School.

At each regular meeting of the Board and upon close of each fiscal year, the Fiscal Officer determines the actual position as compared to the budget and presents the results to the Board.

III. CREDIT CARD POLICY

The purpose of the NOCA credit card is to facilitate small purchases when other means are not practical or efficient. This policy shall govern the appropriate use of the card and accounting for any card activity.

GENERAL

1. The Treasurer will be responsible for the issuance, account monitoring, and retrieval and generally for overseeing compliance with the credit card policy.
2. The Treasurer or an employee designated by the Treasurer may use the credit card, only for goods or services for the official business of the School. Documentation detailing the goods and services purchased must be submitted through the standard requisition process and approved before payment with the card

can occur. The card may only be used to make purchases over the phone or internet. The card is not authorized for use in person by any individual.

3. The Treasurer is responsible for the protection of the credit card and will immediately notify the financial institution issuing the card if the card is lost or stolen. The actual card itself will be secured in a locked safe at all times. Only an image of the card will be maintained to make necessary purchases.

4. The School will use disciplinary measures consistent with current law for any unauthorized use.

5. Any benefits derived from the use of the credit card will be the property of the School.

6. The balance due on the credit card account will be paid within the balance period indicated on the monthly statement. The School accepts full responsibility for the debt incurred on the credit card.

8. The Treasurer must immediately surrender the credit card upon leaving his/her position with the School or Board.

9. A credit card is not the same as a debit card, which is not allowable for use by the School.

CREDIT CARD GUIDELINES

A credit card will only be issued to the Treasurer by its primary bank. It will be honored for School business by any vendor or merchant who accepts the card. The card has an authorized maximum spending limit of \$2,000.

Purchases made via the credit card must comply with the School's financial policies and purchasing guidelines. This card in no way changes such policies. It simply provides another method for making certain payments.

Violations of this Policy and Guidelines may result in revocation of use privileges and termination of employment. Anyone who has inappropriately used the credit card will be required to reimburse the School for all costs associated with such improper use.

CARD USAGE PROCEDURES

All credit card transactions can be performed over the internet, over the phone, or through the mail. The card is not authorized for use in person by any individual. When the credit card is used, the following guidelines shall be used.

1. Organize and record all planned card expenditures on the Credit Card Authorization Log and submit it to the Treasurer or his/her designee for review and approval.
2. Once approved, proceed with the purchase. Inform the merchant that payment will be made with the School's credit card and that it is a non-taxable purchase. If it is an internet, phone or mail order, give the merchant the card number and expiration date.
3. Retain all receipts and credit card slips.

4. Follow established guidelines for approval and payment of the charges in advance of using the card.

TAX EXEMPTION

Individuals making the purchase must notify the vendor or merchant that the credit card transaction should be tax exempt, as it is for goods or services to be used by the School. If requested, the standard Ohio Sales Tax Exemption Certificate should be presented to the vendor for audit purposes.

Credit Card Policy – Page Three

ALLOWABLE CHARGES

In general, the credit card may be used for the following expenses:

1. Travel expenses
2. Conference registration fees.
3. School Materials
4. Small Equipment purchases (less than \$500)
5. Supplies

The credit card may not be used for personal use, items not covered by the categories listed above, or for non-School use.

CREDIT CARD SECURITY

The credit card must be kept in a secure location at all times. The Treasurer will keep a permanent record of the card, the credit limit established, the date issued and the date returned.

The only person entitled to use the credit card is the Treasurer whose name appears on the face of the card or someone authorized by the Treasurer. If the credit card is lost or stolen, the Treasurer and the issuing bank are both to be immediately notified.

ACCOUNTING and PAYMENT PROCEDURES

Upon receipt of the credit card statement, the Treasurer or designee is responsible for reviewing the statement for accuracy. This will include reconciling original receipts to the statement transactions, as well as, comparing charges to a credit card authorization log.

The Treasurer or designee will then assign an account code to each charge and record all activity in the School's general ledger on at least a monthly basis. Once recorded, the Treasurer will arrange for payment with its State Fiscal Officer.

The Treasurer must retain the approved credit card statements and accompanying receipts on file in accordance with the School's Record Retention Policy.

CLOSING PROCEDURES ASSURANCE DOCUMENT

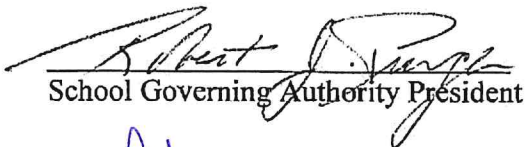

By signing this document, I Robert Pruger, hereby certify that I am the School Governing Authority President and/or authorized representative of Northwest Ohio Classical Academy. If Northwest Ohio Classical Academy should cease to exist for any reason, including but not limited to suspension, closure or termination as outlined in Ohio Revised Code, Chapter 3314, the School Governing Authority agrees to cooperate fully with the Sponsor and comply with all Community School Closing/Suspension Procedures put in place by the Ohio Department of Education or the sponsor at the time of the School's closing.

Furthermore, the School Governing Authority appoints Phil Schwenk, or the then current School leader, as Designee, to coordinate the closure of the School and to ensure all requirements of the Community School Closing/Suspension Procedures as prescribed by the Ohio Department of Education and the sponsor at the time of the School's closing are fully completed.

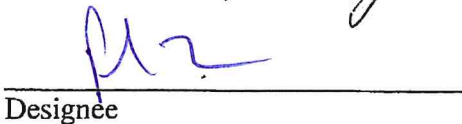

The School Governing Authority President, Treasurer and Designee hereby acknowledge they have reviewed the Ohio Department of Education Community School Closing/Suspension Procedures in effect at the time of executing this document and understand the duties to be undertaken should the School close. Failure to complete these duties as prescribed may result in criminal or civil penalties as permitted by law. Additionally, should Governing Authority, School leader, treasurer or designee fail to ensure that all closing requirements are fulfilled the Sponsor will manage the closure process and may require the Governing Authority to reimburse the Sponsor for the costs associated with closure.

Upon closure or suspension of the school, any property that was acquired by the operator or management company of the school using state funds that were paid to the operator or management company by the School Governing Authority as payment for services rendered shall be distributed in accordance with division (E) of section 3314.015 and section 3314.074 of the Revised Code.

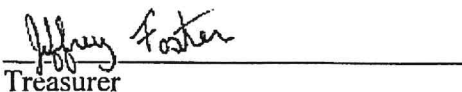

The designated fiscal officer and/or School Governing Authority shall ensure all financial and enrollment records are delivered to the Sponsor in a timely manner as well as to other entities specified in rule or Ohio Revised Code.

Attachment 3.7 - Racial and Ethnic Balance Policy

RACIAL AND ETHNIC BALANCE

Plan to Achieve or Continue Racial and Ethnic Balance

The School will attempt to achieve racial and ethnic balance by openly marketing to every subsection of the potential student population.

The School Governing Authority will assess the Racial and Ethnic Balance of the School within the first two months of the calendar year using detailed demographic information obtained from the U.S. Census Bureau and/or local report cards for which the school draws its students to determine racial balance comparative to the population.

Information will be reviewed by the School leader, the management company and the Governing Authority. Marketing plans for the School will be adjusted to ensure racial diversity. Efforts will be made to draw students from a diverse area to reflect the local population's ethnic and racial diversity best.

That being said, the School is a public school and enrollment will not be denied to any eligible applicants on the basis of sex, race, religion, national origin, ancestry, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability.

NORTHWEST OHIO CLASSICAL ACADEMY

Item 426, 427, 438, 440 & 442 – Admissions and Enrollment Policy

Date Adopted: Initial Contract and Updated November 13, 2019

Revised and approved May 2022 for the 2022-2023 School Year

OPEN ENROLLMENT

The NOCA Board and Administration shall permit the enrollment of students from any district within the state of Ohio, provided that each enrollment is in accordance with the laws of this State, the provisions of this policy, and the administrative guidelines established to implement this policy. NOCA may also admit out-of-state students, pursuant to its policies.

ADMISSION PROCEDURES

Admission to NOCA is open to any student in grades kindergarten through 11 for the 22-23 school year and grades kindergarten through 12 for the 2023-24 school year and beyond. The School will not charge tuition. The School will not discriminate in its pupil admission policies or practices on the basis of race, creed, color, religion, national origin, ancestry, sexual orientation, disability, sex, intellectual or athletic ability, measures of achievement or aptitude, or any other basis. Admission is open to students on a statewide basis. Upon admission of a student with a disability, the School will comply with all federal and state laws regarding the education of students with disabilities.

The School will admit the number of students that do not exceed the capacity of the School's programs, classes, grade levels or facilities. The School will not limit admission to students on the basis of intellectual ability, measures of achievement or aptitude, or athletic ability. Priority for enrollment shall be given to returning students. Preference may also be given to siblings of students attending the school the previous year and students who are children of full-time staff members employed by the school. The preference provided to children of full-time staff members shall be less than five percent of the school's total enrollment. If on the deadline date for a lottery drawing the number of applicants exceeds the capacity restrictions set for the School's programs, classes, grade levels or facilities, a lottery drawing will be held. Any and all enrollment period(s) will be as stated on the School's website; if enrollment exceeds capacity a lottery will be conducted. The lottery drawing places children in order for possible enrollment into the school. As the School operates and accepts students year round, if other places become available (after the lottery), students are accepted from a prioritized wait list based on the results of the lottery or, if there is no waitlist, then on a first come first serve basis. If a lottery is necessary, it shall take place at a public location. All parents of children selected in the lottery will be notified of the selection by email. Parents will have up to seven (7) days from receipt of the email to contact the School regarding their decision. If a parent does not respond within seven (7) days of receipt of the email, the school will select another child from the lottery. Notwithstanding the above, in the event the racial composition of the enrollment of the

School is violation of a federal desegregation order, the School shall take any and all corrective measures to comply with the desegregation order.

PROCESS AND CRITERIA

In order for a student to be admitted the following must be completed/submitted: the registration form and such other enrollment materials that the School deems necessary; copies of the child's original birth certificate or such alternative set forth below in the Records Upon Enrollment section of this policy, current immunization record as mandated by law, proof of residence and parent/ guardian ID. In addition, all custody or court orders pertaining to or allocating parental rights and responsibilities for the care of the student and designating a residential parent and legal custodian of the child shall be provided. Students may also need to complete an academic assessment before being placed in a classroom.

RECORDS TRANSFER

The School will verify eligibility according to residency and will report names and addresses to the local school district of those students who are enrolled in the School. In addition, once a student is enrolled, records are requested via mail on form letters, signed by a parent or guardian, from the appropriate school of last attendance. Follow-up calls are made to buildings that have not forwarded records as requested. This notice also serves as notice to the student's district of residence as required by law. The Records Release / Transfer includes a request for receipt of any student IEP/ETR/504 Plan that pertains to the student.

KINDERGARDEN ADMISSION

The School can admit to kindergarten any student; whose fifth birthday falls on or before September 30.

RESIDENCY AND ENROLLMENT REQUIREMENTS

Although NOCA has a statewide open enrollment policy permitting enrollment from any school or district in the State of Ohio, it is still necessary to establish a student's school district of residence before they can be enrolled in the School. The school district in which a parent or child resides is the location the parent or student has established as the primary residence and where substantial family activity takes place.

Residence is a place where important family activity takes place during the significant part of each day; a place where the family eats, sleeps, works, relaxes and plays. It must be a place, in short, which can be called "home." One cannot establish a residence merely by purchasing/leasing a house or an apartment or even by furnishing such a house or apartment so that it is suitable for the owner's use. No single factor is determinative; residency will be established by the totality of the circumstances.

The NOCA Board and Administration or its designee shall review the residency records of students enrolled in the School on a monthly basis. Upon the enrollment of each student and on an annual basis, the Governing Authority or its designee shall verify to the state department

of education each student's home school district, where they are entitled to attend school pursuant to §§ 3313.64 or 3313.65 of the Revised Code. Parents, guardians, or independent students age 18 and over must promptly notify the School using the documentation listed below when a change in the location of the parent's or student's primary residence occurs.

Upon enrollment and on an annual basis the following documents can be used to establish proof of residency for verification of a child's ability to enroll in the School and determination of the school district the student is entitled to attend under §§ 3313.64 and 3313.65. These items must be current, be in the parent's/guardian's name, and include a street address. The School shall require two forms of proof of residency for enrollment. A post office box address cannot be used to validate residency records.

- Deed or current real property tax bill
- Lease agreement
- Mortgage statement
- Utility statement or receipt of utility installation issued within thirty (30) days of the date of enrollment
- Most current bank statement available issued to the parent or student that includes the address of the parent's or student's primary residence
- Current homeowner's or renter's insurance declaration
- Paycheck or paystub issued to the parent or student within thirty (30) days of the date of enrollment that includes the address of the parent's or student's primary residence
- Affidavit of Residency accompanied by a utility bill, lease or mortgage statement.
- Any other official document issued to the parent or student that includes the address of the parent's or student's primary residence that does not conflict with the guidelines issued by the Superintendent of Public Instruction.

If NOCA and the student's home district (district of residency) disagree about residency, this policy shall prevail. In such a case, parents may be asked to provide additional information in order to resolve the dispute; however, the School is not obligated to ask for additional information based on other public schools' policies.

Moreover, the School will provide that school district with documentation of the student's residency and will make a good faith effort to accurately identify the correct residence of the student.

If a student loses permanent housing and becomes a homeless child or youth, as defined in 42 U.S.C. § 11434a, or if a child who is such a homeless child or youth changes temporary living arrangements, the district in which the student is entitled to attend school shall be determined in accordance with division (F) (13) of § 3313.64 of the Revised Code and the "McKinney-Vento Homeless Assistance Act," 42 U.S.C. § 11431 et seq.

RECORDS UPON ENROLLMENT

Upon receipt of completed enrollment forms, a request for records will be made within twenty-four hours from the public or non-public elementary or secondary school the pupil most

recently attended. Request for records includes any IEP/ETR/504 Plan that pertains to the student.

If the records are not received within 14 days of the date of request, or if the pupil does not present any one of the following: (1) a certification of birth; (2) a passport or attested transcript of a passport filed with a registrar of passports at a point of entry of the United States showing the date and place of birth of the child; (3) I-94 CARD, Permanent Resident Visa, or Green Card; or (4) a birth affidavit, the Principal or his/her designee will notify the law enforcement agency having jurisdiction in the area where the pupil resides of this fact and of the possibility that the pupil may be a missing child.

No student, at the time of initial entry or at the beginning of each school year shall be permitted to remain in school for more than fourteen days if the student has not met the minimum immunization requirements established by the Ohio Department of Health or the student presents written evidence satisfactory to the person in charge of admission and acceptable as an exception to such requirement in law.

This policy shall be reviewed annually.

LEASE

By this Lease (the "Lease"), dated as of the 31 day of March, 2021, **Northwest Ohio Classical Academy Foundation**, an Ohio not for profit corporation, with its office address of 5025 Glendale Avenue, Toledo, Ohio 43614 ("Landlord") hereby leases to **Northwest Ohio Classical Academy**, an Ohio not for profit corporation established and operating as a Ohio community school pursuant to Chapter 3314 of the Ohio Revised Code, with an office address of 5025 Glendale Avenue, Toledo, Ohio 43614 ("Tenant"), and Tenant hereby leases from Landlord, all of the land, buildings, parking lots, sidewalks, other areas and improvements, and ingress and egress rights, located at 5025 Glendale Avenue in Toledo, Lucas County, Ohio, Lucas County Tax Parcel No. 20-08123, which is legally described in Exhibit A (the "Premises"), upon the terms, covenants and conditions set forth in this Lease.

1. Term. This Lease shall be for a term of five years commencing on April 1, 2021 (the "Commencement Date"). Tenant's obligation to pay rent shall commence on the Commencement Date. Notwithstanding the foregoing, the Lease shall not extend beyond the term of Tenant's charter contract to operate a community school and the Lease shall automatically terminate if the charter contract is terminated. In the event of such termination, the Tenant shall promptly provide Landlord with notice. This Lease shall automatically renew for additional renewal terms of five (5) years provided the term shall not extend beyond the remaining term of Tenant's charter contract with its sponsor. Tenant may notify the Landlord at least twelve months prior to the termination of the then existing lease term that the lease term shall not be renewed.

2. Possession; Condition. Landlord agrees to deliver possession of the Premises to Tenant on the Commencement Date. Tenant is accepting the Premises in an "as is" condition.

3. Rent. Tenant shall pay to Landlord rent at the address stated in Section 23 (or to such other person or such other place as Landlord may designate by notice as provided therein), on the first day of each month during the Lease Term or in advance thereof in the following amounts. The initial rental payment shall be \$12,500 per month. Thereafter, the rental amount shall increase by the amount necessary to maintain a difference of \$1000 per month between the rental payment and the Landlord's mortgage payment on each anniversary of the Commencement Date.

Rent for any period which is less than one month shall be a prorated portion of the monthly installment set forth above based upon a thirty (30) day month and shall be in addition to the amount of fixed minimum rent to be paid herein.

4. Late Fees. Payments made after the twentieth (20th) day of the month shall be assessed a late fee equal to one percent (1%) of the outstanding amount at the option of the Landlord.

5. Security Deposit. Upon execution of this Lease, Tenant shall deliver to Landlord a security deposit equal to \$5000. The security deposit shall be held by Landlord, without interest, to assure performance by Tenant. If Tenant has performed and observed all terms, covenants and conditions of the Lease, including without limitation the payment of all rentals thereunder, as and when same become due, Landlord shall refund said security deposit to Tenant. Notwithstanding the

foregoing, however, upon Tenant's failure to pay rent or upon any default under this Lease, Landlord shall have the option to apply all or any portion of the security deposit funds toward Tenant's obligations under this Lease, and Tenant shall then be responsible for immediately replenishing the security deposit to its initial amount.

6. Use. The Premises shall be used by Tenant for the operation of a duly authorized public school operated in accordance with applicable Ohio school law and for related educational purposes (the "Permitted Use"). Tenant covenants and agrees, that at all times during the Term, the Premises shall be used only for the Permitted Use and for no other use without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed.

7. Quiet Enjoyment. Landlord covenants and agrees that so long as Tenant observes and performs all of the agreements and covenants required of it hereunder, Tenant shall peaceably and quietly have, hold and enjoy the Premises for the Term without any encumbrance or hindrance by Landlord or any party claiming to be under or through Landlord.

8. Utilities. Tenant shall contract for and pay for all necessary utilities serving the Premises, including without limitation, gas, electricity, water, sewerage services, telephone, and trash pickup. Tenant also agrees to pay for the installation and maintenance and monitoring service for the fire alarm system, fire sprinkler system, and the security system. Tenant agrees that neither Landlord nor Landlord's agents, employees, or representatives shall be liable for failure of the utility, company or municipality providing any such service to furnish, or for delay in furnishing, any service or utility, provided that such failure was not caused by Landlord or its agents, employees, or representatives.

9. Assignment and Subletting. Tenant shall not assign this Lease without the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned, or delayed. Any consent by Landlord to an assignment by Tenant, shall apply only to the specific transaction thereby authorized and shall not relieve Tenant from the requirement of obtaining prior written consent of Landlord to any further assignment. Tenant may sublease portions of the Premises if the Tenant finds that the sublease advances and is consistent with its educational purposes.

10. Alterations. Tenant may make any alterations, additions or improvements to or of the Premises or any part thereof consistent with Tenant's educational purposes. Any alterations, additions, or improvements to or of the Premises, including but not limited to, the installation of equipment affixed to the Premises in such a manner that such equipment becomes a fixture, but excepting movable furniture and trade fixtures, shall at once become a part of the Premises and belong to Landlord and shall be surrendered with the Premises. Any alterations, additions, or improvements to the Premises by Tenant shall be made by Tenant at Tenant's sole cost and expense, in a good and workmanlike and lien-free manner in accordance with applicable laws and diligently completed. All Tenant work shall comply with all applicable governmental codes, laws, ordinances, and regulations. Tenant shall obtain all necessary building and occupancy permits necessary to perform any Tenant alterations.

11. Repairs and Maintenance. Tenant shall, at the Tenant's expense, clean, maintain, repair, and replace the Premises and every portion thereof, inclusive of the roof, foundation, structure, and all HVAC, electrical, plumbing, and mechanical systems at, on, and serving the Premises, along with all utilities serving the Premises, all in a good, safe, and lawful operating condition and repair. Landlord shall have no obligation, financial or otherwise, for the condition of the Premises, including but not limited to, for any maintenance, repair, or replacement of any portion of the Premises, inclusive of any component thereof or any system(s) or utility(ies) serving the Premises.

12. Damage to Premises. Tenant shall be liable for any damage, injury or loss to the Premises or property therein that shall be caused in whole or in part by Tenant's acts or omissions or the acts or omissions of Tenant's agents, servants, employees, representatives, contractors, licensees, invitees, or guests, which shall apply to such acts to the Premises. Tenant shall have the right to repair such damage, injury or loss if such repair efforts are commenced within a reasonable time after the damage (but no later than 60 days after such damage occurs, unless extended by Landlord), injury or loss and if such are prosecuted with reasonable dispatch, and should Tenant fail to do so promptly, Landlord may, at its option, make such repairs and Tenant shall pay the cost thereof to Landlord on demand.

13. Taxes. If during the term of this Lease, real estate taxes are levied on all or any portion of the Premises subject to Permitted Use of Tenant, then Tenant shall pay to Landlord as additional rent the entire amount of such real estate tax bill for which Landlord shall pay directly to the applicable taxing authority, within sixty (60) days after written demand for the same. Such real estate taxes shall include ad valorem taxes and assessments, general and special assessments or other similar taxes which shall be levied or assessed, or which constitute or become liens upon the Premises, or otherwise any similar taxes which are imposed in lieu of any such real property taxes, including, but not limited to, the building, furniture, fixtures, equipment, and improvements situated thereon. Tenant shall further be solely responsible for any, and all costs and expenses in filing an application for real property tax exemption. Landlord shall cooperate with Tenant's reasonable requests to obtain any real property tax exemption for the Premises based on Tenant's use of the Premises as a public school, provided however Landlord shall incur no cost or expense in connection therewith. Landlord hereby consents to and authorizes Tenant to file an application for real property tax exemption as Landlord's agent or representative. Notwithstanding the foregoing or anything contained in the Lease to the contrary, Landlord shall not bill Tenant for Real Estate Taxes due under the Lease for a particular tax year if (a) Tenant receives a real estate tax exemption for such tax year based on use of the Premises as a public school, and (b) Landlord receives a copy of the determination letter from the Ohio Department of Taxation indicating that the Premises is exempt from Real Estate Taxes for such tax year.

14. Insurance. Tenant will, at all times during the Term, at its own cost, maintain (a) commercial general liability, including bodily injury and property damage insurance, including resulting from death, on an occurrence basis, with combined single liability limits of not less than One Million Dollars (\$1,000,000) per occurrence, Two Million Dollars (\$2,000,000) aggregate, covering Tenant's activities and operations in the Premises, (b) workers' compensation insurance in statutory amounts, (c) employer's liability insurance in an amount of One Million Dollars

(\$1,000,000) per person for each accident, or disease, (d) automobile liability with combined single limits of One Million Dollars (\$1,000,000) per occurrence, and (e) fire, extended coverage, vandalism and malicious mischief, and sprinkler damage and "all-risk" insurance coverage on the Premises in the amount of the full replacement cost of the Premises. Tenant's insurance policies shall name Landlord and Landlord's mortgagee as additional insureds as their interests appear. Prior to the Commencement Date, Tenant shall provide Landlord with a certificate of the insurance evidencing the coverages herein required of Tenant which shall indicate that the insurance policies are in full force and effect. Tenant covenants that certificates of all the insurance policies required under this Lease, and their renewal or replacement, shall be delivered to Landlord promptly upon request but no more than once a year. Such policy or policies shall also provide that it shall not be canceled without thirty (30) days' prior written notice to Landlord. If Tenant fails to supply and maintain any such insurance, Landlord shall have the right to purchase such insurance, or any part thereof, and the cost of such insurance shall, immediately upon demand by Landlord, become due and payable as additional rent hereunder.

15. Damage or Destruction.

15.1 If the Premises are damaged by fire or other casualty, Tenant shall promptly repair the Premises to the extent of available insurance proceeds only. The proceeds from the insurance to be provided under Section 14 will be used for any repair under this Section 15.1, and Tenant shall have no responsibility to expend any amount in excess of the proceeds for any such repair.

15.2 Insurance claims by reason of damage to or destruction of any portion of the Premises shall be adjusted by Tenant, but Landlord and any mortgagee of the Premises shall have the right to join with Tenant in adjusting any such loss. If the entire amount of any proceeds paid pursuant to any such claim is less than \$25,000, such proceeds shall be payable to Tenant. If the entire amount of any proceeds paid pursuant to any such claim is \$25,000 or more, then the proceeds will be paid to Tenant, but only upon Landlord's receipt of certificates of Tenant which are delivered to Landlord from time to time as the work of rebuilding, replacing, and repairing the damage or destruction to the Premises required by Section 15.1 progresses, each such certificate (a) to set forth a description of the work for which Tenant is requesting payment and the cost incurred by Tenant in connection therewith, (b) to state that Tenant has not received payment for such work and (c) to state whether or not all work required by this paragraph has been completed. Upon completion of such work the amount of any remaining proceeds will be paid to Tenant upon delivery to Landlord of a certificate of Tenant, to the effect that such work has been completed and complies with the requirements of Section 15.1.

16. Condemnation. If the whole or any part of the Premises is taken for any public or quasi-public use, under any statute or by right of eminent domain or private purchase in lieu thereof by a public body vested with the power of eminent domain, then, when possession is taken thereunder of the Premises then, either party, by written notice delivered to the other on or before the date of surrendering possession to the public authority, may terminate this Lease effective as of such surrender of possession. Tenant shall be paid such portion of the award of damages granted for said taking for the value of Tenant's leasehold improvements, trade

fixtures or alterations, Tenant's relocation costs and attorney or other professional fees, if any.

17. Surrender. At the expiration of this Lease, or at any earlier termination of this Lease pursuant to any provisions hereof, Tenant shall surrender the Premises broom clean, free of all debris, and in as good condition as they were at the beginning of this Lease or as improved during Tenant's occupancy, destruction by fire or other casualty for which Tenant is not liable, reasonable use, ordinary wear and tear and the effects of time excepted, failing which Landlord may restore the Premises, equipment and fixtures to such condition and Tenant shall pay the cost thereof upon demand. Tenant's obligations set forth in this Section 17 shall survive expiration or termination of the Lease.

18. Holding Over. Any holding over after the expiration of the term shall be construed to be a tenancy from month-to-month only, in which case the rent provisions will continue to apply during such month-to-month tenancy, and subject to all the other terms and the conditions set forth herein.

19. DEFAULT.

19.1. Tenant's Default. It shall be a default hereunder if Tenant shall (a) fail to pay, within ten (10) days after receipt of written notice of late payment from Landlord, any installment of Rent or any other charge or amount due hereunder; (b) fail to perform or observe any other covenant, agreement or provision hereof within thirty (30) days after receipt of written notice from Landlord; however, if such repair cannot reasonably be completed within ten (10) days after notice, Tenant shall not be liable if it commences repair within the ten (10) days and proceeds to complete same with due diligence as circumstances permit; (c) file a voluntary petition in bankruptcy, make an assignment for the benefit of creditors, is subject to the judicial appointment of a receiver or similar officer to take possession of said leasehold estate or the Premises, or is subject to the filing of a petition by, for or against Tenant under the bankruptcy laws; or (d) abandon or vacate the Premises and such abandonment or vacating shall continue for a period of sixty (60) days except for summer breaks or temporary suspension of operation for health and safety reasons. Upon the occurrence of a default, Landlord shall have the right to elect, at any time after the occurrence of a default to cancel and terminate this Lease by serving written notice on Tenant of such election, and to pursue any and all remedies at law or in equity that may be available to Landlord.

19.2. Landlord's Default. If Landlord fails to perform any of its obligations under this Lease, and such failure continues for more than thirty (30) days after delivery of Tenant's notice specifying the nature thereof, or if the failure is of a nature to require more than thirty (30) days to cure and continues beyond the time reasonably necessary with exercise of due diligence, such failure shall be deemed a default by Landlord and Tenant may, at its option terminate this Lease upon written notice.

20. Mechanics' Liens. Tenant shall pay, when due, all claims for labor or materials furnished or alleged to have been furnished to or for Tenant or a subtenant at or for use in the Premises, which claims are or may be secured by any mechanic's or materialman's lien against the Premises or any interest therein. Tenant shall give

Landlord not less than ten (10) days' notice prior to the commencement of any work in the Premises. If Tenant shall, in good faith, contest the validity of any such lien, claim or demand, then Tenant shall, at its sole cost and expense, defend itself and Landlord against the same and shall pay and satisfy any such adverse judgment that may be rendered thereon before the enforcement thereof against Landlord or the Premises.

21. Signs. Tenant shall be permitted, at its expense, to install, maintain, repair, and replace signs Tenant deems desirable and appropriate in connection with Tenant's use of the Premises on the exterior or interior of the Premises and provided that the signs do not violate the laws, rules, or regulations of the municipality in which the Premises are situated. Tenant shall maintain all such signage in good, attractive condition during the term of the Lease and remove all signs prior to the termination of this Lease. Tenant's obligations set forth in this Section shall survive expiration or termination of the Lease.

22. Landlord's Access. Landlord shall have the right to enter the Premises at all reasonable times, upon reasonable notice (except in the case of an emergency) and in a reasonable manner for the purpose of examining the Premises and making repairs or alterations, either to the Premises or to utility lines or other facilities of the Premises or to install such lines or facilities; provided however, during school hours or school events, school personnel must accompany Landlord's agents or representatives in any entry to the Premises, and Tenant agrees to make such personnel available upon Landlord's request. Should Landlord enter the Premises in accordance with its role as Landlord, Landlord shall not take, copy, reproduce, read, distribute, or disclose student information of any kind, or other confidential information.

23. Notices. Any notice, demand or request required or permitted to be given under the provisions of this Lease shall be in writing and shall be deemed to have been duly delivered and received on the date of personal delivery, on the third day after deposit in the U.S. mail if mailed by registered or certified mail, postage prepaid and return receipt requested, or on the day after delivery to a nationally recognized overnight courier service if sent by an overnight delivery service for next morning delivery and shall be addressed to the following addresses, or to such other address as any party may request, in the case of Landlord, by notifying Tenant, and in the case of Tenant, by notifying Landlord:

With a copy to:

The address to which any such written communication may be given or sent to either party may be changed by written notice given by such party as above provided.

24. Recording. This Lease shall not be recorded by Tenant or Landlord in the land records where the Premises is located, without the written consent of both parties. A memorandum of the general terms of the Term of this Lease may be recorded of record.

25. Severability; Choice of Law. The invalidity of any provision of this Lease, as determined by a court of competent jurisdiction, shall in no way affect the validity of any other provision hereof. This Lease shall be governed by the laws of the State of Ohio, with venue in the courts of Lucas County, Ohio. The language in all parts of this Lease shall be construed as a whole, according to its fair meaning, and not strictly for or against either Landlord or Tenant.

26. Effect of Waivers. No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision or of any subsequent breach by Tenant or Landlord of the same or any other provision. Landlord's consent to or approval of any act by Tenant shall not be deemed to render unnecessary the obtaining of Landlord's consent to or approval of any subsequent act by Tenant.

27. Cumulative Remedies. No remedy or election hereunder shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

28. Waiver of Subrogation. Landlord and Tenant and all parties claiming under or through them hereby mutually release and discharge each other, any other Tenants or occupants of the Premises in which the Premises is located, and the officers, employees, agents, representatives, customers and business visitors of Landlord or Tenant or such other Tenants or occupants, from all claims, losses and liabilities arising from or caused by any hazard covered by insurance on or in connection with the Premises or said Premises, even if caused by the fault or negligence of a released party. This release shall apply only to the extent that such claim, loss or liability is covered by insurance.

29. Binding Effect. This Lease shall bind the parties hereto and their personal representatives, successors, and assigns.

30. Entire Agreement. All preliminary and contemporaneous agreements and understandings are merged and incorporated into this Lease which contains the entire agreement between the parties. This Lease may not be modified or amended in any manner except by an instrument in writing executed by the parties hereto.

6.3a Mission, Vision, Philosophy

The mission should answer the question *why do we exist?* The vision should answer the question *what do we hope to become?* Likewise, a school’s philosophy should answer the question *what do we value and believe about educating students?*

Mission	6.3a	1) MISSION (Why do we exist?): State the school’s clear, <i>concise</i> , and compelling mission statement that describes its specific intent/purpose.
---------	------	---

A CLASSICAL EDUCATION

The mission of Northwest Ohio Classical Academy (NOCA) is to develop the academic potential and personal character of each student through a rigorous, content-rich classical curriculum in the liberal arts and sciences with the intent of producing thoughtful leaders and virtuous citizens.

NOCA will utilize a classical education model to develop within its students the intellectual and personal habits and skills upon which responsible, independent, and flourishing lives are built, in the firm belief that such lives are the basis of a free and just society. NOCA strives to offer enrichment and to develop character through both curricular and extracurricular offerings, to nurture the child’s humanity with a constant view to the potential adult. The time-honored liberal arts curriculum and pedagogy direct student achievement toward mastery of the fundamentals in

the basic academic skills, exploration of the arts and sciences, and understanding of the foundational tenets of our Western heritage. The curriculum by purpose and design is a survey of the best intellectual and cultural traditions of the West as they have been developed and refined over many generations.

The classical content of the curriculum refers to those traditional works of literature, history, and philosophy that embody perennial truths of the human soul and which remain compelling because they present these truths in memorable, or beautiful, ways. These classics are admired not because they are old; rather they are admired because they have continued to ring true with people of many eras, cultures, and tongues. The classics provide the most thoughtful reflections on the meaning and potential of human life. They introduce students into a conversation which spans millennia and seeks to address the ageless questions of the human heart and mind.

<p>Vision</p>	<p>6.3a</p>	<p>2) VISION (What we hope to become?): State the school’s clear, <i>concise</i>, and compelling vision statement that describes the anticipated operation, function and success of the school over time.</p>
<p>The vision statement of Northwest Ohio Classical Academy is as follows:</p> <p>To have a citizenry worthy of the legacy of our country’s founders and the continuation of our American experiment, through a classical, great-books curriculum designed to engage the student in the highest matters and the deepest questions of Truth, Justice, Virtue, and Knowledge.</p> <p>Classical education is language intensive, knowledge-centered, and trains the mind to collect and analyze information and to draw conclusions based on that information. The model demands self-discipline and instills virtue (the ability to do what is right despite other inclinations), and produces intelligent, literate, curious young adults who can read, write, calculate, think, understand, solve problems, and follow through on a wide range of interests. A classical education requires a student to examine moral and ethical issues. The model utilizes history as a significant organizing principle, and therefore students learn the place of their lives, families, and communities in the broad landscape of human existence and achievement. Classical education is systematic and rigorous with purpose-driven goals, and a method to reach those goals.</p>		
<p>Philosophy</p>	<p>6.3a</p>	<p>3) PHILOSOPHY (What do we value and believe about educating students?) State the school’s clear, <i>concise</i>, and compelling philosophy that describes the values and beliefs by which the school will operate.</p>
<p>Northwest Ohio Classical Academy (NOCA) will train students who will be stewards of the “Western Tradition” and the pillars of a free society. NOCA believes that the diffusion of learning is essential to the perpetuity of this tradition. Therefore, the aim is to provide a liberal education not geared toward a specific trade or profession, but one that aims at understanding the highest matters and the deepest questions of Truth, Justice, Virtue, and Beauty. Where possible, NOCA must engage those ideas and principles in the original texts that have both intrinsic worth and beauty and are worthy of study and contemplation in and of themselves. NOCA finds a clear expression of this legacy both in the founding documents of our country as an experiment in self-government under the law and the literary and scientific education of the founders themselves. As they sought to avoid the problems of pure democracy as seen in Athens and of a republic that gave way to an empire in Rome and despotism in Europe, NOCA must engage in those ideas in order to have a citizenry who understands the perils of each. NOCA will accomplish this task through a classical, great books curriculum designed to engage the student in the ideas and principles of our country’s founding.</p> <p>Several unique innovations characterize NOCA:</p> <ol style="list-style-type: none"> 1. All students in grades four and five will be informally introduced to Latin roots which have been demonstrated to improve reading comprehension and vocabulary and bolster performance in all subjects. The formal study of Latin will begin in grade six. 		

2. Upper-level students will study history mainly through primary source documents to foster analytical skills and essential insight into their culture and heritage.
3. All students will be trained in study skills such as time management, organization, and note taking that are essential for building stamina for further academic pursuits.
4. The program will introduce and seek to instill virtues of character in **all** grades through these pillars of character education:
 - **Courage**
 - **Moderation**
 - **Justice**
 - **Responsibility**
 - **Friendship**
 - **Prudence**
 - **Wisdom**
5. Instruction in the classical virtues (prudence, justice, temperance, and fortitude) will be introduced in the upper grades as a continuance of the elementary character program and necessary support of the classical curriculum.

To achieve our mission, NOCA will emphasize education in the humanities, the sciences, and the arts in several current and research-based curricula/programs in elementary, middle **and high** school grade classes, which include:

1. The Hillsdale K-12 Program Guide which used Core Knowledge as the basis for the program (a specific, grade-by-grade core curriculum of common learning)
2. **Literacy Essentials by Regie Routman**
3. **Singapore Math** (a conceptual approach to mathematical skill building and problem-solving)

Classical Education upholds a standard of excellence and has proven itself over the course of time. NOCA's high standards and research-based curriculum will provide students with a traditional education that will challenge them to excel not only in learning but also in character development. At NOCA, high academic achievement, personal discipline, ethics, and responsibility will be consistently reinforced through the study of subjects in the classical tradition. Students will graduate from NOCA as highly literate and ethical citizens who are well-prepared to advance into **any college or career path** and on to any life endeavor while inspiring others.

Basic Learning Environment

The basic learning environment at NOCA will primarily be classroom-based. Daily homework will constitute the majority of independent study for the students. Class sizes will be kept reasonably small to ensure the teacher-to-student ratio is most effective. The mission of NOCA is to develop the

academic potential and personal character of each student through a rigorous, content-rich classical curriculum in the liberal arts and sciences with the intent of producing thoughtful leaders and virtuous citizens. The goal is to develop within its students the intellectual and personal habits, virtues, and skills upon which responsible, independent, and flourishing lives are built, in the firm belief that such lives are the basis of a free and just society. The NOCA prepares its students to be leaders in their homes and communities, entrepreneurs in business, and statesmen in government. Through its content-rich curriculum with a strong emphasis in civics, NOCA provides a traditional education with a constant view towards developing exceptional American citizens.

The Founders of the United States of America built a free republic on certain fundamental principles. In 1776, George Mason wrote in the Virginia Declaration of Rights, “No free government, nor the blessings of liberty, can be preserved to any people, but by a frequent recurrence to fundamental principles.” By fundamental principles, Mason referred to the certain understanding about nature, rights, and government that was later expressed in the Declaration of Independence and are fundamental to the United States Constitution. NOCA agrees with George Mason and the other founders of our country that the maintenance and prosperity of a free republic depend upon the capacity of the American people to remain faithful to those founding principles.

Among those founding principles is self-government. The American founders understood self-government in the twofold sense of political self-government, in which we govern ourselves as a political community, and personal self-government, according to which each individual is responsible for governing himself or herself. They believed the success of political self-government required a flourishing of personal self-government and that both are essential to preserving the American way of life. Self-government requires character and good habits. Essential elements of self-government are academic in nature, and these rely in large part on education. Benjamin Rush, a signer of the Declaration of Independence, said the only method of rendering a republican form of government durable “is by disseminating the seeds of virtue and knowledge through every part of the state by means of proper education.” The Founders understood that education, an education that provides citizens with the knowledge and character necessary for self-government, is essential to the maintenance and prosperity of the American Republic. For that reason, they and leaders throughout our history firmly supported education. They also had strong opinions about the components of education.

Thomas Jefferson’s 1779 *Bill for the More General Diffusion of Knowledge* states that the object of education in primary schools is, “to instruct citizens in their rights, interests, and duties, as men and citizens.” This idea was necessary to make the people the guardians of their liberty. According to Jefferson, in grammar schools, students should be taught Latin, English grammar, reading, writing, arithmetic, the elements of mensuration, and the outlines of geography and history. Furthermore, the books for instructing children to read shall at the same time make them acquainted with Greek, Roman, English, and American history. Jefferson wrote, “by apprizing them of the past we will enable them to judge the future.”

NOCA’s educational philosophy and curricular approach were selected to provide the caliber of education Jefferson envisioned. NOCA’s classical curriculum—borrowing from the Core Knowledge sequence, supplemented by the **Literacy Essentials** Program and Singapore Math, **Geometry, Art of**

Rhetoric by Aristotle, offering Latin, and providing a strong emphasis on civics and classical virtues—will provide students with a robust education that challenges them to excel both in learning and character.

At NOCA students will learn language and literature, history, geography, government, math, the sciences, music and the visual arts in a coherent and orderly program that runs from the rudiments of basic literacy and math skills to higher orders of thought and expression. Students will be taught an organized sequence of skills and core knowledge through sound, time-proven methods. They will read classic works of literature, study fine arts, and learn first-hand accounts of history through the study of primary source documents, including the Declaration of Independence and the Constitution. They will be introduced to the likes of Scylla and Charybdis as a lesson in difficult choices and of Sisyphus as a lesson in futility. Students will also receive rigorous training in the fundamentals and theories of math and science, including the scientific method and will benefit from Socratic instructional techniques and training in study skills that further foster learning and character development. Through the Socratic method, students will learn to ask important questions, setting them on the path to understanding themselves and their world, and encouraging them to act ethically and responsibly. Upon graduation, NOCA desires that all students read well, enjoy it, and understand its importance throughout their lives. Reading is at the very heart of the curriculum. Students will read the classics for pure enjoyment and for the lessons they will learn there. Students will find out about “The Emperor’s New Clothes,” laugh with “The Bremen Town Musicians,” and sail with Odysseus in the *Iliad* and *Odyssey*. The core curriculum choices will ensure students know about world geography. Students will know where the Straights of Gibraltar are and the Bosphorus and Dardanelles Passages, and why they are important. Students will explore events in history from the cradle of civilization in the Euphrates valley to the European, African, and Eastern development over the centuries. Students will know the tragic history of wars in Europe and America’s involvement in them. Students will learn why Columbus said he sailed here and the conquest and settlement of the American Continent including the “little settlement” at Plymouth, Massachusetts. Prominent will be the explanation of what is and isn’t meant by the term “American Exceptionalism.” They will learn of the “Shot Heard ’Round the World” at Lexington Green and what prompted that event. They will learn about the “Great Wars” of the 20th century and what the “Iron Curtain” was and the “Berlin Airlift”—including its infamous “Berlin Candy Bomber.”

According to Aristotle, one becomes good only by observing and practicing the right behavior. NOCA will instruct students in the classical virtues, both inside and outside of the classroom. Discipline, ethics, and personal responsibility will be modeled and expected. Students will be introduced to the virtuous behavior of timeless heroes and heroines of literature and history. Moreover, the school will define a standard of behavior using **Seven Pillars of Character (courage, moderation, justice, responsibility, friendship, prudence, and wisdom)**. Emphasis upon these standards of excellence will help students learn and develop virtuous behavior alongside patterns of thought and conduct based on high moral standards **as well as attend to their social emotional learning.**

NOCA’s robust academic program and training in the virtues will be supported by a well-regulated campus that fosters positive relationships between students, parents, and teachers. Teachers and Instructional Aides will receive training before implementing the curriculum or assisting in the classroom. Teaching methods will be modified and differentiated to meet student needs. The success of every student will depend upon his or her consistent effort and perseverance. Each student will receive the support of every staff member whose focus is on academic achievement and a commitment to

educational excellence. The Founders of this country believed the purpose of education is to prepare students to become good people and good citizens. In alignment with that vision, NOCA will provide students with a content-rich education in the classical tradition and a clear understanding of actions and their consequences that will prepare them to become excellent, highly literate individuals and active, responsible members of their community prepared to articulate and uphold our Nation’s founding principles.

Classical Education Success

NOCA will benefit significantly from continuing to be affiliated with Hillsdale K-12 Education as a Hillsdale Curriculum School. The Hillsdale K-12 Education Office is a project of Hillsdale College and is devoted to supporting the launch and continuation of K-12 charter schools. Their goal is to assist schools that can provide a rigorous, classical education in the liberal arts and sciences, with instruction in the principles of moral character and civic virtue. Hillsdale K-12 is NOT a charter management organization but will provide the design of the educational program, assist in the marketing efforts for student and teacher recruitment, and offer staff professional development. Hillsdale K-12 has developed a curriculum that has shown success in addressing a wide variety of student needs. Hillsdale K-12 has collaborated with seventeen classical schools (with four additional schools opening in 2018) to provide such services. Fourteen of the seventeen campuses are performing exceptionally well as **Chart 1: Hillsdale K-12 Affiliated Schools** will indicate with most schools achieving grade A, the equivalent, or “Met Standards” academic performances.

6.3b Curriculum

The primary function of a school is to provide for the education of students. The curriculum describes all planned learning of students and should describe the learning experiences through which a student will progress. Responses should address the following questions: *What are the learning goals for students at your school and what research support the curriculum choice and its effectiveness for the student population served?* Each of the items below should be addressed with strong evidence and detail.

	6.3b	<p>1) Provide specific standards with detailed descriptions for all core and non-core content (physical education, music, art, technology, etc.), including social-emotional learning, addressed by school that will enable each student to acquire learning across all four learning domains: foundational knowledge and skills, well-rounded content, leadership & reasoning, and social-emotional learning.</p> <p>If the school uses Ohio’s Learning Standards in all core and non-core content areas, please check the box. X</p>
<p>Northwest Ohio Classical Academy (NOCA) will use the Ohio Learning Standards for all core and non-core content areas. Core content areas will consist of Reading and Writing, History/Geography, Science, and Math. Non-core content areas include Physical Education, Visual Arts, Music, and Foreign Language. NOCA’s curriculum has been aligned with Ohio Learning Standards as found at http://education.ohio.gov/Topics/Learning-in-Ohio/OLS-Graphic-Sections/Learning-Standards. The following is a list of core content areas and relevant link to the standards. NOCA will also provide a curriculum that follows the Ohio Learning Standards for Social Emotional Learning. Leadership & Reasoning

Concepts of problem-solving, design thinking, creativity, and information analytics are embedded in all courses that include languages, math, science, history, physical education, visual art, music, foreign language, and social-emotional learning.

Social Emotional Learning

Social-Emotional Learning (SEL_ <http://education.ohio.gov/getattachment/Topics/Learning-in-Ohio/Social-and-Emotional-Learning/Social-and-Emotional-Learning-Standards/K-12-SEL-Standards-Full-Final.pdf.aspx?lang=en-US>)

The Hillsdale K-12 Program Guide scope and sequence has been aligned to Ohio Learning Standards, and the full alignment is attached. The initial alignment is complete. The alignment was matched to each and every Ohio Learning Standard for math, ELA, Science, Music, Latin, and Physical Education. Supplemental curriculum tools may be used as beneficial to ensure the standards are fully met in areas as may be needed. **Attachment 6.3b1_NOCA Hillsdale K-12 ScopeSequence** and **Attachment 6.3b3_NOCA_Curriculum Alignment** demonstrates how the Hillsdale K-12 Program Guide has been aligned. NOCA has also aligned the curriculum chosen to the Ohio Learning Standards for SEL as well as addresses those standards through its intense and daily teaching of virtues.

Attachment 6.3b1_NOCA ScopeSequence and Attachment 6.3b3_NOCA_Curriculum Alignment demonstrates how the Hillsdale K-12 Program Guide is aligned.

The three predominant forms of curricula utilized to meet the Ohio Learning Standards at the elementary level are The Core Knowledge Sequence, Literacy Essentials, and Singapore Math. All NOCA curricula and lessons have been aligned to the Ohio Learning Standards (OLS). A full scope and sequence for grades K-12 in all core subjects have been completed and attached to the application.

NOCA will provide students with a complete education that will challenge them to excel both in learning and character. The curriculum is characterized by a strong emphasis on language, content-richness in all subjects, a strong core curriculum, and a focus upon the historical, literary, and scientific traditions of the United States and Western civilization at large.

The Core Knowledge Sequence is based upon E.D. Hirsch’s idea of cultural literacy, which makes it the ideal curriculum for a classical school. The Core Knowledge Sequence provides the basis on which the Hillsdale K-12 Program Guide was developed and includes a grade-by-grade sequence of specific topics to be taught in grades K-8, with Composition and Rhetoric taught at the high school level. It provides the basic curricular framework for history, geography, literature, visual arts, music, and science at NOCA. Cultural literacy will be the guiding principle. Topics which are especially important for cultural literacy are repeated in a spiraling fashion—so that younger students build a firm but broad foundation in these topics while older students are able to achieve depth. The sequence provides a necessary order across grades and between schools and families, such that teachers can base their lessons upon what students have learned and will learn, and parents can anticipate what their students will learn in each grade. The Core Knowledge Foundation provides resources to support most of the sequence. Additional support materials included in the Hillsdale K-12 Program Guide will be made available as they are aligned to the OLS.

Grammar School, Grades K-6

Language

In the earliest grades, the curriculum focuses primarily on language, with the bulk of the school day given to teaching literacy and numeracy. Both subjects are foundational to a student’s education, so the resources and methods deployed in each case must be consistent and excellent.

Literacy

Reading and spelling will be taught through an explicit phonics program. Research confirms that systematic synthetic phonics instruction is significantly more effective than other types of instruction. Explicit teaching of phonics will occur during a discrete part of the day. Students will be required to “sound out” words based upon the rules of phonics, not to guess at them. Spelling will be taught by applying phonetic rules. Grammar will be taught prescriptively, especially through diagramming. Vocabulary instruction will emphasize the knowledge of the origin and meaning of words. Students will study word origins, especially Latin and Greek roots. Students will use their dictionaries and read classic literature rich in language. Fairy tales, fables, and poetry will be read; famous lines and poems will be memorized. Teachers will constantly explain the meaning of words to students.

NOCA anticipates that a number of students entering the school will require remediation in reading, spelling, and particularly writing. Therefore, the school will provide a robust remedial literacy program for those students who are not at grade level for reading. The remedial program will lead to phonics. These lessons will be conducted largely during times in the student’s schedule that do not conflict with core courses and may be substituted for an elective or another non-core course as determined by the Principal. NOCA will use the Literacy Essentials program, supplemented by training and materials from Access Literacy, to teach literacy and related skills.

Cultural Literacy

In addition to the ability to read, human beings must know the core elements of their cultural heritage to attain full literacy. NOCA will embrace the

principle of cultural literacy, which refers to the fundamental articles of knowledge necessary to read, speak, and write in any field of inquiry and to communicate with fellow citizens.

Mathematics and Numeracy

NOCA's approach to numeracy mirrors its approach to reading, writing, and vocabulary—learning and memorizing the facts of math in all branches of mathematics. Students will learn the concepts behind numerical relations. For example, teachers will ask, "What is a fraction?" "What does it mean to multiply two threes? (2×3)" "What is a place value?" When students learn only the algorithm, they do not understand the mathematics behind the equation. NOCA will employ Singapore Math, a program that teaches math conceptually and focuses on mastery of essential math skills.

Latin and other Foreign Language

The central position of language in the curriculum continues throughout the elementary and middle school grades. In grades 4 and 5, students will learn Latin and Greek roots of English words. In 6th grade, students begin learning formal Latin and will continue with Latin through 12th grade. Latin is introduced and taught alongside English so that students learn the structural underpinnings of their own language, expand their vocabulary, and improve their reading comprehension. NOCA may teach Spanish or French in the grammar school as an elective or as a required course. If the school offers a foreign language, the language will be taught predominantly by the immersion method; therefore, much of the course will be conducted in the language as taught by a native or near-native speaker.

Science

Although the classical school may appear to emphasize the humanities, the sciences are no less critical than the humanistic disciplines and will be an integral component of the education model. The Hillsdale K-12 science program focuses on thematically linked science topics and biographies of great scientists. The order of the Hillsdale K-12 program allows for regular repetition of the most important topics, such that students are well-versed in the fundamentals by the time they reach high school. The science program is supported by Pearson's Science Explorer series, complete with integrated lab manuals and demonstrations and Delta Science Content Readers.

Arts

Fine Arts - Students at NOCA will also receive instruction in the fine arts. Studying music and the visual arts will inculcate a love of the beautiful and equip students with important core knowledge about their culture. In keeping with a classical education, NOCA will teach music and art through an intensive study of technique and the works of the masters – Bach, Mozart, Beethoven, Raphael, Michelangelo, and Monet.

Visual Arts - Students will learn about the elements of art, sculpture, portraits, still life, landscapes, photography, architecture, expression, and abstraction. Equally crucial to the acquisition of knowledge about art, will be the development of the artists themselves. Every student will receive instruction in drawing, painting, and sculpture.

Music - In music education, students will be exposed to a wide array of music from jazz to orchestral music as well as vocal music that includes songs from the Baroque, Classical, and Romantic periods. They will learn about composers and their music, the elements of music, and vocal ranges and instruments. All students will learn to sing in harmony and read music.

Civic Education

Civic education—teaching concerning the political order and the individual’s rights and responsibilities in that order—begins in elementary school, as outlined in the Hillsdale K-12 Program Guide. Students will learn through American history the basic facts that led to the creation of the American republic and about subsequent efforts to maintain liberty and justice under the rule of law.

Character Development

Too often, expectations of students with respect to their behavior are considered distinct from a school’s curriculum. NOCA will inculcate good character in its students by maintaining order and decorum in the classrooms, holding students accountable for their assignments and personal conduct, and explicitly teaching them the fundamentals of good character. The school will adopt a set of core virtues that will build students’ moral vocabulary and point them to the character traits necessary to live a good and happy life. This process will be implemented by introducing and promoting the Eight Pillars of Character (*citizenship, courage, courtesy, honesty, respect, responsibility*) and four classical virtues (*temperance, fortitude, justice, prudence*). NOCA will explain the virtues to students in detail and will base citizenship marks, its discipline policy, and the decorum of the school on the practice of those virtues. In addition to cultivating a moral culture that will pervade the classrooms and the halls and thereby create an environment of “positive peer pressure,” the school will teach character through the curriculum.

Physical Education

NOCA will adopt the Ohio learning standards as the curriculum for physical education in the school and will comply with all standards as indicated by the National Standards for K-12 Physical Education by SHAPE America and ODE standards and benchmarks. The goal of physical education is to develop physically literate individuals who have the knowledge, skills, and confidence to enjoy a lifetime of healthful physical activity.

To pursue a lifetime of healthful physical activity, a physically literate individual:

- Has learned the skills necessary to participate in a variety of physical activities;
- Knows the implications and the benefits of involvement in various types of physical activities;
- Participates regularly in physical activity;
- Is physically fit;
- Values physical activity and its contributions to a healthful lifestyle.

Health Education

Northwest Ohio Classical Academy's Science curriculum covers these health standards and where a standard is missed, CA will follow the Ohio requirements and guidelines for Health Education

Leadership & Reasoning

Concepts of problem-solving, design thinking, creativity, and information analytics are embedded in the teaching of language, literacy, cultural literacy, character development, civic education, math, science, history, physical education, arts, music, foreign language, and social-emotional learning.

Social Emotional Learning

NOCA will utilize the Ohio Learning Standards for social-emotional learning. These learning domains include foundational knowledge and skills, well-rounded content, leadership and reasoning, and social-emotion learning. The curriculum utilized is aligned to these Ohio Learning Standards.

Middle and High School, Grades 7-12

During middle and high school, NOCA will continue to implement the programs begun in grammar school, while going into greater depth. The students will have an increased capacity for logic in their thinking, speaking, and writing.

Literacy

Additional avenues may be used to immerse students in language, such as listening to books on tape. A remedial reading program will continue for students who are behind grade level. Further, even for students not needing remediation, emphasis on solid literacy (reading complex texts, spelling, grammar, writing, immersion in rich vocabulary) will continue. The teachers of all disciplines will emphasize correct speaking and writing, not just the English teachers. The students will utilize classical literature and close reading techniques to further their understanding of reading and writing concepts.

Mathematics

Mathematics in the middle and high school will continue to build a deep understanding of mathematical concepts using the Singapore materials and course specific instruction and materials for Algebra and Geometry. Math classes will be scheduled during the first period, allowing students to be grouped by ability, rather than by grade level. This process will allow NOCA to provide remediation as needed and also will allow those who can move at a quicker pace to do so. Pre-Algebra will be taught in seventh grade, Algebra taught in 8th grade, and Geometry taught in 9th grade. Students in grades 10-12 will study more advanced math course such as Algebra II, Trigonometry, Pre-Calculus, Calculus, Statistics and Probability.

Science

Science in the middle school through 9th grade will continue the concepts taught in the earlier grades with the continuation into study of all sciences utilizing the scientific method. However, at the higher-level grades, science curriculum becomes more focused on individual studies of sciences (physical, earth and life) within each grade level and a complete focus on Biology in 9th grade. In keeping with Ohio's graduation requirements, advanced sciences will be available to students in grades 10-12.

Cultural Literacy

Cultural literacy will remain a strong priority in NOCA's middle and high school as students are introduced to new topics and new books. Hillsdale K012 Program Guide and *Rhetoric by Aristotle* will remain the curriculum for the core and elective courses through the ninth grade. However, certain aspects of the Hillsdale K-12 curriculum in these grades may be altered or augmented, which follows best practices. For example, the literature part of the sequence may be enriched with more books, though the vast majority of literary works in the sequence will be read.

Latin

The study of Latin begun in the grammar school will continue through the twelfth grade. The practice of changing classes in the middle school will allow different levels of Latin to be offered according to students' previous background or mastery of the material in the elementary school. The teaching of Latin will extend beyond the teaching of Latin and Greek roots and require instruction in Latin grammar and Latin-English, and English-Latin translation. Formal Latin in the middle school and high school will be taught through a recognized Latin program such as Wheelock's Latin by a trained Latinist. Teachers will augment the text with more rigorous grammar.

The Arts

Students will continue to study art and music in the 6th – 12th grades, with an emphasis on art and music history. In addition, students may choose a band, choir, orchestra, or advanced art as electives starting in the 6th grade, dependent upon student interest. Students will study works of art from earlier periods such as the Renaissance, Impressionism, Post-impressionism, and the 20th century. They will be exposed to art from all over the world, but the emphasis will be placed on tracing the development of art in Western culture. Those students enrolled in advanced art will participate in an annual art show. Students will study music from the Baroque, Classical, and Romantic periods. Students enrolled in performance groups will be expected to perform at least twice a year. Practice rooms will be made available during study halls and after school. Private lessons may be made available after school as well.

Civic Education

In the middle school, students in the eighth grade begin a more complete study of the Constitution of the United States per the Hillsdale K-12 Program Guide. Considerable attention will be devoted to the manner of citizens the Founders envisioned and consequently to the rights and responsibilities required for successful self-government. The emphasis on civic education will continue through high school social studies courses such as American Government, American History, and World Cultures.

Physical Education

As in grammar school, the middle and high school physical education programs shall keep students active, fit, and healthy. It will be used as a time to reinforce the school's culture. Students will be encouraged to participate in group activities, try new sports and challenge themselves. NOCA's physical education standards will be aligned with state standards.

Health Education

Northwest Ohio Classical Academy’s Science curriculum covers these health standards and where a standard is missed, NOCA will follow the Ohio requirements and guidelines for Health Education

Moral Education

Just as the students’ civic education will focus on the principles of self-government, the prevailing theme for teaching good character will be that of individual self-government. The Principal and school leadership and staff will stress moral education for the middle and high school students to ensure proper discipline in the school and to teach the positive aspects of the character. A discipline policy and code of conduct will be enforced.

Leadership & Reasoning

Concepts of problem-solving, design thinking, creativity, and information analytics are embedded in the teaching of language, literacy, cultural literacy, character development, civic education, moral education, math, science, history, physical education, arts, music, Latin, and social-emotional learning.

Social Emotional Learning

NOCA will utilize the Ohio Learning Standards for social-emotional learning (SEL). The SEL domain includes self-awareness and management, social awareness, relationship skills, and responsible decision-making. The curriculum utilized is aligned to the Ohio Learning Standards.

Curriculum - Pacing Guides	6.3b	3) Provide a detailed description of the development process for pacing guides used in your school that includes the deconstruction of standards.
----------------------------	------	--

Northwest Ohio Classical Academy (NOCA) school leadership staff utilizes the Hillsdale K-12 Program Guide for the educational model and scope and sequence. NOCA has used Hillsdale K-12 Education training and materials, along with Adkins and Company, a consulting company, to develop all initial K through 12 curriculum maps and alignment of the curriculum with Ohio Learning Standards to ensure the school is prepared. This level of ongoing evaluation of curriculum maps and pacing guides will be completed annually by the School Accountability Committee (SAC) to ensure the school’s curriculum is meeting the standards as required in Ohio. The SAC will consist of the Principal, Vice Principal, Dean of Students, **Resource Teachers**, Intervention Specialists, and **Teacher-Based Teams**. Teachers are continuously involved in the development of curriculum maps and pacing guides.

Curriculum Maps

A curriculum map provides a guide to ensure instruction covers the standards and meets the needs of ALL learners. A curriculum map documents the relationship between every component of the curriculum and allows teachers to check for gaps and redundancies. The major difference between

curriculum maps and pacing guides is that curriculum maps are for implemented instruction -- of what will be taught during the current school year. Pacing guides, on the other hand, project what pace (how long on a concept) and when and how instruction will be adjusted.

The curriculum map provided is the scope and sequence. When teachers are hired, they will work with the SAC to update the initial pacing guides. Teachers are involved in the process and are led by the building leaders to develop the pacing guides. The Curriculum Map is implemented in July during teacher training. The teacher-based teams are vertical teams and are based upon grade levels. The building level team monitors the development and implementation of the pacing guides.

Curriculum Maps/Pacing Guides Development Process

The curriculum mapping development process systematically organizes what will be taught, who will be taught, and how it will be taught. Each component affects and interacts with other components. For example, what will be taught is affected by who is being taught (e.g., their stage of development in age, maturity, and education). The Hillsdale K-12 curriculum is flexible and allows educators within the classroom to respond to student needs.

The curriculum mapping ensures students are provided curriculum and instruction that is individualized to their specific needs. Students, whether above or below grade level, will work with material at their individual level. Teachers will use instructional strategies such as The Socratic Method, Ability Groups, and Explicit and Systematic Phonics Instruction to ensure all students are engaged regardless of their instructional level. The school will employ Intervention Specialists and contract Speech Therapists, or other services as needed. These support personnel will make modifications to curriculum or provide support as necessary to ensure the school's curriculum and framework is accessible to all students. These modifications can include re-teaching and re-reading elements or focusing on select aspects of the text for phonics and fluency focus. Through the curriculum mapping process, the school will address specific subsets of needs and align the Hillsdale K-12 Program Guide, Literacy Essentials, Singapore Math and supplemental resources to ensure teacher success. Through the curriculum mapping process, the SAC will create pacing guides for all grade levels.

Pacing Guides

A pacing guide is the itinerary for teaching. With a teacher-based team, a teacher decides what he/she is going to teach and when it is going to be taught. While the lessons and teaching style can be different, the standards, assessments and basic content are taught together. Using this process, the SAC can examine data and make decisions to increase student learning.

The pacing guide details when particular content standards should be taught and/or assessed. While still offering teachers flexibility on how to teach, its integration with common assessments is crucial to judging student progress so that the school knows the content has been covered or not covered and can assess why students did well or performed poorly on a particular assessment. Examining the pacing guides within the data analysis meetings allows SAC to understand if an element was taught; allowing the team to identify intervention plans and strategies for those not meeting the standard versus the areas that have not been taught.

In contrast to curriculum maps, pacing guides are timelines for teachers that show what each teacher, at each grade level, should plan to cover over the course of a year. Each subject area follows a logical sequence within a grade level and between grade levels. **Like the curriculum maps, pacing guides are also reviewed and discussed with every teacher at data analysis meetings twice a year to ensure the pacing is correct and accurate.** The pacing guide used by the school is separated into multi-tiered levels that will allow clear and focused differentiation for all students in the school. Each tier of the pacing guide is accompanied by resources that can be utilized to enhance the teaching of that particular subject. The pacing guides are tiered due to the varying ranges of academic proficiency within grade levels of students over the course of the year. Students who require Special Education, for example, may not be exposed to the same level of work and grade level standards within the instructional calendar year as other students. The reviews also determine if the additional time should be given or if an item should be moved up or warrant additional time and depth for students. Resources are built into the maps to direct teachers to items that reflect best practice for the learning that is to take place. Supplemental resources are constantly added and developed by the SAC.

Supplemental Resources

The teacher-based teams per grade level will use the ODE website and their supplemental resource and reference ideas to assure that the curriculum is aligned to OLS. Instructional strategies and resources are on the ODE website and listed under the standards. The TBTs will utilize these types of resources for instruction. To assure any gaps are addressed, the school will go to the ODE website and research a standard to utilize recommended instructional materials. When the standards change or are revised, the subject teacher-based teams will check curriculum alignment every year. Standards are deconstructed to assure the supplemental resources are OLS aligned per the process below.

Deconstructing Standards

Standards are deconstructed during the area collaboration meetings. Content area collaboration teams are organized by the Principal. These collaboration meetings were developed in order to improve and focus teaching and learning to a standards based model. All subject area teachers participate in these quarterly meetings. Prior to each meeting, courses are chosen for dissection. Each teacher prepares course dissection information for specific areas within each of the courses. Each teacher is tasked to assess the alignment of the resources with the OLS. Teachers also analyze rigor within the course and are tasked to develop additional standards based activities for areas within the curriculum that lack depth of standard alignment. All teachers are also tasked with researching and providing resource ideas to accommodate students with diverse learning styles.

During content collaboration meetings, all subject area teachers provide dissection worksheets to the Principal and SAC. As a subject specific team (building level leaders, teachers), the school reviews all teacher course dissection information, suggestions, and additional resources to come to a collective agreement on curricular areas that have gaps in standards alignment. Each teacher developed resource is discussed and voted on by all content specific teachers and the SAC to determine specific additional resources to be embedded universally within the instructional practices. Resources are approved by the Board.

The specific resource that has been developed to house all changes, additions, and resources is called the "course syllabi". Each subject area has shared course syllabi that provide a framework for instruction for each subject available to teachers. The course syllabi include additional resources proven effective for special education modification suggestions, differentiated learning, and pacing guides for student course completion. As each subject-specific collaborative group dissects courses, all agreed upon amendments are embedded into the course syllabi for all teachers use.

Additionally, to supplement the written curriculum and pacing of instruction that is determined by NOCA, as noted above, the school will deconstruct the OLS to assure alignment that determines what students need to be successful on state assessments. To assure that teachers have deconstructed the OLS, developed the appropriate pacing guides, and are assessing performance based upon the rigor of the OLS, these processes will be reviewed during SAC meetings. Based on the initiatives set by the Principal and building-level leaders, NOCA will develop teacher PD programs, develop instructional best practices, survey teachers to identify areas of needed professional development, and develop a direction for further collaboration team meetings.

Data Analysis

The curriculum maps are reviewed to identify and address academic gaps, address redundancies, and/or misalignments to improve the academic achievement and the effectiveness of the curriculum or the programs used to instruct students. After the first assessment cycle of NWEA/Maps, teachers and SAC begin the process of ensuring pacing guides as developed, will ensure student learning is on track and make adjustments for the teacher or grade band if necessary. This process is reviewed twice per year with teachers as data is reviewed and analyzed for each grade level.

Beginning in the spring of each year, the SAC will begin to review and discuss the pacing guides and maps **with teachers** and make additional adjustments for the following school year and adjust to ensure gaps are found and addressed. The team reconvenes and reviews the draft for the upcoming year and matches the guides to state data received in June of that year to further determine gaps and or changes that are required. Curriculum Maps are created and finalized by August 1 of each school year.

Lesson Plan Templates

NOCA will follow all curriculum maps and pacing guides. Actual individual instruction is the responsibility of each teacher with the guidance and oversight of the school's Principal and SAC. Therefore, all model units and lesson plan templates will be prepared at the classroom level by the teaching faculty. The model allows for individualized instruction and differentiated lessons in implementing the curriculum based upon the needs of the students.

Change Approval and Change Process

The Core Knowledge Framework was the initial basis on which the Hillsdale K-12 Curriculum was developed. Literacy Essentials and Singapore Math are Hillsdale's recommended resources for phonics and math, respectively. These resources are all researched based. Supplemental resources are determined by the SAC who meets to decide upon any possible changes to curriculum based upon the data meetings that occur. To adopt any new supplemental curriculum, samples are obtained, and content is compared to the Ohio Learning Standards. If necessary, lessons are taught using the recommended

resources, and a presentation of the final resources decided by SAC are presented to the Board of Directors. Any suggested changes to curriculum will be presented and approved at a Board of Directors meeting.

Scope and Sequence

- **Attachment 6.3b1_NOCA Scope and Sequence** provides the **Hillsdale K-12 Curriculum Scope and Sequence** for each of the major subjects from Kindergarten through 12th grade. Portions of this work are based on the Core Knowledge® Sequence, an original work of the Core Knowledge® Foundation made available through licensing under a Creative Commons Attribution- NonCommercial-ShareAlike 4.0 International License. **The Hillsdale K-12 Scope and Sequence** differ from the Core Knowledge Sequence in Literacy, Grammar, and Math, though changes are not limited to these subjects. In Literacy, the **Hillsdale K-12** Scope and Sequence is based on the **Literacy Essentials program** as supplemented and modified by Access Literacy, LLC. In Grammar and Math, the **Hillsdale K-12** Scope and sequence are based, respectively, on the Well-Ordered Language series and curriculum from Singapore Math and **course specific curriculum in Algebra and Geometry by Weeks & Adkins**. **Hillsdale K-12 Education** has provided a scope and sequence for Latin from **grades 6-12**.

The **Hillsdale K-12** Scope and Sequence includes resource recommendations for teachers to pair with the listed subject matter. In Mathematics, Literature, Literacy, and Grammar, these resources are directly paired to the scope and sequence items, and fidelity to the curriculum requires that these resources be followed quite closely. In Science, History, Visual Arts, and Music, however, these resources should be viewed as aids in teaching the curriculum, but not as the curriculum itself. Teachers need not to employ all of a given science textbook, for example, and fidelity to the curriculum requires that teachers of these subjects use discretion to teach each topic from the **Hillsdale K-12** Scope and Sequence using the best available resources appropriate to students' grade level.

In skill-based subject areas (especially literacy and math), this guidance may need to be tailored for a student as it is expected that some students will be performing a year or more behind grade level in the **Hillsdale K-12** Scope and Sequence in reading and math.

Grade to Grade Promotions

NOCA will utilize multiple points of data to determine if a student has met the minimum standards for grade promotions. In the event a student does not meet the minimum criteria, he/she will be provided with interventions including tutoring throughout the school year to improve the academic standing and be promoted to the next grade level. Promotion criteria will be communicated to parents during the enrollment process. NOCA will hold conferences to communicate the progress made by each student. After the first semester, if a student has demonstrated he/she may not reach minimum proficiency, the student will be placed on an individualized improvement plan that will be reviewed regularly by our RtI Leadership Team and re-evaluated as necessary. Every attempt will be made to ensure the success of all students. Below is a sample of the grade-to-grade promotions criteria.

There are two components used as guidelines for promoting **kindergarten to first grade**:

- 1) Kindergarten students should achieve 90% mastery of the first 26 phonograms. They should be able to say all the sounds with automaticity (1 per second) when shown the letter and write the letter/or letter combinations when the sounds are given.
- 2) The students should be able to read with fluency the letter sounds in nonsense words (See Nonsense Word Speed Drill), fluently read the words on List A (for evaluating the "Basic Code") and fluently read the List B (words taught in spelling in the first semester). Fluency is approximately one word per second. Give the students 60 words from the list, time them for a minute, and they should have 90% accuracy.

There are four components used as guidelines for promoting **first grade to second grade**:

- 1) First graders should achieve 70% mastery of the 71 phonograms. Again, they should be able to say all the sounds with automaticity (1 per second) when shown the letter and write the letter/or letter combinations when the sounds are given.
- 2) First graders should be spelling at least at grade level to be promoted to second grade.
- 3) They should also be able to read fluently the Spelling/Vocabulary List completed in April. Fluency is approximately one word per second. They can give the students 60 words from the list, time them for a minute and they should have 90% accuracy.
- 4) A reading comprehension component could be included. However, if the first three guidelines are met in classrooms using Hillsdale K-12 curriculum, the comprehension piece will be in place.

There are four components used as guidelines for promoting **second grade to third grade**:

- 1) At the end of second grade, students should achieve 90% mastery of all 71 phonograms for promotion to third grade. They should be able to say all the sounds with automaticity (1 per second) when shown the letter and write the letter/or letter combinations when the sounds are given.
- 2) Second graders should be spelling at least at grade level to be promoted to third grade.
- 3) They should also be able to read fluently the Spelling/Vocabulary List completed in April. Fluency is approximately one word per second. They can give the students 60 words from the list, time them for a minute and they should have 90% accuracy.
- 4) A reading comprehension component should be included during the second-grade year. We recommend using McCall/Crabbs Reading Comprehension Books. The books can be used throughout the year to track growth in reading comprehension. The student should be no more than six months below grade level. Schools can use other measures of reading comprehension.

For English Language Learner (ELL) students, the criteria and consequences above apply; however, it is the responsibility of the ELL teacher to justify exemptions. For students requiring Special Education, the criteria and consequences above apply; however, it is the responsibility of the Intervention Specialist to justify any exemption as it might apply to a student’s Individual Education Plan.

Curriculum – Lesson Template	6.3b	4) Explain what specific components are to be included in model lesson plan templates and rationale.
-------------------------------------	-------------	---

Each lesson plan will include a section defining the Course/Class, Grade Level, Lesson Title, and Lesson Duration. The main section of the lesson template contains 1) Lesson Objective, 2) Opening Question, 3) Tasks/Activities, 4) Questions during Instruction, 5) Materials, and 6) Concluding the Lesson. These areas allow teachers the space to 1) reflect on and predict challenges that students have traditionally experienced in the content area, 2) prepare for diverse learning, 3) and plan for differentiation for all students including Students with Disabilities, English Language Learners, and Gifted/Talented.

The rationale for writing such in-depth lesson plans is to ensure that instruction is rigorous, yet adaptable to the unique needs of each student, including learning style and level of academic readiness. Lessons that are well-written, detailed, and thorough are easily shared with colleagues, providing for cooperation between content areas. Lesson plans are developed based on individual student needs which are derived from NWEA data, prior state assessment data, and transcripts for each student. Lessons are individualized based on where the student is performing within the curriculum.

Before completing the lesson plan, each teacher must consider a series of questions that will aid in instruction. They are as follows:

- What is your objective for this lesson, or what do you want children to achieve through this lesson?
- How are you going to introduce this lesson? Engage students with an attention-grabbing, the opening question that will eventually lead to the key idea or concept.
- What does research provide related to this lesson, either from the textbook or outside resources?
- What questions will you ask during the lesson?
- How will you engage students using a multisensory method for this lesson? (It is important that students do more than just sit during a lesson.)
- What materials are needed to support your questioning or for an activity to go with this lesson?
- Think ahead. What difficulties might children encounter with this lesson/activity? How can you support the areas of difficulty?
- What are your expected outcomes from this lesson?
- How will you know if you have accomplished what the objective of the lesson was, or how will students demonstrate knowledge of what has been taught?

Listed in **Attachment 6.3b2_Lesson Template** is the document to be utilized in NOCA classrooms.

The lesson template helps to promote the acquisition and development of high-level critical thinking skills for our students. The template includes the following sections:

- Instructor Team
- Grade Department
- Standards
- Essential Understandings
- Pre-Assessment
- Post-Assessment
- Materials/Resources

Curriculum - Alignment with Ohio Learning Standards	6.3b	5) Provide evidence of alignment of the school’s curriculum model to the Ohio Learning Standards, the Ohio Strategic Plan for Education: 2019-2024, and the mission, vision, and philosophy of the school.
--	-------------	---

All curriculum for Northwest Ohio Classical Academy (NOCA) is aligned with the Ohio Learning Standards. All alignments have been completed for **K-12** core classes of ELA, Math, Science, Social Studies as well as non-core areas of Foreign Language, Visual Arts, Music, Health and Physical Education. The alignments are attached as document **Attachment 6.3b3_NOCA Curriculum Alignments**. Each content statement has been matched with sections (units/chapters/pages) in the texts and/or resources used by the teachers and students that align with the particular standard. For those areas that need additional resources to align fully, notes were recorded in the documents and suggested texts and websites to cover the gaps were included.

The school utilizes the Ohio Learning Standards as the basis for what is to be taught. The Hillsdale K-12 program Guide is aligned to Ohio Learning Standards in all core and non-core content areas. As an additional resource in helping to assure lessons are aligned to the Ohio Learning Standards, the school will utilize resources developed through the Ohio Strategic Plan for Education and Achieve the Core and available on the ODE website. The school will utilize Achieve the Core guides to understand better and implement the standards. The guides will be used to observe teachers as they give instruction and provide them with feedback that supports their planning and reflection per the ODE website. Additional textbook alignments and assessments as well as assessment and lesson alignments are available per the Achieve the Core website at <http://achievethecore.org/category/1141/alignment-rubrics-and-textbook-adaptations> and will be utilized as needed. Additionally, the school will use

Ohio Department of Education Gap Analysis tools for core content areas such as the K-8 Gap Analysis as found at <http://education.ohio.gov/Topics/Learning-in-Ohio/Mathematics/Ohio-s-Learning-Standards-in-Mathematics> and a review of the Three-Year View (2017-2019) of Suggested Transition Activities for Mathematics on the same page.

Teachers meet during the summer before each academic year to review the standards and lessons to assure all gaps are filled using the above resources. The curriculum is reviewed annually to assure full alignment with the standards.

Ohio Strategic Plan for Education: 2019-2024

By providing a curriculum that offers well-rounded content, foundational knowledge and skills, leadership and reasoning along with social-emotional learning, NOCA is supporting the whole child and aligned with Ohio's Strategic Plan for Education (OSPE). In alignment with OSPE's priority of providing the first Core Principle of Equity for each student, NOCA is ensuring every student is afforded the opportunity to achieve regardless of ethnic identity, race, gender, or academic proficiency. NOCA provides a learning environment that ensures every student acquires the knowledge and skills across all four equal learning domains of Foundational Knowledge & Skills, Well-Rounded Content, Leadership & Reasoning, and Social-Emotional Learning to be successful.

In providing the second Core Principle of Partnerships, NOCA considers parents are partners and offers numerous opportunities for parental engagement throughout the school. Additionally, NOCA is partnering with other community stakeholders to assure ALL students have the supplemental academic, emotional, behavioral, and psychological resources needed to excel.

In aligning to the third Core Principle of Quality Schools, NOCA will offer the opportunity for students to close any learning gaps. The school will create strategic improvement plans that will continue to improve student achievement. NOCA supports the OSPE vision that "In Ohio, each child is challenged to discover and learn, prepared to pursue a fulfilling post-high school path and empowered to become a resilient, lifelong learner who contributes to society" that also aligns with the mission, vision, and philosophy of NOCA.

Alignment to the Mission, Vision, and Philosophy of the School

The mission of Northwest Ohio Classical Academy is to develop the academic potential and personal character of each student through a rigorous, content-rich classical curriculum in the liberal arts and sciences with the intent of producing thoughtful leaders and virtuous citizens. The vision of the school is "To have a citizenry worthy of the legacy of our country's founders and the continuation of our American experiment, through a classical, great-books curriculum designed to engage the student in the highest matters and the deepest questions of Truth, Justice, Virtue, and Beauty."

The philosophy of NOCA is that students should be stewards of the "Western Tradition" and the pillars of a free society. NOCA believes that the diffusion

of learning is essential to the perpetuity of this tradition. The school seeks to provide an education that aims at understanding the highest matters and the deepest questions of Truth, Justice, Virtue, and Beauty. To support the philosophy, NOCA will employ the ideas and principles in the original texts that have both intrinsic worth and beauty and are worthy of study and contemplation including utilizing the founding documents of America and in the literary and scientific education of the founders themselves.

The classical education model and curriculum to be utilized support the mission, vision, and philosophy narrative. The curriculum utilizes great books and other resources specially designed to engage the student in the ideas and principles of America's founding. Classical education upholds a standard of excellence. NOCA's high standards and research-based curriculum will provide students with a traditional education that will challenge them to excel in learning and character. At NOCA, high academic achievement, personal discipline, ethics, and responsibility will be consistently reinforced through the study of subjects in the classical tradition.

NOCA utilizes The Hillsdale K-12 Curriculum including Literacy Essentials, and Singapore Math as the predominant curriculum. The Hillsdale K-12 Program Guide was initially based on the Core Knowledge Sequence including history, geography, literature, visual arts, music, and science, which are all to develop well rounded and civic minded students. The program engages in cultural literacy, which supports the mission's goal to produce thoughtful, knowledgeable leaders who are capable of communicating and succeeding well within any chosen profession.

To fully develop the academic potential of all students in order to produce thoughtful leaders, literacy will be a strong component of the program, and a remedial literacy program will be available to all students who are performing behind grade level. To better understand the language of the classics or any reading material crucial to developing a broad understanding of truth, justice, virtue, and knowledge, NOCA will offer Latin. To complete a classical education where a well-rounded liberal arts education is sought, math, numeracy, and science will be taught. In support of the vision of NOCA, the works of the great scientists will be studied who pondered great questions only to uncover many of the discoveries enjoyed today. To push the importance of providing thought provoking students, the students will learn the concepts behind numerical relations as well as the algorithm.

To develop a well-rounded citizen, every student will receive art and music education. The civic education will teach American history; a pivotal component of educating students who are studying the founding of the country and the founders. To understand the modern interpretations of justice and the rule of law, the Hillsdale K-12 curriculum includes civics. The mission and vision seek to create virtuous students and character development, and moral education will be an important component of the education model.

Additionally, NOCA will implement a discipline policy that helps to develop a moral culture that leads to great citizenship. To support the philosophy that students should be "stewards of the 'Western Tradition' and the pillars of a free society," the importance of debate and defending one's opinion through the art of augmentation will be taught in the upper middle school grades. Finally, as an extension of helping to create a healthy and active mind, NOCA will provide physical education at every grade level to produce healthy bodies.

<p>Curriculum - Literacy Skills</p>	<p>6.3b</p>	<p>6) Describe how the school will develop literacy skills across all ages, grades, and subjects, as well as building the capacity for effective literacy instruction (i.e., search ODE Ohio’s Plan to Raise Literacy Achievement Birth-12, January 2018).</p>
<p>Through Ohio’s Plan to Raise Literacy Achievement in all students from birth-12, ODE is aligning to the state’s current portfolio of literacy-related policies and practices while promoting evidence-based language and literacy instruction and intervention. To achieve this alignment, the state is cohesively coordinating and linking efforts to drive maximum impact through the following strands of action: 1) Shared Leadership; 2) Multi-Tiered System of Supports; 3) Teacher Capacity; 4) Family Partnerships; and 5) Community Collaboration. NOCA’s education model incorporates all strands into its academic program in order to raise the literacy achievement of all students. In Shared Leadership, NOCA’s teachers, TBTs, BLTs, and DLTs will be involved in the “identification of the challenge, the causes of underperformance and the solutions to be implemented and perform leadership tasks in support of the improvement approach.” Ohio’s Multi-Tiered System of Supports “provides a framework for supporting learners and staff as part of school improvement efforts.” NOCA will utilize the Response to Intervention system to identify and support academic and behavior challenges for students and create a 5 Step School Improvement Process to identify processes, address challenges, and monitor efforts that lead to student and school achievement. In Teacher Capacity, “Ohio is committed to improving teacher capacity through focused, sustained and embedded professional learning and coaching in evidence-based language and literacy practices and interventions.” In support of this goal, NOCA will implement ongoing Professional Development for teachers and leaders that are aligned to Ohio Standards for Professional Development. In aligning with the Family Partnerships strand focusing on building family partnerships by both early childhood (birth to age 5) and pre-kindergarten through grade 12 educational entities, NOCA will offer opportunities for parent participation in the life of the school and connect with local daycare centers and Head Start organizations as well as ODE referred agencies as a form of outreach and recruitment. In Ohio’s last strand of Community Collaboration that includes partnerships at the state, regional and local levels that can help drive literacy improvement and keep in focus why proficient literacy skills are critical, NOCA will utilize partnerships with community stakeholders and ODE resources/personnel/training to increase literacy.</p>		
<p>Curriculum – Future Success</p>	<p>6.3b</p>	<p>7) Describe how the school will identify and support student's future success (i.e. focus on career, project-based learning, expanding work-based learning, career-tech/industry credentials, job shadowing and expanding pathways to graduation).</p>

NOCA's mission aligns with the Ohio Strategic Plan for Education: 2019-2024 One Goal vision that reflects student success one year after completing a high-quality and supportive preK-12 education experience:

Ohio will increase annually the percentage of its high school graduates who, one year after graduation, are:

- Enrolled and succeeding in a post-high school learning experience, including an adult career-technical education program, an apprenticeship and/or a two-year or four-year college program;
- Serving in a military branch;
- Earning a living wage; or
- Engaged in a meaningful, self-sustaining vocation.

The classical education model offers a time-honored liberal arts curriculum and pedagogy that direct student achievement toward mastery of the fundamentals in the basic academic skills, exploration of the arts and sciences, and understanding of the foundational tenets of our Western heritage. The curriculum by purpose and design is a survey of the best intellectual and cultural traditions of the West as they have been developed and refined over many generations. Therefore, students will be fully prepared to engage in a high quality and high performing high school and continue to college, military service, a vocational trade or a career with academic and civic skills as well as the scholarly proficiency that allows productivity and achievement. NOCA will be establishing and working in post-secondary pathways tailored to each individual student's needs.

NOCA offers additional career-tech and expanded pathways toward graduation as well. The school provides College Credit Plus Meetings and works with students on the following:

- Enrollment in Owens Community College (CTM) Courses/ Pathways and University of Toledo Dual Enrollment
- On-going College and Career counseling
- Quarterly Lunch and Learn Speakers
- College and Career Fairs
- Career Shadowing Requirement (Junior Year)
- Ohio Graduation Seal Pathways as included in the Handbook
- Development of Success Plans for students who fail one or more course
- Vision, Mission and Interest College and Career Exploration Elective
- Creation, Navigation and Completion of Career Surveys, and Research in Naviance, Ohio Means Jobs (OMJ)
- Resume Writing Workshops
- Armed Forces /Naval Academy Cadet visits
- Adoption of technology curriculum

By closing any academic gaps and offering an education model that teaches language, numeracy, math, English, Latin, civic education, music, arts, cultural education, time management, organization, note taking, prudence, justice, and temperance, while encouraging responsibility, respect, courage, courtesy, honesty, and citizenship, students will be prepared to travel whatever road they choose for a fulfilling life.

6.3c Instructional Delivery Methods and Resources/Materials

Instructional methods and resources are the ways and tools used to deliver the curriculum. *What strategies or techniques will be used to engage students in learning? What instructional resources and materials will the teachers and students be using, including technology? With strong evidence and great detail, each of the following items should be addressed.*

<p>Instructional Delivery Methods</p>	<p>6.3c</p>	<p>1) Explain in detail the <u>primary</u>, evidence-based instructional delivery methods, strategies, and/or techniques (i.e., high yield instructional practices, project-based learning, computer-based, etc.) that will be used to provide daily instruction in your school to support success for all students.</p>
<p>Northwest Ohio Classical Academy (NOCA) seeks to provide a content-rich curriculum that uses instructional approaches with proven track records of success. At NOCA the instructional delivery methods, strategies, and/or techniques will depend on grade level, but philosophically are consistent throughout. Central to traditional educational philosophy is the authority of the teacher in the classroom as both the vessel of knowledge and the primary agent for forming the student’s character. As such, the teacher plays an active and direct role in the instruction of the academic lessons and the teaching of virtues. In the lower grades, instruction will focus on the explicit teaching of the basic principles and rules of reading, writing, grammar, speaking, and math. Beginning in kindergarten, students will be taught in the Socratic Method to encourage intelligent, logical, and independent thinking. To produce students who communicate effectively, are virtuous, possess cultural literacy, and are active and productive members of American society, well-researched instructional methods that support mastery of State Standards are as follows.</p> <p>1. Explicit and Systematic Phonics Instruction - Through the direct teaching of letter-sound relationships through a specified sequence, the foundation for literacy is established and provides students the ability to decode the printed word. Studies show that systematic phonics instruction produces significant benefits for students in kindergarten through 6th grade and for children having difficulty learning to read.¹</p>

Teaching Children to Read: An Evidence-Based Assessment of the Scientific Research Literature on Reading and Its Implications for Reading Instruction. National Institute of Child Health and Human Development. <http://www.readingrockets.org/article/phonics-instruction> (accessed 5 September 2018)

2. **Explicit English Grammar Instruction** - Using tools such as diagramming and the study of root words, students will be equipped to speak and write with a high degree of communicative competence. As students learn to identify parts of speech and seek to develop syntax, they are able to communicate more clearly on all levels. The more they learn about the English language, and its structure, their ability to easily and fluently express more complex thoughts becomes evident. The results of a study indicated the outperformance of the participants in the explicit group over the performance of the participants in the implicit group in both productive and receptive modes.² Another study indicated that explicit instruction was more effective for both simple and complex language features. In addition, explicit instruction led to both greater explicit and implicit knowledge. Finally, explicit instruction was also more effective in the long term (as measured by delayed post-tests).³

3. **Ability Groupings** - Instructional supports and strategies are most effective through the use of flexible ability groupings in the core subjects of Reading, Writing and Math. To best differentiate instruction, providing individualized supports for all learners while maintaining the same expectations of outcome, ability groupings will allow NOCA to tailor instructional techniques and class time to meet the needs of all students. Students will be placed into ability groupings upon admission using initial assessments that indicate strengths and weaknesses. Students will be moved across groupings as additional assessments suggest. Students are responsible for mastery of the same skills and concepts and are required to take the same assessments regardless of grouping. Using differentiated instructional strategies will enable teachers to optimize the learning of all students. “According to a 2010 meta-analysis by Kelly Puzio and Glenn Colby, students who were grouped by ability within a class for reading were able to make up to an additional “half of a year’s growth in reading.” Similarly, a 2013 National Bureau of Economic Research study of students who were grouped by ability found that the performance of both high and low performing students significantly improved in math and reading, demonstrating the universal utility of this tool, particularly as our classrooms become more academically diverse.”⁴

4. **Utilization of Primary Source Documents** - Primary sources are materials that were created by those who participated in or witnessed the events of the past. They can include letters, reports, photographs, drawings, sound recordings, motion pictures, and artifacts, as well as books. Although sometimes life lessons (e.g., motives, ethics, and “cause and effect”) are not necessarily obvious or easy to define, primary sources can bring them to life. They reflect events and experiences that actually occurred and introduce students to the individuals who lived them. Per the Library of Congress, “Primary sources provide a window into the past—unfiltered access to the record of artistic, social, scientific and political thought and achievement during the specific period under study, produced by people who lived during that period. Bringing young people into close contact with these unique, often

profoundly personal, documents and objects can give them a very real sense of what it was like to be alive during a long-past era.”⁵ The Library of Congress further stated that primary source documents, “Engage students, develop critical thinking skills, and construct knowledge.”⁶

5. **Teaching of Study Skills** - Time management, organizing, memory techniques, note taking, and outlining will be emphasized throughout NOCA and integrated throughout the curriculum to equip students for higher learning. Developing stamina for challenging and complex work is imperative for the promotion of a strong work ethic. A recent study confirmed that “while many study skills are important for middle school students to know and apply to their academics, those that involve higher order thinking skills or a deeper level of processing are most beneficial to students.”⁷ Two studies show that “Academic success is foundationally correlated with the acquisition and application of study skills, across a myriad of academic content areas, and for a variety of learners.”⁸ Additionally, “research confirms that improved study skills correlate to a higher GPA for learners of both genders, across a diverse spectrum of socioeconomic levels and within a variety of academic fields.”⁹

6. **The Socratic Method** - The use of direct, intentional questions to guide students’ understanding of problems and their solutions will be a fundamental part of instruction, particularly in literature and history courses. Instructional practices will include:

- lecture/direct instruction/dictation
- modeling/demonstration
- reading aloud
- singing/chanting/rhymes,
- drilling small bits of information
- flashcards

Students will be required to “sound out” words based upon the rules of phonics. With explicit grammar instruction and the use of tools such as diagramming and the study of root words, students will be equipped to speak and write with a high degree of communicative competence. “The Socratic method primarily address aspects of the development of skill in critical thinking that do not come from learning types of logical fallacies or the heuristics

for evaluating arguments and solving problems. It comes from a socially communicated inspiration to thirst for understanding and to experience the hard work involved in creating understanding as a joyful and satisfying journey.”¹⁰ According to TeachHub.com: K-12 News, Lessons & Shared Resources By Teachers, For Teachers, “One of the biggest reasons for the Socratic Method's popularity is that it encourages and rewards higher-order thinking skills like evaluating, analyzing, and applying. These mindsets help students learn independently and develop them into lifelong learners. But it’s not only about sharing ideas. It’s about honing listening skills -- deep listening. Students begin to love learning because it comes from themselves and peers. Students develop an understanding of the difference between arguing and discussing: The former is emotional; the latter while still impassioned, is respectful.”¹¹

Classical Education Model Research Base

Classical education is time proven with a history of over 2500 years in the West. It began in ancient Greece, was adopted wholesale by the Romans, faltered after the fall of Rome, made a slow but steady recovery during the Middle Ages, and was enlivened in the Renaissance. The classical inheritance passed to England and from England to America through colonial settlement. At the time of this nation’s founding, classical education was thriving. Jefferson heartily recommended Greek and Latin as the languages of study for early adolescence. Plutarch’s *Lives of the Noble Greeks and Romans* was often recommended by men like Jefferson and Franklin, and Hamilton seems to have given it special attention during his military encampment at Valley Forge. Eighteenth-century Americans venerated and trusted George Washington in large part because he reminded them of the Roman patriot Cincinnatus. So important has classical education been in the history of the West that it would only be a slight exaggeration to say that the march of civilization has paralleled the vibrancy of classical schools. Such a long tradition of education continues to be relevant today.

Classical education, from a research base, is most closely aligned with Cognitivist learning theories. These theories postulate that children generate knowledge and meaning through the sequential development of an individual’s cognitive abilities, such as the mental processes of recognize, recall, analyze, reflect, apply, create, understand, and evaluate. The Cognitivists’ (e.g. Piaget, Bruner, Vygotsky) learning process is adaptive learning of techniques, procedures, organization, and structure to develop an internal cognitive structure that strengthens synapses in the brain. The learner requires assistance to develop prior knowledge and integrate new knowledge. The purpose of education is to develop conceptual knowledge, techniques, procedures, and algorithmic problem solving using Verbal/Linguistic and Logical/Mathematical intelligence. The learner requires scaffolding to develop schema and adopt knowledge from both people and the environment. The educators’ role is pedagogical in that the instructor must develop conceptual knowledge by managing the content of learning activities.

Classical education is more than simply a pattern of learning. Classical education is language-focused; learning is accomplished through words, written and spoken, rather than through images (pictures, videos, and television). This process is important to understand because language-learning and image-learning require very different habits of thought. Language requires the mind to work harder; in reading, the brain is forced to translate a symbol (words on the page) into a concept. Images, such as those on videos and television, allow the mind to be passive. In front of a video screen, the brain can relax; faced with the written page, the mind is required to work. A classical education, then, has two important aspects. It is language-focused, and it follows a specific three-part pattern: the mind must be first supplied with facts and images, then given the logical tools for organization of facts, and finally equipped to express conclusions.

Instructional Delivery Methods - Resources/Materials	6.3c	4. Identify resources and materials that will be in place at the school's opening in all core and non-core content areas, including technology.
--	------	---

Materials and Resources

The materials utilized to support instruction will depend on grade level. At the K-6 grade levels, the textbooks used will be those recommended by the specific teaching programs **included in the Hillsdale K-12 Program Guide** such as Literacy Essentials, Singapore Math, and Core Knowledge. There will be an emphasis on teaching good character development as students progress by reading complete books, stories, and tales that illustrate moral virtues such as,

but not limited to, courage, care, truthfulness, beauty, and kindness. At the upper-grade levels, original source documents will be used rather than a synopsis of such documents. NOCA will provide a computer skills class at the lower grades to ensure students have the proper skills to take required on-line state-mandated tests. NOCA will use technology effectively but without diminishing the faculty leadership that is crucial to academic achievement. Faculty will be provided with laptops, have overhead projectors, whiteboards, and other technological devices available to be used at teachers' discretion. Listed below are samples of the main curriculum materials and publishers utilized. The full scope and sequence and curriculum map with all resources utilized is enclosed herein.

Technology

Technology is utilized in each classroom and by each student and/or teacher on an as needed basis. Technology is used to support educational delivery in the classroom and for testing purposes, but technology is not used as the primary source of education delivery in a classical education model. If students need a laptop to complete an assignment, be it in the classroom or through remote learning, one is provided to them by the school. Technology is further utilized for remote teaching and learning at such times being in the classroom is not possible, such as during a global pandemic. Teachers may authorize students, during such situations or students with unique circumstances, to utilize computers or materials provided for instruction at home to make remote learning possible.

Curriculum

Hillsdale K-12 Curriculum

The order of the Hillsdale K-12 Program Guide allows for regular repetition of the most important topics, such that students are well-versed in the fundamentals by the time they reach high school. The science program is supported by Pearson's Science Explorer series, complete with integrated lab manuals and demonstrations and Delta Science Content Readers. Core Knowledge was the basis for the Hillsdale K-12 Program Guide and provides both lesson plans and an overview of topics for each grade level in the areas of Language Arts, History and Geography, Visual Arts, Music, Mathematics, and Science. The Sequence guides teachers in what instructional resources are necessary to be purchased to deliver the curriculum fully.

Singapore Mathematics

NOCA's approach to numeracy mirrors its approach to reading, writing, and vocabulary—learning and memorizing the facts of math in all branches of mathematics. For grades K-8, math will be taught using the U.S. edition of Singapore Math, an English equivalent to the national mathematics curriculum used in Singapore. Singapore Math uses a combination of detailed instruction, problem-solving, and visual and hands-on aids that ensure students master material before moving on to new topics. From the earliest grades, this program emphasizes concepts, mental math, and number sense while employing physical and graphical illustrations of underlying mathematical rules and phenomena. The program presents mathematical skill building and problem-solving such that students have a better understanding of not simply when to use a particular equation—but why. Moving students on to higher levels of skills before they're ready is not an option so that the program will be employed at each student's ability level. Ability-level groups will be determined at the beginning of each school year, and adjustments will be made on an as-needed basis in order to best equip each student with the language of numeracy.

Singapore Math was developed in 1981 by the Curriculum Planning and Development Institute of Singapore. Educators in the United States began implementing Singapore Math in 2000. Topics are taught to a mastery level with detail and consistency, and the textbooks are designed to build a deeper understanding of mathematical concepts as opposed to offering simply definitions and formulas. Professional development accompanies Singapore programs; therefore, teachers are better prepared to facilitate lessons. Singapore Math has a consistent emphasis on problem-solving and model drawing, with a focus on in-depth understanding of the essential math skills recommended in the National Council of Teachers of Mathematics Curriculum Focal Points, the National Mathematics Advisory Panel. Students using Singapore Math learn math concepts thoroughly, but they also master essential math skills more quickly. It has been reported that by the end of sixth grade, students have mastered multiplication and division of fractions and are able to complete difficult multi step word problems comfortably, ensuring they are well prepared to complete Algebra 1 in middle school (Source: John Hoven and Barry Garelick, "Singapore Math: Simple or Complex?" Educational Leadership 65:3, November 2007).

Singapore Math Research

Singapore is the world leader in mathematics achievement, according to at least two major longitudinal studies. Per the Trends in International Mathematics and Science Study (TIMSS), an international comparative study designed to measure achievement at the fourth and eighth grades, Singapore ranked in the top three countries in both 4th and 8th grades in every year the study was conducted (1995, 1999, 2003, 2007, 2011, and 2015). The Programme for International Student Assessment (PISA), a triennial international survey that evaluates OECD (Organisation for Economic Co-operation and Development) countries by testing the skills and knowledge of 15-year-old-students, has also consistently ranked Singapore highest in mathematics. The PISA survey has ranked Singapore in the top two countries for mathematics in 2009, 2012, and 2015. Singapore Math was developed in 1981 by the Curriculum Planning and Development Institute of Singapore.

Science

Although the rhetoric surrounding a classical or liberal-arts school often emphasizes the humanities, the sciences are no less important than the humanistic disciplines and do not play a secondary role. Pearson’s Science Explorer series, Read-aloud Resources, Delta Science Content Readers Series by Delta Education and ScienceSaurus by Houghton Mifflin Harcourt will be used as a supplement to the Hillsdale K-12 curriculum to provide a rigorous, hands-on approach to scientific inquiry. FOSS is a research-based K-8 curriculum dedicated to improving the learning and teaching of science that is guided by advances in the understanding of how children think and learn. In addition, in 9th grade, Biology will be taught using BSCS Biology along with two additional Biology texts giving students and teachers a full scope approach to an advanced biology curriculum. In grades 10-12 advanced sciences- as defined by the Ohio Department of Education will be available to students. Resources to teach these courses will include the following:

Science will be taught with an emphasis on scientific facts and the inquiry-based method and will include the incorporation of technical approaches to observing, describing, recording, ordering, analyzing, testing, and comparing predictions to observations.

Social and Emotional Learning Curriculum

The PATHS® Program (from the website)

The PATHS program is grounded in social and emotional learning (SEL). SEL helps children resolve conflicts peacefully, handle emotions positively, empathize, and make responsible decisions. PATHS was developed and refined through nearly 30 years of research, the PATHS program is the premier social and emotional learning program available. It has been included or cited in over 40 published studies and texts.

The PATHS program received the highest possible rating from Blueprints for Healthy Youth Development (Center for the Study and Prevention of Violence, University of Colorado). The PATHS program is one of only 17 youth development programs to receive this elite recognition -- over 1,500 programs have been reviewed to date.

Data from more than 270,000 students were collected for a large-scale study of universal, school-based SEL programs, including the PATHS program. In that study, SEL students showed an 11% gain in academic achievement. As reported in *Science* magazine, the PATHS program has been proven to help build executive functions (EFs) in children's developing brains. EFs include impulse control, problem-solving, reasoning, planning, and working memory. These skills are proven predictors of math and reading competence throughout a child's school career.

In rigorous clinical studies,¹² the PATHS program has been shown to:

- reduce teachers' reports of students exhibiting aggressive behavior by 32%
- increase teachers' reports of students exhibiting self-control by 36%
- improve performance on state achievement tests in reading, math, and writing¹³

¹² at one- or two-year follow-up, compared to matched-comparison children, supplemented with teacher training and support

¹³ during a 4-year implementation period, compared to matched-comparison children, supplemented with teacher training and support

- increase students' vocabulary for emotions by 68%
- increase students' scores on cognitive skills tests by 20%
- significantly improve students' ability to tolerate frustration plus their ability -- and willingness -- to use effective conflict-resolution strategies
- reduce behavior problems, such as aggression at school (for both regular and special-needs students)
- significantly decrease conduct problems and the percentage of aggressive/violent solutions to social problems
- reduce depression and sadness among special-needs students
- significantly increase teachers' reports of improved behavior in the classroom¹⁴
- significantly increase teachers' reports of improved academic engagement¹⁵
- significantly reduce students' reports of male students exhibiting aggressive behavior.¹⁶

Instructional Delivery Methods - Resources/Materials	6.3c	5. Explain the selection, approval (including board) and change process for instructional resources and materials to be used by teachers and students, including technology.
<p>The Principal works with teachers to identify gaps in delivery or resources to determine whether different or additional instructional resources are needed to improve student performance. Twice a year at data meetings, the School Accountability Committee meets to determine if curriculum changes are needed based upon data results. The resources chosen will assure that NOCA students have the skills necessary to demonstrate student mastery of learning objectives. The Principal through Board approval determines instructional resources and materials. The initial selection process is based upon : 1) recommendations from Hillsdale K-12 Education and review/input from NOCA teachers, 2) results of other Hillsdale Curriculum supported classical model high performing schools using the same curriculum, 3) evaluation of alignment to Ohio Learning Standards, and 4) ultimately, Board approval. The Principal presents the curriculum plan for instructional resources and materials to the Board at a Board meeting four to six months prior to the start of the school year for approval. Board Members will have the opportunity to discuss the options, review research and</p>

evidence for curriculum and technology effectiveness, and ask questions of the Principal prior to approval of the curriculum and any technology. The Board of Directors will review curricular and instructional changes and the need of any major technology changes at monthly board meetings as needed. The Principal will inform the Board as such needs arise. Data is collected daily and weekly at the classroom level, every one to two weeks at the building level. This data collection process allows the analysis and evaluation of academic achievement. The assessment results justify the rationale for changing the curriculum.

6.3d Continuous Improvement and Professional Growth

Schools must improve instructional practices and student performance on a continual basis. With strong evidence and great detail, each of the following items should be addressed.

Continuous Improvement	6.3d	1) How will the school develop, monitor, and evaluate a school improvement plan using the <u>Ohio 5-Step Decision Making Process</u>. Describe the structures and processes to support the improvement planning.
-------------------------------	-------------	---

The School Accountability Committee (SAC) consisting of the Principal, Vice Principal, Dean of Students, Resource Teachers, Intervention Specialists and grade level (K-2; 3-5; 6-10) Teacher-Based Teams, develops the Continuous Improvement Plan. In Year One, the SAC will be charged to develop the plan at the beginning of the school year. The Principal oversees the development of the school improvement plan. The TBTs will meet twice a month to discuss and review the progress of the school improvement plan. In June, SAC will review the school improvement plan and adjust it for the upcoming year. The initial benchmark goals are created based upon expectations of student performance based upon the state performance assessments of the local school districts from which NOCA will recruit. Continuous goals are based upon school formative and summative assessments. From these goals, professional development is determined that will support the teachers in implementing lessons to achieve the goals. The professional development is aligned to state standards. After the initial plan is developed, the SAC will meet annually in January to begin the review process of the curriculum, curriculum resources and the online resources utilized by the school. The overall plan is developed through the guideline of the Ohio Department of Education Decision Framework found at <http://education.ohio.gov/Topics/District-and-School-Continuous-Improvement/Ohio-Improvement-Process/Decision-Framework-Information>. Concepts utilized to develop the plan include Collaborative Implementation Teams such as BLT (Building Leadership Implementation Team); and TBTs (Teacher-Based Teams). As well, roles and responsibilities are integral to the plan’s development including concepts of Shared Leadership, Communication, and Engagement,

Purposeful Decision-Making, and Resource Management.

NOCA will implement the Ohio 5 Step Improvement Process. Ohio's 5-Step Process includes the following:

- Step 1: Collect Evidence of Student Learning
- Step 2: Analyze Assessment Results
- Step 3: Plan for Instruction
- Step 4: Implement with Fidelity
- Step 5: Re-assess and Evaluate Effectiveness

The action plans below correlate with the 5 step process.

Step 1: Teacher Based Teams (TBTs) will meet every week to discuss data and share ideas.

Step 2: The TBTs process is evaluated each month by the SAC. As necessary, members of the Board Education Committee may be included. Feedback is given to all TBTs, and data is analyzed for growth purposes. Additionally, the Principal and Dean of Students will meet with teachers to discuss assessment results and growth of Tier 2 and Tier 3 students. This data is the basis of any coaching and professional development provided to teachers throughout the remainder of the schedule.

Step 3: The TBTs process is then reviewed by the Principal and Dean of Student Learning in efforts to ensure where additional training is needed.

Step 4: The instruction plan is implemented during the first year. After the first year, the plan will include any data-based adjustments, if needed. Step 4 and 5: The SAC will meet each week to discuss the OIP and pertinent policies and procedures throughout the building. The SAC will discuss the information collected from the 5 Step Process forms to provide advice and feedback for the TBTs.

Step 5: The SAC meets each summer to review teacher progress to determine what professional development would be beneficial.

Data is consistently reviewed. Adjustments are made by the following staff and during the following timelines:

- a. NWEA Assessment data will be reviewed by teachers after each testing session (Fall, October; Spring, April). State assessment data will be reviewed in August prior to the start of school. Additional progress monitoring tools contained in the curriculum will be given to students on a regular basis to progress monitor where students are in a particular subject as well as drive instruction. These assessments will be reviewed by the Dean of Student Learning every six weeks.
- b. Curriculum maps and pacing guides will be reviewed by the SAC and a representative from Hillsdale Curriculum, when needed. This process will occur in April. The results of the review will be shared with the Board in May.

The SAC will meet annually in January to begin the review process of the curriculum, curriculum resources and the online resources utilized by the school. Technology will be reviewed as well to determine the needs of the school for updating or adding new technology in specific grades or certain subjects and for what intended purpose the technology is serving.

Data will be reviewed to determine specific areas where additional curriculum and/or resources need to be added to prevent gaps in learning and maintain student growth. Training will also be reviewed to determine the level of implementation of current resources to ensure teachers are capable of implementing the curriculum and matching to specific standards. Professional Development will, therefore, be reviewed to determine current and future needs for each subject, grade or individual teachers. TBTs will evaluate the effectiveness of the previous meeting and the work of the team at the conclusion of each meeting based on the 5 Step Process. The SAC will review TBTs meetings notes on a monthly basis.

The SAC is involved in the continuous improvement cycle to monitor progress and determine any warranted adjustments to the curriculum and programming. The first stage of the continuous improvement plan is the decision framework. In this stage, the BLT reviews data to identify critical needs of the school. This process allows the team to make informed decisions of where to spend time/energy and resources to make improvements in student performance. Stage 2 is the development of a Data Plan. This includes goals for Reading, Math and school culture. The team is required to identify adult and student implementation, timelines, action steps and strategies for achieving the goal. During stage 3 and 4, the plan is implemented and monitored throughout the school year.

The result of the tests, analysis, feedback, and implementation plans occur more often than once a year. The NWEA results are analyzed and discussed after testing occurs twice a year, and the adjustment process occurs immediately. The TBTs meet and discuss data monthly with appropriate changes occurring. At each monthly Board meeting, data is discussed, and the Principal presents to the Board a review of the OIP process. Any adjustments to the program or course corrections occur after Board input. The decisions made based upon the data and Board input will inform changes made to classroom practices including a written school improvement plan. Because the TBTs meet monthly and the BLT meet to discuss the results of the TBT collected data, the development of the Data Plan occurs throughout the school year and not just annually. After any new plan is implemented, it is monitored regularly throughout the year. Changes can occur in real time due to the continuous nature of the assessment collection and analysis. Information is also made available to parents during parental meetings and conferences. Additional information is disseminated to parents and the broader community through written communication, the school website, and Board meetings.

NOCA will evaluate prior school data of students to identify the most pressing needs based upon probable causes as a starting point in the development and implementation of the OIP. The Teacher-Based Team 5-Step Process Meeting Agenda and Minutes Templates are tools that assist teachers in analyzing student data and creating action plans for improved results. The team reviews the building plan to ensure the work of the team is leading toward attainment of the goals, strategies, and indicators described in the plan.

Professional Development

Professional Development is an important component of the continuous improvement cycle. Professional Development will occur for two weeks before the opening of school and during the school year. Five times per year, there is all-day formal Professional Development for an overall review of data, curriculum, differentiation, and subject matter work. Weekly planning sessions occur that include some level of professional development. **During the summer there is an intensive Professional Development provided by the NOCA leadership staff and SAC where teachers choose grade and content specific trainings for PD.** Prior to the opening of the school during its first three years of operation, Hillsdale K-12 Education conducted training for the school. The school will utilize professional development at regularly scheduled times to analyze data to assure performance and accountability targets are met. Staff development will focus on meeting these targets. The review and analysis process is detailed above. Any additional teacher training as a result of the professional development and TBT meetings will be implemented.

Resident Educator Program	6.3d	<p>7) Discuss implementation of Ohio's Resident Educator Program in the school (i.e., mentoring process, meetings, monitoring of work completed, timelines, ratios of mentor to mentees, etc.).</p>

Northwest Ohio Classical Academy (NOCA) will implement Ohio's Resident Educator Program. Resident Educators work collaboratively with their mentor to complete the program requirements using self-assessment and goal setting, demonstrate the use of authentic teacher work such as lesson planning, data analysis, and assessment for reflection, as well as successfully complete the Resident Educator Summative Assessment (RESA) to advance to Professional Licensure. Teachers involved in RESA Year 1, Year 2, Year 3, and potentially Year 4 are provided training and assistance from trained mentors. Resident educators meet annual requirements and collaboratively work with their mentor through discussions and feedback about the following topics:

- Self-assessment
- Goal-setting
- Instructional planning using authentic teacher work such as lesson plans and assessments
- Observations for learning
- Analysis of student learning using student work and assessments

Teachers participate to the fullest extent in all activities and activities within RESA and join in the NOCA Professional Development. The mentor teacher will regularly work with the resident educators and update all required information. The Resident Educator Forms include a Monitoring Student Learning form. Resident Educators complete the Monitoring Student Learning data inventory below, which includes monitoring two students. Once the form is complete, mentors and Resident Educators move into the planning phase of the Teaching-Learning Cycle. The Resident Educators complete a Year 1 Assessment that includes categories of strengths, areas of growth, and the seven standards of Students, Content, Assessments, Learning Environment, Collaboration and Communication, and Professional Responsibility and Growth.

Requirements Completion Checklist

Resident Educator mentors and mentees complete an annual checklist for each year. The sheet records the dates of following required activities. The mentor provides initials as the activities are completed.

- Collaborative Log or Focused Mentoring Activity Log (1-2 times/month)
- TBT Content Conference Call (Data Analysis Tool)
- Content Collaboration Meeting
- Other related PD or mentoring activity

For Year 1 and Year Resident Educators, the specific activities are listed below and include the timelines:

- Ohio Resident Educator Program Orientation Presentation (Sept)
- Self-Assessment (Oct/Nov)
- Professional Growth Plan (Oct/Nov)
- Peer teacher observation

- Mentor teacher observation
- Lesson Reflection of a videotaped lesson (recommendation Jan/Feb)

For Year 3 Resident Educators, the activities are as follows:

- Ohio Resident Educator Program Orientation Presentation (Sept)
- Self-Assessment (Oct/Nov)
- Professional Growth Plan (Oct/Nov)
- Focused Mentored I: Communication & Professional Growth
- Focused Mentored I: Communication & Professional Growth
- Focused Mentoring II: Use of student Formative & Summative Assessments
- Focused Mentoring II: Use of student Formative & Summative Assessments
- Lesson Reflection Before Jan 19th

For Year 4 Resident Educators, the activities are as follows:

- Ohio Resident Educator Program Orientation Presentation (Sept)
- Self-Assessment (Oct/Nov)
- Professional Growth Plan (Oct/Nov)
- Focused Mentored: Formative and Summative Assessments

The mentor and mentee will sign the form and return it to the Principal. The deadline for submission is May 15 with a criteria completion date of June 30.

At NOCA, the mentor to mentee ratio will primarily depend on the number of participants at the building. It is expected to have one to two mentors at the building so there is an adequate weekly focus on mentee growth and development. If there are a high number of mentees at the building, NOCA will contract out through the local County Educational Service Center or another qualified provider to provide mentors. The number of Resident Educator mentors to mentees will be better determined upon the hiring of NOCA teaching staff. There will be a ratio of at least one Resident Educator Mentor on staff. The expected ratio goal is two mentors on staff for teachers completing the program. The Resident Educator form is enclosed in Attachment **6.3d2_ResidentEducator** form.

Professional Development Plan for Teachers	6.3d	8) Using the Ohio Standards for Professional Development (adopted 2015) , describe the process for how the school will <i>develop, implement, and evaluate</i> a differentiated professional development plan for teachers informed by student data, curriculum needs, OTES, IPDPs, Resident Educator Program, etc. and how it will link to the school’s continuous improvement plan.
--	------	---

Northwest Ohio Classical Academy (NOCA) will provide professional development to assure that teachers are equipped with the skills to teach the curriculum and increase academic achievement. In alignment with the Ohio Standards for Professional Development (OSPD), NOCA’s professional development includes the following criteria:

- Occur within a collaborative culture in which all share collective responsibility for continuous improvement.
- Be advanced by leaders who prioritize professional learning and develop the capacity and structures to support it.
- Be supported by resources.
- Be databased, and use data for planning, assessment, and evaluation.
- Represent best practice models and theories of adult learning and active engagement.
- Be research-based, using what is known about change to sustain implementation.
- Focus on specific goals and align outcomes with existing educator and student standards.

OSPD guides the development of NOCA teachers and leaders. For individual teachers, the OSPD directs their individual plans and are based on the data at the school that drives the needs of the students. For Principals, the OSPD drives their individual plans, but also ensures their school offers effective systems for professional learning.

The Professional Development aligns with the following seven standards of Ohio Standards for Professional Development. Per the ODE website, “professional learning that increases educator effectiveness and results for all students” embodies the following Standards.

- Standard 1: Learning Communities. Occurs within learning communities committed to continuous improvement, collective responsibility and goal alignment.
- Standard 2: Leadership. Requires skilled teacher leaders and administrators who develop capacity, and advocate and create support systems for professional learning.
- Standard 3: Resources. Requires prioritizing, monitoring and coordinating resources for educator learning.
- Standard 4: Data. Requires the use of a variety of sources and types of student, educator and system data to plan, assess and evaluate professional learning.
- Standard 5: Learning Designs. Integrates theories, research and models of human learning to achieve its intended outcomes.
- Standard 6: Implementation. Applies research on change and sustains support for implementation of professional learning.
- Standard 7: Outcomes. Aligns its outcomes with educator performance and student curriculum standards.

Professional development topics to be discussed throughout the school year were developed in alignment with OSPD and may include, but will not be limited to:

- Hillsdale K-12 Classical Education Model
- Core Knowledge
- Singapore Math
- Response to Intervention
- Assigned texts that support the mission of the school
- How to formulate questions that will encourage critical thinking, analyzing meaning, expression of ideas with clarity and confidence
- Data Analysis
- How to train students in Socratic method discussions
- Differentiation
- Assessments
- Norms for the group to follow
- Special Education

Building level staff meetings are held on a weekly basis to analyze data and discuss best practices. Teachers involved in RESA Year 1, Year 2, Year 3 and potentially Year 4 will be provided training and assistance from trained mentors. Teachers will participate to the fullest extent in all activities, RESA meetings, if required, and all training facilitated by the school.

Professional Development will occur formally five times per year for an overall review of data, curriculum, differentiation, and subject matter work. Building level training will be based on the Classroom Walk-Through Tool which is to be completed once per month per teacher by the Principal. This data is used to develop teacher specific training, and/or whole school training. The Principal and Dean of Student Learning use the tool to evaluate teachers on a regular basis and provide them feedback with areas for growth identified. Additionally, it is an opportunity for teachers to regularly reflect on teaching and learning.

Teachers use OSPD to develop personal IPDP's. Teachers must state which Standard for professional development correlates to the professional development they attend. All of NOCA's provided professional development correlates directly to the OSPD. Professional Development is embedded as an action step, and progress measurements are included to work towards the OIP goals.

Professional development includes the use of self-evaluation as a part of the OTES system. This evaluation is submitted to the Principal who compares the self-assessment against his/her assessment. The results of OTES will drive training for building teachers twice a year. Teachers with specific needs will be assigned to training, coaching, and/or conferences.

Professional Development is embedded as an action step within the continuous improvement plan, and progress measurements of the professional development are included to work towards the school improvement plan goals.

Professional Development Plan for School Leaders

6.3d

9) Using the Ohio Standards for Principals 2018, describe how the school will *develop, implement, and evaluate* a differentiated professional development plan for school leaders informed by student data, curriculum needs, OTES, OPES, IPDPs, Resident Educator Program, etc. and how it will link to the school’s continuous improvement plan.

NOCA will provide professional development to the school leaders based upon the Ohio Standards for Principals 2018 as follows. The strands serve as categories for the professional development to be provided. NOCA will combine internal and external resources as well as ODE provided and recommended development to offer a comprehensive program.

Standard 1: Mission, Vision and Core Values:

The effective educational leader develops, advocates and enacts a shared mission, vision and core values.

Standard 2: Ethics and Professional Norms: The effective educational leader acts ethically and according to professional norms.

Standard 3: School Improvement

The effective educational leader implements collaborative structures and shared leadership to analyze data and causality, align evidence-based strategies to deliberate goals, develop the capacity of staff, and partner with internal and external supports to improve teaching and learning conditions and outcomes.

Standard 4: Curriculum, Instruction, and Assessment

The effective educational leader fosters an environment of effective and rigorous personalized instruction by ensuring each student has equitable access to effective teachers, leaders and learning supports.

Standard 5: Professional Capacity of School Personnel

The effective educational leader supports all staff by promoting and organizing an environment focused on continuous improvement and personal growth to achieve positive outcomes for each student.

Standard 6: Equity and Cultural Responsiveness

The effective educational leader models supports and cultivates a school culture characterized by equity and inclusiveness.

Standard 7: Community of Care and Support

The effective educational leader develops and sustains positive partnerships with and among students, staff, and stakeholders to create a safe and caring school environment.

Standard 8: Meaningful Engagement of Families and Community

The effective educational leader develops and sustains partnerships with families and the community by acknowledging the school as a community resource and understanding the context of its existence within the larger community.

Standard 9: Strategic Staffing

The effective educational leader is integral to the recruitment, hiring, and assignment of staff to ensure representation of diverse expertise and skill sets are aligned to the priorities of the focused plan while also promoting staff professional growth, cultural competence and opportunities for leadership.

Standard 10: School Operations

The effective educational leader develops and implements structures to maximize learning through relationships, management, fiscal responsibility and adherence to district and state laws, policies and procedures.

Professional Development for School Leaders will be implemented to

1. Provide teachers with ongoing professional development that reflect plan goals and strategies
2. Use Professional Development to create/support building leadership teams and other networks for school leaders
3. Monitor and evaluate the implementation of professional development for school leaders

At designated times throughout the year, to be scheduled, professional development will be provided that incorporates each strand. Professional development includes the use of self-evaluation as a part of the OPES system. This evaluation is submitted to the certified evaluator who compares the self-assessment against the Board assessments. The results of OPES will drive further professional development for the school leaders. Development can include training, coaching, and/or conferences. Professional Development is embedded as an action step within the continuous improvement plan, and progress measurements of the professional development are included to work towards the school improvement plan goals. Overall include

1. Providing school leaders with professional development in areas that will assist them in developing Building Leadership Teams (BLTs) and Teacher-Based Teams (TBTs).
2. Supporting professional development opportunities that allow school leaders to network with and learn from peers.

3. Using professional development time to provide space for teams to work on tasks connected to school and district goals and the continuous improvement plan (CIP) and school improvement plan (SIP).
4. Using performance-based criteria (assessments, performance framework goals) to identify highly qualified school leaders to serve as professional development instructors and principal supervisors, mentors, and coaches.

Based on student data from assessments, OTES and OPES results, IPDPS performance growth, and Resident Educator Program progress, the professional development will be analyzed for any adjustments and changes to the OIP plan.

School Calendar	6.3.1	9) Provide the proposed school calendar, including how parents and students will be notified. It must be comprehensive with professional development and assessment days, vacation days, and number of hours the school will be in session. The school calendar will need to be submitted annually by a due date established yearly for approval by the Sponsor and ODE. Once the calendar is approved, changes can only be made for limited reasons with approval of the sponsor and ODE, and may require a corrective action plan.
------------------------	--------------	---

NOCA will attempt to mirror the calendars of the public school district in order to harmonize available public school bus transportation and school schedules if possible. Excluding the opening ceremony, homeroom, and lunch period, students will have six and 1/2 hours of daily classroom instruction and 180 days of class (annually 1,170 hours of classroom instruction). The proposed school and attendance calendar is attached and includes professional development and assessment days, vacation days, and number of hours the school will be in session. Parents and students will be notified of the school calendar as it is provided to families upon enrollment. The calendar is also sent home with the student at the beginning of the school year. The calendar is available in the school office and on the school website. A sample school calendar is enclosed as **Attachment 6.3d1a_School Calendars**.

Extracurricular Programming

The school calendar allots time for extracurricular activities. Extracurricular activities are vital to the emotional and intellectual growth of students. NOCA's will be targeted to build the Six Pillars of Character (responsibility, respect, courage, courtesy, honesty, and citizenship). NOCA will offer robust programming to allow all scholars to explore their interests and strengths. NOCA's athletic offerings may include cross country, track and field, basketball, baseball, soccer, volleyball, and cheerleading. Academic extracurricular offerings may consist of chess, chorus, debate, drawing club, Geography Bee, journalism, Latin League, National Junior Honor Society, orchestra, Philosophy Club, Spelling Bee, Student Council, theatre, yearbook, and more. In planning activities and programs for students, NOCA considers the importance of family involvement. Providing great culture leads to outstanding academics, and NOCA believes parents are an integral part of our team. Below are a few ways in which the school may engage and celebrate parents:

- Parent-Teacher Organization (PTO)
- Field Trips

- Volunteer Opportunities
- Fundraisers

Additionally, a NOCA Welcome Kit is provided to parents that includes information about the PTO as well as an introduction to the school, its curriculum and the classical education model. A sample of this Welcome Kit is enclosed along with Attachment 6.3d1a _School Calendars.

Bell Schedule	6.3.1	10) Provide the school’s proposed bell schedule(s). The bell schedule must incorporate all core and non-core content areas. The schedule must demonstrate common planning time for teachers. Please include the number of hours per day. If additional services are provided, such as after-school tutoring, include these on the schedule.
----------------------	--------------	--

The bell schedule for Northwest Ohio Classical Academy is enclosed as **Attachment 6.3d1b_Bell Schedule**.

6.3e Prevention and Intervention Policy

A *Comprehensive System of Learning Support Guidelines*, an Ohio State Board of Education approved document (link provided below), provides direction for foundation and intervention services to students to assist with the development of necessary systems to meet the unique needs of students. <https://education.ohio.gov/getattachment/Topics/Other-Resources/School-Safety/School-Safety-Resources/Comprehensive-System-of-Learning-Supports-Guidelin/Brochure-fulfillingthepromise.pdf.aspx>

Appropriate implementation of the guidelines will result in school meeting or exceeding RC 3313.6012 requirements to (1) provide diagnostic assessment procedures, (2) provide intervention services based on the results of the diagnostics, (3) collect data regularly, and (4) use the data to evaluate the effectiveness of the interventions. Please provide strong evidence and specific details to address the items below.

Prevention and Intervention Plan	6.3.2	<p>1) Describe a whole-child model for meeting students needs related to health, safety, engagement, personalized learning and prepared for success.</p> <p>2) Describe the school’s multi-tiered educational services policy, plan and procedures to provide early detection and intervention for your at-risk (NOT identified special education students) experiencing academic and/or behavior problems, and address the needs of <u>ALL</u> students (i.e. limited English proficient, gifted, Third Grade Reading Guarantee, homeless, lowest achieving 20%).</p>
----------------------------------	-------	--

1. NOCA will provide an education model that focuses on the whole child.

Health. NOCA will address the mental and physical health of each student. The goal of physical education is to develop physically literate individuals who have the knowledge, skills, and confidence to enjoy a lifetime of healthful physical activity. The physical education program will keep students active, fit, and healthy. It will be used as a time to reinforce the school’s culture. Students will be encouraged to participate in group activities, try new sports and challenge themselves. NOCA will also provide the resources necessary to address the student’s mental health. A culture of support from all teachers and staff are fostered. A great learning environment where lessons in cultural and civic education are taught so that the students want to attend school. NOCA’s lessons will be supported by a campus that fosters positive relationships between students, parents, and teachers. If any adaptive physical or specialized mental health support is needed, NOCA will offer services from third-party specialists. To provide specialized services, NOCA will utilize the services of Total Education Solutions (TES).

Safety. NOCA will provide a safe environment for all students. Discipline, ethics, and personal responsibility will be modeled and expected. The school will define a standard of behavior using Six Pillars of Character (responsibility, respect, courage, courtesy, honesty, and citizenship) as complements to the four classical virtues (temperance, fortitude, justice, and prudence). NOCA will implement a Discipline Policy and code of conduct as outlined in the

student handbook. Students are expected to model and reinforce the school's expectations at every opportunity. The school discipline policies will support the education of the students and the overall vision of NOCA. Additional information on the Discipline Policy is listed later in this section.

Engagement. NOCA will engage students by offering both curricular and extracurricular offerings, to nurture the child's humanity. The curriculum offers the best intellectual and cultural traditions of the West as they have been developed and refined over many generations. To engage the student's extracurricular interest, activities, and talents, school groups, and clubs will be offered along with athletic offerings. Parents will be engaged through PTO, field trips, volunteerism, and fundraisers.

Personalized Learning. Teaching methods will be modified and differentiated to meet student needs. The success of every student will depend upon his or her consistent effort and perseverance. Each student will receive the support of every staff member whose focus is on academic achievement and a commitment to educational excellence. NOCA will automatically provide differentiated instruction in at least two main areas, math and reading and other areas based upon individual need per assessment results. Additional information on differentiated instruction is provided later in this section. Students are provided with the lesson and an academic program based upon the level of skill including gifted education warranted.

Prepared for Success. Classical Education upholds a standard of excellence. NOCA's high standards and research-based curriculum will provide students with a traditional education that will challenge them to excel not only in learning but also in character development. At NOCA, high academic achievement, personal discipline, ethics, and responsibility will be consistently reinforced through the study of subjects in the classical tradition. NOCA will close academic learning gaps enabling students to graduate as highly literate and ethical citizens who are well-prepared to advance into high school and on to other pursuits. The goal is to develop within its students the intellectual and personal habits, virtues, and skills upon which responsible, independent, and flourishing lives are built. NOCA prepares its students to be leaders in their homes and communities, entrepreneurs in business, and statesmen in government. Through its content-rich curriculum with a strong emphasis in civics, NOCA provides a traditional education with a constant view towards developing exceptional American citizens.

2. Northwest Ohio Classical Academy (NOCA) will provide an academic program to meet the needs of ALL students including those who are experiencing learning, behavior, and other problems as well as English Language Learners, gifted, homeless, and lowest achieving 20%. Additionally, NOCA will provide educational interventions to help meet Ohio's Third Grade Reading Guarantee.

The framework used to identify student learning deficiencies, develop hypotheses, formulate a plan, monitor progress, and analyze results will follow the Response to Intervention (RTI) model. RTI is a "systematic method for evaluating the needs of all students and for fostering positive student outcomes through carefully selected and implemented interventions." The School will have a solid RTI Leadership Team (RLT) to apply identification, assessing, development, implementation, and monitoring and re-evaluation procedures. The RLT consists of the Principal, Director of Student Learning, Intervention Specialist, classroom teachers, ELL teacher as needed, and parents (as needed). The system will revolve around the study and optimization of the interactions of curriculum, instruction, students, and learning environments.

The model uses three (3) tiers of interventions that become increasingly more focused, intense, and individualized. The school will set up systems and methodologies to address student needs that may include data-based goals, reflection, and review of instruction and methodology, differentiation of the instruction and other targeted interventions, as well as formative and summative assessments. RTI seeks to prevent academic failure through early intervention, frequent progress measurement, and increasingly intensive research-based instructional interventions for children who continue to have difficulty. The RTI Model is as follows per Figure 2: Rtl.

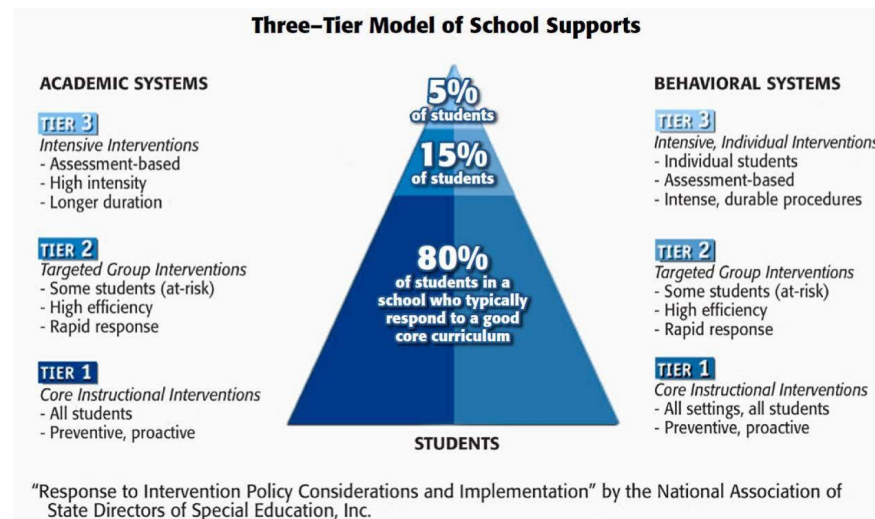

Figure 2: Rtl

Tier 1

Tier 1 consists of the general academic and behavioral instruction and support that is designed and differentiated for all students in all settings. School-wide progress monitoring and screenings are used to ensure that core instruction is effective and to identify students who may need additional support in order to be successful. Within the classrooms, students will be assessed at the beginning of each school year based upon Benchmark data for each grade level in each core content area that is developed by the school. In addition to progress that is being observed in the classroom, all students will be monitored by assessments. The data will be used to help determine if there is a problem with the core curriculum. As the year progresses, student progress will be monitored, and data will be collected to identify students who are struggling. For struggling students, they will first receive assistance in Tier I through the use of universal interventions within the classroom. These interventions include remedial strategies, classroom/behavior management strategies, small-group instructions, flexible grouping, more instructional time, etc. Interventions are determined by classroom teachers, grade-level

teams, and/or school leadership. If, after a reasonable amount of time with progress being monitored and data being collected, these interventions do not result in progress, the students can be referred to Tier 2 and the RLT for a more intense study of what is causing struggle academically or behaviorally.

Tier 2

Tier 2 consisted of more focused, targeted instruction or intervention and supplemental supports in addition to and aligned with the core instruction provided through Tier 1. For instance, an additional 30 minutes per day may be devoted to reading in a small group (3-6 students), with a focus on building accurate and automatic recognition of words in the text. Adjustments can be made within Tier 2 to increase time on task or decrease the student/teacher ratio. The RLT will conduct the student study process and consider, implement and document the effectiveness of appropriate research-based interventions utilizing curriculum-based measures. In addition to the core team members of the RLT, specialists, such as speech therapists, special education teachers, bilingual education teachers, reading teachers, nurses, or social workers can bring valuable perspectives and ideas to the team. A varying number of other individuals will serve on the team, depending on the types of concerns and expertise needed. NOCA will utilize the services of Total Educational Solutions for additional support. In addition to reviewing information collected at the Tier 1 level, the RLT will address culture and acculturation, socioeconomic status, teaching and learning styles and instructional delivery mechanisms in order to rule out other possible causes of the student's educational difficulties. The RLT, at this level, may develop a written, individual education plan (IEP). Based upon data that indicates that the student has shown over time a significant deviation from their grade-level peers and/or persistent behavioral problems, a plan can be developed that includes a more intense instruction that is provided individually or in small groups and occurs in addition to the general education curriculum. In the area of behavior, a Functional Behavior Assessment and a Behavior Intervention Plan can be developed. If interventions are warranted, NOCA will consider the following interventions:

- a. Provide quality, solid, focused instruction.
- b. Provide instruction in smaller groups.
- c. Teach additional learning strategies.
- d. Change scope and sequence of tasks.
- e. Cover all of the components needed to learn a skill. Avoid the creation of splinter skills, and focusing on the essential components of reading, language and math.
- f. Monitoring student progress more frequently than at Tier 1.
- g. Evaluate student progress more frequently than at Tier 1 to determine whether progress is being made.
- h. Assess the student's response to the new interventions in order to determine whether new or different interventions should be used.
- i. Develop a clear, concise plan of intervention. What is going to be done differently, who is going to do it, when will it be done, where will it be done, and how long will it be done?
- j. Use the written intervention plan to identify measurable outcomes and create data-driven adjustments to the intervention process.
- k. Creating a progress-monitoring schedule using a variety of data gathering methods.

Tier 2 interventions will be used in consistent time allotments at least four times per week over a period of nine weeks. At the end of the nine-week period, the RLT will reconvene for additional support and determination on whether the student should remain at Tier 2 or move to either Tier 1 or Tier 3. Because referral to Tier 3 or Special Education is based on RTI data, NOCA will implement the interventions exactly as defined in order to ensure consistency in the data that is collected as progress is monitored. A progress-monitoring schedule using a variety of data gathering methods will be developed and implemented by appropriate NOCA staff.

Students with disabilities who do not qualify for special education services can be served at Tier 2 or 3 based on the student needs. Academic improvement plans for students facing retention, or for those who have been retained are also the responsibility of the RTI in Tier 2. When it is determined that a student has an obvious disability or a serious and urgent problem, the RLT will address the student's needs promptly on an individualized basis, which may include a referral for a multi-disciplinary evaluation (Tier 3) to determine possible eligibility for Special Education and related services consistent with the requirements of federal regulations at 34 CFR Sec. 300.300.

Tier 3

Tier 3 consists of the most intense (increased time, narrowed focus, very small group or individual) instruction and intervention based upon individual student need. Tier 3 supports are provided in addition to and aligned with the core (Tier 1) and supplemental (Tier 2) academic and behavioral instruction, interventions, and supports. If the student does not respond adequately to significant Tier 2 interventions, the student will be referred for a Multidisciplinary Evaluation to determine their need for Special Education services. Tier 3 students are not all eligible for Special Education. If the student does not qualify for Special Education services, the student can return to the RLT team and continue to receive Tier 2 or Tier 3 interventions. Prior to the referral, the RLT will determine if the student has received instruction and interventions that are scientific and research-based. Students identified as a "student with disability" are deemed eligible for Special Education and related services, and an IEP will be developed by a properly-constituted team, pursuant to federal regulations at 34 CFR Sec. 300.321. Either a parent of a student or members of the RLT can initiate a request for an initial evaluation to determine if the student has a disability with the consent requirement in 34 CFR Sec. 300.300. If the student qualifies for Special Education services under the IDEA, specially-designed instruction and related services will be provided through an Individualized Education Program (IEP). If the student does not qualify for Special Education services, the student can return to the RLT team and continue to receive Tier II interventions. Both the **Literacy Essentials** program and Singapore Math are designed to meet the individual needs of all students. Riggs is a multi-sensory program that assesses where students are functioning and offers highly targeted instruction. It has been used in the past to both prevent and correct learning disorders. It was patterned after the Orton-Gillingham model of reading instruction for students who are dyslexic. Skills are presented in a specific order with opportunities for repetition. Students are assessed continually to determine mastery of skills. Singapore Math is effective in addressing individual student needs as well. The program lends itself to differentiation because of the three stages of learning contained in the materials: concrete, pictorial, and abstract. Students are continually assessed, so teachers know which students are ready to move throughout the stages. Students at the more concrete level are allowed to stay at that stage

longer, with tools such as manipulatives, to assist in learning. Singapore Math has been used very successfully with students who are struggling learners in math in addition to students who are English Language Learners. All Special Education services will be in compliance with Ohio code.

Initial Evaluation. Students who are referred for testing by an RLT or by a written parental request must first be evaluated to determine whether the student has a disability as identified under the IDEA. This first formal diagnostic evaluation, “the initial evaluation,” requires informed prior written parental consent to conduct. The initial evaluation must be completed within sixty (60) calendar days of the date of parental consent. Any re-evaluation also requires informed written parental consent secured prior to the re-evaluation taking place. The initial evaluation should provide the IEP team with: (a) information it will need to determine whether a student has a disability and requires Special Education and related services; (b) information regarding the student’s present levels of educational and functional performance; (c) information to assist in determining educational needs, including accommodations and services.

If a parent initially refuses to sign the consent, “the sixty (60)” day limit begins to run only when the consent is signed. Before any initial evaluation, the parent must provide informed written consent to the testing. The consent to testing is not consented to initial placement. If there is no consent to testing, NOCA may file a complaint about a due process hearing. If the parent refuses to consent or fails to respond to a request for consent, NOCA has no further obligation. However, there should be clear documentation of NOCA’s efforts to obtain consent, including copies of correspondence or documentation of phone calls made to the parent. A certified letter should be sent to the parent advising that (1) his or her non- response or refusal to consent is considered a refusal of services; and (2) the child will not be considered a student with a disability for any disciplinary or educational purposes.

The evaluation/assessment must provide for:

- a. Assessing in all areas of suspected disability (including health and development such as vision and hearing);
- b. Selection of evaluation tools that are not racially, culturally, or linguistically discriminatory;
- c. Are administered in the language or form most likely to yield accurate information regarding what the student knows and can do academically, developmentally and functionally;
- d. Selection of assessment tools that assess specific areas of educational need;
- e. Ensuring that there are a variety of tools and strategies used to gather relevant functional and development information;
- f. Information provided by the parent;
- g. Including information on how the student is involved in and progressing in the general curriculum.
- h. Identify any accommodations in test administration that may be necessary.

Assessments/evaluations must be administered by qualified personnel as specified in the instructions provided by the producers of the assessment tool. NOCA will follow the rule that informed parental consent must precede the initial evaluation, and the parent's consent to the initial evaluation will not be construed as consent for special education services. All evaluations will be conducted according to the requirements established by IDEA 2004. To ensure

informed parental consent, the signature of the parent will be obtained by the evaluator/diagnostician, who can explain the types and purposes of the evaluations to be conducted. The referral packet will be provided to the diagnostic staff in a timely fashion. Not more than 15 work days will pass before the diagnostician meets with the parent to review the assessment plan and secure parental consent.

NOCA will assure that assessments of the students with Limited English Proficiency measure what is intended and not the student's English skills. For students with sensory, motor, or speaking impairments NOCA will ensure that the assessment measures what is intended. "Parent" may include a foster parent of a child with a disability if Children, Youth and Families Department (CYFD) provides appropriate documentation to establish that CYFD has legal custody and has designated the person in question as the child's foster parent, and if the foster parent is willing to make the educational decisions required by IDEA. Qualified Surrogate parents may be appointed in compliance with 34 CFR Sec.300.519 when needed to protect the rights of a student with a disability. A foster parent who meets all the requirements of 34 CFR Sec. 300.30 may be appointed as a surrogate parent if the public agency that is responsible for the appointment deems such action appropriate (34 CFR Sec. 300.519).

Determination of eligibility and educational need. Upon completion of the initial evaluation, a RLT will be scheduled. A written notice to parents will be sent to inform them of, and invite them to, the meeting. Parents will be afforded sufficient time for response and opportunity to request another time in order to accommodate their schedules. The RLT team is composed of the child's parents and educational professionals such as general teachers, Intervention Specialist, a diagnostician, and related service providers if they conducted an evaluation. The purpose of the meeting is to review the evaluation with the parents and determine if the student is eligible to receive Special Education services. If so, an Individualized Education Plan (IEP) is developed which will provide specially-designed instruction that is tailored to fit the learning strengths and needs of the student. Determination or the re-evaluation of eligibility through the Multidisciplinary Team occurs every three years unless an early re-evaluation is warranted.

Individualized Education Plan. NOCA will be responsible for developing, implementing, reviewing, and revising an IEP program in compliance with all applicable regulations and standards for each child with exceptionalities served by the school. At a meeting, the IEP for a student will be developed by a team including the student, parents, general education and intervention specialist, appropriate ancillary representations such as Total Education Solutions. The IEP will focus on academic, behavioral, and/or social competence and will include therapies necessary to both help the student overcome difficulties in these areas and have as much access to the general education curriculum as possible. The services, as required by IDEA, will be delivered in the least restrictive environment. The IEP will be reviewed annually or sooner if requested by school staff or the parents.

The Tiers are not a "set" series of interventions or activities that all students move through. Rather, they are fluid and flexible. Students may move from a lower to a higher tier and back again, based on documented need. A student may be successful with Tier 1 supports for behavior and mathematics, require supplemental Tier 2 instruction for reading, and need intensive Tier 3 interventions for writing. As the student progresses and the performance gap with grade level and classroom peers closes, the student may no longer need interventions beyond Tier 1. The Rtl framework is designed for all students, including general education students and Special Education students with IEPs. "All students" includes those who struggle, those who excel and demonstrate needs beyond the core, and those who are English Language Learners.

Screening Process

The first level of data for RTI will be collected at the start of the school year using both the Ohio Department of Education Diagnostic Assessment Materials for grades K-3 and Measures of Academic Progress. Once results have been collected, the RTL will review the data and identify those students in need of Tier II and Tier III support. An instructional and intervention plan will be created and tailored to each student's specific needs which will include a timeline of follow up assessments to ensure student growth. The plan will be utilized to teach a new skill, build fluency in a skill, or encourage the child to apply an already existing skill to a new situation or setting. The interventions will be designed to improve performance relative to a specific, measurable goal. These interventions will include instruction, be focused on targeting a specific identified weakness and be implemented consistently for at least three days a week over the course of at least six weeks. In addition, the RTL will create decision guidelines to determine when interventions are no longer necessary, need to be changed, or when a student might be identified for special education.

Assessments

Student assessment and performance data will be regularly assessed by teachers and administration to guarantee that all students are receiving the support and instruction necessary. NOCA will rely heavily upon experienced and well-trained teachers to be constantly aware of individual needs within their classrooms. Teachers and administrators will apply the data gathered to drive the intervention strategies and progress monitoring methods, making sure that each is an efficient use of time and resources. Teachers and administration will hold team meetings to discuss the growth and progress of individual students. The curriculum allows for ease of differentiation, so teachers will be able to readily accelerate or reinforce a student's learning. At our middle school levels, by offering accelerated and remedial coursework, the school will be able to pace students according to their instructional needs. In middle school, the Dean of Student Learning and Principal will work closely with students to ensure proper class placement and promotion.

Progress Monitoring

For each student who does not meet state performance levels in reading, writing, mathematics, and/or science, the school, in consultation with the student's parent, will develop and implement progress monitoring to assist the student in meeting expectations for proficiency. Strategies may include, but are not limited to modified curriculum, reading instruction, after school instruction, and other extended day services including tutoring, mentoring and intensive skills development programs

It is the intention of NOCA to use progress monitoring unless the student has a disability and receives services on an Individual Educational Plan (IEP) that more appropriately can address the identified deficiencies. NOCA may request that low performing students attend remediation programs held before or after regular school hours or during summer. Each student who does not meet minimum performance expectations for the statewide assessment tests in reading, writing, science, and mathematics will continue remedial instruction or supplemental instruction until expectations are met. Progress monitoring will stay active until a student has made sufficient learning gains to illustrate proficiency.

Third Grade Reading Guarantee

To determine whether each student is on track, NOCA will administer an Ohio Department of Education Reading Diagnostic Screening measure by September 30 for students in grades one, two and three and by November 1st for Kindergarten. If a student appears to be falling behind in reading, the school will immediately, in conjunction with the parents/guardian, develop a reading improvement plan (RIP) and provide interventions. NOCA will continually monitor student's progress under the RIP. While there are a number of factors which affect a student's reading ability, there is ample empirical data that NOCA's phonics-based reading model has a high rate of success with even the most disadvantaged students. In other schools affiliated with the Barney Charter School Initiative, even students in the lowest achieving level do read at grade level by the third grade. NOCA expects that for all students who have attended the school for at least two years, 95% will meet Ohio's Third Grade Reading Guarantee. If at the end of a student's third grade, it is deemed that the reading ability is insufficient to enter 4th grade, no promotion will occur. If a student is held back to repeat third grade, NOCA will institute an individualized daily 90-minute reading program with a specially trained reading specialist. Should the student improve quickly, NOCA may, at its administration's discretion, promote the child to the 4th grade early in the repeat year.

Lowest 20% of Students

Low performing students will be identified through the use of assessment and diagnostic tools. NOCA will develop a program to provide the lowest 20% of struggling students with additional literacy instruction, through flexible scheduling blocks, small group setting and differentiated instruction, as well as pull out instruction. An additional 30 minutes per day will be devoted to reading in a small group (3-6 students), with a focus on building accurate and automatic recognition of words in text. This 30-minute block will be implemented daily for remediation and enrichment in reading, but also in math, if necessary. Within 30 minutes, there is additional literacy instruction and progress monitor occurs on a weekly basis. Teachers may need to alter the text or use books at the student's reading level to increase comprehension. Re-teaching and re-reading may be utilized. The interventions are based upon individual student needs.

Homework and classwork help will be offered during specific study hall hours throughout the week to assist students in need of extra practice. Teachers will make themselves available during a time that is outside of the instructional block. This additional contact with the student can help provide structured practice and further feedback. When learning gains are not progressing at an appropriate rate, NOCA will provide for tutoring. These sessions are programmed within the operating budget and will be applied to those students requiring extra intervention to bring them up to grade level expectations.

Additionally, students will receive differentiated instruction and grouped by ability and/or led through a reading practice regimen designed to meet each student at his or her ability level. In all cases where differentiated instruction is offered to students performing below grade level, the intent of the differentiated instruction will be to bring student performance up to grade level standards. Highly effective teachers will intentionally use all of these strategies to engage students including those performing below grade level in maximizing their benefit from the curriculum.

Homeless Students

NOCA will adopt policies governing student homelessness in an effort to afford equal opportunity education and prevent discriminatory practices. Every student who meets the federal definition of “homeless” will be provided a free and appropriate public education at NOCA in the same manner as all other students. When and if necessary, NOCA’s RLT will take the necessary measures to assure the equal opportunity treatment and education of homeless students. No homeless student will be denied enrollment based on a lack of proof of residency. Meetings with the school psychologist and mental health consulting services will be arranged, if and when necessary.

NOCA will conduct outreach efforts that include placing information sheets on equal opportunity enrollment and recruitment guidelines throughout neighborhood locations, which may include schools, shelters, hotels, churches, emergency shelters, community organizations, medical facilities, food banks, Laundromats, and social service agencies. NOCA will post its welcoming policies on the website and throughout its literature including the Parent/Family Handbook. Additionally, students’ and parents’ rights information will be posted in public areas. NOCA will make determinations based upon the definition of homeless according to federal guidelines and the Ohio Department of Education policies. The goal is to ensure that homeless students are offered enrollment and equal opportunity for success and a productive future.

Differentiated Instruction

Students presenting academic difficulty need programs that address remediation directly and target specific deficiencies. *Literacy Essentials* is appropriate for teaching all students the explicit phonics, reading, and language arts they must learn in order to succeed. Literacy Essentials provides a strong foundation for students who exhibit academic progress and will be an effective remedial program for students with academic challenges. English Language Learner students will also benefit because Literacy Essentials provides limited concepts at a given time and is practiced until students achieve mastery. NOCA believes one of the best forms of remediation is through a solid phonics program. By using this program with all students, the school expects to address many student literacy problems before they develop. And students who are reading and writing at a slower pace than their grade cohort will be automatically trained in the language of instruction used in reading remediation—and they will receive remediation as problems are identified.

NOCA will incorporate at least a 90-minute morning period in kindergarten through 5th grades focusing on the various aspects of English language study: phonics, reading, vocabulary, study of Latin roots, spelling, grammar, handwriting, and composition, with differentiated instruction for specific student learning needs, timely and specific feedback, and high student engagement to ensure the greatest impact. This morning period will be supplemented with brief periods of punctuated practice throughout the day.

NOCA will automatically provide differentiated instruction in at least two main areas, math and reading and other areas based upon individual need. In math, the first of these areas, the school will group students by ability. This process will require a common math period for all K-6 students and possible schedule changes for 7-12 students. Students will be assessed after several weeks of math instruction, and this assessment will provide teachers with both a baseline of student learning and a significant metric for placing students into ability groups. Ability grouping is a significant complement to the Singapore Math program and helps to ensure that students receive the foundation in math that is necessary for understanding upper-level math. *At the high school*

level, a remediation course will be offered in both math and ELA to those students that need more instruction. Teachers at NOCA often voluntarily set aside extra time to work with students needing extra instruction during planning periods, study halls and before/after school to help further support those students that are struggling.

Gifted

The Hillsdale K-12 curriculum allows for a significant amount of latitude with regard to particular topics and works of literature. Students who are capable of work above their grade level may be given the option to read additional works of literature, read adapted works in an original or longer form, or study history and science content in a more comprehensive form (e.g., by reading upper-level texts or receiving instruction from upper-level teachers). When necessary, additional methods, such as small group learning, will be utilized to push these students already accelerated learning. Furthermore, with the use of study halls as additional time used for enrichment.

Specialized Services

Students with special needs will have access to Properly Certified or Licensed Intervention Specialists, contracted behavior and mental health experts, a contracted school psychologist, assistive technology devices (when needed), and access to the full curriculum with supplemental tutoring. All students, if needed, will have access to speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, early identification and assessment of any disabilities, counseling services, and medical services for diagnostic or evaluation purposes. Related services also include school health services, school nurse services, social work services in schools. To provide specialized services, NOCA will utilize the services of Total Education Solutions (TES). TES offers the following therapeutic and Special Education services:

- Adapted Physical Education
- Board Certified Behavior Analysis and other Behavior Intervention Services
- Intensive Academic Instruction
- Occupational Therapy
- Para Professional Support
- School Counseling
- Special Education Coordination
- Speech and Language Pathology- Assistants and Specialists
- School Nursing
- School Psychology

- Physical Therapy
- Behavioral Support Program
- School Nurses Services
- Tutoring

TES staff includes Adaptive Physical Education Teachers, Resource Specialists, Behavior Intervention Specialists, and Development Supervisors, School Counselors and Psychologists and Marriage and Family Therapists, School Nurses, Board Certified Behavior Analysts, Special Education Coordinators, Speech and Language Pathologists, Occupational Therapists, Para Professionals, and Tutors and Intensive Academic Instructors.

English Language Learners

English Language Learners (ELL) will receive instruction provided by Total Education Solutions (TES). TES will provide instruction as related to the 10 ELP standards and 5 stages of language acquisition (pre-functional, beginner, high Beginner, Intermediate, Advanced) and the content/classroom teachers work to modify instruction and assessment by identifying the essential learning of each lesson and unit to determine how the ELL student can show understanding. The model of ELL that is provided by our providers is In-class/Inclusion Instruction, as recommended by the ODE. In this approach, ELL students are together with their Native-English speaking peers in the same classroom, but an ESL or bilingual education specialist is available in the classroom to support the ELL students. The program will implement best practices that help students become English Language Learners (ELLs). TES will provide the formal and informal English Language Assessments that assess skills (listening, speaking, reading, and writing) of ELLs throughout the school year. TES provides assessments of the strengths and weaknesses of each student to the school personnel for Individual Education Plan planning. TES collaborates with the school teachers and the Intervention Specialist to better serve the needs of the student. The school offers Properly Certified or Licensed teachers and other personnel as needed.

For example, the ESL or bilingual education specialist may provide guidance to the ELL students as they are working on a group project or individual assignment. The instructor will provide Inclusion Instruction that focuses on English language functions and forms that ELLs need to develop in order to access standards and to be successful in school. Instructors will work with ELLs within their EPL to work towards mastery of the PLDs and PTs within their levels while receiving content instruction in the classroom with their peers, often through use of the vignettes to encourage successful participation in content-based instruction while working towards content-based goals. The preferred model for our outsourced providers to operate under is the “Sheltered Instruction Observation Protocol (SIOP), Model.”

Discipline Policy

NOCA will instruct students in the classical virtues, both inside and outside of the classroom. Discipline, ethics, and personal responsibility will be modeled and expected. Students will be introduced to the virtuous behavior of timeless heroes and heroines of literature and history. Moreover, the school will define a standard of behavior using Six Pillars of Character (responsibility, respect, courage, courtesy, honesty, and citizenship) as

complements to the four classical virtues (temperance, fortitude, justice, and prudence). Emphasis upon these standards of excellence will help students learn and develop virtuous behavior alongside patterns of thought and conduct based on high moral standards. Therefore, NOCA will implement a Discipline Policy and code of conduct as outlined in the student handbook. Students are expected to model and reinforce the school's expectations at every opportunity. With the support, motivation, and resolve of students, teachers, parents, and the community, NOCA will develop students who choose to exercise maturity and respect for each other, for staff, and for the property. Students will learn to take full responsibility for their actions and to make morally sound decisions. To support this goal, students receive explicit instruction in these expectations and feedback on their conduct through citizenship marks on their progress reports. The school discipline policies will support the education of the students and the overall vision of NOCA. Through age-appropriate expectations and discipline procedures, an environment where all students can learn without distraction will be created. Staff will act as role models for students, and through open discussions between students, teachers, Principal, and family members, students may use the disciplinary time to learn more about themselves and about others, and learn the value of making ethical decisions.

NOCA also enforces the dress code policy to reinforce a structured school culture and to prevent potential distractions from the academic endeavors of our students. The goal of NOCA is to provide students with a classical education, leading them to have exceptional academic skills and personal character. NOCA believes in the importance of a virtuous staff, who display behaviors students can imitate. Staff will be trained and have a solid understanding of the expectations of NOCA and will be able to provide appropriate guidance for students. In line with the goals above, NOCA believes that its policies for student behavior are practical and will be effective in building good character. Teachers will be the first to recognize poor behavior and may note the need for disciplinary action. If the child's poor behavior continues or disrupts the learning environment in the classroom, the student may be referred to the Dean of Student Learning or Principal.

Parent involvement and community collaboration are critical to student growth and will provide the educational investment necessary to develop students into a skilled workforce and responsible citizenry. As such, NOCA expects parents to support the mission and vision of the school. NOCA hopes parents will set good examples for their children, encourage them in critical thinking skills, provide them quiet study space at home and teach them effective study skills. To make sure parents have the opportunity to be fully involved in their children's lives, teachers will communicate with parents on a regular basis. NOCA believes that family is an integral part of each student's life; thus, parents will be informed of behavior, social, and/or academic problems of their child. The following is a sample of the discipline procedures.

Level 1: In the Classroom

Grade K-3: Character Cards: Students either have cards or a chart in the back of the classroom. Students guilty of a particular infraction will be told to put a hole punch in their character cards. More sophisticated systems involve putting a hole next to the virtue that the student has trespassed (e.g. "respect" or "integrity") or even rewarding students for practicing virtue by identifying these acts with stickers. Teachers should review the hole punches at the end of the day and make necessary notes for the parent. Each character card will go home at the end of the week and return with a parent signature.

Grades 4-6: A potential variation on the character card will be utilized.

Grade 7-10: General classroom management procedures with escalating consequences.

Level 2: In the Classroom

Grade K-3: Character card punches followed with various classroom management procedures, up to and including recess and lunch detentions.

Grades 4-10: Classroom management procedures, up to and including after-school detention and parent communication.

An examination of character form is used for all students to help them further address and understand the failure to practice the virtues of NOCA. Attachment provided.

Level 3: Office Referral, Basic Offense

All grades: Office referrals follow the general plan in the handbook with escalating consequences for repeated infractions.

Level 4: Office Referral, the more grievous offense

All grades: Some offenses as determined by policy and administrative discretion will require escalated consequences without repeated action (e.g., physical harm, destruction of property). The Principal will implement several levels of offense/consequences as a matter of policy that gives him/her the flexibility to assign reasonable consequences.

Parallel to the behavior policy will be a policy that addresses school uniform violations.

Special Education

Upon admission or identification of any disabled student, the school will comply with all federal and state laws regarding the education of students with disabilities. The school will work with Total Education Solutions (TES) and will provide all necessary related services by staffed Resource Teachers, Intervention Specialists or contracted service providers. The school has adopted the Ohio Department of Education’s Special Education Model Policies and Procedures governing the education of students with disabilities. The final level of support includes Special Education, where students are provided Individual Education Plans that identify yearly goals, services, accommodations and modifications for students who qualify. For students with emotional or behavioral disabilities, services can include (but are not limited to) social skill groups, small group interventions, 1-1 interventions, separate classrooms for a partial or full day, and support of the Intervention Specialist. Students who need SPED will have access to Properly Certified or Licensed Intervention Specialists, contracted behavior and mental health experts, a contracted school psychologist, assistive technology devices (when needed), and access to the full curriculum with supplemental tutoring. Students who require Special Education will have access to Intervention Specialists, contracted behavior and mental health experts, a contracted school psychologist, assistive technology devices (when needed), and access to the full curriculum with supplemental tutoring through the services of TES. Teachers with students requiring specialized services who contract with TES will complete the enclosed **Attachment 6.3e1_SPED Intake Form** for referrals.

Behavioral Policy for Special Education

IDEA 2004 states that school personnel may consider any unique circumstances on a case- by- case basis when determining whether to order a change in placement for a student with a disability who violated a code of student conduct. Therefore, the Principal will consider each set of unique circumstances in deciding whether to seek a long-term disciplinary removal of a student with a disability.

Manifestation Determination

Should the school recommend a change in the student's placement due to a disciplinary offense, the school, parents, and relevant members of the IEP will review all information in the student's file, including the child's IEP, any teacher observation and any relevant information provided by the parents to determine if the conduct in question was caused by, or had a direct and substantial relationship to the child's disability, or if the conduct in question was the direct result of the school's failure to implement the IEP. Should the manifestation determination conclude that the conduct in question was not caused by the child's disability; the IEP team is charged with determining an interim alternative education setting for the student. If it was determined that the child's behavior was related to the disability, the IEP team is to return the child to the placement from which the child was removed, unless the parent and the school agree to a change of placement as part of the modification of the Behavioral Intervention Plan.

Functional Behavioral Assessment (FBA) & Behavioral Intervention Plan (BIP)

A functional behavioral assessment is completed when a student's behavior interferes with his or her learning or the learning of others. If a manifestation determination finding shows that a student's behavior was related to his/her disability, then the IEP team will conduct a functional behavioral assessment and implement a behavioral intervention plan for the child, unless a FBA was already conducted prior to the behavior in question. If the school already has developed and implemented a BIP for the student, the IEP team will review the plan and modify it to address the behavior in question.

Alternative Assessment

NOCA understands that Alternate Assessment must be utilized for students with severe cognitive disabilities and that accommodations must be made as determined by an IEP team. If a student enrolled has disabilities that preclude him/her from valid and reliable participation in general assessments, an alternate assessment will be used to gather information on the standards-based performance and progress of the student. Teachers can use the results from each year to identify goals, program needs, and student growth. Compliance with Section 504 / American Disabilities Act
NOCA agrees to provide the full range of accommodations and services necessary for students with disabilities, as described in Section 504 of the Rehabilitation Act and the Americans with Disabilities Act, to participate in and benefit from public education programs and activities.

Student Information System

NOCA may utilize the Data Analysis for Student Learning (DASL) as its Student Information System (SIS). DASL is a state-of-the-art, comprehensive web-based student information management and decision support system solution for schools. DASL will assist teachers in tracking behavior, attendance, discipline and interventions.

Information Data. Student data from the enrollment application will be entered into the SIS prior to the first day that students are educated. The hard copy of the application will be filed along with the birth certificate, proof of residency, and supporting documents. Regular data verification checks will be conducted to ensure data is correct. The Office Manager inputs the data into SIS and processes the verification checks.

Test Data. For reading, math and writing diagnostic data, the classroom teacher administers the assessment and collects the final results. The Office Manager enters the data into SIS. The Educational Empowerment Group (EEG) Data Coordinator extracts the data from the DASL and will upload it into EMIS. The Data Coordinator will upload information regarding required grade level state assessments, End of Course Exams, Industry Credentialing, ACT/SAT, WorkKeys, OELPA, and Kindergarten Readiness scores into the DASL, TIDE and/or EMIS systems. The test results for the NWEA assessments will be uploaded and maintained and analyzed by the school.

School specific data. Formative Assessment data is tracked at the school using a template that analyzes student mastery, divided by standard. The Unit assessments are administered at the beginning and end of every instructional unit. Upon completion of course content units and scoring of the post assessments, teachers will complete a Unit Analysis Worksheet for review with the Teacher Based Teams. At the end of every testing cycle, the student performance data is collected, compiled, and reviewed with Teacher Based Teams and presented to the SAC.

Attendance Data. NOCA understands that in order to accomplish the school's mission, students must attend school every day. NOCA works closely with parents, teachers, and students to combat truancy. The Office Manager will record attendance schedules in DASL, which will also capture tardiness. The Office Manager, the Dean of Students, the Principal and the Board of Directors will all review testing, enrollment and attendance data at regular board meetings.

Process. To report accurate and timely data to the Ohio Department of Education (ODE) the EEG Data Coordinator sends required state data records from DASL directly to the ODE Data Collector. The Data Coordinator accesses ODE's Data Collector and uploads the data from the school sent from the DASL into the Data Collector. The data is reviewed for accuracy, certified, and submitted to ODE. DASL holds and sorts all data. It also converts data to be read by EMIS once uploaded into the Data Collector.

6.4a Goals and Performance Indicators

The school will be required to show progress toward meeting the goals established in its OIP School Improvement Plan. The OIP School Improvement Plan will be reviewed at monthly board meetings and updated as needed. Revised plans will be submitted to the Sponsor.

Schools newly chartered with Charter School Specialists will establish an OIP School Improvement Plan by September 30th.

The sponsor will provide accountability standards, which include but are not limited to, all applicable report card measures set forth in R.C. 3302.03 or R.C. 3314.017.

Attachment 6.4a_NOCA Performance Goals

6.5 Assessment Plan

The Assessment Plan should enable the school to make an accurate reference as to what students should know and be able to do. It should align to the desired learning outcomes of the curriculum.

Nationally Normed Assessment

6.5

1) St. Aloysius requires its sponsored schools to identify and utilize at least one nationally normed, [ODE approved standardized testing tool](#). It is mandatory that the assessment be administered a minimum of twice per year and the administration should be identified on the school calendar. Which Nationally Normed Assessment will be used? Discuss rationale for assessment selection and the relationship to Student Growth Measures (OTES and OPES). Nationally normed assessment data and a comprehensive written analysis will be due to the sponsor by June 30th of each year.

Northwest Ohio Classical Academy (NOCA) will administer the Northwest Evaluation Association (NWEA) Measures of Academic Progress (MAP) twice per year. NWEA is a trusted resource for measuring individual student achievement, calculating student growth, projecting proficiency on high-stakes assessments, and comparing a student’s growth to that of students across the country. The MAPs are state-aligned computer adaptive tests that accurately reflect the instructional level of each student and measure growth over time. MAP Growth reveals how much growth has occurred between testing events and when compared to norms, shows projected proficiency. NOCA can track growth through the school year and over multiple years; and will be able to compare students’ performance against norms to evaluate programs and improve instruction. MAP assessments provide a sensitive metric for measuring and comparing growth among students from differing schools, districts, and states. MAP also offers outcome measures that are important for the development of new educational programs for improving student learning. Ohio also has identified the NWEA/Map Assessment on the list of approved vendors for the Third Grade Reading Guarantee. In addition, teachers can easily identify where instruction needs to take place and for whom and to what degree. The MAP will be given to students three times per year. Each test session will be followed by score reading and reporting for each subject area and identified by the teacher. See the school calendar for dates.

Tests developed by NWEA use a scale called RIT to measure student achievement and growth. RIT stands for Rasch UnIT, which is a measurement scale developed to simplify the interpretation of test scores. The RIT score relates directly to the curriculum scale in each subject area. It is an equal-interval scale, like feet and inches, so scores can be added together to calculate accurate class or school averages.

Student Growth Measures: The school will use the following types of Student Growth Measures: Value-Added, an approved vendor assessment (NWEA-MAP), and [Locally Determined Measures \(SLO’s\) – scores on Formative and Summative Assessments for specific content areas](#). These growth measures will be utilized as a part of the overall teacher and Principal evaluation on OTES and OPES.

➤ Value-Added – The school will use Value-Added data in the student growth measure when available.

➤ Measure of Academic Progress – MAP will be used as an approved vendor assessment (NWEA) if Value-Added data is not available.

Ohio’s State Assessments	6.5	<p>2) All required state assessments must be included in the school's assessment blueprint and calendar. Confirm use of specific state tests, how the data will be collected and distributed to Board of Directors, staff, students, parents, and how the results will impact professional development and Ohio Improvement Process (OIP) goals and strategies. These may include required grade level state assessments, End of Course Exams, Industry Credentialing, ACT/SAT, WorkKeys, OELPA, and Kindergarten Readiness Assessment.</p>
--------------------------	-----	--

Northwest Ohio Classical Academy (NOCA) will measure academic proficiency longitudinally in terms of annual progress on the K-3 Reading Diagnostic Assessment, Ohio English Language Arts Test (ELAT), and the End Of Course Exams and interim progress during the school year on the Northwest Evaluation Association (NWEA) assessment. NOCA will measure academic progress in Latin with the National Latin Exam (NLE). **The ACT or SAT will be administered to all 11th grade students as required by ODE.**

Third-grade students will participate in the fall state reading assessment exam for Third Grade Guarantee. State diagnostic assessments will be administered to students in K-3 and Kindergarteners will be assessed with Kindergarten Readiness Assessment (KRA). NOCA will administer the KRA to all Kindergarten students within the administration window. The assessment covers six areas: language and literacy, mathematics, science, social studies, physical well-being, and motor development, and social foundations, which include social and emotional development and approaches toward learning. Students are assessed in the following ways:

- Observation - Teachers will use a rubric with three description levels for the skill(s) being measured.
- Selected response questions – Teachers have a scripted prompt that could include a story or pictures and a question with answer choices.
- Performance tasks - These require an action or verbal response from the child in response to a scripted prompt, such as producing a rhyming word. The school will use the information gathered from this assessment to inform instruction and provide academic, functional, and behavioral interventions for any student not meeting expectations.

Students who are identified as off-track will receive individual interventions per the identified area of need, and a plan will be created and executed.

Ohio Test of English Language Acquisition (OTELA). State and federal law require an annual assessment of K-12 Limited English Proficient (LEP) students to measure their English language proficiency. The OELPA and AASWD will be administered as needed.

End-of-Course high school assessments will be available to students in the fall who have not reached proficiency during a prior testing period and who have received the requisite remediation.

Additional Non-Required Assessments

NOCA will administer the ELAT annually in order to measure students’ academic proficiency on state-mandated academic standards for grades 3-10. The ELAT and End Of Course Exams will allow the school to compare results with schools in Lucas County as well as schools across Ohio. The AASCD will be used, when appropriate, with Special Education students who qualify to take this assessment. The AASCD assesses the following grades and the following areas: math, science, social studies, and reading.

Sharing Data and OIP

NOCA will annually, analyze and report assessment data and academic success to the Board of Directors, staff, and parents. NOCA will share the school’s annual state assessment results with parents and guardians through email, links on the school website, and in a letter sent home with students. Results of all state testing will be compiled and used to evaluate the school’s goals as part of the OIP. Assessment windows are included on the school calendar and placed on the website. Successes in improvement will be saved to be replicated, and critical needs will be further evaluated in order to assess the curriculum, instructional strategies, teacher performance, and other resources.

The School Accountability Committee (SAC) consisting of the Principal, Vice Principal, Dean of Students, Resource Teachers, Intervention Specialists and Teacher-Based Teams, will provide a detailed report of student achievement data and OIP progress to additional key stakeholders in scheduled meetings throughout the year as data is received. The Principal and Vice Principal will facilitate discussions of state results as it relates to the improvement planning and will discuss changes that need to occur individually with teachers during their planning meetings. Teacher professional development will be adjusted and updated to reflect the needs of the school as dictated by state testing results.

Formative Assessments	6.5	3) Describe the process for developing formative assessments that includes gauges of all learning domains (social-emotional), sharing data across grade levels and with students and parents, and how results will impact instructional strategies, practices, materials selection and professional development.
------------------------------	------------	---

Formative Assessments will be used to monitor and analyze student progress through such practices as

- Teacher-developed pre- and post-assessments
- Teacher-developed rubrics
- Singapore Math assessments that will be used as placement tests and as a means to demonstrate mastery of the material taught at each level. If a student masters 80% or more of the content, they can move up a level. If not, they can begin instruction at that level, or repeat it. The placement tests can also be used as an exit test for each respective level.
- PSAT
- ODE sample tests for End of Course Exams for Geometry, Biology and ELA

These measures will enable the analysis and improvement process to occur through evaluating data and making instructional decisions with regard to students, teachers, instructional content, curriculum, resources, instructional strategies, and pacing. The School Accountability Committee will review teacher-created assessments to determine which students need increased amounts of academic intervention. In response to the data, leaders and teachers will adjust student schedules for tutoring and/or one-one or small group instruction.

Formative assessments will be the basis for adjusting the education program by the Response to Intervention (RTI) and teacher-based teams (TBTs) for each student in order to improve academic performance. Assessments will be utilized by the RTI Leadership Team (RTL). An instructional and intervention plan will be created and tailored to each student's specific needs which will include a timeline of follow up formative assessments to ensure student growth. The plan will be utilized to teach a new skill, build fluency in a skill, or encourage the child to apply an already existing skill to a new situation or setting. The interventions will be designed to improve performance relative to a specific, measurable goal.

National Latin Exam

While not a formative assessment, but rather a summative assessment, the National Latin Exam, sponsored by the American Classical League and the National Junior Classical League, is a 40-question, multiple-choice test with a time limit of 45 minutes, offered to students on seven levels. On the Introduction to Latin, Latin I, Latin II, Latin III, Latin III/IV Prose, and Latin III/IV Poetry exams, there are questions on grammar, comprehension, mythology, derivatives, literature, Roman life, history, geography, oral Latin, and Latin in use in the modern world. The Latin V-VI exam contains two Latin passages as the basis for questions on grammar, comprehension, historical background, classical literature, and literary devices.

The philosophy of the National Latin Exam is predicated on providing every Latin student the opportunity to experience a sense of personal accomplishment and success in his or her study of the Latin language and culture. This opportunity exists for all students since, in the National Latin Exam, they are not competing with their fellow students on a comparative basis but are evaluated solely on their own performance on the exam. The basic purposes of the NLE are to promote the study of Latin and to encourage the individual student.¹⁷

The test will be administered to students in the Spring.

Through teacher-based teams (TBTs), data is shared across grade levels. As a part of the Ohio 5-Step Process, formative assessment is analyzed by TBTs, which meet every week to discuss data and share ideas. The TBTs process is evaluated each month by administrators during leadership team meetings. Feedback is given to all TBTs, and data is analyzed for growth purposes.

¹⁷ https://nle.org/exams.html#exams_information (accessed 12 September 2018)

That data is the basis of professional development. The TBTs process is then reviewed by the Principal and Vice Principal in efforts to ensure where additional training is needed. The process for developing formative assessments is a part of the professional development plan offered to teachers. Formative Assessments is one of the topics scheduled for professional development for NOCA staff.

NOCA will share data across the school and with parents/guardians via email, the website, and information sent home to parents. NOCA may use an online grading platform such as Infinite Campus. Data will be shared with teachers at planning meetings and during professional development that will include intra and inter-grade meetings to allow teachers to vertically plan (further ensuring that skills are taught and reinforced from grade to grade) and collaborate to meet the needs of specific students. If data is unacceptable across classes, grade levels, or within the entire school, the instruction method, curriculum alignment, rigor, and use of resources are monitored and discussed by the members of the teams accordingly. Weekly and bi-weekly check-ins for improvement occur and are reviewed within meetings. The data will inform the need for any spiraling within the unit or pacing guides, re-teaching within the unit or pacing guides, or the elimination or addition of content by classroom/content/grade level or school in the curriculum.

Data will be shared with Hillsdale K-12 Education. NOCA will benefit from a strong, ongoing working relationship with Hillsdale as a Curriculum School.

Non-Academic Measures	6.5	4) Describe non-academic measures such as parent and student satisfaction surveys, student interest surveys, etc. that might inform school practices and program effectiveness.
-----------------------	-----	--

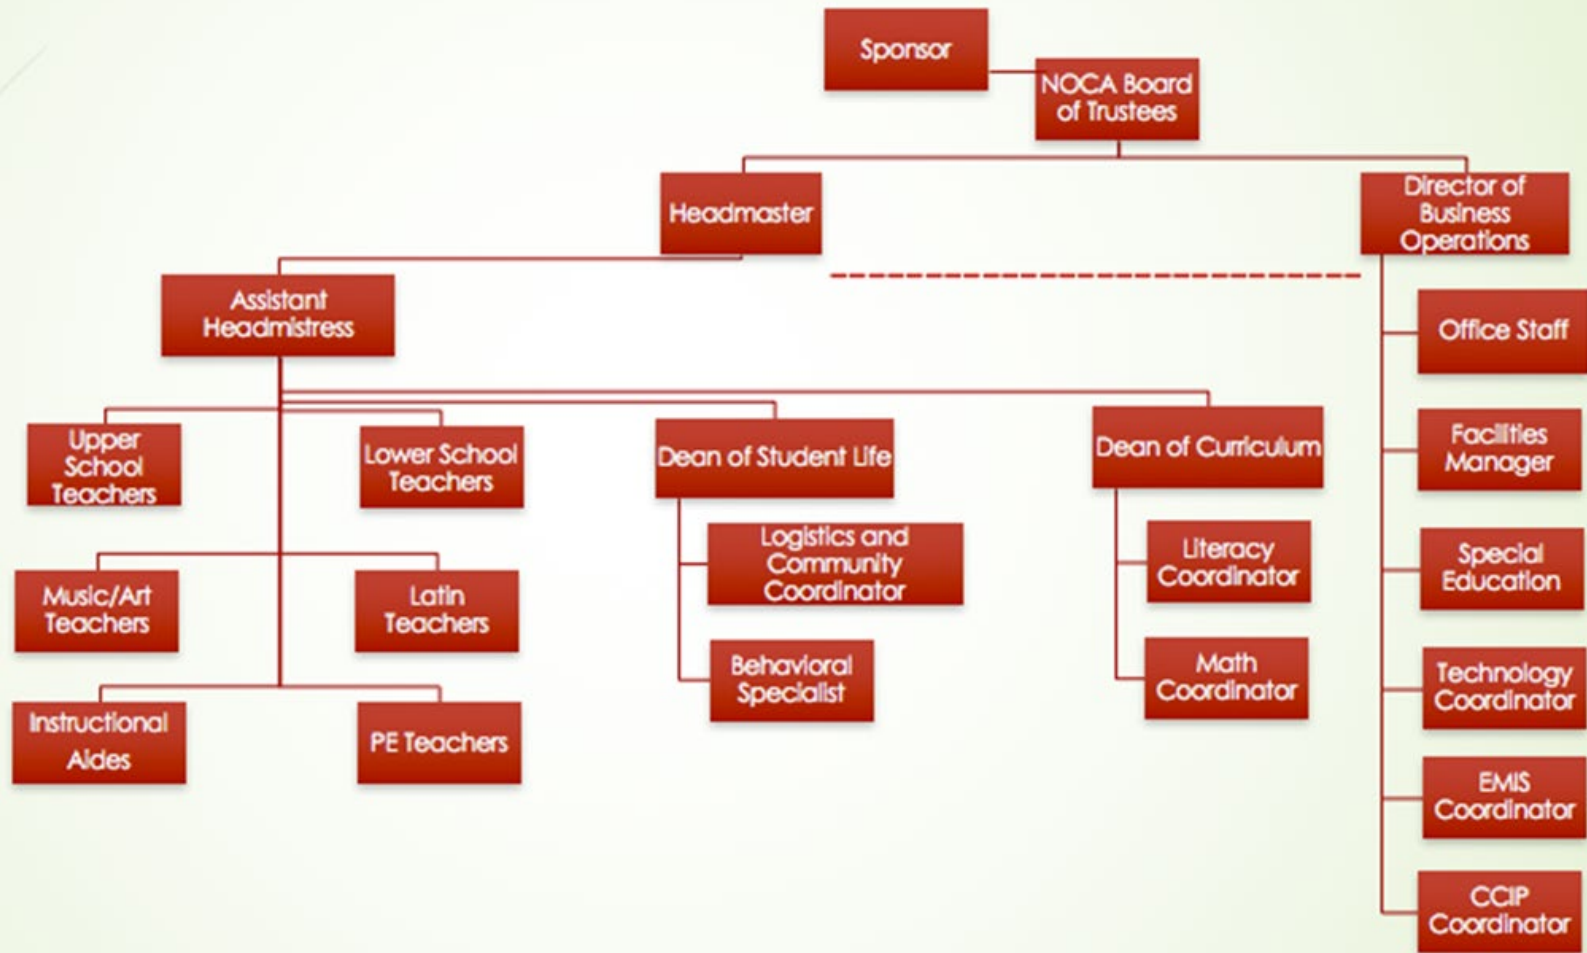

Northwest Ohio Classical Academy will administer a parent, teacher, and student survey annually, to evaluate satisfaction and support. Any indicating metric approval rates of less than 80% will be brought to the Board's attention. Monitoring student opinions about academic progress, environment, teachers, support structure, and education program provide the data needed to provide an optimal model. Information from surveys assists leadership and teachers in making decisions about how to adjust the services and programs offered to assure that each student is performing to his or her maximum potential. The school goal is to provide an environment that supports teaching continuously. To assist in gauging this measure, statistics will be gathered and evaluated from an annual teacher survey. At or near the end of the school year, parents will be asked to complete a comprehensive satisfaction survey designed to assist the school in assessing areas where improvement may be necessary. Parents can also provide feedback during parent-teacher conferences, parent-teacher organization meetings, and during their attendance at Board meetings.

Additionally, the school will measure and evaluate other non-academic statistics including year-to-year student enrollment figures and student daily attendance averages.

Diverse Measures of Student Performance	6.5	5) Identify diverse ways to measure student performance beyond standardized assessments that include tools such as student portfolios, capstone projects, presentations or performance-based assessments.
<p>Student performance will be measured through diverse methods beyond standardized assessments. Students will be measured by teacher-created projects based on the history and citizenship standards using a school-wide adopted rubric. Upper grade students will research, write and orally defend a thesis paper, which will be evaluated by a panel of at least three expert evaluators. Select students will design, conduct, and report on an independent science experiment, and present their findings to a panel of at least three expert evaluators. By the end of the first year, students will be asked to adequately draw and label a picture (Kindergarten) and/or define in writing (grades 1 – 10) the character pillars of Responsibility, Respect, Courage, Courtesy, Honesty, and Citizenship, and will be asked to describe in writing and/or orally, instances when those pillars have been demonstrated by their classmates. Students will maintain portfolios of their writing assignments throughout their NOCA education and be measured from beginning to the end of each year on performance including improvement and achievement.</p>

- Perform all other job duties as assigned.

Recruitment and Retention Plan

8.1

3) Describe the plan to recruit and retain highly qualified personnel including how the school will meet the goals identified in Ohio's 2015 Plan for Equity at ODE's website at:

<https://education.ohio.gov/getattachment/Topics/Teaching/Educator-Equity/Ohio-s-Teacher-Equity-Plan-and-EDHEE-Analysis-Tool/Ohio-s-2015-Plan-to-Ensure-Equitable-Access-to-Excellent-Educators102615.pdf.aspx>.

Northwest Ohio Classical Academy (NOCA) will recruit teachers from across the country to implement the classical education model. To meet the goals identified in Ohio's 2015 Plan to Ensure Equitable Access to Excellent Educators, the school will employ **Properly Certified or Licensed teachers** at ratios that meet or exceed the requirements set by the Ohio Department of Education. NOCA will ensure that its low income and minority students have equitable access to excellent educators, by implementing measures that align with Ohio's identified four main strategies:

1. Strengthen educator preparation;

2. Target hiring and deployment barriers;
3. Improve teaching and learning conditions; and
4. Provide data to encourage strategic staffing and educator development.

To prevent “ineffective teachers,” The Principal will design and deliver high-quality professional development activities to instructional staff focused around instructional methods, data-driven decisions based upon formative and summative assessments, and the RLT team. Teachers will engage in leadership opportunities throughout the building in order to promote commitment to the school and the students.

The school will provide early hiring timelines to help assure effective and qualified teachers are hired.

Recruitment

The school is committed to making hiring decisions that are based on finding the best possible, Properly Certified or Licensed teachers that believe in classical education and the school mission, vision and goals. The school will engage in the search for experienced and Properly Certified or Licensed teachers through avenues such as Job and Career Fairs focused specifically on Properly Certified or Licensed educators, online searches and recruiting methods, partnerships with local colleges and universities, and through word of mouth from teachers at other classical education schools. NOCA teachers must be certified as required by law. Combinations of new classically-trained teachers with very experienced teachers will create a diverse and exciting team. For those teachers hired directly from college, the ideal candidate would possess a strong academic record, experience in leadership, and who matriculated from a classical school or a school with a strong liberal arts education. The ideal candidate would be an instructor who can think outside of the box. As a classical school, a teaching staff that includes some classical background training or experience will be necessary to succeed. All teachers are expected to hold an expert command of their subjects, classrooms, and teaching methods. This process is no small task. Summer teacher training will provide support to the teachers while offering a comfortable and friendly environment for staff to compare notes and cultivate a sense of community and purpose. All faculty and staff must also be models of the virtuous citizen that NOCA is expecting the children to emulate.

The Board, in consultation with its Principal and Hillsdale K-12 Education, will consider whether to implement a bonus/merit pay system. All available job postings are listed through the ODE website and other select online educational job posting forums, publications, and through community and organizational job boards, if applicable. The school seeks to recruit qualified candidates that help reflect the demographic profile of the students and places job postings in target community areas with diverse populations.

In the process of hiring, qualified candidates are screened by a building level team that typically includes the Principal, Vice Principal, and a similar content area instructor, if possible/applicable. Candidates are interviewed and evaluated using a common interview questionnaire and the individual results of the interview team are compared. Candidates are asked to provide references upon interviewing, which may be contacted for further input either before or after the first formal interview. Before offering a position to a candidate, likely hires are asked to tour the building and shadow for at least one academic

session. This real-time interaction better ensures that the candidate is a good fit for the position as the candidate can examine how the school operates while the leadership team can observe how the candidate interacts with students and other staff.

All candidates and hires are evaluated to determine if they can adequately meet the requirements of the position outlined in the above sections. Additionally, all teaching hires must have a valid Ohio teaching license and all employees must possess a clean FBI, BCI background check completed before taking the job.

Retention

To retain high-quality personnel, the school is committed to utilizing professional development programs that are appropriate for NOCA’s model of teaching. As most professional development programs are designed for the traditional setting, the school will often adapt ideas from existing models to emphasize the core needs. Typically, professional development focuses on improving leadership skills for teachers, modeling best practices for students, and mentoring.

Further, The Principal, Vice Principal, and the LPDC building chairperson meet regularly with all teachers whose licenses fall under the Residency Program for new educators. Additional support and information for any teachers under these residency license requirements is available through the compliance consultant employed by the charter management organization. All teachers whose licenses fall under the residency license requirements will be provided with a trained mentor that follows the protocols for the Resident Educator Program.

All staff members are hired at competitive salaries with the opportunity to participate in a sound health insurance program and make contributions to STRS/SERS. All staff are given the opportunity to earn additional paid time off (PTO) by volunteering time for covering events and activities that fall outside the bounds of the normal workday. PTO is issued at the discretion of the Principal. Staff members are also encouraged to maintain open lines of communication with the building administration. The school practices an open-door policy where the building leadership avails themselves to staff to discuss any suggestions or concerns that could help improve the School and its students.

Student/Teacher Ratios	8.1	4) State the student/teacher ratios for the school. <i>Ratios can be no more than 29 students to 1 teacher (29:1).</i>
-------------------------------	------------	---

The student/teacher ratio will be no higher than 29 to 1.

Performance Framework

This framework describes a comprehensive system of monitoring a community school’s performance and compliance. This rigorous framework will be used to inform renewal and revocation decisions. The goal for each school is to achieve a 75% or greater of the available points based on academic, compliance/operations and financial performance. The Sponsor believes that completing the interventions per the Intervention Attachment 6.4 may assist the School in increasing their performance and helping them to achieve 75% or greater of the available points in the academic performance section. Annually, the School will be sent a performance report showing its percentage over a certain number of years. The goal is for each School to reach 75% by the end of its fifth year of operation.

During a renewal year, the school will be evaluated on an average calculated over the four most recent years of the charter term or the number of years within the charter term that data is available. Schools may earn additional points for improvement in the total percentage from year to year.

Kindergarten – 12th Grade

(A school that does not offer a grade higher than twelve excluding Dropout Prevention & Recovery Schools)

➤ **Evaluation of Local Report Card Components - Beginning with the 2022-2023 Local Report Card**

- The school should aim to receive a rating of 3 Stars or better in all applicable Ohio Local REPORT CARD **components** on the Ohio Interactive Local Report Card (iLRC) Power User Reports, or any subsequent report enacted to replace or supplement the iLRC Power User Reports.
- A school shall be placed in Level 1 status if it does not receive a rating of 3 Stars or better in all applicable Local Report Card components. The school shall remain in Level 1 status unless it receives a rating of 3 or more Stars in all applicable Local Report Card components, at which point interventions will no longer be required, or it meets the At Risk for Closure Criteria identified below.
- At Risk for Closure Criteria:
 - Any school offering only grades K-3 or lower that receives a performance rating of 1 Star in the early literacy component of the Local Report Card OR receives an overall performance rating of 1 Star or 1.5 Stars;
 - Any school offering any combination of grades K-4 to K-8 and does not offer a grade level higher than ninth grade that receives a performance rating of 1 Star in both achievement and progress on the Local Report Card OR it receives an overall performance rating of 1 Star or 1.5 Stars and 1 Star in progress; or
 - Any school offering any grade levels between 10-12 and is not a Drop-Out Prevention and Recovery School that receives a performance rating of 1 Star in achievement and has not met annual measurable objectives for gap closing OR it receives an overall performance rating of 1 Star or 1.5 Stars and 1 Star in progress.
- When a school meets the At Risk for Closure Criteria it shall be placed in Level 2 status. A school shall progress one level of intervention for each consecutive year that it meets the At Risk for Closure Criteria. A school shall return to Level 1 status when it does not meet the

At Risk for Closure Criteria and a school shall be removed from interventions when it receives a rating of 3 or more Stars in all applicable Local Report Card components.
