#### **Report on the Audit of the Financial Statements**

#### Opinion

We have audited the accompanying financial statements of Citizens of the World Charter School – Kansas City (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Citizens of the World Charter School – Kansas City as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Citizens of the World Charter School – Kansas City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citizens of the World Charter School – Kansas City's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the School's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Statement of Assets and Fund Balances, Statement of Receipts, Disbursements, and Changes in Fund Balances, Schedule of Receipts by Source, Schedule of Disbursements by Object, and Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Statement of Assets and Fund Balances, Statement of Receipts, Disbursements, and Changes in Fund Balances, Schedule of Disbursements by Object, and the Schedule of Expenditures of Federal Awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 14, 2022, on our consideration of Citizens of the World Charter School – Kansas City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Citizens of the World Charter School – Kansas City's internal control over financial report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Citizens of the World Charter School – Kansas City's internal control over financial reporting and compliance.

#### Notes to the Financial Statements

June 30, 2022

## 1. Organization

Citizens of the World Charter School - Kansas City (the "School") is a Missouri not-for-profit corporation. Their purpose is to operate a Charter School established within the boundaries of the Kansas City, Missouri School District. The School is legally separate from the Kansas City, Missouri School District and is not financially accountable to it.

# 2. Summary of Significant Accounting Policies

### **Basis of Accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

### **Basis of Presentation**

The School is required to report information regarding its financial position and activities according to two classes of net assets; net assets without donor restrictions and net assets with donor restrictions.

*Net assets without donor restrictions*: net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the School. These net assets may be used at the discretion of the School's management and the board of directors.

*Net assets with donor restrictions*: net assets subject to donor-imposed stipulations that can be fulfilled by actions of the Academy pursuant to those stipulations, that expire by the passage of time, or that include funds of perpetual donation.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

#### **Cash and Cash Equivalents**

The School considers all highly liquid investments with an original maturity of three months or less at the time of purchase to be cash equivalents.

#### **Property and Equipment**

Depreciation of property and equipment is calculated on the straight-line basis over the estimated useful lives of the assets. These assets have been recorded at historical cost. It is the policy of the School to capitalize expenditures for equipment, furniture and fixtures in excess of \$5,000 per item and useful life of more than one year. No property and equipment has met the above requirements to be recorded in the financial statements.

#### Notes to the Financial Statements

June 30, 2022

#### **Revenue Recognition**

The School recognizes revenue using the following methods:

*Contributions, grants, and agreements*: Contributions, grants, and agreements are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or explicitly released from restriction. The majority of grants and agreements received by the School are nonreciprocal. Therefore, revenue is recognized as obligations are met.

*Fees and services*: Fees and services consist primarily of services and activities completed by the School. Therefore, fees and services revenue is recognized when such activities are substantially completed.

#### Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from these estimates. Management believes that these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

#### **Income Taxes**

The School is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as an organization that is not a private foundation under Section 509(a)(2).

The School complies with the provisions of FASB ASC 740-10-25. Under FASB ASC 740-10-25, an organization must recognize the tax benefit associated with tax taken for tax return purposes when it is more likely than not the position will be sustained. The implementation of FASB ASC 740-10-25 had no impact on the School's financial statements. The School does not believe there are any material uncertain tax positions and, accordingly, it will not recognize any liability for unrecognized tax benefits. For the year ended June 30, 2022, there were no interest or penalties recorded in its financial statements.

#### Receivables

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. The discounts on those amounts are computed using a risk-free interest rate applicable to the year in which the promise was received. Amortization of the discount is included in contribution revenue. Conditional promises to give are not included as support until such time as the conditions are substantially met.

Accounts and grants receivable are reported at their gross value and, where applicable, are reduced by the estimated portion that is expected to be uncollectible.

Notes to the Financial Statements

June 30, 2022

#### **Subsequent Events**

Management has evaluated subsequent events through November 14, 2022, the date the financial statements were available to be issued.

#### **Expense Allocation**

The cost of providing the program and supporting services have been summarized on the statement of activities on a functional basis. Most expenses can be directly allocated to the program and supporting functions. Certain categories of expenses are attributed to both program and supporting functions. Therefore, these expenses require allocation on a reasonable basis that is consistently applied and determined by management.

The expenses that are allocated include the following:

Time and effort
Time and effort
Direct cost
Direct cost
Direct cost
Direct cost

## 3. Cash & Cash Equivalents

State statutes require that the School's deposits be collateralized in the name of the School by the trust department of a bank that does not hold the collateralized deposits. As of June 30, 2022, \$56,479 was uninsured and uncollateralized.

### 4. Commitment

On June 13, 2016, the School entered into a triple net financing agreement with an option to buy at book value with IFF Quality Seats - Broadway, LLC for the property and improvements in the total cost of \$5,244,227. As part of the agreement, the School pays a base rent each month plus operating expense of the facility, including all costs associated with the use, maintenance, financing, or repair of the property and all utilities, and insurance. The agreement also required creation of a cash collateral account in the amount of \$585,000. The agreement provides that the School will pay the reduced rent amount of \$13,670 per month for the first two years with the payment supplemented with the cash collateral account. From years 3 to 6, the base rent amount will be payable in the amount of \$36,845 per month. For years 7 to 10, the adjusted rent amount will be payable based on the greater of the School's net operating income divided by 1.2 or the annual funding cost to IFF. The School has the option to extend the agreement for 2 to 5 years.

Notes to the Financial Statements

June 30, 2022

Under the current agreement, payments of \$470,435 were due during the year ended June 30, 2022, the future payment requirements are estimated as follows:

	Building
Year Ending June 30	Agreement
2023	\$ 470,435
2024	470,435
2025	470,435
2026	470,435
	\$ 1,881,740

## 5. Claims & Adjustments

The School participates in a number of federal and state programs that are fully or partially funded by grants received from other governmental units. Disbursements financed by grants are subject to audit by the appropriate grantor government. As of June 30, 2022, significant amounts of grant disbursements have not been audited by grantor governments, but the School believes that disallowed disbursements, if any, based on subsequent audits will not have a material effect on the overall financial position of the School.

### 6. Functional Expenses

The School has only one program of service, which is the operation of a charter school district. For the year ended June 30, 2022, program service expenses were \$6,667,149 and management and general expenses were \$709,697.

## 7. Retirement Plan

The School contributes to The Public School Retirement System of the School District of Kansas City, Missouri, a costsharing multiple-employer defined benefit pension plan. Participation is mandatory for employees of the Kansas City, Missouri Public School District, the Kansas City Public Library, and the Public School Retirement System. The Retirement System provides service and disability retirement benefits to full-time employees and optional benefits to members' beneficiaries. Positions covered by The Retirement System are also covered by Social Security. The Retirement System is administered by a twelve member Board of Trustees. The Retirement System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to: The Public School Retirement System of the School District of Kansas City, Missouri, 324 E. 11<sup>th</sup> St., Kansas City, Missouri, 64106, or by calling 1-816-472-5800.

The Retirement System members are required to contribute 9% of their annual covered salary and the school is required to contribute a matching amount. The contribution requirements of members and the school are established, and may be amended, by the Board of Trustees. The School's contributions to the system for the year ended June 30, 2022, were \$349,251, equal to the required contributions.

Notes to the Financial Statements

June 30, 2022

### 8. Open Tax Years

The School's informational and tax returns are subject to examination by taxing authorities for a period of 3 years from the date they are filed. As of June 30, 2022, the following tax years are subject to examination:

Jurisdiction	Open Years for Filed Returns	Return to be Filed in 2022
Federal	2018-2020	2021
Missouri	2018-2020	2021

## 9. Liquidity & Availability

Financial assets available for general expenditures, that is, without donor restrictions or other restrictions limiting their use, within one year of the statement of financial position date, comprise of the following:

	 2022
Financial assets at year end	
Cash and cash equivalents	\$ 881,360
Accounts receivable	34,640
Grants receivable	14,795
Total financial assets	930,795
Less amounts not available to be used within one year:	
Net assets with donor restrictions	-
Financial assets available to meet general expenditures over the next twelve months	\$ 930,795

The School does not have a policy to maintain a particular amount of days of operating expenses as liquid assets. The School is substantially supported by grant revenues that are based on formulas enacted by the legislation in the State of Missouri. The School also participates in various state and federally funded programs. As such, the future cash needs of the School are substantially met by these revenues, which are primarily received during the period in which expenses are incurred.

## 11. Risk Management

The School is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The School has transferred its risk by obtaining coverage from commercial insurance companies. In addition, it has effectively managed risk through various employee education and prevention programs. There has been no significant reduction in insurance coverage from the previous year.

Internal Control and Compliance

To the Board of Directors Citizens of the World Charter School - Kansas City Kansas City, Missouri

We have examined Citizens of the World Charter School - Kansas City's compliance with the requirements of Missouri laws and regulations regarding budgetary and disbursement procedures; accurate disclosure of the School's attendance records of average daily attendance, standard day length, resident membership on the last Wednesday of September, pupil transportation records of the average daily transportation of pupils eligible and ineligible for state aid, the number of miles eligible and ineligible for state aid and other statutory requirements as listed in the Schedule of Selected Statistics during the year ended June 30, 2022. Management of Citizens of the World Charter School - Kansas City is responsible for the School's compliance with the specified requirements. Our responsibility is to express an opinion on Citizens of the World Charter School - Kansas City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the AICPA, and those standards require that we plan and perform the examination to obtain reasonable assurance about whether Citizens of the World Charter School - Kansas City complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedure to obtain evidence about whether Citizens of the World Charter School - Kansas City complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that our examination provides a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the examination engagement.

Our examination engagement does not provide a legal determination on Citizens of the World Charter School - Kansas City's compliance with the specified requirements. Our examination did, however, disclose that the School did not meet compliance with Missouri laws and regulations as the School was not adequately collateralized during the year.

In our opinion, except for the condition described in the fourth paragraph, Citizens of the World Charter School - Kansas City complied in all material respects, with the aforementioned requirements for the year ended June 30, 2022.

This report is intended solely for the information and use of the Board of Education, School management, and the Missouri Department of Elementary and Secondary Education and is not intended to be, and should not be, used by anyone other than these specified parties.

# Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

**Board of Directors** Citizens of the World Charter School - Kansas City Kansas City, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Citizens of the World Charter School - Kansas City (a nonprofit organization), as of and for the year ended June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise Citizens of the World Charter School - Kansas City's basic financial statements and have issued our report thereon dated November 14, 2022.

#### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Citizens of the World Charter School -Kansas City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances, for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Citizens of the World Charter School - Kansas City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

# Independent Auditors' Report on Compliance for Each Major Program and on Internal **Control over Compliance Required by the Uniform Guidance**

**Board of Directors** Citizens of the World Charter School - Kansas City Kansas City, Missouri

#### **Report on Compliance for Each Major Federal Program**

### **Opinion on Each Major Federal Program**

We have audited Citizens of the World Charter School - Kansas City's compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Citizens of the World Charter School - Kansas City's major federal programs for the year ended June 30, 2022. Citizens of the World Charter School - Kansas City's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, Citizens of the World Charter School - Kansas City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct material effect on each of its major federal programs for the year ended June 30, 2022.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Citizens of the World Charter School - Kansas City and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the School's compliance with the compliance requirements referred to above.

#### **Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of the effective internal control over compliance with the requirements of laws, statues, regulations, rules, and provisions of contracts of grant agreements applicable to the School's federal programs.

#### Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Citizens of the World Charter School - Kansas City's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about Citizens of the World Charter School - Kansas City's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

• Exercise professional judgment and maintain professional skepticism throughout the audit.

• Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Citizens of the World Charter School - Kansas City's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

• Obtain an understanding of Citizens of the World Charter School – Kansas City's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance with a type of compliance with a type of compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we control over compliance above. However, material weaknesses or significant deficiencies in internal control over compliance that we control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
