## Board of Directors' Code of Ethics and Conduct

GCCS's reputation is a vital asset and GCCS's continued success relies upon GCCS and its governing body, this Board, acting with integrity in our actions and words. This can only be achieved through ethical business conduct throughout the organization including management, employees, and members of the Board of Directors. This Code of Conduct reinforces GCCS's commitment to ethical conduct and professionalism in all that we do.

## **Board Member Actions**

It is the intention of this Code of Conduct to guide the Board in the conduct of its meetings and governance of GCCS. The Members of the Board are required to annually acknowledge the policies below and pledge to adhere to their dictates and follow the letter and spirit of all GCCS policies. If a Board Member is unclear on the intent of this Code of Conduct, they are encouraged to seek guidance from Board leadership and the GCCS management team. In all cases, the Members of the Board are expected to use sound judgment to ensure their conduct is consistent with GCCS's expectations for honesty and the highest level of integrity.

All Board Members must avoid illegal and unethical behavior and must avoid participation in any situation that might reflect unfavorably upon GCI, including the following:

- 1. Any activities or relationship that may be deemed to be a Conflict of Interest (as set forth in Attachment A 0342 Conflict of Interest Policy);
- 2. Failure to adhere to GCCS's Standards of Professionalism and Ethics (as set forth in Attachment B 0310 Board Member Conduct);
- 3. Failure to adhere to GCCS's Anti Harassment Policy (as set forth in Attachment C 4113 Anti-Harassment Policy)
- 4. Failure to adhere to GCCS's Discrimination or Retaliation Policy (as set forth in Attachment D 4112 Discrimination or Retaliation in the Workplace)

## **Confidentiality**

In order to encourage and foster open and candid discussion at meetings, the Board of Directors of Guadalupe Educational System, Inc. believes confidentiality must be maintained.

Therefore, it is the policy of the Board of Directors of GCCS that each director, staff member, or employee of GCCS who is in attendance at the meeting shall keep confidential any and all information relating to discussions during any closed or executive sessions at the meetings including information contained in all materials presented during any closed or executive session at a meeting (including, but not limited to, Board Packets, correspondence, emails,

reports or other documentation) unless compelled by legal process to disclose such information, or as agreed by resolution of the Board of Directors that the confidential information may be disclosed. Should a Board Member receive any request via legal process to provide information, they shall immediately notify the attorney for the Board of Directors so that appropriate steps can be taken to maintain confidentiality where applicable. While Board Members and staff members are free to discuss actions adopted by the Board of Directors during open sessions, disclosing or distributing any information concerning the discussions of such items during closed or executive sessions of the Board of Directors meeting is prohibited.

Should a director, staff member or employee of GCCS violate this policy they will be subject to sanction up to including removal from the Board should the majority of the Board approve the sanction to be meted out.

# No Gifts and Gratuities

While exchanging gifts can sometimes strengthen business relationships, it can also lead to compromised judgment. To avoid the appearance of compromised judgment and to protect the integrity of the decision-making process, Board Members shall not solicit or accept gifts or gratuities from others or accept anything of value that is intended to, or could appear to, influence business judgment, or that could jeopardize GCCS's reputation or image.

I UNDERSTAND AND ACKNOWLEDGE I HAVE READ THIS CODE OF CONDUCT AND THE ATTACHMENTS AND WILL ADHERE WITH THE CODE OF CONDCUT AND THE ATTACHMENTS.

# **Board Member Conflict of Interest Policy**

Policy 0342

# **Purpose**

The purpose of the conflict of interest policy is to protect this organization's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of GCCS or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations. As a charter school, certain special state conflicts of interest policies apply as discussed within this Policy.

## **Definitions**

- 1. Interested Person Any director, officer, or member of a committee Board delegated powers, who has a direct or indirect financial interest, as defined below.
- 2. Financial Interest A person has a financial interest if the person has, directly or indirectly, through business, investment, or family:
  - a. An ownership or investment interest in any entity with which GCCS has a transaction or arrangement,
  - b. A compensation arrangement with GCCS or with any entity or individual with which GCCS has a transaction or arrangement, or
  - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which GCCS is negotiating a transaction or arrangement.

Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

A financial interest is not necessarily a conflict of interest. A person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict of interest exists.

## **Procedures**

1. Duty to Disclose - In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the Board.

2. Determining Whether a Conflict of Interest Exists - After disclosure of the financial interest and all material facts, and after any discussion with the interested person, the interested person shall leave the Board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining Board or committee members shall decide if a conflict of interest exists.

## **Conflicts of Interest Under Missouri law**

Under Missouri law, the following are conflicts of interest. The Board has no discretion on whether these items present a conflict of interest. No person shall be appointed to the Board unless they meet the following requirements. Any Board member who is in violation of any of these requirements is ineligible to serve and shall immediately forfeit their office:

- 1. No Board member shall hold any other office or being employed by GCCS while serving as a member of the Board.
- 2. No Board member shall have any substantial interest in any entity employed by or contracting with the Board.
- 3. No Board member may be an employee of a company that provides substantial services to GCCS.

## **Procedures for Addressing the Conflict of Interest**

An interested person may make a presentation at the Board or committee meeting, but after the presentation, he or she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.

The President of the Board or Chairperson of a committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.

After exercising due diligence, the Board or committee shall determine whether GCCS can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the Board or committee shall determine by a majority vote of the disinterested Board or committee members whether the transaction or arrangement is in GCCS's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above

determination, it shall make its decision as to whether to enter into the transaction or arrangement.

# **Violations of the Conflicts of Interest Policy**

If the Board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the Board or committee member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.

If, after hearing the member's response and after making further investigation, as warranted by the circumstances, the Board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

# **Record of Proceedings**

The minutes of the Board and all committees with Board delegated powers shall contain:

- 1. The names of the person who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the Board's or committee's decision as to whether a conflict of interest in fact existed.
- 2. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the nature of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

# Compensation

No voting member of the Board shall receive compensation, directly or indirectly, from GCCS.

## **Annual Statements**

Each director, officer and member of a committee with Board delegated powers shall annually sign a statement which affirms such person:

- 1. Has received a copy of the conflicts of interest policy,
- 2. Has read and understands the policy,
- 3. Has agreed to comply with the policy, and

4. Understands GCCS is charitable and in order to maintain its federal tax exemption, it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

# **Periodic Reviews**

To ensure GCCS operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, yearly audits shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- 1. Whether compensation arrangements and benefits are reasonable, based on competent survey information, and the result of arm's length bargaining,
- 2. Whether partnerships, joint ventures, and arrangements with management organizations conform to GCCS's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

# **Use of Outside Experts**

When conducting the periodic reviews as provided for in this Policy, GCCS may, but need not, use outside advisors. If outside experts are used, their use shall not relieve the Board of its responsibility for ensuring periodic reviews are conducted.

# **Board Member Conduct**

This extends to fully reviewing all documentation provided in advance of board meetings including meeting agendas, minutes, and attached documentations supporting Board discussions or action.

Board members shall work in a spirit of harmony and cooperation in spite of differences of opinion or philosophy that may arise during discussion and resolution of issues.

Each Board member shall comply with the provisions of the Missouri Sunshine Law related to participating in executive and closed sessions.

Board members shall maintain confidentiality of all discussions and other matters pertaining to Board business during executive sessions of the Board or related to matters or information protected by law.

Each Board member shall engage fully in discussion prior to casting a Board vote and shall vote only on matters where the member has full understanding and adequate and appropriate information to make an informed decision.

After casting a vote on any issue, each member agrees to abide by and support all majority decisions of the Board.

# **Personnel Decisions**

Board members shall only consider employment of personnel after receiving and fully considering the recommendation of the Superintendent.

Consideration for employment of the Superintendent shall be made based on the needs and interest of GCCS. Decisions shall be made based on qualifications, experience, philosophy, verifiable performance, and fiscal feasibility related to compensation. Board members shall ensure regular and impartial evaluations of all staff and the appropriate supervisor or supervising body shall provide timely, written feedback related to formal evaluations.

# **Financial Governance**

Board members shall refrain from and guard against use of any Board member for personal or partisan gain or to benefit any person or entity over the interest of GCCS. Such gain refers to more than nominal or incidental amounts which would tend to impair or hinder independent judgment or action in the performance of official duties.

#### 15. Reporting of Work-Related Injuries.

Client will maintain a safe working environment and provide all appropriate personal protective equipment as deemed appropriate for unit to which Soliant's Consultant has been assigned. Client ensures compliance with all applicable OSHA or state Department of Labor obligations to include general training on the reporting of work-place injuries, incidents, and occupational exposure to bloodborne pathogens occurring at Client facility. Records of such occurrences must be maintained by the Client and accessible to Soliant within guidelines set forth by governing entities. In the event of work-place injury, incident or exposure, each affected Consultant will contact their immediate Client-appointed supervisor and report to the applicable treating department as per Client protocol. Consultant shall also report work-place injury, incident or exposure to Soliant concurrently with Client for the purpose of reporting such event to Soliant's workers compensation carrier. If Client's reporting requirements change during the term of this Agreement, Client is responsible for written notification of such information to both Soliant and Soliant's Consultant.

## 16. Termination of Contracted Assignment with Cause.

Immediately upon occurrence, Client has the obligation to report each deviation from the accepted standard of practice, policies and procedures as orientated to Consultant, behavior, and or any incident that would be considered adverse to the overall operation of Client. Client may request that Soliant facilitate the immediate removal of Consultant due to any of the issues preceding with written and/or verbal notice. The Client, however, may not immediately terminate a Consultant unless Soliant has been notified prior to final incident or unless a single incident warrants immediate dismissal prior to Soliant's notification. All supporting documentation specifying the reasons and facts of the termination is required within forty-eight (48) hours of termination. If the Client does not report such deviation(s) and subsequently terminates Consultant or if Client does not provide required documentation following a termination within the required timeframe, Client will be assessed as liquidated damages and not as a penalty, an amount equal to one (1) week of billing. The parties agree that Soliant's Consultant s are an integral part of its operation and a resource that may have been developed over a number of years. Any delay or absence of a written and verbal notice could result in lost revenue or other consequences not foreseen at this time and therefore the liquidated damages are not unreasonable to the probable loss to be suffered by Soliant in the event of your breach of this provision. Client will be responsible for all professional fees (and expenses if applicable) up to the point of termination. Termination with cause must be documented prior to termination in accordance with the Incident and Error Tracking procedures set forth in paragraph 14 of this agreement. Soliant shall have five (5) business days to refill the position in the event of termination with cause. Should Soliant identify a suitable Consultant, Client agrees to original terms or extended terms of the terminated Consultant's assignment.

#### 17. Termination of Contracted Assignment without Cause.

Client may cancel an assignment with thirty (30) days written notice. Client is responsible for all charges and fees prior to cancellation date and through the 30-day period of notice. In the event Client is unable to provide thirty (30) days' notice of termination, Client will be billed for thirty (30) days at the agreed upon regular bill rate and minimum hours. In the event of termination without cause, Client will be responsible for any housing and travel costs actually incurred by Soliant as a result of such cancellation.

# 18. Guaranteed Minimum Hours.

Client agrees to provide Consultant the guaranteed number of work hours per week specified in the attached Assignment Confirmation Addendum A. Cancellation of prescheduled workdays or reduction in work hours by Client will be billed reflecting the guaranteed minimum work hours. Minimum work hours shall be reduced to reflect scheduled school closings for holidays and planning days.

#### 19. Paid Sick Leave.

For those jurisdictions that have passed or will pass legislation requiring Paid Sick Leave, Paid Sick Time will be billed back to Client at the straight-time bill rate for all hours taken by any Consultant assigned to Client. <u>This section is not applicable until the effective date of such legislation has been reached.</u>

# 20. Unscheduled Facility Closure Policy.

Soliant will incur fixed expenses over the entire course of a Consultant's contract assignment with Client related to the Consultant's housing and per diem costs. The parties agree that in the event of an unforeseen or unexpected interruption in a Consultant's assignment resulting from an unscheduled closure, complete or partial, of Client's facilities due to natural or manmade disasters, such as, and without limiting the generality of the foregoing, fire, storms, flooding, earthquake, labor unrest, riots, and/or acts of terrorism or war (each an "Unscheduled Closure"), Client will transition to virtual services for all Consultants whose services can be performed in such a setting. Client shall be billed for services performed at the regular contracted hourly bill rate for all hours worked by Consultant. Virtual service hours shall be entered and processed according to the normal time submittal and approval process unless otherwise requested by Client and agreed upon by Soliant. Soliant and Client will mutually determine which contracted disciplines qualify for virtual services. For contracted services not eligible for virtual services, Client will be invoiced and shall pay for each such affected Consultant's services at the reduced rate of \$200 per day for each day that the Consultant(s) is unable to work by virtue of such Unscheduled Closure.

## 21. Multiple Locations.

If client requires Consultant to travel to and perform services at more than one location, Client will compensate Soliant for travel time between facilities at the regular hourly bill rate and for mileage not to exceed the current acceptable IRS reimbursement rate.

#### 22. Issue Resolution.

In the event Client encounters an issue that is not satisfactorily resolved by its Soliant representative, Client should escalate the issue to the appropriate Soliant manager by calling 800-849-5502. Please ask for your account representative's manager.

#### 23. Indemnification.

## 25. Family Education Rights and Privacy Act.

Soliant shall comply with all laws, rules and regulations pursuant to the Family Educational Rights and Privacy Act, 20 USC 1232g ("FERPA") and acknowledges that certain information about the Client's students is contained in records maintained by Soliant and the Consultant and that this information can be confidential by reason of FERPA and related Client policies. Both parties agree to protect these records in accordance with FERPA and Client policy. To the extent permitted by law, nothing contained herein shall be construed as precluding either party from releasing such information to the other so that each can perform its respective responsibilities. Client acknowledges and agrees that if formal notice is required to be given to any Consultant that participation in any such retirement system/pension is either: 1) permitted by Consultant's election; or 2) is required by law, then Client is solely responsible for providing such notice to Consultant s and fulfilling all associated administrative duties. Client shall immediately notify Soliant if any Consultant is required to, or voluntarily elects to participate in any such system. In such event, Client shall advise Soliant of the withholding obligation percentages (both employer and employee share) so that invoices to Client and payment to the Consultant may be adjusted accordingly.
