

**DeLaSalle Education Center
Academic Committee Meeting
January 8, 2025**

In attendance:

- Sean Stalling
- Ernestine Key
- Steve Gering
- Bill Patterson

Sean reported he had received a call from Robbyn Wahby of the MCPSC notifying him the Commission had elected to renew DeLaSalle's Charter for another five years.

Other topics discussed:

- Technology issues associated with remote learning and the quality of instruction/learning students receive on snow days. Many families lack internet access or access to laptop computers/tablets. Committee discussed strategies employed in the past to address the need, and ongoing technology challenges.
- Adjustments to the current tutoring program. Currently, DLS has 26 students in the tutoring program, which is held during first period. Of the 26, 12 have completed at least four of the four sessions. Sean said first period was a difficult time for students who may have difficulty arriving in time for tutoring.
- Overtures from a local K-8 school regarding a possible merger.
- Steps involved in re-securing ownership of the DeLaSalle school building from School Smart.
