The number of students enrolled in the School shall not exceed the limit prescribed by statute. The number of students and staff attending the School at any one time shall not exceed the number allowed by the occupancy permit. An involuntary and material decrease in enrollment may be a sole good cause for nonrenewal, suspension, or termination of this Contract at the discretion of the Sponsor. A material decrease in enrollment for purposes of this 6.1 shall be an unplanned decrease not pre-approved by the Sponsor of (a) below twenty-five (25) students, or (b) thirty percent (30%) or greater decrease from the average enrollment figures of the prior four or more school operating (open for students) months.

Failure to continue operation without interruption is grounds for termination of this Contract. Only upon written notification to the Sponsor can the School calendar be materially changed. A material change shall be defined as any change of one week or more, either consecutively or cumulatively.
- 6.3 **Curriculum.**
- 6.3.1 For purposes of this Contract, on Attachment 6.3, the focus, mission, philosophy, goals, and objectives of the curriculum shall be separated from the methods used to achieve those goals and all classroom and non-classroom based learning opportunities. Attachment 6.3 must also show how the School's curriculum is aligned with Ohio Content Standards.
- 6.3.2 The Sponsor specifically authorizes "learning opportunities" to include educational opportunities provided by the School during suspension or expulsion of the School's students, if provided for by the School's own policies. Learning opportunities shall also include any opportunities provided for in a credit flex or college credit plus program of the School or as described on Attachment 6.3. The Sponsor also permits the School to operate using a blended learning model, as the term is defined in R.C. 3301.079, provided Attachment 6.3 includes:

- (b) A description of how student instructional needs will be determined and documented;
- (c) The method to be used for determining competency, granting credit, and promoting students to a higher grade level;

State standards shall be met by the School and may be changed from time to time by the Ohio Department of Education. In addition to the required testing, the School must assess and keep benchmarks acceptable to the Sponsor of all students in order to provide guidance for the Sponsor to review yearly progress. Such assessments and intended benchmarking are identified in Attachment 6.4. No assessment tools may be changed without notification to the Sponsor, which shall contain the justification for the change. The School specifically acknowledges the closure provisions of R.C. 3314.35. 6.5 **Racial and Ethnic Balance.** The School will attempt to achieve and attempt to continue, as the case may be, racial and ethnic balance reflective of the community it serves by doing each of the items recited in Attachment 6.5. Notwithstanding the admissions procedures of the School, in the event that the racial composition of the enrollment of the School is violative of a federal desegregation order, the School shall take any and all corrective measures to comply with a desegregation order.

6.6 **Tuition.** Subject only to any applicable exception pursuant to R.C. 3314.06 or 3314.26, tuition in any form shall not be charged for the enrollment of any student. Nothing in this section prevents reasonable activity or class fees as allowed by law, or the School's engaging in voluntary fund-raising activities or the School's ability to otherwise charge tuition or fees if expressly allowed by applicable statute.

6.7 **Suspension and Expulsion Policies.** A policy regarding suspension, expulsion, removal, and permanent exclusion of a student that specifies, among other things, the types of misconduct for which a student may be suspended, expelled, or removed, and the due process related thereto, is included in Attachment 6.7. Said policy and practices shall comply with the requirements of R.C. 3313.66, 3313.661, and 3313.662 and shall not infringe upon the rights of students with disabilities as provided by state and federal law.

- 6.9 **Disabled Students.** During admission and enrollment of any disabled student, the School shall comply with federal and state laws regarding the education of students with disabilities. The School shall provide all necessary related services or may contract for related services if it provides documentation to the Sponsor identifying the providers, the plan to provide related services, and the provider's qualification, experience, and reputation.
- 6.10 **School Closure.** The School agrees to remain open for students to attend until the end of the school year in which it is determined that the School must close. The programs provided to students in the final year of the School must continue without interruption or reduction unless program changes are preapproved in writing by the Sponsor. The Sponsor may, at its sole discretion, operate the School in the event the Governing Authority fails to continue until the end of the approved school year or is otherwise suspended or terminated, provided, however, the Sponsor may suspend the operations or terminate this Contract as otherwise indicated by law. The Governing Authority and its administration takes sole responsibility for the Ohio Department of Education closing procedures listed in Attachment 3.5.3 and shall indemnify, defend, and hold harmless the Sponsor for all performance thereof.
