Hi Earl, see below for my answers.

1. We did not need to do a lottery before 2018-2019.
2. I will check about the by laws.
3. Complete
4. I have never seen anything where it will say it is linked directly to DESE. I am going to ask someone at PowerSchool to see if I can get more information.
5. Can you look at the attached master schedule? If I added room #'s to this, would it work? Do you need individual classroom schedules, so 10 different schedules?
